**ARTICLE 3A. SALES BY RETAIL LIQUOR LICENSEES.**

**§60-3A-2a. Further legislative findings, declarations and purpose.**

- 1       (a) In addition to the findings and declarations set forth in
- 2       subsection (a), section two of this article, the Legislature hereby
- 3       finds and declares that:
- 4       (1) The provisions of this article as enacted during the
- 5       regular session of the Legislature in the year one thousand nine
- 6       hundred ninety were intended to require that all licenses issued
- 7       for the retail sale of liquor expire as of the first day of July, two

8 thousand, and that the issuance of retail licenses for the ten year  
9 period beginning the first day of July, two thousand, and for  
10 each ten-year period thereafter, be based on sealed competitive  
11 bids;

12 (2) It is the intention of the Legislature to provide that all  
13 retail licenses issued beginning the first day of July, two  
14 thousand, expire ten years from the date of issuance and that  
15 every ten years the issuance of retail licenses be based on  
16 competitive bids;

17 (3) The purposes set forth in subsection (b), section two of  
18 this article remain the purposes of the Legislature;

19 (4) Many of those persons who currently hold retail licenses  
20 have not only provided the services to the public contemplated  
21 by this article, but in many instances have provided employ-  
22 ment and otherwise made substantial contributions to the  
23 economic and civic development of the communities in which  
24 they conduct business, and therefore, current licensees should  
25 be afforded special consideration if their bids for the licenses  
26 issued for the ten-year period beginning the first day of July,  
27 two thousand be unsuccessful;

28 (5) Those persons who are issued a retail license for the ten  
29 year period beginning on the first day of July, two thousand,  
30 and for any ten-year period thereafter should also be afforded  
31 special consideration if their bids for a retail license are  
32 unsuccessful; and

33 (6) Further statutory changes are desirable to effect the  
34 purposes set forth in subsection (b), section two of this article.

35 (b) It is, therefore, the further purposes of the Legislature in  
36 providing for the retail sale of liquor to:

37 (1) Require that all licenses issued for the ten-year period  
38 beginning the first day of July, two thousand, and for each ten  
39 year period thereafter be based on sealed competitive bids;

40 (2) Provide current licensees who, having bid in the manner  
41 required by the provisions of this article, fail to submit the  
42 highest bid for licenses issued for the ten-year period beginning

43 the first day of July, two thousand, and for each ten-year period  
44 thereafter an additional opportunity to obtain the license; and  
45 (3) Effect statutory changes to further the purposes pro-  
46 vided in this section and section two of this article.

**§60-3A-3. Sale of liquor by retail licensees permitted; cessation of  
retail sale of liquor by state.**

1 (a) Notwithstanding any provision of this code to the  
2 contrary, the sale of liquor by retail licensees in accordance  
3 with the provisions of this article is lawful.

4 (b) Upon the opening of a retail outlet in any market zone,  
5 the state shall, as soon as practicable, discontinue operating any  
6 and all state liquor stores and agency stores within the market  
7 zone so long as a retail outlet is in operation in the market zone.

8 (c) No provision of this section shall prevent the commis-  
9 sioner, with the consent of the board, from operating a state  
10 liquor store in a market zone pursuant to the provisions of  
11 article three of this chapter where there are no retail outlets in  
12 operation, and the operation of any retail outlet in the market  
13 zone is prevented by a matter in controversy pending judicial  
14 adjudication or the licensee is unable or unwilling to open a  
15 retail outlet: *Provided*, That, the board determines that the  
16 resolution of the controversy will continue for such duration  
17 that the opening of a state liquor store is necessary to meet  
18 reasonable consumer concerns of availability of liquor.

4 or desirable by the board, to create one or more designated  
5 areas within such market zones for the issuance of Class B  
6 retail licenses.

