ENROLLED

Com. Sub. for

HOUSE BILL No. 2080

(By Delegate Love)

---

Passed March 11, 1995

In Effect 90 days from Passage
AN ACT to amend and reenact section twenty-six, article fifteen, chapter seventeen-c of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to flashing warning lights on vehicles; and allowing flashing lights on hazardous material response vehicles, industrial fire brigade vehicles, Class A vehicles of out-of-state residents who are active members of West Virginia emergency services, and rural newspaper delivery vehicles.

Be it enacted by the Legislature of West Virginia:

That section twenty-six, article fifteen, chapter seventeen-c of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

ARTICLE 15. EQUIPMENT.

1 (a) Any lighted lamp or illuminating device upon a motor vehicle other than head lamps, spot lamps, auxiliary lamps or flashing front-direction signals which projects a beam of light of an intensity greater than three hundred candlepower shall be so directed that no part of the beam will strike the level of the roadway on which the vehicle
stands at a distance of more than seventy-five feet from the vehicle.

(b) No person shall drive or move any vehicle or equipment upon any highway with any lamp or device thereon displaying other than a white or amber light visible from directly in front of the center thereof except as authorized by subsection (d) of this section.

(c) Except as authorized in subsection (d) and (f) of this section and authorized in section nineteen of this article, flashing lights are prohibited on motor vehicles: Provided, That any vehicle as a means for indicating right or left turn, or any vehicle as a means of indicating the same is disabled or otherwise stopped for an emergency may have blinking or flashing lights.

(d) Notwithstanding any other provisions of this chapter, the following colors of flashing warning lights are restricted for the use of the type of vehicle designated:

(1) Blue flashing warning lights are restricted to police vehicles. Authorization for police vehicles shall be designated by the chief administrative official of each police department.

(2) Except for standard vehicle equipment authorized by section nineteen of this article, red flashing warning lights are restricted to ambulances; firefighting vehicles; hazardous material response vehicles; industrial fire brigade vehicles; school buses; Class A vehicles, as defined by section one, article ten, chapter seventeen-a of this code, of those firefighters who are authorized by their fire chiefs to have such lights; Class A vehicles of members of ambulance services or duly chartered rescue squads who are authorized by their respective chiefs to have such lights; and Class A vehicles of out-of-state residents who are active members of West Virginia fire departments, ambulance services or duly chartered rescue squads who are authorized by their respective chiefs to have such lights. Red flashing warning lights attached to such Class A vehicles shall be operated only when responding to or engaged in handling an emergency requiring the attention of such firefighters, members of such ambulance services,
or chartered rescue squads.

(3) The use of red flashing warning lights shall be authorized as follows:

(A) Authorization for all ambulances shall be designated by the department of health and human resources and the sheriff of the county of residence.

(B) Authorization for all fire department vehicles shall be designated by the fire chief and the state fire marshal's office.

(C) Authorization for all hazardous material response vehicles and industrial fire brigades shall be designated by the chief of the fire department and the state fire marshal's office.

(D) Authorization for all rescue squad vehicles not operating out of a fire department shall be designated by the squad chief, the sheriff of the county of residence and the department of health and human resources.

(E) Authorization for school buses shall be designated as set out in section twelve, article fourteen, chapter seventeen-c.

(F) Authorization for firefighters to operate Class A vehicles shall be designated by their fire chiefs and the state fire marshal's office.

(G) Authorization for members of ambulance services or any other emergency medical service personnel to operate Class A vehicles shall be designated by their chief official, the department of health and human resources and the sheriff of the county of residence.

(H) Authorization for members of duly chartered rescue squads not operating out of a fire department to operate Class A vehicles shall be designated by their squad chiefs, the sheriff of the county of residence and the department of health and human resources.

(I) Authorization for out-of-state residents operating Class A vehicles who are active members of a West Virginia fire department, ambulance services or duly chartered
82 rescue squads shall be designated by their respective
83 chiefs.

84 (4) Yellow flashing warning lights are restricted to the
85 following:

86 (A) All other emergency vehicles, including tow trucks
87 and wreckers, authorized by this chapter and by section
88 twenty-seven of this article;

89 (B) Postal service vehicles and rural mail carriers, as
90 authorized in section nineteen of this article;

91 (C) Rural newspaper delivery vehicles;

92 (D) Flag car services;

93 (E) Vehicles providing road service to disabled vehi-
94 cles;

95 (F) Service vehicles of a public service corporation;

96 (G) Snow removal equipment; and

97 (H) School buses.

98 (5) The use of yellow flashing warning lights shall be
99 authorized as follows:

100 (A) Authorization for tow trucks, wreckers, rural news-
101 paper delivery vehicles, flag car services, vehicles provid-
102 ing road service to disabled vehicles, service vehicles of a
103 public service corporation and postal service vehicles shall
104 be designated by the sheriff of the county of residence.

105 (B) Authorization for snow removal equipment shall
106 be designated by the commissioner of the division of
107 highways.

108 (C) Authorization for school buses shall be designated
109 as set out in section twelve, article fourteen, chapter
110 seventeen-c.

111 (e) Notwithstanding the foregoing provisions of this
112 section, any vehicle belonging to a county board of edu-
113 cation may be equipped with a white flashing strobotron
114 warning light. This strobe light may be installed on the
115 roof of a school bus not to exceed one-third the body
length forward from the rear of the roof edge. The light shall have a single clear lens emitting light three hundred sixty degrees around its vertical axis and may not extend above the roof more than six and one-half inches. A manual switch and a pilot light must be included to indicate the light is in operation.

(f) It shall be unlawful for flashing warning lights of an unauthorized color to be installed or used on a vehicle other than as specified in this section, except that a police vehicle may be equipped with either or both blue or red warning lights.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
