WEST VIRGINIA LEGISLATURE
SECOND REGULAR SESSION, 1998

ENROLLED

House Bill No. 2800

(By Delegates Beach, Kelley, Prunty,
Heck, Riggs, Boggs and Evans)

Passed March 10, 1998

In Effect Ninety Days from Passage
AN ACT to amend chapter nineteen of the code of West Virginia, one thousand nine hundred thirty-one, as amended, by adding thereto a new article, designated article eleven-c, relating to the southern dairy compact; declaring purpose, policy and findings; creating definitions; establishing a commission to implement and enforce the compact; setting forth voting requirements for compact pricing orders; establishing commission administrative powers including the right to borrow, acquisition of real and/or personal property, investigatory powers; permitting rulemaking powers; providing for milk pricing orders; authorizing the examination of books and records of regulated persons; establishing criminal penalty for disclosure of confidential information not to exceed fine of $1000 and/or confinement of one year; providing for subpoena powers; establishing civil penalties for violation of commission orders; financing the commission by assessment of milk handlers; establishing judicial enforcement jurisdiction with respective states or federal district; setting forth accounting procedures; providing for the enactment of compact effective only after approval by three regional states and U. S. Congress; providing for withdrawal from compact; permitting the commissioner of agriculture to administer compact for West Virginia; and authorizing the commissioner of agriculture to appoint state delegation.
Be it enacted by the Legislature of West Virginia:

That chapter nineteen of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended by adding thereto a new article, designated article eleven-c, to read as follows:

ARTICLE 11C. SOUTHERN DAIRY COMPACT.

§19-11C-1. Enactment of compact.

1. The southern dairy compact is hereby entered into on behalf of the state of West Virginia. The southern dairy compact shall become effective when enacted into law by a majority of the states within the compact group of states and when the consent of Congress has been obtained. The full text of the southern dairy compact is as follows:

SOUTHERN DAIRY COMPACT

ARTICLE I. STATEMENT OF PURPOSE, FINDINGS AND DECLARATION OF POLICY.

§1. STATEMENT OF PURPOSE, FINDINGS AND DECLARATION OF POLICY.

1. The purpose of this compact is to recognize the interstate character of the southern dairy industry and the prerogative of the states under the United States Constitution to form an interstate commission for the southern region. The mission of the commission is to take such steps as are necessary to assure the continued viability of dairy farming in the south, and to assure consumers of an adequate, local supply of pure and wholesome milk.

10. The participating states find and declare that the dairy industry is an essential agricultural activity of the south. Dairy farms, and associated suppliers, marketers, processors and retailers, are an integral component of the region's economy. Their ability to provide a stable, local supply of pure, wholesome milk is a matter of great importance to the health and welfare of the region.

17. The participating states further find that dairy farms are essential and they are an integral part of the region's
rural communities. The farms preserve land for
agricultural purposes and provide needed economic
stimuli for rural communities.

By entering into this compact, the participating states
affirm that their ability to regulate the price which
southern dairy farmers receive for their product is
essential to the public interest. Assurance of a fair and
equitable price for dairy farmers ensures their ability to
provide milk to the market and the vitality of the southern
dairy industry, with all the associated benefits.

Recent, dramatic price fluctuations, with a pronounced
downward trend, threaten the viability and stability of the
southern dairy region. Historically, individual state
regulatory action had been an effective emergency
remedy available to farmers confronting a distressed
market. The federal order system, implemented by the
Agricultural Marketing Agreement Act of 1937,
establishes only minimum prices paid to producers for raw
milk, without preempting the power of states to regulate
milk prices above the minimum levels so established.

In today’s regional dairy marketplace, cooperative,
rather than individual state action is needed to more
effectively address the market disarray. Under our
constitutional system, properly authorized states acting
cooperatively may exercise more power to regulate
interstate commerce than they may assert individually
without such authority. For this reason, the participating
states invoke their authority to act in common agreement,
with the consent of Congress, under the compact clause of
the Constitution.