7 (b) The commissioner shall:

8 (1) Prescribe application forms for persons desiring to  
9 acquire retail licenses and adopt an orderly procedure and  
10 timetable for investigating, processing and approving applica-  
11 tions;

12 (2) Develop a form of retail license to be issued to each  
13 retail licensee under the provisions of this article;

15 issuance of retail licenses;

16 (4) Promulgate standards for advertising the sale, availabil-  
17 ity, price and selection of liquor;

18 (5) Set minimum standards for retail outlets regarding the  
19 amount and variety of alcoholic liquors which they must offer  
20 for sale at each retail outlet;

21 (6) Enforce the provisions of this article;

22 (7) Impose civil penalties upon retail licensees;

23 (8) Enter the retail outlet of any retail licensee at reasonable

25 the compliance of such retail licensee with the provisions of  
26 this article and any rules promulgated by the board or the  
27 commissioner pursuant to the provisions of this article; and

28       (9) Issue subpoenas and subpoenas duces tecum for the

31 subpoenas and subpoenas duces tecum shall be issued in the  
32 time, for the fees, and shall be enforced in the manner specified

35 herein.

36       (c) The board and the commissioner shall each:

41 and legislative rules, consistent with the policy and objectives  
42 of this article, as they may deem necessary or desirable for the  
43 public interest in carrying out the provisions of this article.  
44 Such rules shall be adopted, amended and repealed in accor-  
45 dance with the provisions of chapter twenty-nine-a of this code.

**§60-3A-7. Market zones; Class A and Class B retail licenses.**

1       (a) The market zones established by the board for the retail  
2 sale of liquor within this state under the enactment of this  
3 section in one thousand nine hundred ninety may not be  
4 modified by the board unless authorized by the Legislature. For  
5 each market zone established, the commissioner may issue one  
6 Class A retail license and one or more Class B retail licenses.  
7 Each Class A retail license shall permit the holder of the license  
8 to operate the number of retail outlets the board authorized for  
9 that market zone. The number of Class B retail licenses to be  
10 issued by the commissioner within each market zone shall not  
11 exceed fifty percent of the number of retail outlets authorized  
12 for the Class A retail license for that market zone, except as  
13 otherwise authorized by subsection (e) of this section or section  
14 twenty-seven-a of this article: *Provided*, That, except as  
15 authorized by subsection (e) of this section or section twenty-  
16 seven-a of this article, in a market zone where the number of  
17 retail outlets authorized under the Class A retail license is an

18 odd number, the number of Class B retail licenses which may  
19 be issued in that market zone shall be rounded up to the next  
20 highest whole number following that number which is equal to  
21 fifty percent of the number of retail outlets authorized under the  
22 Class A retail license.

23 (b) If the board determines that a market zone is not suited  
24 for the issuance of a Class A retail license, then only Class B  
25 retail licenses may be authorized for that market zone and the  
26 board shall determine the maximum number of Class B retail  
27 licenses which may be issued for that market zone.

28 (c) When authorizing Class B retail licenses for a market  
29 zone, the board may create one or more designated areas within  
30 the market zone and authorize one Class B retail license for  
31 each designated area. For each market zone, the commissioner  
32 may issue additional Class B retail licenses for retail outlets to  
33 be located outside any designated area, but the number of  
34 additional Class B retail licenses, when added to the total  
35 number of Class B retail licenses issued for all designated areas  
36 within the market zone, shall not exceed the maximum number  
37 of Class B retail licenses permitted under subsection (a) of this  
38 section for that market zone, except as authorized by subsection  
39 (e) of this section or section twenty-seven-a of this article.

40 (d) A person may hold one or more Class A retail licenses  
41 and one or more Class B retail licenses, but for the same market  
42 zone no person shall hold a Class A retail license and a Class B  
43 retail license or more than one Class B retail license.

44 (e) Notwithstanding any provision of subsection (a) or (c)  
45 of this section, no later than sixty days prior to the receipt of the  
46 bids described in section ten-b of this article, the board may  
47 authorize the commissioner to issue an additional Class B  
48 license in a market zone for the ten year period which begins  
49 next following first day of July, where the board determines  
50 that:

51 (1) Each outlet authorized to operate in the market zone has  
52 been open and in operation for not less than one year;

53 (2) Changes in economic and demographic factors, includ-  
54 ing substantial population increases within the market zone,

55 clearly demonstrate the need for an additional retail outlet or  
56 outlets within the market area to meet an increase in consumer  
57 demand; and

58 (3) The issuance of an additional Class B license in the  
59 market zone will not significantly impair the efforts to procure  
60 the revenues described in subsection (b) section ten-b of this  
61 article.

