§16-15-2. Legislative declaration of necessity for creation of
housing authority corporations.

It is hereby declared as a matter of legislative determi-
nation that in order to promote and protect the health,
safety, morals and welfare of the public, it is necessary in
the public interest to provide for the creation of public
corporate bodies to be known as housing authorities, and
to confer upon and vest in said housing authorities all
powers necessary or appropriate in order that they may
engage in low and moderate cost housing development and
slum clearance projects; and that the powers herein
conferred upon the housing authorities, including the
power to acquire and dispose of property, to remove
unsanitary or substandard conditions, to construct and
operate housing developments and to borrow, expend and
repay moneys for the purpose herein set forth, are public
objects essential to the public interest.

§16-15-3. City and county housing authorities created; when to
transact business or exercise powers; determination of need for
housing authority; resolution of
governing body proof of establishment; appointment, term, expenses and removal of commis-
sioners.

(a) In each city and in each county there is hereby
created a housing authority which shall be a public body
corporate and politic. No authority hereby created shall
transact any business or exercise its powers hereunder
until or unless the governing body of the city or the
county, by proper resolution, determines that there is need
for an authority: Provided, That nothing contained herein
shall be construed as creating an additional housing
authority in a city where a housing authority has been
created pursuant to prior law, but each housing authority
shall continue as a public body corporate and politic and
shall have the area of operation defined in section one for
a city or county housing authority. Each housing authority
created pursuant to this section shall adopt a name for all
legal and operating purposes.

(b) The determination as to whether or not there is a
need for an authority: (1) May be made by the governing
body on its own motion; or (2) shall be made by the
governing body upon the filing of a petition signed by
twenty-five residents of the city or county asserting that
there is need for an authority to function in the city or
county and requesting that the governing body so declare.
The governing body shall adopt a resolution declaring that
there is need for a housing authority in the city or county
if it finds: (1) That unsanitary or unsafe inhabited dwell-
ings exist in the city or county, or (2) that there is a
shortage of safe or sanitary dwellings in the city or county
available to persons of low or moderate income at rental
rates or purchase prices they can afford. In determining
whether dwellings are unsafe or unsanitary the governing
body may take into consideration the degree of over-
crowding, the percentage of land coverage, the light, air,
space and access available to the inhabitants of the
dwellings, the size and arrangement of the rooms, the
sanitary facilities, and the extent to which conditions exist
in the dwellings which endanger life or property by fire or
other cause.

(c) In any suit, action or proceeding involving the
validity or enforcement of or relating to any contract of
the authority, the authority shall be conclusively deemed
to have become established and authorized to transact
business and exercise its powers hereunder upon proof of
the adoption of a resolution by the governing body declar-
ing the need for the authority. An adopted resolution shall
be deemed sufficient if it declares that there is need for an
authority and finds in substantially the foregoing terms
(no further detail being necessary) that either or both of
the above-enumerated conditions exist. A copy of a resolution duly certified by the clerk shall be admissible in evidence in any suit, action or proceeding.

(d) When the governing body of a city adopts a resolution as aforesaid, it shall promptly notify the mayor of the adoption. Upon receiving the notice, the mayor shall appoint five persons as commissioners of the authority created for the city. When the governing body of a county adopts a resolution as aforesaid, it shall appoint five persons as commissioners of the authority created for the county. The commissioners who are first appointed shall be designated to serve for terms of one, two, three, four and five years, respectively, from the date of their appointment. Thereafter commissioners shall be appointed for a term of office of five years, except that all vacancies shall be filled for the unexpired term. No commissioner of an authority may be an officer or employee of the city or county for which the authority is created. A commissioner shall hold office until his or her successor has been appointed and has qualified, unless sooner removed according to this article. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk and shall be conclusive evidence of the due and proper appointment of a commissioner. A commissioner shall receive no compensation for his or her services, but he or she shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his or her duties.

(e) For inefficiency or neglect of duty or misconduct in office, a commissioner of an authority may be removed by the mayor or by the county commission. A commissioner shall be removed only after being given a copy of the charges and notice of a hearing. The charges shall be sent to the commissioner at least ten days prior to the hearing and shall notify the commissioner that he or she has an opportunity to be heard in person or by counsel. In the event of the removal of any commissioner, a record of the
proceedings, together with the charges and findings thereon, shall be filed in the office of the clerk. The powers of each authority shall be vested in its commissioners.

§16-15-3a. Regional housing authorities.

(a) Any two or more cities or counties, or any combination thereof, may, by resolution of their separate governing bodies, establish a regional housing authority, by adopting a joint resolution declaring that there is a need for a regional housing authority to provide decent, safe and sanitary housing that is affordable to persons of low and moderate income residing in a multi-jurisdictional area and that this need would be more efficiently served by the establishment of a regional housing authority: Provided, That any authority in existence prior to the effective date of this article that is providing services outside of the city or county boundaries will continue to have jurisdiction in the areas where the authority is providing services on the effective date of this article.