In establishing their constitutional regulatory authority
over the region’s fluid milk market by this compact, the
participating states declare their purpose that this compact
neither displace the federal order system nor encourage
the merging of federal orders. Specific provisions of the
compact itself set forth this basic principle.

Designed as a flexible mechanism able to adjust to
changes in a regulated marketplace, the compact also
contains a contingency provision should the federal order
system be discontinued. In that event, the interstate
commission is authorized to regulate the marketplace in
replacement of the order system. This contingent
authority does not anticipate such a change, however, and
should not be so construed. It is only provided should
developments in the market other than establishment of
this compact result in discontinuance of the order system.

ARTICLE II. DEFINITIONS AND RULES OF CONSTRUCTION.

§2. DEFINITIONS.

For the purposes of this compact, and of any
supplemental or concurring legislation enacted pursuant
thereto, except as may be otherwise required by the
context:

(a) "Class I milk" means milk disposed of in fluid
form or as a fluid milk product, subject to further
definition in accordance with the principles expressed in
subdivision (b) of section three.

(b) "Commission" means the Southern Dairy
Compact Commission established by this compact.

(c) "Commission marketing order" means
regulations adopted by the commission pursuant to
sections nine and ten of this compact in place of a
terminated federal marketing order or state dairy
regulation. Such order may apply throughout the region
or in any part or parts thereof as defined in the regulations
of the commission. Such order may establish minimum
prices for any or all classes of milk.

(d) "Compact" means this interstate compact.

(e) "Compact over-order price" means a minimum
price required to be paid to producers for Class I milk
established by the commission in regulations adopted
pursuant to sections nine and ten of this compact, which is
above the price established in federal marketing orders or
by state farm price regulation in the regulated area. Such
price may apply throughout the region or in any part or
parts thereof as defined in the regulations of the
commission.
(f) "Milk" means the lacteal secretion of cows and includes all skim, butterfat, or other constituents obtained from separation or any other process. The term is used in its broadest sense and may be further defined by the commission for regulatory purposes.

(g) "Partially regulated plant" means a milk plant not located in a regulated area but having Class I distribution within such area. Commission regulations may exempt plants having such distribution or receipts in amounts less than the limits defined therein.

(h) "Participating state" means a state which has become a party to this compact by the enactment of concurring legislation.

(i) "Pool plant" means any milk plant located in a regulated area.

(j) "Region" means the territorial limits of the states which are parties to this compact.

(k) "Regulated area" means any area within the region governed by and defined in regulations establishing a compact over-order price or commission marketing order.

(l) "State dairy regulation" means any state regulation of dairy prices, and associated assessments, whether by statute, marketing order or otherwise.

§3. RULES OF CONSTRUCTION.

(a) This compact shall not be construed to displace existing federal milk marketing orders or state dairy regulation in the region but to supplement them. In the event some or all federal orders in the region are discontinued, the compact shall be construed to provide the commission the option to replace them with one or more commission marketing orders pursuant to this compact.

(b) This compact shall be construed liberally in order to achieve the purposes and intent enunciated in section one. It is the intent of this compact to establish a basic structure by which the commission may achieve those
purposes through the application, adaptation and development of the regulatory techniques historically associated with milk marketing and to afford the commission broad flexibility to devise regulatory mechanisms to achieve the purposes of this compact. In accordance with this intent, the technical terms which are associated with market order regulation and which have acquired commonly understood general meanings are not defined herein but the commission may further define the terms used in this compact and develop additional concepts and define additional terms as it may find appropriate to achieve its purposes.

ARTICLE III. COMMISSION ESTABLISHED.

§4. COMMISSION ESTABLISHED.