62 (f) The board shall establish the minimum bid for any  
63 additional Class B licenses authorized under subsection (e) of  
64 this section.

65 (g) No person may hold a combination of licenses that, in  
66 the aggregate, authorizes the operation of more than twenty-five  
67 percent of the total number of retail outlets authorized under the  
68 provisions of this article to operate in this state.

**§60-3A-8. Retail license application requirements; retail licensee  
qualifications.**

1 (a) Prior to or simultaneously with the submission of a bid  
2 for a retail license, each applicant shall file an application with  
3 the commissioner, stating under oath the following:

4 (1) If the applicant is an individual, his or her name and  
5 residence address;

6 (2) If the applicant is other than an individual, the name and  
7 business address of the applicant; the state of its incorporation  
8 or organization; the names and residence addresses of each  
9 executive officer and other principal officer, partner or member  
10 of the entity; a copy of the entity's charter or other agreement  
11 under which the entity operates; and the names and residence  
12 addresses of any person owning, directly or indirectly, at least  
13 twenty percent of the outstanding stock, partnership, or other  
14 interests in the applicant; and

15 (3) That the applicant has never been convicted in this state  
16 or any other state of any felony or other crime involving moral  
17 turpitude or convicted of any felony in this or any other state  
18 court or any federal court for a violation of any state or federal  
19 liquor law, and if the applicant is other than an individual, that

20 none of its executive officers other principal officers, partners  
21 or members, or any person owning, directly or indirectly, at  
22 least twenty percent of the outstanding stock, partnership, or  
23 other interests in the applicant, has been convicted.

24 (b) An applicant shall provide the commissioner any  
25 additional information requested by the commissioner.

26 (c) Whenever a change occurs in any information provided  
27 to the commissioner, the change shall immediately be reported  
28 to the commissioner in the same manner as originally provided.

29 (d) The commissioner shall disqualify each bid submitted  
30 by an applicant under section ten of this article, and no appli-  
31 cant shall be issued or eligible to hold a retail license under this  
32 article, if:

33 (1) The applicant has been convicted in this state of any  
34 felony or other crime involving moral turpitude or convicted of  
35 any felony in this or any other state court or any federal court  
36 for a violation of any state or federal liquor law; or

37 (2) Any executive officer or other principal officer, partner  
38 or member of the applicant, or any person owning, directly or  
39 indirectly, at least twenty percent of the outstanding stock,  
40 partnership, or other interests in the applicant, has been  
41 convicted in this state of any felony or other crime involving  
42 moral turpitude or convicted of any felony in this or any other  
43 state court or any federal court for a violation of any state or  
44 federal liquor law.

45 (e) The commissioner shall not issue a retail license to an  
46 applicant which does not hold a license issued pursuant to  
47 federal law to sell liquor at wholesale.

**§60-3A-10. Bidding procedure.**

1 (a) Except as provided in section ten-b of this article, bids  
2 for licenses shall be governed by the provisions of this section.

3 (b) The issuance of retail licenses shall be based on sealed  
4 competitive bids in accordance with the provisions of this  
5 section. Bids for the issuance of retail licenses shall be obtained

6 by public notice published as a Class II-0 legal advertisement  
7 in compliance with the provisions of article three, chapter  
8 fifty-nine of this code, and the publication area for the publica-  
9 tion shall be each market zone within which a retail outlet shall  
10 be located. The second publication of the notice shall appear  
11 more than sixty days next preceding the final day for submitting  
12 bids.

13 (c) Each bid shall indicate the market zone for which the  
14 retail license is sought, whether the bid is for a Class A retail  
15 license or Class B retail license, and, if the board has created  
16 one or more designated areas for the market zone, whether the  
17 bid is for the Class B retail license to be issued for any desig-  
18 nated area. No bid shall be altered or withdrawn after the  
19 appointed hour for the opening of the bids. Subject to the  
20 provisions of section ten-b of this article, each retail license  
21 shall be awarded to the highest bidder. In market zones where  
22 two or more Class B retail licenses are authorized (other than  
23 for a designated area or areas), the licenses shall be awarded to  
24 those persons submitting the highest bids. No bid shall be  
25 considered unless the bond required under section eleven of this  
26 article is submitted to the commissioner. All bids for a retail  
27 license may be rejected by the board if the board determines  
28 that the highest bid is inadequate, in which event the commis-  
29 sioner shall begin anew the bidding process for that retail  
30 license.

