H. B. 4252

(BY DELEGATES SEACRIST, BEANE, EVANS, CLEMENTS AND COMPTON)

[Passed March 12, 1998; in effect from passage.]

AN ACT finding and declaring certain claims against the state
and its agencies to be moral obligations of the state and
directing the auditor to issue warrants for the payment
thereof.

Be it enacted by the Legislature of West Virginia:

CLAIMS AGAINST THE STATE.

§1. Finding and declaring certain claims against the
department of administration; division of corrections;
and supreme court of appeals; to be moral obligations
of the state and directing payments thereof.

The Legislature has heretofore made findings of fact
that the state has received the benefit of the commodities
received and/or services rendered by certain claimants
herein and has considered these claims against the state,
and agencies thereof, which have arisen due to
overexpenditures of the departmental appropriations by
officers of such state spending units, such claims having
been previously considered by the court of claims which
also found that the state has received the benefit of the
commodities received and/or services rendered by the
claimants, but were denied by the court of claims on the purely statutory grounds that to allow such claims would be condoning illegal acts contrary to the laws of the state. The Legislature pursuant to its findings of fact and also by the adoption of the findings of fact by the court of claims as its own, and, while not condoning such illegal acts, hereby declares it to be the moral obligation of the state to pay these claims in the amounts specified below, and directs the auditor to issue warrants upon receipt of properly executed requisitions supported by itemized invoices, statements or other satisfactory documents as required by section ten, article three, chapter twelve of the code of West Virginia, one thousand nine hundred thirty-one as amended, for the payments thereof out of any fund appropriated and available for the purpose.