There is hereby created a commission to administer the compact, composed of delegations from each state in the region. The commission shall be known as the Southern Dairy Compact Commission. A delegation shall include not less than three or more than five persons. Each delegation shall include at least one dairy farmer who is engaged in the production of milk at the time of appointment or reappointment, and one consumer representative. Delegation members shall be residents and voters of, and subject to such confirmation process as is provided for in, the appointing state. Delegation members shall serve no more than three consecutive terms with no single term of more than four years, and be subject to removal for cause. In all other respects, delegation members shall serve in accordance with the laws of the state represented. The compensation, if any, of the members of a state delegation shall be determined and paid by each state, but their expenses shall be paid by the commission.

§5. VOTING REQUIREMENTS.

All actions taken by the commission, except for the establishment or termination of an over-order price or commission marketing order, and the adoption, amendment or rescission of the commission’s bylaws, shall be by majority vote of the delegations present. Each
state delegation shall be entitled to one vote in the conduct of the commission's affairs. Establishment or termination of an over-order price or commission marketing order shall require at least a two-thirds vote of the delegations present. The establishment of a regulated area which covers all or part of a participating state shall require also the affirmative vote of that state's delegation. A majority of the delegations from the participating states shall constitute a quorum for the conduct of the commission's business.

§6. ADMINISTRATION AND MANAGEMENT.

(a) The commission shall elect annually from among the members of the participating state delegations a chairperson, a vice-chairperson, and a treasurer. The commission shall appoint an executive director and fix his or her duties and compensation. The executive director shall serve at the pleasure of the commission and, together with the treasurer, shall be bonded in an amount determined by the commission. The commission may establish through its bylaws an executive committee composed of one member elected by each delegation.

(b) The commission shall adopt bylaws for the conduct of its business by a two-thirds vote, and shall have the power by the same vote to amend and rescind these bylaws. The commission shall publish its bylaws in convenient form with the appropriate agency or officer in each of the participating states. The bylaws shall provide for appropriate notice to the delegations of all commission meetings and hearings and of the business to be transacted at such meetings or hearings. Notice also shall be given to other agencies or officers of participating states as provided by the laws of those states.

(c) The commission shall file an annual report with the Secretary of Agriculture of the United States, and with each of the participating states by submitting copies to the governor, both houses of the Legislature, and the head of the state department having responsibilities for agriculture.
(d) In addition to the powers and duties elsewhere prescribed in this compact, the commission shall have the power:

(1) To sue and be sued in any state or federal court;

(2) To have a seal and alter the same at pleasure;

(3) To acquire, hold and dispose of real and personal property by gift, purchase, lease, license or other similar manner, for its corporate purposes;

(4) To borrow money and to issue notes, to provide for the rights of the holders thereof and to pledge the revenue of the commission as security therefore, subject to the provisions of section eighteen of this compact;

(5) To appoint such officers, agents and employees as it may deem necessary, prescribe their powers, duties and qualifications; and

(6) To create and abolish such offices, employments and positions as it deems necessary for the purpose of the compact and provide for the removal, term, tenure, compensation, fringe benefits, pension and retirement rights of its officers and employees. The commission may also retain personal services on a contract basis.

§7. RULEMAKING POWER.

In addition to the power to promulgate a compact over-order price or commission marketing orders as provided by this compact, the commission is further empowered to make and enforce such additional rules and regulations as it deems necessary to implement any provisions of this compact, or to effectuate in any other respect the purpose of this compact.

ARTICLE IV. POWERS OF THE COMMISSION.

§8. POWERS TO PROMOTE REGULATORY UNIFORMITY, SIMPLICITY AND INTERSTATE COOPERATION.

The commission is hereby empowered to:
(a) Investigate or provide for investigations or research projects designed to review the existing laws and regulations of the participating states, to consider their administration and costs, to measure their impact on the production and marketing of milk and their effects on the shipment of milk and milk products within the region.

(b) Study and recommend to the participating states joint or cooperative programs for the administration of the dairy marketing laws and regulations and to prepare estimates of cost savings and benefits of such programs.

