97 business operations are or have been marked by business
98 practices or conduct that is to the detriment of the public,

6 and the contract shall state that liability.

7 (2) No subscriber of an HMO is liable to any provider

21 for any services covered by the subscriber's contract with
22 the HMO.

23 (5) The provisions of this section shall not be con-
24 strued to apply to the amount of any deductible or
25 copayment which is not covered by the contract of the
26 HMO.

27 (6) For all provider contracts executed on or after the
28 fifteenth day of April, one thousand nine hundred
29 ninety-five and within one hundred eighty days of that
30 date for contracts in existence on that date:

31 (a) The contracts must provide that the provider shall
32 provide sixty days advance written notice to the health
33 maintenance organization and the commissioner before
34 canceling the contract with the health maintenance organi-
35 zation for any reason; and

36 (b) The contract must also provide that nonpayment
37 for goods or services rendered by the provider to the
38 health maintenance organization is not a valid reason for
39 avoiding the sixty day advance notice of cancellation.

40 (7) Upon receipt by the health maintenance organiza-
41 tion of a sixty day cancellation notice, the health mainte-
42 nance organization may, if requested by the provider,
43 terminate the contract in less than sixty days if the health
44 maintenance organization is not financially impaired or

45 insolvent.

§33-25A-8. Evidence of coverage; charges for health care services; cancellation of contract by enrollee.

1 (1)(a) Every enrollee is entitled to evidence of cover-
2 age in accordance with this section. The health mainte-
3 nance organization or its designated representative shall
4 issue the evidence of coverage.

5 (b) No evidence of coverage, or amendment thereto,
6 shall be issued or delivered to any person in this state until
7 a copy of the form of the evidence of coverage, or amend-
8 ment thereto, has been filed with and approved by the
9 commissioner.

10 (c) An evidence of coverage shall contain a clear,
11 concise and complete statement of:

12 (i) The health care services and the insurance or other
13 benefits, if any, to which the enrollee is entitled;

14 (ii) Any exclusions or limitations on the services, kind
15 of services, benefits, or kind of benefits, to be provided,
16 including any copayments;

17 (iii) Where and in what manner information is avail-
18 able as to how services, including emergency and
19 out-of-area services, may be obtained;

20 (iv) The total amount of payment and copayment, if
21 any, for health care services and the indemnity or service
22 benefits, if any, which the enrollee is obligated to pay with
23 respect to individual contracts, or an indication whether
24 the plan is contributory or noncontributory with respect to
25 group certificates; and

26 (v) A description of the health maintenance
27 organization's method for resolving enrollee grievances.

28 (d) Any subsequent approved change in an evidence
29 of coverage shall be issued to each enrollee.

30 (e) A copy of the form of the evidence of coverage to
31 be used in this state, and any amendment thereto, is subject
32 to the filing and approval requirements of subdivision (b),

33 subsection (1) of this section, unless the commissioner
34 promulgates a rule dispensing with this requirement or
35 unless it is subject to the jurisdiction of the commissioner
36 under the laws governing health insurance or, hospital or
37 medical service corporations, in which event the filing and
38 approval provisions of those laws apply. To the extent,
39 however, that those provisions do not apply the require-
40 ments in subdivision (c), subsection (1) of this section, are
41 applicable.

42 (2) Premiums may be established in accordance with
43 actuarial principles: *Provided*, That premiums shall not be
44 excessive, inadequate, or unfairly discriminatory. A certifi-
45 cation by a qualified independent actuary shall accompa-
46 ny a rate filing and, shall certify that: The rates are neither
47 inadequate nor excessive nor unfairly discriminatory; that
48 the rates are appropriate for the classes of risks for which
49 they have been computed; provide an adequate descrip-
50 tion of the rating methodology showing that the method-
51 ology follows consistent and equitable actuarial principles;
52 and the rates being charged are actuarially adequate to the
53 end of the period for which rates have been guaranteed.
54 In determining whether the charges are reasonable, the
55 commissioner shall consider whether the health mainte-
56 nance organization has (a) made a vigorous, good faith
57 effort to control rates paid to health care providers; (b)
58 established a premium schedule, including copayments, if
59 any, which encourages enrollees to seek out preventive
60 health care services; and (c) made a good faith effort to
61 secure arrangements whereby basic services can be ob-
62 tained by subscribers from local providers to the extent
63 that the providers offer the services.