(b) Upon adoption of a resolution by two or more cities or counties, or a combination thereof, a regional housing authority shall be established and, except as otherwise provided in this article, the regional housing authority shall have perpetual existence, unless dissolved in accordance with law. Each regional housing authority established pursuant to this section, shall adopt a name for all legal and operating purposes.

(c) A certified copy of the resolutions establishing a regional housing authority shall serve as conclusive evidence that the authority has been properly established, is authorized to transact business, and exercise its powers under this article.

(d) After a regional housing authority has been established, any additional city or county may elect to participate as a member of the regional housing authority, upon
adoption of a resolution to that effect: Provided, That a majority of the existing commissioners of the regional housing authority and all participating political subdivisions, by action of their respective governing bodies, shall consent to the additional member or members.

(e) Any city or county may withdraw from participation in the regional housing authority by resolution of its governing body. Any withdrawal from participation shall be subject to the following conditions:

(1) The regional housing authority has no bonds, notes, or other obligations outstanding, or adequate provision for payment of bonds, notes, or other obligations, by escrow or otherwise, has been made. Past performance without breach or default of an obligation secured only by one or more developments or the income thereof shall be deemed to be "adequate provision";

(2) The withdrawing city or county shall make adequate provision for the performance of all of its outstanding obligations and responsibilities as a participant in the regional housing authority;

(3) The withdrawing city or county shall give six months written notice to the regional housing authority and all other cities and counties participating therein; or

(4) The commissioner or commissioners appointed by the withdrawing city or county shall be deemed to have resigned as of the date upon which the withdrawal is effective. Vacancies on the board of commissioners created by withdrawal of a city or county shall be filled in such manner as the cities and counties remaining as participants shall agree.

Notwithstanding the withdrawal of any participating city or county, the legal title to and operating responsibility for any development located outside the area of operation of the regional housing authority remaining after such withdrawal has occurred shall continue to be
vested in the regional housing authority, unless a different arrangement is made.

(f) If only one city or county remains as a participant in any regional housing authority, the regional housing authority shall become the housing authority of the remaining city or county at the discretion of its governing body, or the regional housing authority shall be dissolved and its assets and liabilities transferred to another existing housing authority or to a city or county or other public agency.

§16-15-4. Persons prohibited from acquiring interest in property or contracts; disclosure of prior interest.

No commissioner or employee of an authority shall acquire any interest direct or indirect in any development or in any property included or planned to be included in any development, nor shall he or she have any interest direct or indirect in any contract or proposed contract for materials or services to be furnished or used in connection with any development. If any member or employee of any authority owns or controls an interest direct or indirect in any property included in any development, which was acquired prior to his or her appointment or employment, he or she shall disclose the same in writing to the authority. The disclosure shall be entered upon the minutes of the authority.

§16-15-6. Commissioner to receive no compensation; reimbursement for necessary expenditures.

No commissioner shall receive any compensation whether in form of salary, per diem allowances or otherwise, for or in connection with his or her services as commissioner. Each commissioner shall, however, be entitled to reimbursement, to the extent of appropriations or other funds available therefor, for any necessary expenditures in connection with the performance of his or her general duties or in connection with the construction
or operation of any development. The authority may
allocate such expenses among its developments in such
manner as it may consider proper.

§16-15-7. Authority a body corporate and politic; powers;
investigations or examinations.

(a) An authority shall constitute a body both corporate
and politic, exercising public powers, and having all the
powers necessary or convenient to carry out and effectuate
the purposes and provisions of this article, including the
following powers in addition to others herein granted:

(1) To investigate living and housing conditions in the
authority's area of operation and the means and methods
of improving such conditions;

(2) To determine whether unsanitary or substandard
housing conditions exist;

(3) To study and make recommendations concerning the
city or county plan in relation to the problems of clearing,
replanning, redevelopment and reconstruction of areas in
which unsanitary or substandard conditions exist, and the
providing of housing accommodations for persons of low
and moderate income, and to cooperate with any city,
county or regional planning agency, to prepare, carry out
and operate developments;

(4) To provide for the construction, reconstruction,
redevelopment, improvement, alteration or repair of any
development or any part thereof;

(5) To take over by purchase, lease or otherwise any
development undertaken by any government;

(6) To act as agent for the federal government in connec-
tion with the acquisition, construction, operation and/or
management of a development or any part thereof;

(7) To arrange with the city or with a government for the
furnishing, planning, replanning, opening or closing of
(8) To sell, lease or rent any of the housing or other accommodations of any of the lands, buildings, structures or facilities embraced in any development, and to establish and revise the rents or charges therefor;