(c) Encourage the harmonious relationships between the various elements in the industry for the solution of their material problems. Conduct symposia or conferences designed to improve industry relations, or a better understanding of problems.

(d) Prepare and release periodic reports on activities and results of the commission’s efforts to the participating states.

(e) Review the existing marketing system for milk and milk products and recommend changes in the existing structure for assembly and distribution of milk which may assist, improve or promote more efficient assembly and distribution of milk.

(f) Investigate costs and charges for producing, hauling, handling, processing, distributing, selling and for all other services performed with respect to milk.

(g) Examine current economic forces affecting producers, probable trends in production and consumption, the level of dairy farm prices in relation to costs, the financial conditions of dairy farmers and the need for an emergency order to relieve critical conditions on dairy farms.

§9. EQUITABLE FARM PRICES.

(a) The powers granted in this section and section ten shall apply only to the establishment of a compact over-order price, so long as federal milk marketing orders remain in effect in the region. In the event that any or all
such orders are terminated, this article shall authorize the
commission to establish one or more commission
marketing orders, as herein provided, in the region or
parts thereof as defined in the order.

(b) A compact over-order price established pursuant
to this section shall apply only to Class I milk. Such
compact over-order price shall not exceed one dollar and
fifty cents per gallon at Atlanta, GA; however, this
compact over-order price shall be adjusted upward or
downward at other locations in the region to reflect
differences in minimum federal order prices. Beginning
in one thousand nine hundred ninety, and using that year
as a base, the foregoing one dollar fifty cents per gallon
maximum shall be adjusted annually by the rate of change
in the Consumer Price Index as reported by the Bureau of
For purposes of the pooling and equalization of an over-
order price, the value of milk used in other use
classifications shall be calculated at the appropriate class
price established pursuant to the applicable federal order
or state dairy regulation and the value of unregulated milk
shall be calculated in relation to the nearest prevailing
class price in accordance with and subject to such
adjustments as the commission may prescribe in
regulations.

(c) A commission marketing order shall apply to all
classes and uses of milk.

(d) The commission is hereby empowered to establish
a compact over-order price for milk to be paid by pool
plants and partially regulated plants. The commission is
also empowered to establish a compact over-order price to
be paid by all other handlers receiving milk from
producers located in a regulated area. This price shall be
established either as a compact over-order price or by one
or more commission marketing orders. Whenever such a
price has been established by either type of regulation, the
legal obligation to pay such price shall be determined
solely by the terms and purposes of the regulation without
regard to the status of the transfer of title, possession or
any other factors not related to the purposes of the
regulation and this compact. Producer-handlers as
defined in an applicable federal market order shall not be
subject to a compact over-order price. The commission
shall provide for similar treatment of producer-handlers
under commission marketing orders.

(e) In determining the price, the commission shall
consider the balance between production and
consumption of milk and milk products in the regulated
area, the costs of production including, but not limited to,
the price of feed, the cost of labor including the
reasonable value of the producer’s own labor and
management, machinery expense, and interest expense, the
prevailing price for milk outside the regulated area, the
purchasing power of the public and the price necessary to
yield a reasonable return to the producer and distributor.

(f) When establishing a compact over-order price, the
commission shall take such other action as is necessary
and feasible to help ensure that the over-order price does
not cause or compensate producers so as to generate local
production of milk in excess of those quantities necessary
to assure consumers of an adequate supply for fluid
purposes.

(g) The commission shall whenever possible enter into
agreements with the state or federal agencies for exchange
of information or services for the purpose of reducing
regulatory burden and cost of administering the compact.
The commission may reimburse other agencies for the
reasonable cost of providing these services.

§10. OPTIONAL PROVISIONS FOR PRICING ORDER.

