(4) For each bank holding company, an annual assessment as provided for in section eight, article eight-a of this chapter. The annual assessment may not exceed ten dollars per million dollars in deposits rounded off to the nearest million dollars.
(c) The commissioner shall each December and each June prepare and send to each state banking institution a statement of the amount of the assessment due. The commissioner shall further, each June, prepare and send to each regulated consumer lender and each state credit union a statement of the amount of the assessment due. The commissioner shall annually, during the month of January, prepare and send to each bank holding company a statement of the amount of the assessment due.

Assessments may be prescribed every six months, not later than the fifteenth day of June and the fifteenth day of December, by written order of the commissioner, but shall not exceed the maximums as set forth in subsection (b) of this section. In setting the assessments the primary consideration shall be the amount appropriated by the Legislature for the division of banking for the corresponding annual period. Reasonable notice of the assessments shall be made to all interested parties. All orders of the commissioner for the purpose of setting assessments are not subject to the provisions of the West Virginia administrative procedures act under chapter twenty-nine-a of this code.

(d) For making an examination within the state of any other financial institution for which assessments are not provided by this code, the commissioner of banking shall charge and collect from such other financial institution and pay into the special revenue account for the division of banking the actual and necessary costs and expenses incurred in connection therewith, as fixed and determined by the commissioner. Banks that provide only trust or other nondepository services, nonbanking subsidiaries of bank holding companies that provide trust services, nonbanking subsidiaries of banks that provide trust services and any trust entity that is jointly owned by federally insured depository institutions may be assessed for necessary costs and expenses associated with an examination pursuant to this subsection.

(e) If the records of an institution are located outside this state, the institution at its option shall make them available to the commissioner at a convenient location within the state or pay the reasonable and necessary
expenses for the commissioner or his or her representatives to examine them at the place where they are maintained. The commissioner may designate representatives, including comparable officials of the state in which the records are located, to inspect them on his or her behalf.

(f) The commissioner of banking may maintain an action for the recovery of all assessments, costs and expenses in any court of competent jurisdiction.