31 (d) Each person desiring to submit a bid shall file the bid  
32 with the commissioner prior to the specified date and hour for  
33 the bid openings. The failure to deliver or the nonreceipt of a  
34 bid prior to the appointed date and hour constitutes sufficient  
35 reason for the rejection of a bid. After the award of the retail  
36 license, the commissioner shall indicate upon the successful bid  
37 that it was the successful bid. Thereafter, a copy of the bid and  
38 the bidder's application shall be maintained as a public record,  
39 shall be open to public inspection in the commissioner's office  
40 and shall not be destroyed without the written consent of the  
41 legislative auditor.

42 (e) Prior to the issuance of the retail license to the success-  
43 ful bidder, the bid price and the annual retail license fee, as

44 specified in section twelve of this article, shall be paid to the  
45 commissioner by money order, certified check or cashier's  
46 check. All retail licenses shall be signed by the commissioner  
47 in the name of the state.

48 (f) If the successful bidder fails to pay to the commissioner  
49 the bid price and the annual retail license fee, at the time  
50 specified by the commissioner, the bond provided for in section  
51 eleven of this article shall be forfeited and the bidder shall not  
52 be issued the retail license. The commissioner shall then issue  
53 the retail license to the next highest bidder for the retail license  
54 or reject all bids and start anew the bidding procedure for the  
55 retail license.

**§60-3A-10a. Preference for resident bidders.**

1 In determining the highest bidder for purposes of section  
2 ten of this article, the board shall afford a five percent prefer-  
3 ence for West Virginia resident bidders, which shall be com-  
4 puted by adding five percent of the bid price to the bid price  
5 submitted by each resident bidder. For purposes of this section  
6 a bidder shall be considered to be a West Virginia resident if the  
7 bidder (1) has resided in this state for at least four years  
8 immediately prior to the date on which the bid is opened; or, if  
9 the bidder is an applicant other than an individual, has had its  
10 headquarters or principal place of business in this state for at  
11 least four years immediately prior to that date and (2) meets the  
12 requirements set forth in section forty-four, article three,  
13 chapter five-a of this code relating to a residency of vendors,  
14 except for the requirement of having paid business and occupa-  
15 tion taxes.

**§60-3A-10b. Bidding procedure for licenses issued for the ten  
year period beginning July 1, 2000, and licenses  
issued for each ten year period thereafter.**

1 (a) The issuance of Class A licenses and Class B licenses  
2 for the ten year period beginning the first day of July, two  
3 thousand, and for each ten year period thereafter, shall be based  
4 upon sealed competitive bid in accordance with the provisions  
5 of section ten of this article except as provided in this section.

6 (b) Prior to accepting bids for Class A licenses and Class B  
7 licenses to be issued for the ten year period beginning the first  
8 day of July, two thousand, the board shall determine the  
9 minimum bid for each license based upon a review of the sales  
10 at each retail outlet permitted to operate under the license and  
11 such other factors as the board may determine to generate the  
12 revenues from liquor license renewal projected by the gover-  
13 nor's official revenue estimates for fiscal year two thousand as  
14 presented to the regular session of the Legislature in the year  
15 one thousand nine hundred ninety-nine.

16 (c) Prior to accepting bids for Class A licenses and Class B  
17 licenses to be issued for the ten year periods beginning the first  
18 day of July, two thousand ten and the first day of July every ten  
19 years thereafter, the board shall determine the minimum bid for  
20 each license based upon a review of the sales at each retail  
21 outlet permitted to operate under the license and such other  
22 factors as the board may determine to generate the revenues  
23 from liquor license renewal projected by the governor's official  
24 revenue estimates for the fiscal year preceding the expiration of  
25 the retail licenses.