Regulations establishing a compact over-order price or
a commission marketing order may contain, but shall not
be limited to, any of the following:

(1) Provisions classifying milk in accordance with the
form in which or purpose for which it is used, or creating
a fault pricing program;

(2) With respect to a commission marketing order
only, provisions establishing or providing a method for
establishing separate minimum prices for each use
classification prescribed by the commission, or a single
minimum price for milk purchased from producers or
associations of producers;

(3) With respect to an over-order minimum price
provisions establishing or providing a method for
establishing such minimum price for Class I milk;

(4) Provisions for establishing either an over-order
price or a commission marketing order may make use of
any reasonable method for establishing such price or
prices including flat pricing and formula pricing.
Provision may also be made for location adjustments, zone
differentials and for competitive credits with respect to
regulated handlers who market outside the regulated area.

(5) Provisions for the payment to all producers and
associations of producers delivering milk to all handlers of
uniform prices for all milk so delivered, irrespective of the
uses made of such milk by the individual handler to whom
it is delivered, or for the payment of producers delivering
milk to the same handler or uniform prices for all milk
delivered by them.

(a) With respect to regulations establishing a compact
over-order price, the commission may establish one
equalization pool within the regulated area for the sole
purpose of equalizing returns to producers throughout the
regulated area.

(b) With respect to any commission marketing order,
as defined in section two, subdivision nine, which replaces
one or more terminated federal orders or state dairy
regulation, the marketing area of now separate state or
federal orders shall not be merged without its delegation,
which is partly or wholly included within any such new
marketing area.

(6) Provisions requiring persons who bring Class I
milk into the regulated area to make compensatory
payments with respect to all such milk to the extent
necessary to equalize the cost of milk purchased by
handlers subject to a compact over-order price or
commission marketing order. No such provisions shall
discriminate against milk producers outside the regulated area. The provisions for compensatory payments may require to be paid for such milk in the state of production by a federal milk marketing order or state dairy regulation and the Class I price established by the compact over-order price or commission marketing order.

(7) Provisions specially governing the pricing and pooling of milk handled by partially required plants.

(8) Provisions requiring that the account of any person regulated under the compact over-order price shall be adjusted for any payments made to or received by such persons with respect to a producer settlement fund of any federal or state milk marketing order or other state dairy regulation within the regulated area.

(9) Provisions requiring the payment by handlers of an assessment to cover the costs of the administration and enforcement of such order pursuant to Article VII, Section 18(a).

(11) Other provisions and requirements as the commission may find are necessary or appropriate to effectuate the purposes of this compact and to provide for the payment of fair and equitable minimum prices to producers.

ARTICLE V. RULE-MAKING PROCEDURE.

§11. RULE-MAKING PROCEDURE.

Before promulgation of any regulations establishing a compact over-order price or commission marketing order, including any provision with respect to milk supply under subsection 9(f), or amendment thereof, as provided in Article IV, the commission shall conduct an informal rule-making proceeding to provide interested persons with an opportunity to present data and views. Such rule-making proceeding shall be governed by section four of the
Federal Administrative Procedure Act, as amended (5 U.S.C. §553). In addition, the commission shall, to the extent practicable, publish notice of rule-making proceedings in the official register of each participating state. Before the initial adoption of regulations establishing a compact over-order price or a commission marketing order and thereafter before any amendment with regard to prices or assessments, the commission shall hold a public hearing. The commission may commence a rule-making proceeding on its own initiative or may in its sole discretion act upon the petition of any person including individual milk producers, any organization of milk producers or handlers, general farm organizations, consumer or public interest groups, and local, state or federal officials.

§12. FINDINGS AND REFERENDUM.

(a) In addition to the concise general statement of basis and purpose required by section 4(b) of the Federal Administrative Procedure Act, as amended (5 U.S.C. §553(c)), the commission shall make findings of fact with respect to:

1. Whether the public interest will be served by the establishment of minimum milk prices to dairy farmers under Article IV;

2. What level or prices will assure that producers receive a price sufficient to cover their costs of production and will elicit an adequate supply of milk for the inhabitants of the regulated area and for manufacturing purposes;

3. Whether the major provisions of the order, other than those fixing minimum milk prices, are in the public interest and are reasonably designed to achieve the purposes of the order;

4. Whether the terms of the proposed regional order or amendment are approved by producers as provided in section thirteen.