(9) To enter upon any building or property in order to conduct investigations or to make surveys or soundings; to purchase, lease, obtain options upon, acquire by eminent domain or otherwise, sell, exchange, transfer, assign or mortgage any property real or personal or any interest therein;

(10) To acquire any property real or personal or any interest therein from any person, firm, corporation, or the city, county, state or federal government or any agency, instrumentality or subdivision thereof, by gift, grant, bequest or devise; to own, hold, clear and improve property; in its discretion, to insure or provide for the insurance of the property or operations of the authority against such risks as the authority may deem advisable;

(11) To borrow money upon its bonds, notes, debentures or other evidences of indebtedness, and to secure the same by mortgages upon property held or to be held by it or by pledge of its revenues, or in any other manner;

(12) To invest any funds held in reserves or sinking funds, or any funds not required for immediate disbursement in property or securities in which savings banks may legally invest funds subject to their control;

(13) To sue and be sued;

(14) To have a seal, and to alter it;
(15) To have perpetual succession;

(16) To make and execute contracts and other instruments necessary or convenient to the exercise of the powers of the authority;

(17) To form and operate nonprofit corporations and other affiliates of every kind and description, which may be wholly or partially owned or controlled, for carrying out the purposes of this article and in connection with the exercise of any of the powers of a housing authority;

(18) To participate in cooperative arrangements with persons and for-profit entities whose purpose is solely that of pecuniary gain, as well as with nonprofit entities and persons who seek no pecuniary gain. The participation of a housing authority in any arrangement with other persons or entities, including for-profit persons and entities, shall not cause any activity engaged in by the authority to be characterized as proprietary nor deprive the authority of any privilege or immunity otherwise existing under law;

(19) To participate as a general or limited partner, co-venturer, shareholder, or otherwise as a principal, an investor, a lender, a guarantor, a contracting party, or in any other manner, all upon such terms and conditions, and with such rights and obligations, as the governing board of the housing authority shall, from time to time, in its discretion determine to be appropriate;

(20) To make and, from time to time, amend and repeal bylaws, rules and regulations not inconsistent with this article to carry into effect the powers and purposes of the authority;

(21) To conduct examinations and investigations and to hear testimony and take proof under oath at public or private hearings on any matter material for its information;
(22) To issue subpoenas requiring the attendance of
witnesses or the production of documents and things, for
the examination of witnesses who are out of the state or
unable to attend before the authority, or excused from
attendance; and

(23) To do all things necessary or convenient to carry out
the powers given in this article.

(b) Any of the investigations or examinations provided
for in this article may be conducted by the authority or by
a committee appointed by it, consisting of one or more
members thereof, or by counsel, or by an officer or em-
ployee specifically authorized by the authority to conduct
it. Any member of the authority, its counsel, or any
person designated by it to conduct an investigation or
examination, shall have power to administer oaths, take
affidavits and issue subpoenas.

§16-15-7a. Power of authority to include certain stipulations in
contracts.

A housing authority, in addition to its other powers,
shall have the power, notwithstanding any provisions of
this code to the contrary, to include in any contract let
in connection with a development, stipulations requiring
that the contractor and any subcontractors comply with
requirements as to minimum wages and maximum hours
of labor, and comply with any conditions which the
federal government may have attached to its financial
aid of the development.

§16-15-7b. Joint undertakings by authorities; areas of opera-
tion.

(a) Any two or more authorities may join or cooperate
with one another in the exercise of any or all of their
powers for the purpose of financing, planning, undertak-
ing, constructing or operating a housing development or
developments located within the area of operation of any
one or more such authorities or for the administration of
other housing programs.

(b) The area of operation of a housing authority shall be one of the following:

(1) In the case of a housing authority established by a city, the authority's area of operation shall be the city and the area within ten miles from the territorial boundaries thereof. Depending upon the geographical location of the city, the area of operation may include portions of one or more counties. It may also include areas lying within the territorial boundaries of cities outside the city establishing the housing authority. In order to resolve territorial conflicts, the following rules shall apply:

(A) In the case of the housing authority's home county, it may operate outside of the area described in this subsection in the unincorporated areas of the home county without the need for the county's consent unless the home county has established its own housing authority. If the home county has established a housing authority, then the city's housing authority may operate outside the area described above only with the consent of the county housing authority;

(B) In the case of incorporated areas of a home county, the housing authority may only operate within the territorial boundaries thereof by consent of the other city and its housing authority, if any;

(C) In the case of unincorporated portions of counties other than the housing authority's home county, it may operate only with the consent of the governing body of the other county, regardless of whether the other county has established a housing authority;

(D) In the case of incorporated areas within other counties, it may operate only with the consent of the governing body of any city incorporating such areas, and, if the other city has also established its own housing authority, with the consent of the other housing authority;
(E) Notwithstanding any other provision of this section, a housing authority may, subject to the limitations stated in this article, provide rental assistance to persons residing outside the authority's area of operation as defined in this section.

