ARTICLE 4. BANKING INSTITUTIONS AND SERVICES GENERALLY.

§31A-4-19. Reports.

1 Every state banking institution shall make at least four reports each year to the commissioner of banking upon his or her call therefor. The reports shall be called for as nearly as conveniently may be on the dates on which the comptroller of the currency shall call for reports by national banking associations, and be in the form and contain the details as shall be prescribed by the commissioner of banking. The reports shall be verified by the oath of the president or active vice president or cashier
and attested by the signatures of at least three directors of

In lieu of the report, the commissioner of banking
shall have discretion to accept from a banking institution
which is a member of the federal reserve system a report,
and the publication thereof required of the banking
institute by the federal reserve board, or by its agency,
provided that the report shall show in detail, under
appropriate heads, the resources and liabilities of the
banking institution at the close of business on the day
specified by the federal reserve board, or by its agency,
and shall contain such further details as may be deemed
