WEST VIRGINIA LEGISLATURE

ENROLLED

Senate Bill No. 488

(BY SENATORS LOVE, HELMICK, SHARPE, EDGELL AND MINEAR)

[Passed March 8, 1999; in effect from passage.]

AN ACT finding and declaring certain claims against the state and its agencies to be moral obligations of the state and directing the auditor to issue warrants for the payment thereof.

Be it enacted by the Legislature of West Virginia:

CLAIMS AGAINST THE STATE.

§1. Finding and declaring certain claims against the department of education; division of corrections; and division of labor; to be moral obligations of the state and directing payments thereof.

1 The Legislature has heretofore made findings of fact that
2 the state has received the benefit of the commodities
3 received and/or services rendered by certain claimants
4 herein and has considered these claims against the state,
5 and agencies thereof, which have arisen due to
6 overexpenditures of the departmental appropriations by
7 officers of such state spending units, such claims having
8 been previously considered by the court of claims which

9 also found that the state has received the benefit of the
10 commodities received and/or services rendered by the
11 claimants, but were denied by the court of claims on the
12 purely statutory grounds that to allow such claims would
13 be condoning illegal acts contrary to the laws of the state.
14 The Legislature pursuant to its findings of fact and also by
15 the adoption of the findings of fact by the court of claims
16 as its own, and, while not condoning such illegal acts,
17 hereby declares it to be the moral obligation of the state to
18 pay these claims in the amounts specified below, and
19 directs the auditor to issue warrants upon receipt of
20 properly executed requisitions supported by itemized
21 invoices, statements or other satisfactory documents as
22 required by section ten, article three, chapter twelve of the
23 code of West Virginia, one thousand nine hundred thirty-
24 one as amended, for the payments thereof out of any fund
25 appropriated and available for the purpose.