For purposes of this section, the term "home county" means the county in which the city establishing the housing authority is situated.

(2) In the case of a housing authority established by a county, the authority's area of operation shall be all of the county except that portion which lies within the territorial boundaries of any city in which a housing authority has been established.

(3) In the case of a regional housing authority, the authority's area of operation shall be an area equivalent to the total areas of operation which the housing authorities, if created separately by political subdivisions establishing the regional housing authority, would have, when aggregated. The area of operation of a regional housing authority shall not include any area which lies within the territorial boundaries of any city or county in which a housing authority has been established and which city or county is not a participant in the regional authority: Provided, That the housing authority of the city or county and its governing body may consent to the operation of one or more developments by the regional housing authority within the city's or county's territorial boundaries.

(4) Whether due to changes in the boundaries of cities or counties which have established housing authorities, or the establishment of new housing authorities, or for any other reason, territories may exist that include the area of operation of two or more housing authorities. Such areas shall be areas of concurrent jurisdiction. No housing authority whose area of operation includes an area of concurrent jurisdiction shall construct, acquire or develop any new housing development within the area of concur-
rent jurisdiction without the written agreement of the other authority.

(5) Any housing development established by a housing authority pursuant to law shall continue to be maintained and operated by the housing authority establishing the development or its designee, unless the development is conveyed to another housing authority or to a city, county or other public agency or is otherwise disposed of in accordance with law.

(6) Notwithstanding the area of operation as defined herein, all housing authorities shall have the jurisdiction and authority to cooperate and contract with any other housing authorities and other public agencies within this State and any public agencies of any other state, with the federal government, and with any person, or entity, public or private, and wherever located, in order to carry out the purposes of this article. Such cooperation may include, but shall not be limited to, activities and operations conducted with the agreement of any public agency.

§16-15-8. Power to acquire lands, etc., by purchase or by right of eminent domain.

Whenever it shall be deemed necessary by an authority in connection with the exercise of its powers herein conferred to take or acquire any lands, structures or buildings or other rights, either in fee or as easements for any housing development or slum clearance, the authority may purchase the same directly or through its agent from the owner or owners thereof, or failing to agree with the owner or owners thereof, such authority may exercise the power of eminent domain in the manner provided for condemnation proceedings, in section eight, article one and sections nine and twelve, article two, chapter fifty-four of this code.

§16-15-9. Developments subject to ordinances, etc., of locality in which situated; restrictions on acquisition,
etc., of property; securities need not be offered to sinking fund commission.

1. All developments of an authority shall be subject to the planning, zoning, sanitary and building laws, ordinances and regulations applicable to the locality in which the development is situated. No provisions with respect to the acquisition, operation or disposition of property by public bodies shall be applicable to an authority unless the Legislature shall specifically so state. No authority shall be required to offer its securities to the state sinking fund commission at any time, nor shall any authority be required to turn over any surplus or sinking funds to the state sinking fund commission.

§16-15-10. Amount and nature of indebtedness; rights of creditors.

1. Subject to the restrictions set forth in this article, the authority may incur any indebtedness and issue any obligations and give any security therefor which it may deem necessary or advisable in connection with any development undertaken by it. No statutory limitation with respect to the nature or amount of indebtedness which may be incurred by municipalities or other public bodies shall apply to indebtedness of an authority, unless the Legislature shall specifically so provide. No indebtedness of any nature of an authority shall constitute a debt or obligation of a municipality or the state or any other subdivision or authority or instrumentality thereof, or a charge against any property of such municipality, the state, or other subdivision, agency or instrumentality thereof. No obligation incurred by the authority shall give any right against any commissioner of such authority, but a commissioner shall be liable only for his own malfeasance. The rights of creditors of an authority shall be solely against such authority as a corporate body and shall be satisfied only out of property held by it in its corporate capacity, and the enforcement of such rights shall be
subject to all the provisions of this article.

§16-15-11. Agreement with federal government providing for supervision and control of authority or development.

An authority may, in connection with the borrowing of funds, or otherwise, enter into any agreement with the federal government or any agency or subdivision thereof, providing for supervision and control of the authority or of any development, and containing such other covenants, terms and conditions as the authority may deem advisable.

§16-15-12. Report to mayor or county governing body.

At least once a year, an authority shall file with the mayor, or the county commission, as appropriate, a report of its activities for the preceding year, and shall make recommendations with reference to any legislation or other action as it deems necessary in order to carry out the purposes of this article.

(a) The governing body of a housing authority may, by resolution, create a fund which may be available through gifts, contributions, grants, bequests, loans, loan proceeds or other sources. The fund shall be governed by and administered by the authority as a general purpose account separate and distinct from any other moneys, funds or accounts owned or managed by the housing authority in conjunction or cooperation with any local, state or federal governmental agency.

