WEST VIRGINIA LEGISLATURE
Regular Session, 2002

ENROLLED
Committee Substitute for
SENATE BILL NO. 289

(By Senator Tomblin, Mr. President, et al)

PASSED March 1, 2002

In Effect ninety days from Passage
AN ACT to amend and reenact sections one, two and three, article four-b, chapter twelve of the code of West Virginia, one thousand nine hundred thirty-one, as amended, all relating to the state computer donation program; expanding the eligible recipient organizations to include educational facilities, nonprofit organizations and other public, charitable or educational enterprises or organizations; expanding the auditor's legislative rule-making authority to implement the computer donation program; and deleting obsolete language.
Be it enacted by the Legislature of West Virginia:

That sections one, two and three, article four-b, chapter twelve of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted, all to read as follows:

ARTICLE 4B. COMPUTER DONATION PROGRAM.

§12-4B-1. Legislative findings.

1 The Legislature finds that:

2 (a) Educational facilities, nonprofit organizations, juvenile detention centers, municipal and county public safety offices and other public, charitable or educational enterprises or organizations are always in need of computers, telecommunications devices and other technological equipment, while the acquisition of such equipment is costly;

3 (b) The state auditor must frequently purchase computers, telecommunications devices and other technological equipment for his, or her interaction with national and international financial services industries;

4 (c) The purchase by the state auditor of modern computers, telecommunications devices and other technological equipment frequently results in the surplus of existing equipment;

5 (d) Surplus equipment is generally obsolete and may no longer be used effectively by agency employees;

6 (e) Although the computers, telecommunications devices and other technological equipment is no longer useful in interacting with the financial services industry, they may still be useful items for a less complex and less high-speed dependent use;

7 (f) Heretofore, the state auditor has stripped the equipment for spare parts for other machines and that this
continued practice does not necessarily result in the equipment's highest and best remaining use; and

(g) Rather than break down the equipment for spare parts or send obsolete machines to the surplus property unit of the state purchasing division where they may languish with lack of use, it would be in the best interest of the state that any obsolete computers, telecommunications devices or technological equipment be donated by the state auditor's office to educational facilities, nonprofit organizations, juvenile detention centers, municipal and county public safety offices and other public, charitable or educational enterprises or organizations.

§12-4B-2. Computer donation program created.

(a) Notwithstanding any other provision of this code to the contrary, the state auditor is hereby authorized within his or her agency to create a computer donation program to donate equipment, which would otherwise be transferred to the surplus property unit of the purchasing division, to educational facilities, nonprofit organizations, juvenile detention centers, municipal and county public safety offices and other public, charitable or educational enterprises or organizations in this state. This program authorizes the state auditor's office to donate surplus equipment.

(b) The program shall be administered by a director as appointed or employed by the state auditor. The auditor may either appoint the director from existing staff from his or her office or may employ a director from existing funds.

(c) The director shall keep records and accounts that indicate the equipment donated, the age of the equipment, the reasons for declaring it obsolete and to which educational facility, nonprofit organization, juvenile detention center, municipal or county public safety office or other

§12-4B-3. Legislative rules.

1 The state auditor shall propose legislative rules in
2 accordance with the provisions of article three-a, chapter
3 twenty-nine-a of this code which shall detail the regula-
4 tions for implementing the program. The rules shall
5 provide for fair and impartial selection of equipment