§13. PRODUCER REFERENDUM.
(a) For the purpose of ascertaining whether the issuance or amendment of regulations establishing a compact over-order price or a commission marketing order, including any provision with respect to milk supply under subsection 9(f), is approved by producers, the commission shall conduct a referendum among producers. The referendum shall be held in a timely manner, as determined by regulation of the commission. The terms and conditions of the proposed order or amendment shall be described by the commission in the ballot used in the conduct of the referendum, but the nature, content, or extent of such description shall not be a basis for attacking the legality of the order or any action relating thereto.

(b) An order or amendment shall be deemed approved by producers if the commission determines that it is approved by at least two thirds of the voting producers who, during a representative period determined by the commission, have been engaged in the production of milk the price of which would be regulated under the proposed order of amendment.

(c) For purposes of any referendum, the commission shall consider the approval or disapproval by any cooperative association of producers, qualified under the provisions of the Act of Congress of February 18, 1922, as amended, known as the Capper-Volstead Act, bona fide engaged in marketing milk, or in rendering services for or advancing the interests of producers of such commodity as the approval or disapproval of the producers who are members or stockholders in, or under contract with, such cooperative association of producers, except as provided in subdivision (1) hereof and subject to the provision of subdivisions (2) through (5) hereof.

(1) No cooperative which has been formed to act as a common marketing agency for both cooperatives and individual producers shall be qualified to block vote for either.

(2) Any cooperative which is qualified to block vote shall, before submitting its approval or disapproval in any referendum, give prior written notice to each of its
members as to whether and how it intends to cast its vote. The notice shall be given in a timely manner as established, and in the form prescribed, by the commission.

(3) Any producer may obtain a ballot from the commission in order to register approval or disapproval of the proposed order.

(4) A producer who is a member of a cooperative which has provided notice of its intent to approve or not to approve a proposed order, and who obtains a ballot and with such ballot expresses his approval or disapproval of the proposed order, shall notify the commission as to the name of the cooperative of which he or she is a member, and the commission shall remove such producer’s name from the list certified by such cooperative with its corporate vote.

(5) In order to insure that all milk producers are informed regarding a proposed order, the commission shall notify all milk producers that an order is being considered and that each producer may register his approval or disapproval with the commission either directly or through his or her cooperative.

§14. TERMINATION OF OVER-ORDER PRICE OR MARKETING ORDER.

(a) The commission shall terminate any regulations establishing an over-order price or commission marketing order issued under this article whenever it finds that such order or price obstructs or does not tend to effectuate the declared policy of this compact.

(b) The commission shall terminate any regulations establishing an over-order price or a commission marketing order issued under this article whenever it finds that such termination is favored by a majority of the producers who, during a representative period determined by the commission, have been engaged in the production of milk the price of which is regulated by such order; but such termination shall be effective only if announced on
or before such date as may be specified in such marketing agreement or order.

(c) The termination or suspension of any order or provision thereof, shall not be considered an order within the meaning of this article and shall require no hearing, but shall comply with the requirements for informal rule-making prescribed by section four of the Federal Administrative Procedure Act, as amended (5 U.S.C. §553).

ARTICLE VI. ENFORCEMENT.

§15. RECORDS, REPORTS, ACCESS TO PREMISES.

(a) The commission may by rule and regulation prescribe recordkeeping and reporting requirements for all regulated persons. For purposes of the administration and enforcement of this compact, the commission is authorized to examine the books and records of any regulated person relating to his or her milk business and for that purpose, the commission’s properly designated officers, employees or agents shall have full access during normal business hours to the premises and records of all regulated persons.