(b) The fund may be utilized to provide a source from which the authority may issue grants or loans to enhance community and economic development in the authority's area of operation. The grants and/or loans may include, but are not limited to, housing rehabilitation, redevelopment reconstruction, community improvement, home ownership, training and counseling for persons of eligible income, elimination of public health or safety hazards,

18 repayment of the authority's bonds or loans and other like
19 things which fulfill the purposes of this article.

20 (c) The authority shall have an audit of the fund pre-
21 formed at the end of each fiscal year conducted in accor-
22 dance with generally accepted accounting principles as
23 part of the authority's annual audit established by the
24 governing board.

1 (a) The authority shall be exempt from the payment of
2 any taxes or fees to the state or any subdivision thereof, or
3 to any officer or employee of the state or any subdivision
4 thereof. The property of an authority shall be exempt
5 from all local and municipal taxes. Bonds, notes, deben-
6 tures and other evidences of indebtedness of an authority
7 are declared to be issued for a public purpose and to be
8 public instrumentalities and, together with interest
9 thereon, shall be exempt from taxes.

10 (b) All representatives of a housing authority, acting
11 within the scope of carrying out the business and conduct-
12 ing the affairs of a housing authority, shall be exempt
13 from all licensing requirements imposed by any law with
14 respect to the sale, rental or management of real property
15 or the improvement or development thereof, including
16 requirements imposing any fee or charge.

§16-15-17. Policy of state as to rentals.

1 (a) It is hereby declared to be the policy of this state that
2 each housing authority shall manage and operate its
3 housing developments in an efficient manner so as to
4 enable it to fix the rentals, leases or purchase prices for
5 dwellings at the lowest possible rates consistent with its
6 providing decent, safe and sanitary dwellings, and that no
7 housing authority shall construct or operate any develop-
8 ment for profit, or as a source of revenue to the city or
9 county.
(b) It is the goal of this state to provide access to decent, safe, sanitary and affordable housing to its residents. The benefits of this article are not a matter of right, but of privilege. Persons accepting assistance under this article shall, by such acceptance thereof, recognize their responsibilities to the housing authorities providing such assistance and to other persons living in their vicinity. Persons accepting benefits are responsible for their own conduct and for the actions of other members of their households and of their guests. Housing authorities may impose and enforce occupancy standards and requirements to prohibit any criminal or other activity which threatens the health, safety or right to peaceful enjoyment of the premises or development by other residents. If eviction or lease termination are possible outcomes of the housing authority's enforcement of its occupancy standards, unless federal law or regulation provides otherwise, in any eviction or lease termination proceeding, there must be a finding of either: (1) The tenant's participation in; or (2) the tenant's knowledge of the participation of a member of the tenant's household or a tenant's guest in, criminal activities or other activities which threaten the health, safety or right to peaceful enjoyment of the premises or development by other residents. Unless, otherwise provided by federal law or regulation, any act done by a guest or member of a tenant's household is presumed to be known to the tenant. This presumption may be rebutted by clear and convincing evidence that the tenant could not reasonably have known that the act would occur or that the tenant took reasonable measures to prevent the act from occurring. In all cases of eviction or lease termination, the housing authority shall consider all circumstances surrounding the individual eviction, including the seriousness of the offense, extent of participation by household members, and effect of eviction on household members not involved. In appropriate cases, housing authorities may allow the tenant and the members of his or her household to remain. Even if there is no finding of
knowledge, the tenant may be required to: (1) Prohibit any
guest from visiting; and (2) remove any member of the
household from the unit, if that individual participated in
criminal activities or other activities which threaten the
health, safety or right to peaceful enjoyment of the
premises or development by other residents.

(c) An authority shall provide housing, rental, and other
assistance to persons of low and moderate income, and
assistance to properties and entities, in accordance with
the provisions of this article, and, subject to standards and
procedures adopted by the housing authority, to authorize
the provision by housing authorities of supportive services
and program of every kind and description to advance the
social, educational, and economic well-being and the
economic and social self-sufficiency of persons receiving
housing assistance under this article, so as to create
wholesome living environments, eliminate long-term
poverty, encourage gainful employment, develop social
and economic self-sufficiency (including living independ-
ently of housing assistance), and enhance personal respon-
sibility on the part of such persons;

(d) Housing authorities shall encourage the use of
entrepreneurial methods and approaches and to stimulate
and increase private sector initiatives and joint public-
private sector initiatives by housing authorities in carry-
ing out the purposes and provisions of this article.