26 (d) All bids for a retail license for the ten year period  
27 beginning the first day of July, two thousand, or for any ten  
28 year period thereafter may be rejected by the board if the board  
29 determines that the highest bid fails to meet the minimum bid.  
30 The board may also reject any or all bids for a market zone  
31 where, in the aggregate, the bids for all of the retail licenses in  
32 the market zone fail to meet the minimum aggregate bid for that  
33 market zone. Where the board determines the highest bid meets  
34 or exceeds the minimum bid, the board shall determine  
35 whether, at the time of the bid, the same retail license was held  
36 for the period ending the thirtieth day of June, two thousand, or  
37 for any ten year period thereafter, on the thirtieth day of June  
38 preceding the expiration of the license. If the current licensee  
39 holding the same retail license at the time of submission of the  
40 bid for the period ending the thirtieth day of June, two thou-  
41 sand, or for any ten year period thereafter, on the thirtieth day  
42 of June preceding the expiration of the retail license, submitted  
43 a bid that was not less than the minimum bid and is, after  
44 considering any preference applicable under the provisions of

45 section ten-a of this article, an unsuccessful bidder for the  
46 license for the period beginning the first day of July, two  
47 thousand, or for any ten year period thereafter, on the first day  
48 of July when the retail license expires, the commissioner shall  
49 notify the person that upon paying the amount of the highest  
50 bid, subject to the provisions of subsection (e) of this section,  
51 and upon compliance with all other requirements imposed by  
52 the provisions of this article for the issuance of the license, the  
53 retail license for the ten year period beginning the first day of  
54 July, two thousand, or for any ten year period thereafter, shall  
55 be issued to the current licensee. If, within the time determined  
56 by the commissioner, the current licensee pays the amount to  
57 the commissioner and complies with all other requirements  
58 imposed by the provisions of this article for the issuance of the  
59 license, the retail license for the ten year period beginning the  
60 first day of July, two thousand, or for any ten year period  
61 thereafter, shall be issued to the current licensee.

62 (e) The board shall, in determining the amount a current  
63 licensee who is an unsuccessful bidder shall pay as described in  
64 subsection (d) of this section, afford the unsuccessful bidder a  
65 preference. If the unsuccessful bidder is a West Virginia  
66 resident as defined in section ten-a of this article, the board  
67 shall afford the unsuccessful bidder a five percent preference in  
68 addition to the five percent preference afford under section ten-  
69 a of this article. If the unsuccessful bidder is not a West  
70 Virginia resident, the board shall afford the unsuccessful bidder  
71 a five percent preference. The preference shall be computed by  
72 subtracting the preference percentage of the highest bid price  
73 from the highest bid price: *Provided*, that under no circum-  
74 stances may the preference bring the price of the bid below the  
75 minimum bid established by the board: *Provided, however* That  
76 a current licensee who is not operating any of the retail outlets  
77 for which he or she is authorized under the license is not  
78 eligible for the preference provided for under this section.

79 (f) In the event all bids submitted for a license fail to meet  
80 the minimum bid amount for the license as determined by the  
81 board, the board may offer the license for bid again after it  
82 determines a new minimum bid amount for the license.

**§60-3A-10c. Criminal penalties for unlawful inducement.**

1 (a) Any person who gives another person any thing of value  
2 to induce the other to refrain from bidding for a retail license is  
3 guilty of a misdemeanor and, upon conviction, shall be fined  
4 not more than ten thousand dollars, and, in addition, shall be  
5 subject to a civil penalty payable to the commissioner of not  
6 more than one million dollars.

7 (b) Any person who gives a person any thing of value to  
8 induce the other to refrain from operating an outlet authorized  
9 under a retail license is guilty of a misdemeanor and, upon  
10 conviction, shall be fined not more than ten thousand dollars,  
11 and, in addition, shall be subject to a civil penalty payable to the  
12 commissioner of not more than one million dollars.

**§60-3A-12. Annual retail license fee; expiration and renewal of retail licenses.**

1 (a) The annual retail license period is from the first day of  
2 July to the thirtieth day of June of the following year. The  
3 annual retail license fee for a Class A retail license is the sum  
4 obtained by multiplying the number of retail outlets operated by  
5 the retail licensee in the market zone to which the Class A retail  
6 license applies by one thousand dollars. The annual retail  
7 license fee for a Class B retail license is one thousand dollars.  
8 The annual retail license fee for the initial year of issuance shall  
9 be prorated based on the number of days remaining between the  
10 date of issuance and the following thirtieth day of June.