64 (3) Rates are inadequate if the premiums derived from
65 the rating structure, plus investment income, co-payments,
66 and revenues from coordination of benefits and subroga-
67 tion, fees-for-service and reinsurance recoveries are not set
68 at a level at least equal to the anticipated cost of medical
69 and hospital benefits during the period for which the rates
70 are to be effective, and the other expenses which would be
71 incurred if other expenses were at the level for the current
72 or nearest future period during which the HMO is project-
73 ed to make a profit. For this analysis, investment income

74 shall not exceed three percent of total projected revenues.

75 (4) The commissioner shall within a reasonable period
76 approve any form if the requirements of subsection (1) of
77 this section are met and any schedule of charges if the
78 requirements of subsection (2) of this section are met. It is
79 unlawful to issue the form or to use the schedule of charg-
80 es until approved. If the commissioner disapproves of the
81 filing, he or she shall notify the filer promptly. In the
82 notice, the commissioner shall specify the reasons for his
83 or her disapproval and the findings of fact and conclu-
84 sions which support his or her reasons. A hearing will be
85 granted by the commissioner within fifteen days after a
86 request in writing, by the person filing, has been received
87 by the commission. If the commissioner does not disap-
88 prove any form or schedule of charges within sixty days
89 of the filing of the forms or charges, they shall be consid-
90 ered approved.

91 (5) The commissioner may require the submission of
92 whatever relevant information in addition to the schedule
93 of charges which he or she considers necessary in deter-
94 mining whether to approve or disapprove a filing made
95 pursuant to this section.

96 (6) An individual enrollee may cancel a contract with
97 a health maintenance organization at any time for any
98 reason: *Provided*, That a health maintenance organization
99 may require that the enrollee give sixty days advance
100 notice: *Provided, however*, That an individual enrollee
101 whose premium rate was determined pursuant to a group
102 contract may cancel a contract with a health maintenance
103 organization pursuant to the terms of that contract.

§33-25A-9. Annual report.

1 (1) Every health maintenance organization shall com-
2 ply with and is subject to the provisions of section four-
3 teen, article four of this chapter relating to filing of finan-
4 cial statements with the commissioner and the national
5 association of insurance commissioners. The annual finan-
6 cial statement required by that section shall include, but
7 not be limited to, the following:

8 (a) A statutory financial statement of the organization,
9 including its balance sheet and receipts and disbursements
10 for the preceding year certified by an independent certi-
11 fied public accountant, reflecting at least: (i) All prepay-
12 ment and other payments received for health care services
13 rendered; (ii) expenditures to all providers, by classes or
14 groups of providers, and insurance companies or nonprof-
15 it health service plan corporations engaged to fulfill obli-
16 gations arising out of the health maintenance contract; and
17 (iii) expenditures for capital improvements, or additions
18 thereto, including, but not limited to, construction, renova-
19 tion or purchase of facilities and capital equipment;

20 (b) The number of new enrollees enrolled during the
21 year, the number of enrollees as of the end of the year and
22 the number of enrollees terminated during the year on a
23 form prescribed by the commissioner;

24 (c) A summary of information compiled pursuant to
25 subdivision (c), subsection (1), section four of this article
26 in such form as may be required by the department of
27 health and human resources or other accredited entity;

28 (d) A report of the names and residence addresses of
29 all persons set forth in subdivision (c), subsection (4),
30 section three of this article who were associated with the
31 health maintenance organization during the preceding
32 year, and the amount of wages, expense reimbursements,
33 or other payments to those individuals for services to the
34 health maintenance organization, including a full disclo-
35 sure of all financial arrangements during the preceding
36 year required to be disclosed pursuant to subdivision (c),
37 subsection (4), section three of this article; and

38 (e) Such other information relating to the perfor-
39 mance of the health maintenance organization as is rea-
40 sonably necessary to enable the commissioner to carry out
41 his or her duties under this article.