(b) Information furnished to or acquired by the commission officers, employees or its agents pursuant to this section shall be confidential and not subject to disclosure except to the extent that the commission deems disclosure to be necessary in any administrative or judicial proceeding involving the administration or enforcement of this compact, an over-order price, a compact marketing order or other regulations of the commission. The commission may promulgate regulations further defining the confidentiality of information pursuant to this section. Nothing in this section shall be deemed to prohibit: (i) The issuance of general statements based upon the reports of a number of handlers, which do not identify the information furnished by any person; or (ii) the publication by direction of the commission of the name of any person violating any regulation of the commission, together with a statement of the particular provisions violated by such person.
(c) No officer, employee or agent of the commission shall intentionally disclose information, by inference or otherwise, which is made confidential pursuant to this section. Any person violating the provisions of this section shall, upon conviction, be subject to a fine of not more than $1,000 or to imprisonment for not more than one year, or to both, and shall be removed from office. The commission shall refer any allegation of a violation of this section to the appropriate state enforcement authority or United States Attorney.

§16. SUBPOENA, HEARINGS AND JUDICIAL REVIEW.

(a) The commission is hereby authorized and empowered by its members and its properly designated officers to administer oaths and issue subpoenas throughout all signatory states to compel the attendance of witnesses and the giving of testimony and the production of other evidence.

(b) Any handler subject to an order may file a written petition with the commission stating that any such order or any provision of any such order or any obligation imposed in connection therewith is not in accordance with law and praying for a modification thereof or to be exempted therefrom. He shall thereupon be given an opportunity for a hearing upon such petition, in accordance with regulations made by the commission. After such hearing, the commission shall make a ruling upon the prayer of such petition which shall be final, if in accordance with law.

(c) The district courts or the United States in any district in which such handler is an inhabitant, or has his principal place of business, are hereby vested with jurisdiction to review such ruling, provided a complaint for that purpose is filed within thirty days from the date of the entry of such ruling. Service of process in such proceedings may be had upon the commission by delivering to it a copy of the complaint. If the court determines that such ruling is not in accordance with law, it shall remand such proceedings to the commission with directions either: (1) To make such ruling as the court shall determine to be in accordance with law, or (2) To
take such further proceedings as, in its opinion, the law
requires. The pendency of proceedings instituted
pursuant to this subdivision shall not impede, hinder or
delay the commission from obtaining relief pursuant to
section seventeen. Any proceedings brought pursuant to
section seventeen, except where brought by way of
counterclaim in proceedings instituted pursuant to this
section, shall abate whenever a final decree has been
rendered in proceedings between the same parties, and
covering the same subject matter, instituted pursuant to
this section.

§17. ENFORCEMENT WITH RESPECT TO HANDLERS.

(a) Any violation by a handler of the provisions of
regulations establishing an over-order price or a
commission marketing order, or other regulations adopted
pursuant to this compact shall:

(1) Constitute a violation of the laws of each of the
signatory states. Such violation shall render the violator
subject to a civil penalty in an amount as may be
prescribed by the laws of each of the participating states,
recoverable in any state or federal court of competent
jurisdiction. Each day such violation continues shall
constitute a separate violation;

(2) Constitute grounds for the revocation of license or
permit to engage in the milk business under the applicable
laws of the participating states.

(b) With respect to handlers, the commission shall
enforce the provision of this compact, regulations
establishing an over-order price, a commission marketing
order or other regulations adopted hereunder by:

(1) Commencing an action for legal or equitable relief
brought in the name of the commission in any state or
federal court of competent jurisdiction; or

(2) Referral to the state agency for enforcement by
judicial or administrative remedy with the agreement of
the appropriate state agency of a participating state.
(c) With respect to handlers, the commission may bring an action for injunction to enforce the provisions of this compact or the order or regulations adopted thereunder without being compelled to allege or prove that an adequate remedy of law does not exist.

ARTICLE VII. FINANCE.

§18. FINANCE OF START-UP AND REGULAR COSTS.

