This section does not affect the right of any person to receive benefits or compensation to which he or she would otherwise be entitled under this article, chapter twenty-three of this code, any Act of Congress or any other law.

(b) Any requirement for a license to practice any professional, mechanical or other skill does not apply to an authorized emergency service worker who shall, in the course of performing his or her duties, practice such skill during an emergency.

(c) As used in this section, "duly qualified emergency service worker" means:

(1) Any duly qualified full or part-time paid, volunteer or auxiliary employee of this state, or any other state, territory, possession or the District of Columbia, of the federal government, of any neighboring country or political subdivision thereof or of any agency or organization performing emergency services in this state subject to the order or control of or pursuant to the request of the state or any political subdivision thereof.