**§33-25A-11. Open enrollment period; limitation on medicare
and medicaid beneficiaries.**

1 (1) Once a health maintenance organization has been
2 in operation at least five years, or has enrollment of not

3 less than fifty thousand persons, the health maintenance
4 organization shall, in any year following a year in which
5 the health maintenance organization has achieved an oper-
6 ating surplus, maintain an open enrollment period of at
7 least thirty days during which time the health maintenance
8 organization shall, within the limits of its capacity, accept
9 individuals in the order in which they apply without re-
10 gard to preexisting illness, medical conditions or degree of
11 disability except for individuals who are confined to an
12 institution because of chronic illness or permanent injury:
13 *Provided*, That no health maintenance organization shall
14 be required to continue an open enrollment period after
15 such time as enrollment pursuant to the open enrollment
16 period is equal to three percent of the health maintenance
17 organization's net increase in enrollment during the previ-
18 ous year.

19 (2) Where a health maintenance organization demon-
20 strates to the satisfaction of the commissioner that it has a
21 disproportionate share of high-risk enrollees and that, by
22 maintaining open enrollment, it would be required to
23 enroll so disproportionate a share of high-risk enrollees as
24 to jeopardize its economic viability, the commissioner
25 may:

26 (a) Waive the requirement for open enrollment for a
27 period of not more than three years; or

28 (b) Authorize the organization to impose such under-
29 writing restrictions upon open enrollment as are necessary
30 (i) to preserve its financial stability; (ii) to prevent exces-
31 sive adverse selection by prospective enrollees; or (iii) to
32 avoid unreasonably high or unmarketable charges for
33 enrollee coverage of health services. A health maintenance
34 organization may receive more than one waiver or autho-
35 rization.

36 (3) The enrollment by a health maintenance organiza-
37 tion of medicare beneficiaries who are at least sixty-five
38 years of age and medicaid beneficiaries shall not exceed
39 fifty percent of its total enrollee population. The commis-
40 sioner may permit by written order and upon application
41 of a health maintenance organization, the health mainte-
42 nance organization to exceed the fifty percent limitation,

43 but in no event may the medicare and medicaid beneficia-
44 ries enrollment exceed seventy-five percent of its total
45 enrollee population: *Provided*, That before the commis-
46 sioner grants such a waiver, the health maintenance orga-
47 nization must provide the opinion of a qualified indepen-
48 dent actuary that the higher percentage of medicaid and
49 medicare recipients will not be detrimental to the solvency
50 of the health maintenance organization for a period of at
51 least thirty-six months into the future.

§33-25A-12. Grievance procedure.

1 (1) A health maintenance organization shall establish
2 and maintain a grievance procedure, which has been ap-
3 proved by the commissioner, to provide adequate and
4 reasonable procedures for the expeditious resolution of
5 written grievances initiated by enrollees concerning any
6 matter relating to any provisions of the organization's
7 health maintenance contracts, including, but not limited to,
8 claims regarding the scope of coverage for health care
9 services; denials, cancellations or nonrenewals of enrollee
10 coverage; observance of an enrollee's rights as a patient;
11 and the quality of the health care services rendered.

12 (2) A detailed description of the HMO's subscriber
13 grievance procedure shall be included in all group and
14 individual contracts as well as any certificate or member
15 handbook provided to subscribers. This procedure shall
16 be administered at no cost to the subscriber. An HMO
17 subscriber grievance procedure shall include the follow-
18 ing:

19 (a) Both informal and formal steps shall be available
20 to resolve the grievance. A grievance is not considered
21 formal until a written grievance is executed by the sub-
22 scriber or completed on such forms as prescribed and
23 received by the HMO;

24 (b) Each HMO shall designate at least one grievance
25 coordinator who is responsible for the implementation of
26 the HMO's grievance procedure;

27 (c) Phone numbers shall be specified by the HMO for
28 the subscriber to call to present an informal grievance or

29 to contact the grievance coordinator. Each phone number
30 shall be toll free within the subscriber's geographic area
31 and provide reasonable access to the HMO without undue
32 delays. There must be an adequate number of phone lines
33 to handle incoming grievances;

34 (d) An address shall be included for written grievanc-
35 es;

36 (e) Each level of the grievance procedure shall have
37 some person with problem solving authority to participate
38 in each step of the grievance procedure;

39 (f) The HMO shall process the formal written sub-
40 scriber grievance through all phases of the grievance pro-
41 cedure in a reasonable length of time not to exceed sixty
42 days, unless the subscriber and HMO mutually agree to
43 extend the time frame. If the complaint involves the col-
44 lection of information outside the service area, the HMO
45 has thirty additional days to process the subscriber com-
46 plaint through all phases of the grievance procedure. The
47 time limitations prescribed in this subdivision requiring
48 completion of the grievance process within sixty days shall
49 be tolled after the HMO has notified the subscriber, in
50 writing, that additional information is required in order to
51 properly complete review of the grievance. Upon receipt
52 by the HMO of the additional information requested, the
53 time for completion of the grievance process set forth in
54 this subdivision shall resume.