(e) Housing authorities shall endeavor to increase the
availability, from both public and private sector sources,
of financing for the purchase of dwellings, and the financ-
ing for home improvements, and repairs for persons of low
or moderate income; and to further endeavor to increase
the availability of sources of equity and other financing
for the development and operation by housing authorities
and private sector entities of decent, safe, and sanitary
rental housing that is affordable to persons of low and
moderate income.

(a) In the operation or management of housing developments an authority shall at all times observe the following duties with respect to rentals, tenant selection and home ownership:

1. It may rent or lease dwellings therein only to persons of eligible income and at rentals within the financial reach of such persons;

2. It may rent or lease to a tenant housing consisting of the number of rooms, but no greater number, which it deems necessary to provide safe and sanitary accommodations to the proposed occupants thereof, without overcrowding;

3. Subject only to the limitations contained in this article or imposed by the federal government, an authority may lease or rent any dwellings, facilities or other real or personal property owned, controlled, or possessed by the authority, or with respect to which the authority has contractual rights permitting such lease or rental, for such terms, upon such conditions and lease terms and in exchange for such rentals as the authority may from time to time in its discretion determine; further, and without limiting the foregoing, to establish rents in such manner and in such amounts as the authority may deem appropriate, including, but not limited to, rents based upon family income (determined with such adjustments and exclusions as the authority deems appropriate), minimum rents, flat rents, graduated rents, rent ranges, and maximum rents (any of which may vary among the authority's developments), and to establish any other standards and conditions relating to rentals that the authority may deem appropriate to carry out the purposes of this article;

4. At and subsequent to an acquisition of occupied property, a housing authority may permit existing tenants therein to remain in occupancy upon such terms and
conditions and for such periods as the authority shall
deem appropriate, notwithstanding that such tenants do
not qualify as persons of eligible income;

(5) A housing authority may operate programs to
increase home ownership by residents of its developments
and by other persons of eligible income; and in such
regard, the housing authority may acquire, rehabilitate,
construct, reconstruct, sell, convey, lease, option, and take
all other actions deemed appropriate to achieve home
ownership of dwellings and associated property by
persons of eligible income. In connection with any
program to encourage such ownership, a housing author-
ity may dispose of dwellings and other associated property
in exchange or for fair market purchase prices, and upon
such terms and conditions, as the authority deems appro-
priate;

(6) To develop, acquire, own, lease, and operate proper-
ties and facilities that are non-residential in character,
which are used for office, administrative, management,
maintenance, commercial, or educational purposes, or
providing services, or carrying out any other purpose
authorized under this article; to acquire, own, lease, and
operate properties and facilities that are both residential
and non-residential in character;

(7) To develop, acquire, own, or lease community
facilities, and to provide such facilities to any public
agency or to any person, agency, institution, or organiza-
tion, public or private, for recreational, educational,
health or welfare purposes for the benefit and use of the
housing authority or occupants of its developments, or
persons of eligible income, elderly or handicapped per-
sons, or any combination of the foregoing; to operate or
manage community facilities, itself, or as agent or any
public agency, or any person, institution, or organization,
public or private; and to receive compensation therefor, if
any, as the parties may agree; community facilities may be
utilized by private persons or organizations with or without charge, upon a determination by the authority that the utilization would be advisable to promote the public purposes of this article; and

(8) To carry out plans, programs, contracts and agreements of every kind and description and to provide grants, loans, guarantees and other financial assistance to public or private persons or entities, whether nonprofit or for-profit, in order to rehabilitate, maintain, procure, and preserve existing affordable housing stocks in safe, decent and sanitary condition and to ensure that they remain affordable to persons of eligible income.

(b) A housing authority shall conduct its affairs in accordance with sound financial and business practices, taking into account the nature of its activities and intended purpose. Therefore, a housing authority shall establish and charge rents no higher than it shall determine to be necessary to produce revenue which, together with all other available money, revenue, income and receipts of the authority from whatever source derived, will be sufficient:

(1) To pay when due all indebtedness of the authority;

(2) To pay all administrative and other costs of operating the authority's developments and programs of assistance;

(3) To pay the administrative and other costs of the maintenance, rehabilitation, renovation, repair, and replacement of the authority's developments and other property;

(4) To otherwise carry out its purposes under this article, including acquiring or creating additional housing developments and acquiring or improving property for other purposes authorized under this article, including community facilities, commercial facilities, and all other facilities and developments authorized under this article;
(5) To pay the costs of insurance, including the costs of claims, liabilities, losses and other expenses incurred in connection with any self-insurance program;

(6) To provide funds for all required payments in lieu of taxes;

(7) To make all payments required under and otherwise fully perform the authority's obligations under any contract, agreement, or arrangement entered into by the authority, including without limitation those required in connection with any partnership or joint venture entered into by the authority;

(8) To perform the terms of any commitment or guarantee issued or given by the authority;

(9) To provide a reasonable return on the value of the property so as to enable the housing authority to continue to fulfill its duties, including, but not limited to, the acquisition of additional housing developments, land acquisition, acquisition or construction of buildings, equipment, facilities or other real or personal property for public purposes, including parks or other recreational, educational, welfare or community facilities within its area of operation;

(10) To accommodate economic factors which affect the financial stability and solvency of the authority's developments and programs;

(11) To pay the cost of actions occasioned by natural disasters and other emergencies; and

(12) To create and maintain operating and capital reserves that are reasonable and adequate to ensure the authority's ability to make all payments referred to herein and any other matter with respect to which the authority, in its discretion reasonably exercised, determines that the creation and maintenance of a reserve is appropriate.

