CHAPTER 17B. MOTOR VEHICLE DRIVER’S LICENSES.

ARTICLE 2. ISSUANCE OF LICENSE, EXPIRATION AND RENEWAL.
§17B-2-1b. Transfer of driver’s licensing examination function.

(a) Effective the first day of July, one thousand nine hundred and ninety-nine, the responsibility for driver’s licensing examinations and civilian employees of the West Virginia state police whose primary governmental duties as of the thirtieth day of June, one thousand nine hundred ninety-nine, involve the examination of applicants for instruction permits and driver’s licenses shall be transferred from the West Virginia state police to the division of motor vehicles.

(b) Effective the first day of July, one thousand nine hundred ninety-nine, until the thirty-first day of December, two thousand, the commissioner of motor vehicles may delegate responsibility for the supervision of the civilian employees and the operation of the examination program to the superintendent of the West Virginia state police pending the orderly transfer and hiring of the necessary personnel, transfer and purchase of necessary equipment and supplies and the establishment of suitable examination locations. The commissioner may also reimburse the West Virginia state police for the services of personnel, equipment, supplies and office space at state police facilities necessary to maintain the examination program at its current level of service during the transfer period. The commissioner may also utilize existing state police locations as examination and licensing locations unless in his or her opinion, more suitable locations are available. The commissioner shall reimburse the West Virginia state police for that use.

§17B-2-5. Qualifications, issuance and fee for instruction permits.

(a) Any person who is at least fifteen years of age may apply to the division for an instruction permit. The division may, in its discretion, after the applicant has successfully passed all parts of the examination other than the driving test and presented documentation of compliance with the provisions of section eleven, article eight, chapter eighteen of this code, issue to the applicant an instruction permit which entitles the applicant while having the permit in his or her immediate possession to drive a motor vehicle upon the public highways when accompanied by a licensed driver of at least twenty-one
years of age, a driver's education or driving school instructor
that is acting in an official capacity as an instructor, or a
certified division license examiner acting in an official capacity
as an examiner, who is occupying a seat beside the driver,
except in the event the permittee is operating a motorcycle. In
no event may the permittee operate a motorcycle upon a public
highway until reaching sixteen years of age.

Any instruction permit issued to a person under the age of
sixteen years expires sixty days after the permittee reaches
sixteen years of age: Provided, That only permittees who have
reached their sixteenth birthday may take the driving examine-
tion as provided in section six of this article. The instruction
permit may be renewed for one additional period of sixty days.
Any permit issued to a person who has reached the age of
sixteen years is valid for a period of sixty days and may be
renewed for an additional period of sixty days or a new permit
issued. The fee for the instruction permit is four dollars, one
dollar of which shall be paid into the state treasury and credited
to the state road fund, and the other three dollars of which shall
be paid into the state treasury and credited to the general fund
to be appropriated to the state police for application in the
enforcement of the road law.

(b) Any person sixteen years of age or older may apply to
the division for a motorcycle instruction permit. The division
may, in its discretion, after the applicant has successfully
passed all parts of the motorcycle examination other than the
driving test, and presented documentation of compliance with
the provisions of section eleven, article eight, chapter eighteen
of this code, issue to the applicant an instruction permit which
entitles the applicant while having the permit in his or her
immediate possession to drive a motorcycle upon the public
streets or highways for a period of ninety days, during the
daylight hours between sunrise and sunset only. No holder of a
motorcycle instruction permit shall operate a motorcycle while
carrying any passenger on the vehicle.

A motorcycle instruction permit is not renewable, but a
qualified applicant may apply for a new permit. The fee for a
motorcycle instruction permit is five dollars, which shall be
paid into a special fund in the state treasury known as the
motorcycle license examination fund as established in section
seven-c, article two of this chapter.

§17B-2-5a. Training, certification and monitoring of license
examiners.

The commissioner shall train, certify and monitor those
employees of the division of motor vehicles designated by the
commissioner as license examiners regarding the administration
of licensing application and testing procedures for the purpose
of ensuring compliance with statutory and regulatory require-
ments.

§17B-2-7. Examination of applicants.