55 (g) The subscriber grievance procedure shall state that
56 the subscriber has the right to appeal to the commissioner.
57 There shall be the additional requirement that subscribers
58 under a group contract between the HMO and a depart-
59 ment or division of the state shall first appeal to the state
60 agency responsible for administering the relevant pro-
61 gram, and if either of the two parties are not satisfied with
62 the outcome of the appeal, they may then appeal to the
63 commissioner. The HMO shall provide to the subscriber
64 written notice of the right to appeal upon completion of
65 the full grievance procedure and supply the commissioner
66 with a copy of the final decision letter;

67 (h) The HMO shall have physician involvement in

68 reviewing medically related grievances. Physician involve-
69 ment in the grievance process should not be limited to the
70 subscriber's primary care physician, but may include at
71 least one other physician;

72 (i) The HMO shall offer to meet with the subscriber
73 during the formal grievance process. The location of the
74 meeting shall be at the administrative offices of the HMO
75 within the service area or at a location within the service
76 area which is convenient to the subscriber;

77 (j) The HMO may not establish time limits of less than
78 one year from the date of occurrence for the subscriber to
79 file a formal grievance;

80 (k) Each HMO shall maintain an accurate record of
81 each formal grievance. Each record shall include the fol-
82 lowing: (i) A complete description of the grievance, the
83 subscriber's name and address, the provider's name and
84 address and the HMO's name and address; (ii) a complete
85 description of the HMO's factual findings and conclusions
86 after completion of the full formal grievance procedure;
87 (iii) a complete description of the HMO's conclusions
88 pertaining to the grievance as well as the HMO's final
89 disposition of the grievance; and (iv) a statement as to
90 which levels of the grievance procedure the grievance has
91 been processed and how many more levels of the griev-
92 ance procedure are remaining before the grievance has
93 been processed through the HMO's entire grievance pro-
94 cedure.

95 Copies of the grievances and the responses thereto
96 shall be available to the commissioner, and the public for
97 inspection for three years.

98 (3) Any subscriber grievance in which time is of the
99 essence must be handled on an expedited basis, such that a
100 reasonable person would believe that a prevailing sub-
101 scriber would be able to realize the full benefit of a deci-
102 sion in his or her favor.

103 (4) Each health maintenance organization shall submit
104 to the commissioner an annual report in a form prescribed

106 by the commissioner which describes such grievance pro-
107 cedure and contains a compilation and analysis of the
108 grievances filed, their disposition, and their underlying
109 causes.

§33-25A-14. Prohibited practices.

1 (1) No health maintenance organization, or represen-
2 tative thereof, may cause or knowingly permit the use of
3 advertising which is untrue or misleading, solicitation
4 which is untrue or misleading, or any form of evidence of
5 coverage which is deceptive. For purposes of this article:

6 (a) A statement or item of information shall be consid-
7 ered to be untrue if it does not conform to fact in any
8 respect which is or may be significant to an enrollee of, or
9 person considering enrollment in, a health maintenance
10 organization;

11 (b) A statement or item of information shall be con-
12 sidered to be misleading, whether or not it may be literally
13 untrue, if, in the total context in which the statement is
14 made, or the item of information is communicated, the
15 statement or item of information may be reasonably un-
16 derstood by a reasonable person, not possessing special
17 knowledge regarding health care coverage, as indicating
18 any benefit or advantage or the absence of any exclusion,
19 limitation, or disadvantage of possible significance to an
20 enrollee of, or person considering enrollment in, a health
21 maintenance organization, if the benefit or advantage or
22 absence of limitation, exclusion or disadvantage does not
23 in fact exist;

24 (c) An evidence of coverage shall be considered to be
25 deceptive if the evidence of coverage taken as a whole, and
26 with consideration given to typography and format, as well
27 as language, shall be such as to cause a reasonable person,
28 not possessing special knowledge regarding health mainte-
29 nance organizations, and evidences of coverage therefor,
30 to expect benefits, services or other advantages which the
31 evidence of coverage does not provide or which the health
32 maintenance organization issuing the evidence of cover-
33 age does not regularly make available for enrollees cov-
34 ered under such evidence of coverage; and

35 (d) The commissioner may further define practices
36 which are untrue, misleading or deceptive.