(a) To provide for its start-up costs, the commission may borrow money pursuant to its general power under section six, subdivision (d), paragraph four. In order to finance the costs of administration and enforcement of this compact, including payback of start-up costs, the commission is hereby empowered to collect an assessment from each handler who purchases milk from producers within the region. If imposed, this assessment shall be collected on a monthly basis for up to one year from the date the commission convenes, in an amount not to exceed $.015 per hundredweight of milk purchased from producers during the period of the assessment. The initial assessment may apply to the projected purchase of handlers for the two-month period following the date the commission convenes. In addition, if regulations establishing an over-order price or a compact marketing order are adopted, they may include an assessment for the specific purpose of their administration. These regulations shall provide for establishment of a reserve for the commissioner's ongoing operating expenses.

(b) The commission shall not pledge the credit of a participating state or of the United States. Notes issued by the commission and all other financial obligations incurred by it, shall be its sole responsibility and no participating state or the United States shall be liable therefor.

§19. AUDIT AND ACCOUNTS.

(a) The commission shall keep accurate accounts of all receipts and disbursements, which shall be subject to the audit and accounting procedures established under its rules. In addition, all receipts and disbursements of funds
handled by the commission shall be audited yearly by a
qualified public accountant and the report of the audit
shall be included in and become part of the annual report
of the commissioner.

(b) The accounts of the commission shall be open at
any reasonable time for inspection by duly constituted
officers of the participating states and by any persons
authorized by the commission.

(c) Nothing contained in this article shall be construed
to prevent commission compliance with laws relating to
audit or inspection of accounts by or on behalf of any
participating state or of the United States.

ARTICLE VIII. ENTRY INTO FORCE; ADDITIONAL MEMBERS
AND WITHDRAWAL.

§20. ENTRY INTO FORCE; ADDITIONAL MEMBERS.

1 The compact shall enter into force effective when
enacted into law by any three states of the group of states
composed of Alabama, Arkansas, Florida, Georgia,
Kentucky, Louisiana, Maryland, Mississippi, North
Carolina, Oklahoma, South Carolina, Tennessee, Texas,
Virginia and West Virginia and when the consent of
Congress has been obtained.

§21. WITHDRAWAL FROM COMPACT.

1 Any participating state may withdraw from this
compact by enacting a statute repealing the same, but no
such withdrawal shall take effect until one year after notice
in writing of the withdrawal is given to the commission
and the governors of all other participating states. No
withdrawal shall affect any liability already incurred by or
chargeable to a participating state prior to the time of such
withdrawal.

§22. SEVERABILITY.

1 If any part or provision of this compact is adjudged
invalid by any court, such judgment shall be confined in
its operation to the part or provision directly involved in
the controversy in which such judgment shall have been
rendered and shall not affect or impair the validity of the
remains of this compact. In the event Congress 
consents to this compact subject to conditions, said 
conditions shall not impair the validity of this compact 
when said conditions are accepted by three or more 
compacting states. A compacting state may accept the 
conditions of Congress by implementation of this 
compact.

§19-11C-2. Compact administrator.

The compact administrator of this state is the 
commissioner of agriculture. The duties of the compact 
administrator are deemed a regular part of the duties of 
his office.

§19-11C-3. Appointment of delegation.

There shall be five delegates from this state to the 
compact commission, and these delegates shall be 
appointed by the commissioner of agriculture. At least 
one of the delegates shall be a dairy farmer who is 
engaged in the production of milk at the time of 
appointment or reappointment, at least one delegate shall 
be a consumer representative, one delegate shall be a 
processor, one delegate shall be a retailer representative 
from a border county and one delegate at large. 
Delegates shall serve for a term of four years. Vacancies 
in the state delegation will be filled in the same manner as 
the appointment of delegates, and shall be for the term of 
the position vacated.

§19-11C-4. Effective date.

This article shall become effective at such time as a 
majority of the contiguous states have passed legislation 
permitting that state to become a participating state and 
the consent of Congress has been obtained.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
