ENROLLED

Senate Bill No. 512

(By Senator Bowman)

[Passed March 4, 2008; in effect from passage.]

AN ACT to amend and reenact §5A-8-15 of the Code of West Virginia, 1931, as amended, relating to changing the number of members on the Records Management and Preservation Board for county government entities from nine to eleven members to accurately reflect the actual board membership.

Be it enacted by the Legislature of West Virginia:

That §5A-8-15 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

ARTICLE 8. PUBLIC RECORDS MANAGEMENT AND PRESERVATION ACT.

§5A-8-15. Records management and preservation of county records; alternate storage of county records; Records Management and Preservation Board; qualifications and appointment of members; reimbursement of expenses; staffing; rule-
making authority; study of records management needs of state agencies; grants to counties.

The Legislature finds that the use of electronic technology and other procedures to manage and preserve public records by counties should be uniform throughout the state where possible.

(a) The governing body and the chief elected official of a county, hereinafter referred to as a county government entity, whether organized and existing under a charter or under general law, shall promote the principles of efficient records management and preservation of local records. A county governing entity may, as far as practical, follow the program established for the uniform management and preservation of county records as set out in rules proposed for legislative approval in accordance with the provisions of article three, chapter twenty-nine-a of this code as proposed by the Records Management and Preservation Board.

(b) In the event a county government entity decides to destroy or otherwise dispose of a county record, the county government entity may, prior to destruction or disposal thereof, offer the record to the Director of the Section of Archives and History of the Division of Culture and History for preservation of the record as a document of historical value. Unless authorized by the Supreme Court of Appeals, the records of courts of record and magistrate courts are not affected by the provisions of this section.

(c)(1) A preservation duplicate of a county government entity record may be stored in any format approved by the board in which the image of the original record is preserved in a form, including CD-ROM and optical image storage media, in which the image is incapable of erasure or alteration and from which a reproduction of the stored record may be retrieved that truly and accurately depicts the image of the original county government record.
(2) Except for those formats, processes and systems used for the storage of records on the effective date of this section, no alternate format for the storage of county government entity records described in this section is authorized for the storage of county government entity records unless the particular format has been approved pursuant to a legislative rule promulgated by the board in accordance with the provisions of chapter twenty-nine-a of this code. The board may prohibit the use of any format, process or system used for the storage of records upon its determination that the same is not reasonably adequate to preserve the records from destruction, alteration or decay.

(3) Upon creation of a preservation duplicate that stores an original county government entity record in an approved format that is incapable of erasure or alteration and that may be retrieved in a format that truly and accurately depicts the image of the original record, the county government entity may destroy or otherwise dispose of the original in accordance with the provisions of section seven-c, article one, chapter fifty-seven of this code.

(d) A Records Management and Preservation Board for county government entities is continued to be composed of eleven members.

(1) Three members shall serve ex officio. One member shall be the Commissioner of the Division of Culture and History or designee who shall be the chair of the board. One member shall be the Administrator of the Supreme Court of Appeals or designee. One member shall be the Chief Technology Officer or designee.

(e) The members of the board shall serve without compensation but shall be reimbursed for all reasonable and necessary expenses actually incurred in the performance of their duties as members of the board in a manner consistent with the guidelines of the Travel Management Office of the Department of Administration. In the event the expenses are paid, or are to be paid, by a third party, the member shall not be reimbursed by the state.

(f) The staff of the board shall consist of the Director
of the Archives and History Section of the Division of Culture and History and any additional staff as needed.

(g) The board shall propose rules for legislative approval in accordance with the provisions of article three, chapter twenty-nine-a of this code to establish a system of records management and preservation for county governments: Provided, That, for the retention and disposition of records of courts of record and magistrate courts, the implementation of the rule is subject to action by the Supreme Court of Appeals of West Virginia. The proposed rules shall include provisions for establishing a program of grants to county governments for making records management and preservation uniform throughout the state. The board is not authorized to propose or promulgate emergency rules under the provisions of this section.

At the end of each month, the clerk of the county commission shall deposit into the Public Records and Preservation Account as established in the State Treasury all fees collected: Provided, That the clerk may retain not more than ten percent of the fees for costs associated with the collection of the fees. Clerks shall be responsible for accounting for the collection and deposit in the State Treasury of all fees collected by the clerk under the provisions of this section.

(i) There is hereby created in the State Treasury a special account entitled the Public Records and Preservation Revenue Account. The account shall consist of all fees collected under the provisions of this section, legislative appropriations, interest earned from fees, investments, gifts, grants or contributions received by the board. Expenditures from the account shall be for the purposes set forth in this article and are not
authorized from collections but are to be made only in accordance with appropriation by the Legislature and in accordance with the provisions of article three, chapter twelve of this code and upon the fulfillment of the provisions set forth in article two, chapter eleven-b of this code.

(j) Subject to the above provision, the board may expend the funds in the account to implement the provisions of this article. In expending funds from the account, the board shall allocate not more than fifty percent of the funds for grants to counties for records management, access and preservation purposes.