(a) Upon the presentment by the applicant under the age of
eighteen years of the applicant’s birth certificate, or a certified
copy of the birth certificate, as evidence that the applicant is of
lawful age, the division of motor vehicles shall examine every
applicant for a license to operate a motor vehicle in this state,
except as otherwise provided in this section. The examination
shall include a test of the applicant’s eyesight, the applicant’s
ability to read and understand highway signs regulating,
warning, and directing traffic, the applicant’s knowledge of the
traffic laws of this state, and the applicant’s knowledge of the
effects of alcohol upon persons and the dangers of driving a
motor vehicle under the influence of alcohol. The examination
shall also include an actual demonstration of ability to exercise
ordinary and reasonable control in the operation of a motor
vehicle, and any further physical and mental examination as the
division of motor vehicles considers necessary to determine the
applicant’s fitness to operate a motor vehicle safely upon the
highways.

(b) The commissioner shall propose legislative rules for
promulgation in accordance with the provisions of article three,
chapter twenty-nine-a of this code concerning the examination
of applicants for licenses and the qualifications required of
applicants, and the examination of applicants by the division
shall be in accordance with the rules. The rules shall provide for
the viewing of educational material or films on the medical,
biological, and psychological effects of alcohol upon persons,
the dangers of driving a motor vehicle while under the influence
of alcohol and the criminal penalties and administrative
sanctions for alcohol and drug related motor vehicle violations.

(c) After successful completion of the examination required
by this section or section seven-b of this article, and prior to the
issuance of a license pursuant to the provisions of section eight
of this article, every applicant for a driver's license, junior
driver's license or motorcycle-only license shall attend a
mandatory education class on the dangers and social conse-
quences of driving a motor vehicle while under the influence of
alcohol. To the extent practicable, the commissioner shall
utilize as lecturers at those classes persons who can relate
first-hand experiences as victims or family members of victims
of alcohol-related accidents or drivers who have been involved
in alcohol-related accidents which caused serious bodily injury
or death.

§17B-2-7b. Separate examination and endorsement for a license
valid for operation of motorcycle.

The state police shall administer a separate motorcycle
examination for applicants for a license valid for operation of
a motorcycle. On and after the first day of July, two thousand,
the division of motor vehicles shall administer the examination
provided for in this section. Any applicant for a license valid for
operation of a motorcycle shall be required to successfully
complete the motorcycle examination, which is in addition to
the examination administered pursuant to section seven of this
article: Provided, That the commissioner may exempt an
applicant for a motorcycle driver license or endorsement from
all or part of the motorcycle license examination as provided in
section six, article one-d of this chapter. The motorcycle
examination shall test the applicant's knowledge of the opera-
tion of a motorcycle and of any traffic laws specifically relating
to the operation of a motorcycle and shall include an actual
demonstration of the ability to exercise ordinary and reasonable
control in the operation of a motorcycle. An applicant for a
license valid for the operation of only a motorcycle shall be
tested as provided in this section and in section seven of this
article, but need not demonstrate actual driving ability in any
vehicle other than a motorcycle. The examination provided in
this section shall not be made a condition upon the renewal of
the license of any person under this section.

For an applicant who successfully completes the motorcy-
cle examination, upon payment of the required fee, the division
shall issue a motorcycle endorsement on the driver’s license of
the applicant, or shall issue a special motorcycle-only license if
the applicant does not possess a driver’s license.

Every person, including those holding a valid driver’s
license, is required to take the examination specified in this
section to obtain a motorcycle license or endorsement.

§17B-2-7c. Motorcycle license examination fund.

There is hereby created a special revolving fund in the state
treasury which shall be designated as the “motorcycle license
examination fund”. The fund shall consist of all moneys
received from fees collected for motorcycle instruction permits
under this article and any other moneys specifically allocated to
the fund. The fund shall not be treated by the auditor or
treasurer as part of the general revenue of the state. The fund
shall be used and paid out upon order of the West Virginia state
police solely for the purposes specified in this article. On the
thirtieth day of June, two thousand, the special revolving fund
created in this section shall be established under the division of
motor vehicles and shall be paid out upon order of the commis-
sioner. Any unexpended balance remaining in the special
revolving fund on the thirtieth day of June, two thousand, shall
be transferred to the fund established under the division of
motor vehicles.

The fund shall be used by the division to defray the costs of
implementing and administering a special motorcycle license
examination, including a motorcycle driving test.