37 (2) No health maintenance organization may cancel or
38 fail to renew the coverage of an enrollee except for: (a)
39 failure to pay the charge for health care coverage; (b)
40 termination of the health maintenance organization; (c)
41 termination of the group plan; (d) enrollee moving out of
42 the area served; (e) enrollee moving out of an eligible
43 group; or (f) other reasons established in rules promulgat-
44 ed by the commissioner. No health maintenance organiza-
45 tion shall use any technique of rating or grouping to can-
46 cel or fail to renew the coverage of an enrollee. An
47 enrollee shall be given thirty days' notice of any cancella-
48 tion or nonrenewal and the notice shall include the reasons
49 for the cancellation or nonrenewal: *Provided*, That each
50 enrollee moving out of an eligible group shall be granted
51 the opportunity to enroll in the health maintenance orga-
52 nization on an individual basis. A health maintenance
53 organization may not disenroll an enrollee for nonpay-
54 ment of copayments unless the enrollee has failed to make
55 payment in at least three instances over any twelve-month
56 period: *Provided, however*, That the enrollee may not be
57 disenrolled if the disenrollment would constitute abandon-
58 ment of a patient. Any enrollee wrongfully disenrolled
59 shall be reenrolled.

60 (3) No health maintenance organization may use in its
61 name, contracts or literature any of the words "insurance",
62 "casualty", "surety", "mutual" or any other words which are
63 descriptive of the insurance, casualty or surety business or
64 deceptively similar to the name or description of any in-
65 surance or surety corporation doing business in this state:
66 *Provided*, That when a health maintenance organization
67 has contracted with an insurance company for any cover-
68 age permitted by this article, it may so state.

69 (4) The providers of a health maintenance organiza-
70 tion who provide health care services and the health main-
71 tenance organization shall not have recourse against
72 enrollees for amounts above those specified in the evi-
73 dence of coverage as the periodic prepayment or
74 copayment for health care services.

75 (5) No health maintenance organization shall enroll
76 more than three hundred thousand persons in this state:
77 *Provided*, That a health maintenance organization may
78 petition the commissioner to exceed an enrollment of
79 three hundred thousand persons and, upon notice and
80 hearing, good cause being shown and a determination
81 made that such an increase would be beneficial to the
82 subscribers, creditors and stockholders of the organization
83 or would otherwise increase the availability of coverage to
84 consumers within the state, the commissioner may, by
85 written order only, allow the petitioning organization to
86 exceed an enrollment of three hundred thousand persons.

87 (6) No health maintenance organization shall discrimi-
88 nate in enrollment policies or quality of services against
89 any person on the basis of race, sex, age, religion, place of
90 residence, health status or source of payment: *Provided*,
91 That differences in rates based on valid actuarial distinc-
92 tions, including, distinctions relating to age and sex, shall
93 not be considered discrimination in enrollment policies.

94 (7) No agent of a health maintenance organization or
95 person selling enrollments in a health maintenance organi-
96 zation shall sell an enrollment in a health maintenance
97 organization unless the agent or person shall first disclose
98 in writing to the prospective purchaser the following infor-
99 mation using the following exact terms in bold print: (a)
100 "Services offered," including any exclusions or limitations;
101 (b) "full cost," including copayments; (c) "facilities avail-
102 able and hours of services"; (d) "transportation services";
103 (e) "disenrollment rate"; and (f) "staff," including the
104 names of all full-time staff physicians, consulting special-
105 ists, hospitals and pharmacies associated with the health
106 maintenance organization. In any home solicitation, any
107 three-day cooling-off period applicable to consumer
108 transactions generally applies in the same manner as con-
109 sumer transactions.

110 The form disclosure statement shall not be used in
111 sales until it has been approved by the commissioner or
112 submitted to the commissioner for sixty days without
113 disapproval. Any person who fails to disclose the requisite
114 information prior to the sale of an enrollment may be held

115 liable in an amount equivalent to one year's subscription
116 rate to the health maintenance organization, plus costs and
117 a reasonable attorney's fee.