Nothing herein shall be construed to limit the amount
which a housing authority may charge for non-dwelling
facilities or for dwelling facilities that are not rented to
persons of eligible income: Provided, That the authority’s
actions do not conflict with the purposes of this article:
Provided, however, That a housing authority may allow
police officers and maintenance and management employ-
ees, not otherwise eligible for residence, to reside in its
developments.

An authority shall have power to issue bonds from time
to time, in its discretion, for any of its corporate purposes.
An authority shall also have power to issue or exchange
refunding bonds for the purpose of paying, retiring,
extending or renewing bonds previously issued by it. An
authority may issue such types of bonds as it may deter-
mine, including without limiting the generality of the
foregoing, bonds on which the principal and interest are
payable from income and revenues of the authority and
from grants or contributions from the federal government
or other source. Such income and revenues securing the
bonds may be: Exclusively the income and revenues of the
housing developments financed, in whole or in part, with
the proceeds of such bonds; exclusively the income and
revenues of certain designated housing developments,
whether or not they are financed, in whole or in part, with
the proceeds of such bonds; or the income and revenues of
the authority generally. Any such bonds may be addition-
ally secured by a pledge of any income or revenues of the
authority, or a mortgage of any housing development,
developments or other property of the authority.

§16-15-20. Bonds authorized by resolution; interest rate and
life; forms; denominations; redemption; how payable; sale; signatures of commissioners or
officers ceasing to be such before delivery; presumptions in suit, etc., involving validity.

(a) Bonds of an authority shall be authorized by its
resolution and may be issued in one or more series and
shall bear such date or dates, mature at such time or
times, bear interest at such rate or rates, be in such
denomination or denominations, be in such form, either
coupon or registered, carry such conversion or registration
privileges, have such rank or priority, be executed in such
manner, be payable in such medium of payment, at such
place or places, and be subject to such terms of redemp-
tion (with or without premium) as such resolution, its
trust indenture or mortgage may provide. Bonds of a
housing authority may be issued in zero coupon form or
subject to federal taxation of interest thereon if the
resolution authorizing issuance so provides.

(b) The bonds may be sold at public sale held after
notice prior to such sale promulgated in the manner as the
authority deems appropriate or, if the resolution authoriz-
ing issuance of the bonds so provides, they may be sold on
a negotiated basis or at private sale without any public
advertisement. At the discretion of the housing authority,
the bonds may be sold at par, or at any discount or
premium, as the resolution authorizing them provides. A
housing authority issuing bonds may enter into agree-
ments and arrangements with third parties for the mar-
keting of its bonds as it shall deem appropriate.

(c) In case any of the commissioners or officers of the
authority whose signatures appear on any bonds or
coupons shall cease to be such commissioners or officers
before the delivery of such bonds, such signatures shall,
nevertheless, be valid and sufficient for all purposes, the
same as if they had remained in office until such delivery.
Any provisions of any law to the contrary notwithstand-
ing, any bonds issued pursuant to this article shall be
negotiable.

(d) In any suit, action or proceedings involving the
validity or enforceability of any bond of an authority or
the security therefor, any such bond reciting in substance
that it has been issued by the authority to aid in financing a housing development to provide housing for persons of eligible income shall be conclusively deemed to have been issued for a housing development of such character, and the development shall be conclusively deemed to have been planned, located and constructed in accordance with the purposes and provisions of this article.

In connection with the issuance of bonds or the incurring of obligations under leases and in order to secure the payment of bonds or obligations, any authority, in addition to its other powers shall have power:

1. To pledge all or any part of its gross or net rents, fees or revenues to which its right then exists or may thereafter come into existence;

2. To mortgage all or any part of its real or personal property, then owned or thereafter acquired;

3. To covenant against pledging all or any part of its rents, fees and revenues, or against mortgaging all or any part of its real or personal property, to which its right or title then exists or may thereafter come into existence or against permitting or suffering any lien on revenues or property; to covenant with respect to limitations on its right to sell, lease or otherwise dispose of any housing development or any part thereof; and to covenant as to what other, or additional debts or obligations may be incurred by it;

