### Senate Bill No. 697

(BY SENATORS CRAIGO, ANDERSON, BAILEY, BOWMAN, CHAFIN,  
EDGELL, HELMICK, JACKSON, LOVE, PLYMALE, PREZIOSO,  
SHARPE, UNGER, WALKER, SPROUSE, BOLEY AND MINEAR)

[Passed March 9, 1999; in effect from passage.]

AN ACT to amend chapter sixteen of the code of West Virginia, one thousand nine hundred thirty-one, as amended, by adding thereto a new article, designated article nine-c, relating to the creation of a state tobacco growers' settlement board; setting forth legislative findings; defining terms; establishing the membership of and positions on the board; and duties and responsibilities of the state tobacco grower's settlement board.

*Be it enacted by the Legislature of West Virginia:*

That chapter sixteen of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended by adding thereto a new article, designated article nine-c, to read as follows:

#### **ARTICLE 9C. STATE TOBACCO GROWERS' SETTLEMENT BOARD.**

##### **§16-9C-1. Findings and purpose.**

- 1 (a) Cigarette smoking presents serious public health
- 2 concerns as well as serious financial concerns for the state.

3 In response, the state pursued legal claims against leading  
4 tobacco product manufacturers to recover damages caused  
5 by the public health and financial consequences of ciga-  
6 rette smoking. On the twenty-third day of November, one  
7 thousand nine hundred ninety-eight, leading United States  
8 tobacco product manufacturers entered into a settlement  
9 agreement, entitled "master settlement agreement", with  
10 the state. The master settlement agreement obligates these  
11 manufacturers to pay substantial sums to the state in  
12 exchange for a release of past, present and future claims  
13 against them.

14 (b) The tobacco growers of the state are not a party or a  
15 beneficiary of the master settlement agreement.

16 (c) In view of the master settlement agreement, similar  
17 agreements between other states and tobacco product  
18 manufacturers, and the heightened public awareness and  
19 scrutiny of the dangers associated with cigarette smoking,  
20 the state has a significant interest in protecting tobacco  
21 growers from negative economic and financial conse-  
22 quences arising from changes in the cigarette industry,  
23 such as decreased consumption, demand and prices.

24 (d) On the twenty-first day of January, one thousand  
25 nine hundred ninety-nine, leading United States tobacco  
26 product manufacturers agreed to establish a national  
27 tobacco community trust, for the sole benefit of tobacco  
28 growers, payable over a twelve-year period, beginning in  
29 the year one thousand nine hundred ninety-nine. The  
30 tobacco growers in this state (and thirteen other states) are  
31 eligible to participate in the national tobacco community  
32 trust upon the creation of a state tobacco grower board,  
33 which will consummate a tobacco grower settlement with  
34 the tobacco product manufacturers.

#### **§16-9C-2. Definitions.**

6   commissioner of agriculture or his or her designee shall

7 serve as the vice chair, and the attorney general or his or  
8 her designee shall serve as the secretary.

2 clude, but are not limited to:

3 (a) The consummation of a settlement with leading  
4 United States tobacco product manufacturers for the  
5 exclusive benefit of state tobacco growers;

7 relative to the national tobacco community trust to ensure  
8 state tobacco growers' receipt of funds directly from the  
9 trust;

10 (c) Consultation with tobacco growers within the state in  
11 order to determine how funds allocated by the national

15 cigarettes;