11 (b) All retail licenses expire on the thirtieth day of June of  
12 each year and may be renewed only upon the submission to the  
13 commissioner of the same information required for the issuance  
14 of the license and any additional information requested by the  
15 commissioner on the forms and by the date prescribed by the  
16 commissioner, together with the payment to the commissioner  
17 of the applicable annual retail license fee required under this  
18 section.

19 (c) No person may sell liquor at any retail outlet if the retail  
20 license applicable to the outlet has been suspended or revoked,  
21 or has expired.

22 (d) All retail licenses issued or renewed under the provi-  
23 sions of this article for the period ending the thirtieth day of  
24 June, two thousand or on the thirtieth day of June for any ten  
25 year period thereafter expire and are of no further force or  
26 effect as of the first day of July, in the year two thousand or as  
27 of the first day of July every ten years thereafter.

28 (e) Notwithstanding any provision of section eighteen,  
29 article four of this chapter to the contrary, a municipality may  
30 invoke the authority granted by section four, article thirteen,  
31 chapter eight of this code to require an annual license from each  
32 retail licensee and require payment for the license in amounts  
33 not to exceed the amounts provided in subsection (a) of this  
34 section.

**§60-3A-17. Wholesale prices set by commissioner; retail licensees  
to purchase liquor from state; transportation and  
storage; method of payment.**

1 (a) The commissioner shall fix wholesale prices for the sale  
2 of liquor, other than wine, to retail licensees. The commissioner  
3 shall sell liquor, other than wine, to retail licensees according  
4 to a uniform pricing schedule. The commissioner shall obtain  
5 if possible, upon request, any liquor requested by a retail  
6 licensee.

7 (b) Wholesale prices shall be established in order to yield  
8 a net profit for the general fund of not less than six million five  
9 hundred thousand dollars annually on an annual volume of  
10 business equal to the average for the past three years. The net  
11 revenue derived from the sale of alcoholic liquors shall be  
12 deposited into the general revenue fund in the manner provided  
13 in section seventeen, article three of this chapter.

14 (c) The commissioner shall specify the maximum wholesale  
15 markup percentage which may be applied to the prices paid by  
16 the commissioner for all liquor, other than wine, in order to  
17 determine the prices at which all liquor, other than wine, will be  
18 sold to retail licensees. A retail licensee shall purchase all liquor,  
19 other than wine, for resale in this state only from the commis-  
20 sioner, and the provisions of sections twelve and thirteen,

21 article six of this chapter shall not apply to the transportation of  
22 the liquor: *Provided*, That a retail licensee shall purchase wine  
23 from a wine distributor who is duly licensed under article eight  
24 of this chapter. All liquor, other than wine, purchased by retail  
25 licensees shall be stored in the state at the retail outlet or outlets  
26 operated by the retail licensee: *Provided*, That the commis-  
27 sioner, in his or her discretion, may upon written request permit  
28 a retail licensee to store liquor at a site other than the retail  
29 outlet or outlets.

30 (d) The sale of liquor by the commissioner to retail licens-  
31 ees shall be paid by electronic funds transfer which shall be  
32 initiated by the commissioner on the business day following the  
33 retail licensees order or by money order, certified check or  
34 cashier's check which shall be received by the commissioner at  
35 least twenty-four hours prior to the shipping of the alcoholic  
36 liquors: *Provided*, That if a retail licensee posts with the  
37 commissioner an irrevocable letter of credit or bond with surety  
38 acceptable to the commissioner from a financial institution  
39 acceptable to the commissioner guaranteeing payment of  
40 checks, then the commissioner may accept the retail licensee's  
41 checks in an amount up to the amount of the letter of credit.

42 (e)(1) A retail licensee may not sell liquor to persons  
43 licensed under the provisions of article seven of this chapter at  
44 less than one hundred ten percent of the retail licensee's cost as  
45 defined in section six, article eleven-a, chapter forty-seven of  
46 this code.

47 (2) A retail licensee may not sell liquor to the general  
48 public at less than one hundred ten percent of the retail  
49 licensee's cost as defined in section six, article eleven-a,  
50 chapter forty-seven of this code.