4. bonds or interest thereon; and to redeem the bonds, and to
covenant for their redemption and to provide the terms
and conditions thereof

this article, as to the rents, purchase prices, and fees to be
charged in the operation of a housing development or
developments, the amount to be raised each year or other
period of time by rents, fees, and other revenues, and as to
the use and disposition to be made thereof; to create or to
authorize the creation of special funds for moneys held for
construction or operating costs, debt service, reserves, or
other purposes, and to covenant as to the use and disposi-
tion of the moneys held in such funds;

(6) To prescribe the procedure, if any, by which the
terms of any contract with bondholders may be amended
or abrogated, the amount of bonds the holders of which
must consent thereto and the manner in which such
consent may be given;

(7) To covenant as to use of any or all of its real or
personal property; and to covenant as to the maintenance
of its real and personal property, the replacement thereof,
the insurance to be carried thereon and the use and
disposition of insurance moneys;

(8) To covenant as to the rights, liabilities, powers and
duties arising upon the breach by it of any covenant,
condition, or obligation; and to covenant and prescribe as
to events of default and terms and conditions upon which
any or all of its bonds or obligations shall become or may
be declared due before maturity, and as to the terms and
conditions upon which the declaration and its conse-
quences may be waived;

(9) To vest in a trustee or trustees or the holders of
bonds or any proportion of them the right to enforce the
payment of the bonds or any covenants securing or
relating to the bonds; to vest in a trustee or trustees the
right, in the event of a default by said authority, to take possession and, as long as the authority is in default, to retain possession and to use, operate and manage any housing development or part thereof, and to collect the rents and revenues arising therefrom and to dispose of such moneys in accordance with the agreement of the authority with said trustees; to provide for the powers and duties of a trustee or trustees and to limit the liabilities thereof; and to provide the terms and conditions upon which the trustee or trustees or the holders of bonds or any proportion of them may enforce any covenant or rights securing or relating to the bonds; and

(10) To exercise all or any part or combination of the powers herein granted; to make covenants other than and in addition to the covenants herein expressly authorized, of like or different character; to make covenants and to do any and all acts and things as may be necessary or convenient or desirable in order to secure its bonds, or, in the absolute discretion of said authority, as will tend to make the bonds more marketable notwithstanding that the covenants, acts or things may not be enumerated herein.

An obligee of an authority shall have the right in addition to all other rights which may be conferred on the obligee, subject only to any contractual restrictions binding upon the obligee:

(1) By mandamus, suit, action or proceeding at law or in equity to compel said authority and the commissioners, officers, agents or employees thereof to perform each and every term, provision and covenant contained in any contract of said authority with or for the benefit of the obligee, and to require the carrying out of any or all covenants and agreements of the authority and the fulfillment of all duties imposed upon said authority by this article; and
(2) By suit, action or proceeding in equity, to enjoin any acts or things which may be unlawful, or the violation of any of the rights of an obligee of the authority.

§16-15-23. Surrender of possession of development to obligee upon default by authority; appointment of receiver; accounting.

An authority shall have power by its resolution, trust indenture, mortgage, lease or other contract to confer upon any obligee holding or representing a specified amount in bonds, or holding a lease, the right, in addition to all rights that may otherwise be conferred, upon the happening of an event of default as defined in such resolution or instrument, by suit, action or proceeding in any court of competent jurisdiction:

(1) To cause possession of any housing development or any part thereof to be surrendered to the obligee; possession may be retained by the bondholder or trustee so long as the authority shall continue in default;

(2) To obtain the appointment of a receiver of any housing development of the authority or any part thereof and of the rents and profits therefrom. If a receiver is appointed, he or she may enter and take possession of the housing development or any part thereof and, so long as the authority shall continue in default, operate and maintain same, and collect and receive all fees, rents, revenues, or other charges thereafter arising therefrom, and shall keep such moneys in a separate account or accounts and apply the same in accordance with the obligations of the authority as the court shall direct; and

(3) To require the authority and the commissioners thereof to account as if it and they were the trustees of an express trust.

§16-15-24. Housing authorities empowered to provide housing for farmers of low and moderate income.
Housing authorities created for counties and other authorities whose jurisdiction includes rural areas are specifically empowered and authorized to borrow money, accept grants and exercise their other powers to provide housing for farmers of low and moderate income. In connection with such developments, housing authorities may enter into leases or purchase agreements, accept such conveyances and rent or sell dwellings forming part of developments to or for farmers of low and moderate income, as the housing authority deems necessary in order to assure the achievement of the objectives of this article. Leases, agreements or conveyances may include such covenants as the housing authority deems appropriate regarding dwellings and the tracts of land described in any such instrument, which covenants shall be deemed to run with the land where the housing authority deems it necessary and the parties to such instrument so stipulate. Nothing contained in this section shall be construed as limiting any other powers of any housing authority.