1 The commissioner may propose legislative rules for promulgation that are necessary to carry out the examination, license and endorsement provisions of this chapter and the provisions regarding motor vehicle registration in accordance with the provisions of article three, chapter twenty-nine-a of this code.

CHAPTER 17E. UNIFORM COMMERCIAL DRIVER’S LICENSE ACT.

ARTICLE 1. COMMERCIAL DRIVER’S LICENSE.

1 (a) (1) General. — No person may be issued a commercial driver’s license unless that person is a resident of this state and has passed a knowledge and skills test for driving a commercial motor vehicle which complies with minimum federal standards established by federal regulations enumerated in 49 C.F.R. part 383, sub-parts G and H, and has satisfied all other requirements of the Federal Commercial Motor Vehicle Safety Act in addition to other requirements imposed by state law or federal regulations. The tests will be administered by the West Virginia state police according to rules promulgated by the commissioner. After the thirtieth day of June, two thousand, the tests will be administered by the division of motor vehicles.

(2) Third party testing. — The commissioner may authorize a person, including an agency of this or another state, an employer, private individual or institution, department, agency or instrumentality of local government, to administer the skills test specified by this section: Provided, That: (i) The test is the same which would otherwise be administered by the state; and (ii) the party has entered into an agreement with the state which complies with the requirements of 49 C.F.R. part 383.75.

(3) Indemnification of driver examiners. — No person who has been officially trained and certified by the state as a driver examiner, who administers a driving test, and no other person, firm or corporation by whom or with which that person is employed or is in any way associated, may be criminally liable
for the administration of the tests, or civilly liable in damages
to the person tested or other persons or property unless for gross
negligence or willful or wanton injury.

(4) The West Virginia state police shall monitor third party
testing according to rules promulgated by the commissioner.
After the thirtieth day of June, two thousand, the division shall
monitor third party testing.

(b) Waiver of skills test. — The commissioner may waive
the skills test specified in this section for a commercial driver
license applicant who meets the requirements of 49 C.F.R. part
383.77 and those requirements specified by the commissioner.

(c) Limitations on issuance of license. — A commercial
driver’s license or commercial driver’s instruction permit may
not be issued to a person while the person is subject to a
disqualification from driving a commercial motor vehicle, or
while the person’s driver’s license is suspended, revoked or
canceled in any state; nor may a commercial driver’s license be
issued by any other state unless the person first surrenders all
such licenses to the department, which must be returned to the
issuing state(s) for cancellation. The division shall issue a
restricted commercial driver’s license to a person who has
failed to pay overdue child support or comply with subpoenas
or warrants relating to paternity or child support proceedings,
if a circuit court orders restrictions of the person’s license as
provided in article five-a, chapter forty-eight-a of this code.

(d) Commercial driver’s instruction permit. — (1) A
commercial driver’s instruction permit may be issued to an
individual who holds a valid operator or Class “D” driver
license who has passed the vision and written tests required for
issuance of a commercial driver license. (2) The commercial
instruction permit may not be issued for a period to exceed six
months. Only one renewal or reissuance may be granted within
a two-year period. The holder of a commercial driver’s instruc-
tion permit may drive a commercial motor vehicle on a
highway only when accompanied by the holder of a commercial
driver license valid for the type of vehicle driven who occupies
a seat beside the individual for the purpose of giving instruction
or testing. (3) A commercial driver's instruction permit may only be issued to an individual who is at least eighteen years of age and has held an operator's or junior operator's license for at least two years. (4) The applicant for a commercial driver's instruction permit shall also be otherwise qualified to hold a commercial driver's license.

§17E-1-23. Funding for the commercial driver's license fees.

Each application for a commercial driver's license shall be accompanied by the fees provided for in this section and the fees shall be deposited in a special revolving fund for the operation by the division of its functions established by this chapter.

The fee for a commercial driver's license shall be established by the commissioner to cover all necessary costs for program administration. The fees for knowledge and road testing shall also be established by the commissioner to cover all program costs projected to be incurred by the division and the West Virginia state police. The commissioner shall transfer into a special revolving fund under the control of the superintendent of the West Virginia state police those amounts required by the West Virginia state police and determined by the commissioner as necessary to administer its responsibilities under this article until the first day of July, two thousand.