**§60-3A-27a. Revocation of license or reduction of authority to  
operate retail outlet for failure to operate retail  
outlet.**

1 (a)(1) The commissioner may revoke a Class A retail  
2 license if the licensee fails to operate at least one of the retail  
3 outlets authorized under the license. The commissioner may

4 revoke a Class B retail license if the licensee fails to operate the  
5 retail outlet authorized under the license.

6 (2) The commissioner may not accept the bid of a person  
7 who has had a license revoked pursuant to subdivision (1) of  
8 this subsection when the license is offered for bid following the  
9 revocation.

10 (b)(1) Where a person operates at least one of the retail  
11 outlets authorized under a Class A license, but fails to operate  
12 the full number of retail outlets authorized under the license, the  
13 commissioner may reduce the number of retail outlets the  
14 person is authorized to operate under the license by the number  
15 that is not being operated.

16 (2) Notwithstanding any provision of section seven of this  
17 article to the contrary, the board may authorize the commis-  
18 sioner to issue, subject to the bid requirements of section ten of  
19 this article, a Class B license in the stead of each retail outlet  
20 for which authority to operate under a Class A license has been  
21 reduced under subdivision (1) of this subsection.

22 (3) The commissioner may not accept the bid of a person  
23 who has had the number of retail outlets authorized under a  
24 license reduced pursuant to subdivision (1) of this subsection  
25 for any Class B license issued in the stead of a retail outlet  
26 previously authorized under the reduced license.

27 (c) The board shall propose legislative rules for promulga-  
28 tion pursuant to the provisions of article three, chapter twenty-  
29 nine-a of this code prescribing the criteria under which the  
30 commissioner is to determine whether a retail licensee has  
31 failed to operate an outlet.

32 (d) A revocation or reduction under this section is subject  
33 to the provisions for notice, hearing and review prescribed in  
34 section twenty-eight of this article.

**§60-3A-29. Disposition of inventory upon revocation or surrender  
of retail license.**

1 In the event of the revocation, expiration or surrender of  
2 any retail license in accordance with the provisions of this  
3 article, the commissioner may, in his or her discretion, pur-

4 chase, or authorize another person to purchase, all or any  
5 portion of the liquor inventory of the retail licensee. If the  
6 commissioner elects to purchase, or authorizes another person  
7 to purchase, the inventory or any portion of the inventory, the  
8 retail licensee shall sell the inventory as directed by, and upon  
9 terms determined by, the commissioner.

**ARTICLE 7. LICENSES TO PRIVATE CLUBS.**

**§60-7-11. Licensee must purchase alcoholic liquors from or  
through commissioner or retail licensee; excep-  
tions.**

1 (a)(1) All licensees shall purchase all alcoholic liquors sold  
2 by them from the West Virginia alcohol beverage control  
3 commissioner at prices established by the commissioner for  
4 sales of the alcoholic liquors to the public generally or from any  
5 retail licensee licensed under the provisions of article three-a of  
6 this chapter, except that the licensees may purchase those wines  
7 permitted to be sold at retail pursuant to article eight of this  
8 chapter from those distributors licensed pursuant to said article  
9 at the same prices the distributors sell the wines to retailers  
10 licensed pursuant to said article.

11 (2) A licensee may by contract approved by the commis-  
12 sioner receive deliveries of alcoholic liquor from a retail liquor  
13 store, and the provisions of sections twelve and thirteen, article  
14 six of this chapter shall not apply to the transportation of that  
15 alcoholic liquor.

16 (b) In all reports filed under section sixteen, article fifteen,  
17 chapter eleven of this code, retail licensees licensed under the  
18 provisions of article three-a of this chapter shall separately  
19 identify the amount of sales tax on sales of liquor to licensees  
20 in the manner required by the tax commissioner.

21 (c) Notwithstanding the provisions of section thirty, article  
22 fifteen, chapter eleven of this code to the contrary, the amount  
23 of the sales taxes collected by the tax commissioner shall be  
24 deposited in a revolving fund account in the state treasurer's  
25 office, designated the "drunk driving prevention fund", and  
26 administered by the commission on drunk driving prevention,  
27 subject to appropriations by the Legislature.
