Be it enacted by the Legislature of West Virginia:

That §20-2-5 of the code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

ARTICLE 2. WILDLIFE RESOURCES.

§20-2-5. Unlawful methods of hunting and fishing and other unlawful acts.

Except as authorized by the Director, it is unlawful at any time for any person to:
(1) Shoot at or to shoot any wild bird or animal unless it is plainly visible to him or her;

(2) Dig out, cut out or smoke out, or in any manner take or attempt to take, any live wild animal or wild bird out of its den or place of refuge except as may be authorized by rules promulgated by the Director or by law;

(3) Make use of, or take advantage of, any artificial light in hunting, locating, attracting, taking, trapping or killing any wild bird or wild animal, or to attempt to do so, while having in his or her possession or subject to his or her control, or for any person accompanying him or her to have in his or her possession or subject to his or her control, any firearm, whether cased or uncased, bow, arrow, or both, or other implement or device suitable for taking, killing or trapping a wild bird or animal:

Provided, That it is lawful to hunt or take raccoon, opossum or skunk by the use of artificial light subject to the restrictions set forth in this subdivision: Provided, however, That it is lawful to hunt or take coyotes by the use of amber- or red-colored artificial light subject to the restrictions set forth in this subdivision. No person is guilty of a violation of this subdivision merely because he or she looks for, looks at, attracts or makes motionless a wild bird or wild animal with or by the use of an artificial light, unless at the time he or she has in his or her possession a firearm, whether cased or uncased, bow, arrow, or both, or other implement or device suitable for taking, killing or trapping a wild bird or wild animal, or unless the artificial light (other than the head lamps of an automobile or other land conveyance) is attached to, a part of, or used from within or upon an automobile or other land conveyance.

Any person violating the provisions of this subdivision is guilty of a misdemeanor and, upon conviction thereof, shall for each offense be fined not less than one hundred dollars nor more than five hundred dollars and shall be imprisoned in jail for not less than ten days nor more than one hundred days;
(4) Hunt for, take, kill, wound or shoot at wild animals or wild birds from an airplane, or other airborne conveyance, an automobile, or other land conveyance, or from a motor-driven water conveyance, except as authorized by rules promulgated by the Director;

Except as hereinafter provided, between five o’clock postmeridian of one day and seven o’clock antemeridian, eastern standard time of the day following, any unloaded firearm, being lawfully carried in accordance
with the foregoing provisions, shall be so carried only when in
a case or taken apart and securely wrapped. During the period
from the first day of July to the thirtieth day of September,
inclusive, of each year, the foregoing requirements relative to
carrying certain unloaded firearms are permissible only from
eight-thirty o’clock postmeridian to five o’clock antemeridian,
eastern standard time: Provided, That the time periods for
carrying unloaded and uncased firearms are extended for one

antemeridian times established above if a hunter is preparing to
or in the process of transporting or transferring the firearms to
or from a hunting site, campsite, home or other place of abode;

No part of the plumage, skin or body of any protected bird shall be sold or had in possession for sale except mounted or stuffed plumage, skin, bodies or heads of the birds legally taken and stuffed or mounted, irrespective of whether the bird was captured within or without this state, except the English or

135 European sparrow (passer domesticus), starling (sturnus vulgaris) and cowbird (molothrus ater), which may not be protected and the killing thereof at any time is lawful;

138 (18) Use dynamite or any like explosive or poisonous mixture placed in any waters of the state for the purpose of killing or taking fish. 159 (24) Permit any dog owned by him or her or under his or her control to chase, pursue or follow upon the track of any wild animal or wild bird, either day or night, between the first day of May and the fifteenth day of August next following: Provided, That dogs may be trained on wild animals and wild birds, except deer and wild turkeys, and field trials may be held or
conducted on the grounds or lands of the owner or by his or her
bona fide tenant or tenants or upon the grounds or lands of
another person with his or her written permission or on public
lands at any time: Provided, however, That nonresidents may
not train dogs in this state at any time except during the legal
small game hunting season: Provided further, That the person
training said dogs does not have firearms or other implements
in his or her possession during the closed season on wild
animals and wild birds, whereby wild animals or wild birds
could be taken or killed;

(25) Conduct or participate in a field trial, shoot-to-retrieve
field trial, water race or wild hunt hereafter referred to as trial:
Provided, That any person, group of persons, club or organiza-
tion may hold the trial at any time of the year upon obtaining a
permit as is provided in section fifty-six of this article. The
person responsible for obtaining the permit shall prepare and
keep an accurate record of the names and addresses of all
persons participating in said trial and make same readily
available for inspection by any conservation officer upon
request;

(26) Except as provided in section four of this article, hunt,
catch, take, kill or attempt to hunt, catch, take or kill any wild
animal, wild bird or wild fowl except during the open season
established by rule of the Director as authorized by subdivision
(6), section seven, article one of this chapter;

(27) Hunting on public lands on Sunday after five o’clock
antemeridian is prohibited; and

(28) Hunt, catch, take, kill, trap, injure or pursue with
firearms or other implement which wildlife can be taken, on
private lands on Sunday after the hour of five o’clock
antemeridian: Provided, That the provisions of this subdivision
do not apply in any county until the county commission of the
county holds an election on the question of whether the
provisions of this subdivision prohibiting hunting on Sunday shall apply within the county and the voters approve the allowance of hunting on Sunday in the county. The election is determined by a vote of the resident voters of the county in which the hunting on Sunday is proposed to be authorized. The county commission of the county in which Sunday hunting is proposed shall give notice to the public of the election by publication of the notice as a Class II-0 legal advertisement in compliance with the provisions of article three, chapter fifty-nine of this code and the publication area for the publication shall be the county in which the election is to be held. The date of the last publication of the notice shall fall on a date within the period of the fourteen consecutive days next preceding the election.

On the local option election ballot shall be printed the following:

Shall hunting on Sunday be authorized in County?

[ ] Yes [ ] No

(Place a cross mark in the square opposite your choice.)

Any local option election to approve or disapprove of the proposed authorization of Sunday hunting within a county shall be in accordance with procedures adopted by the commission. The local option election may be held in conjunction with a primary or general election, or at a special election. Approval shall be by a majority of the voters casting votes on the question of approval or disapproval of Sunday hunting at the election.

If a majority votes against allowing Sunday hunting, no election on the issue may be held for a period of one hundred four weeks. If a majority votes "yes", no election reconsidering the action may be held for a period of five years. A local option
election may thereafter be held if a written petition of qualified voters residing within the county equal to at least five percent of the number of persons who were registered to vote in the next preceding general election is received by the county commission of the county in which Sunday hunting is authorized. The petition may be in any number of counterparts. The election shall take place at the next primary or general election scheduled more than ninety days following receipt by the county commission of the petition required by this subsection:

Provided, That the issue may not be placed on the ballot until all statutory notice requirements have been met. No local law or regulation providing any penalty, disability, restriction, regulation or prohibition of Sunday hunting may be enacted and the provisions of this article preempt all regulations, rules, ordinances and laws of any county or municipality in conflict with this subdivision.

(29) Hunt or conduct hunts for a fee where the hunter is not physically present in the same location as the wildlife being hunted within West Virginia.
