WEST VIRGINIA LEGISLATURE

REGULAR SESSION, 1993

ENROLLED

SENATE BILL NO. 508

(By Senator Sha Ye et al.)

PASSED April 10, 1993

In Effect Sept. 1, 1993
AN ACT to amend and reenact chapter eight of the code of West Virginia, one thousand nine hundred thirty-one, as amended, by adding thereto a new article, designated article twenty-seven-a, relating to intergovernmental relations alternative fuel vehicles.

Be it enacted by the Legislature of West Virginia:

That chapter eight of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended by adding thereto a new article, designated article twenty-seven-a, to read as follows:

ARTICLE 27A. INTERGOVERNMENTAL RELATIONS—ALTERNATIVE FUEL VEHICLES.

1 The following terms, whenever used or referred to in this article, shall have the following meanings unless a different meaning clearly appears from the context:

5 (a) “Alternative fuels” include compressed natural gas, liquified natural gas, liquified petroleum gas, methanol, ethanol, fuel mixtures containing eighty-
five percent or more by volume of methanol, ethanol
and other alcohols with gasoline or other fuels, coal-
derived liquid fuels and electricity (including electric-
ity from solar energy).

(b) "Alternative fuel vehicle" means a motor vehicle
that operates solely on one alternative fuel, a motor
vehicle that is capable of operating on one or more
alternative fuels or a motor vehicle that is capable of
operating on an alternative fuel and is capable of
operating on gasoline or diesel fuel.

(c) "Fleet" means fifteen or more motor vehicles
that are centrally fueled or capable of being centrally
fueled and are owned, operated, leased or otherwise
controlled by or assigned to an agency of a political
subdivision.

(d) "Political subdivision" means a county, munici-
pality and any other unit of local government autho-
rized by law to perform governmental functions, but
does not include school boards or school districts.

§8-27A-2. Purchase or lease of fleet vehicles; use of alterna-
tive fuels.

(a) After the first day of September, one thousand
nine hundred ninety-three, a political subdivision may
purchase or lease alternative fuel vehicles for use by
any agency of the political subdivision as follows:

(1) Any agency of a political subdivision may acquire
or be provided with equipment or refueling facilities
necessary to operate alternative fuel vehicles by any of
the following methods:

(A) Purchase or lease as authorized by law;

(B) Gift or loan of the equipment or facilities; or

(C) Gift or loan of the equipment or facilities or
other arrangement pursuant to a service contract for
the supply of alternative fuels.

(2) If the equipment or facilities are donated, loaned
or provided through other arrangement with the
supplier of alternative fuels, the supplier shall be
entitled to recoup its actual cost of donating, loaning or providing the equipment or facilities through its fuel charges under the fuel supply contract.

(b) Of the total number of fleet vehicles acquired by each political subdivision for use by any agency of each political subdivision:

(1) Twenty percent in fiscal year one thousand nine hundred ninety-five;

(2) Thirty percent in fiscal year one thousand nine hundred ninety-six;

(3) Fifty percent in fiscal year one thousand nine hundred ninety-seven shall be alternative fuel vehicles.

(c) The governing authority of each political subdivision shall review this alternative fuel use program on or before the thirty-first day of December, one thousand nine hundred ninety-seven, and if the governing authority determines that the program is effective in reducing costs to the political subdivision, taking into consideration the cost of operating alternative fuel vehicles over the expected useful life of the vehicles, the governing authority shall, of the total number of vehicles acquired in each fiscal year, acquire at least seventy-five percent alternative fuel vehicles for fleets of the agencies of the political subdivision beginning the first day of September, one thousand nine hundred ninety-eight, and thereafter.

(d) The governing authority of each political subdivision, in the development of the alternative fuel use program, shall consult with agency fleet operators, vehicle manufacturers and converters, fuel distributors and others to delineate the vehicles to be covered, taking into consideration range, specialty uses, fuel availability, vehicle manufacturing and conversion capability, safety, resale values and other relevant factors. In order to maximize the savings to the political subdivision, the governing authority of each political subdivision shall attempt to the extent possible to convert first those vehicles that are used the most often for the most miles. The governing author-
(e) The governing authority of each political subdivision may reduce any percentage specified or waive the requirements of subsection (b) of this section for any agency upon a determination by the governing authority, in its sole discretion, that either of the following situations apply:

1. The agency's vehicles will be operating primarily in an area in which neither the agency nor a supplier has or can reasonably be expected to establish a central refueling station for alternative fuels; or

2. The agency is unable to acquire or be provided equipment or refueling facilities necessary to operate alternative fuel vehicles at a projected cost that is reasonably expected to result in no greater net costs than the continued use of traditional gasoline or diesel fuels measured over the expected useful life of the equipment or facilities supplies.

(f) The provisions of this section shall not apply to:

1. Vehicles operated by law-enforcement agencies;
2. Emergency vehicles;
3. Vehicles operated by public transit authorities;
4. School buses; or
5. Nonroad vehicles, including farm and construction vehicles.

§8-27A-3. Prohibition of subsidies or incentive payments.

Except as provided by section three-d, article thirteen-d, chapter eleven of this code, a political subdivision shall not enter into any program providing subsidies or incentive payments for the production of compressed natural gas, liquified natural gas, liquefied petroleum gas, methanol, ethanol or coal-derived liquid fuels.
