The board shall pay each member the same compensation as is paid to members of the Legislature for their interim duties as recommended by the citizens legislative compensation commission and authorized by law for each day or portion thereof engaged in the discharge of official duties and shall reimburse each member for actual and necessary expenses incurred in the discharge of official duties.

The public member shall serve as chairman of the board.

request of said director or the director of the division
of environmental protection. Notice of each meeting
shall be given in writing to each member by the
secretary at least five days in advance of the meeting.
Three voting members shall constitute a quorum for
the transaction of business.

(b) In addition to other powers and duties expressly
set forth elsewhere in this article, the board shall:

application for employment as an oil and gas inspector
and supervising inspector and forms for written
examinations to test the qualifications of candidates,

gas inspector and supervising inspector as the board
may from time to time deem necessary or advisable;

(2) Adopt and promulgate reasonable rules and
regulations relating to the examination, qualification
and certification of candidates for appointment, and

supervising inspector, required to be held by this
article. All of such rules and regulations shall be
printed and a copy thereof furnished by the secretary
of the board to any person upon request;

(3) Conduct, after public notice of the time and place
thereof, examinations of candidates for appointment.

the examination;

director of the division of environmental protection a
register of qualified eligible candidates for appoint-

the certification of candidates for oil and gas inspectors
and for supervising inspectors as the board may from
time to time deem necessary or advisable. The register
shall list all qualified eligible candidates in the order of their grades, the candidate with the highest grade appearing at the top of the list. After each meeting of the board held to examine such candidates and at least annually, the board shall prepare and submit to said director and the director of the division of environmental protection a revised and corrected register of qualified eligible candidates for appointment, deleting from such revised register all persons: (a) Who are no longer residents of West Virginia; (b) who have allowed a calendar year to expire without, in writing, indicating their continued availability for such appointment; (c) who have been passed over for appointment for three years; (d) who have become ineligible for appointment since the board originally certified that such persons were qualified and eligible for appointment; or (e) who, in the judgment of at least three members of the board, should be removed from the register for good cause;

(5) Cause the secretary of the board to keep and preserve the written examination papers, manuscripts, grading sheets and other papers of all applicants for appointment for such period of time as may be established by the board. (8) Hear and determine appeals of inspectors or the supervising inspector from suspension orders made by said director pursuant to the provisions of section two, article one, chapter twenty-two-b of this code: Provided, That in order to appeal from any order of suspension, an aggrieved inspector or supervising inspector shall file such appeal in writing with the oil and gas inspectors' examining board not later than ten
days after receipt of the notice of suspension. On such appeal the board shall affirm the action of said director unless it be satisfied from a clear preponderance of the evidence that said director has acted arbitrarily;

(9) Make an annual report to the governor concerning the administration of oil and gas inspection personnel in the state service; making such recommendations as the board considers to be in the public interest; and

(10) Render such advice and assistance to the director of the office of oil and gas as he shall from time to time determine necessary or desirable in the performance of his duties.

(c) After having conducted a preliminary performance audit through its joint committee on government operations, pursuant to section nine, article ten, chapter four of this code, the Legislature hereby finds and declares that the oil and gas inspectors' examining board within the division of environmental protection should be continued and reestablished. Accordingly, notwithstanding the provisions of section four of said article, the oil and gas inspectors' examining board within the division of environmental protection shall continue to exist until the first day of July, one thousand nine hundred ninety-four.
