accordance with Section 172 of the Internal Revenue Code of 1986, as amended.

(1) Special rules. —

(A) When the corporation further adjusts its adjusted federal taxable income under section seven of this article, the West Virginia net operating loss deduction allowed by this subsection shall be deducted after the section seven adjustments are made;

(B) The Tax Commissioner shall prescribe the transition regulations as he or she deems necessary for fair and equitable administration of this subsection as amended by this act.

(2) Effective date. — The provisions of this subsection, as amended by chapter one hundred nineteen, Acts of the Legislature, one thousand nine hundred eighty-eight, apply to all taxable years ending after the thirtieth day of June, one thousand nine hundred eighty-eight; and to all loss carryovers from taxable years ending on or before said thirtieth day of June.

(e) Special adjustments for expenditures for water and air pollution control facilities. —

(1) If the taxpayer so elects under subdivision (2) of this subsection, there shall be:

(A) Subtracted from federal taxable income the total of the amounts paid or incurred during the taxable year for the acquisition, construction or development within this state of water pollution control facilities or air pollution control facilities as defined in Section 169 of the Internal Revenue Code of 1986, as amended; and

(B) Added to federal taxable income the total of the amounts of any allowances for depreciation and
amortization of the water pollution control facilities or
air pollution control facilities, as so defined, to the

(2) The election referred to in subdivision (1) of this
subsection shall be made in the return filed within the
time prescribed by law, including extensions of the

paid or incurred. The election shall be made in that
manner, and the scope of application of that election
shall be defined, as the Tax Commissioner may by rule
prescribe, and shall be irrevocable when made as to all
amounts paid or incurred for any particular water
pollution control facility or air pollution control
facility.

(3) Notwithstanding any other provisions of this
subsection or of section seven of this article to the
contrary, if the taxpayer's federal taxable income is
subject to allocation and apportionment under said
section, the adjustments prescribed in paragraphs (A)
and (B), subdivision (1) of this subsection shall, instead
of being made to the taxpayer's federal taxable income
before allocation and apportionment thereof as
provided in section seven of this article, be made to the
portion of the taxpayer's net income, computed without
regard to the adjustments, allocated and apportioned to
this state in accordance with said section.

(f) Allowance for certain government obligations and
obligations secured by residential property. — The West
Virginia taxable income of a taxpayer subject to this
article as adjusted in accordance with subsections (b),
(c) and (e) of this section shall be further adjusted by
multiplying the taxable income after the adjustment by
said subsections by a fraction equal to one minus a
fraction:
(1) The numerator of which is the sum of the average of the monthly beginning and ending account balances during the taxable year (account balances to be determined at cost in the same manner that obligations, investments and loans are reported on Schedule L of the Federal Form 1120) of the following:

(A) Obligations or securities of the United States, or of any agency, authority, commission or instrumentality of the United States and any other corporation or entity created under the authority of the United States Congress for the purpose of implementing or furthering an objective of national policy;

(2) The denominator of which is the average of the monthly beginning and ending account balances of the total assets of the taxpayer which are shown on Schedule L of Federal Form 1120, which are filed by the taxpayer with the Internal Revenue Service.

(g) The amendments to the provisions of this section made during the regular session of the Legislature in the year one thousand nine hundred ninety-eight apply to all taxable years beginning on or after the thirty-first day of December, one thousand nine hundred ninety-seven.