118 (8) No contract with an enrollee shall prohibit an
119 enrollee from canceling his or her enrollment at any time
120 for any reason except that the contract may require thirty
121 days' notice to the health maintenance organization.

122 (9) Any person who in connection with an enrollment
123 violates any subsection of this section may be held liable
124 for an amount equivalent to one year's subscription rate,
125 plus costs and a reasonable attorney's fee.

**§33-25A-15. Agent licensing and appointment required; regu-
lation of marketing.**

1 (1) Health maintenance organizations are subject to
2 the provisions of article twelve of this chapter.

3 (2) After a subscriber signs an HMO enrollment appli-
4 cation and before the HMO can process the application
5 changing or initiating the subscriber coverage, each HMO
6 must verify the intent and desire of the individual sub-
7 scriber to join the HMO. The verification must be in writ-
8 ing and conducted by someone outside the HMO's mar-
9 keting department. Each verification shall include the
10 following:

11 (a) Confirmation that the subscriber intends and de-
12 sires to join the HMO;

13 (b) If the subscriber is a medicare or medicaid recipi-
14 ent, confirmation that the subscriber understands by join-
15 ing the HMO he or she will be limited to the benefits pro-
16 vided by the HMO, and medicare or medicaid will pay the
17 HMO for the subscriber coverage;

18 (c) Confirmation that the subscriber understands the
19 applicable restrictions of HMOs, especially that he or she
20 must use the HMO providers and secure approval from the
21 HMO to use health care providers outside the plan; and

22 (d) If the subscriber is a member of an HMO, confir-
23 mation that the subscriber understands he or she is trans-
24 ferring to another HMO.

25 (e) The HMO shall not pay a commission, fee, money
26 or any other form of scheduled compensation to any
27 health insurance agent until verification from the subscrib-
28 er of his or her intent and desire to enroll into the HMO
29 has been secured and the enrollment process has been
30 completed. The HMO shall verify the intent of the sub-
31 scriber to enroll with a written notice to the subscriber
32 stating that he or she has transferred from his or her exist-
33 ing coverage (i.e. from medicare, medicaid, another HMO,
34 etc.) to the new HMO. Each written verification notice
35 shall be accompanied with printed materials explaining the
36 nature of the HMO and any applicable restrictions and
37 exclusions. The enrollment process shall be considered
38 complete seven days after the HMO mails the confirma-
39 tion notice. Each HMO must notify the subscriber of the
40 date enrollment begins and when benefits will be available.
41 Each HMO is directly responsible for enrollment abuses.

42 (3) The commissioner may, in his or her discretion,
43 after notice and hearing, promulgate rules as are necessary
44 to regulate marketing of health maintenance organizations
45 by persons compensated directly or indirectly by the
46 health maintenance organizations. When necessary the
47 rules may prohibit door-to-door solicitations, may prohib-
48 it commission sales, and may provide for such other pro-
49 scriptions and other rules as are required to effectuate the
50 purposes of this article.

**§33-25A-16. Powers of insurers and hospital and medical
service corporations.**

1 (1) An insurance company licensed in this state or a
2 hospital or medical service corporation authorized to do
3 business in this state, after applying for and receiving a
4 certificate of authority as a health maintenance organiza-
5 tion, may through a subsidiary or affiliate organize and
6 operate a health maintenance organization under the pro-
7 visions of this article. Notwithstanding any other law to the
8 contrary, any two or more insurance companies, hospital
9 or medical service corporations, or subsidiaries or affiliates
10 thereof, may jointly organize and operate a health mainte-
11 nance organization. The business of insurance is consid-
12 ered to include the providing of health care by a health

13 maintenance organization owned or operated by an insur-
14 er or a subsidiary thereof.

15 (2) Notwithstanding any provision of insurance and
16 hospital or medical service corporation laws, an insurer or
17 a hospital or medical service corporation may contract
18 with a health maintenance organization to provide insur-
19 ance or similar protection against the cost of care provided
20 through health maintenance organizations and to provide
21 coverage in the event of the failure of the health mainte-
22 nance organization to meet its obligations. The enrollees
23 of a health maintenance organization constitute a permis-
24 sible group under such laws. Among other things, under
