OFFICE WEST VIRGINIA
SECRETARY OF STATE

ENROLLED

COMMITTEE SUBSTITUTE

FOR

Senate Bill No. 537

(SENATORS MINARD AND MCCABE, *original sponsors*)

[Passed April 11, 2009; in effect ninety days from passage.]

AN ACT to repeal §23-5-17 and §23-5-18 of the Code of West Virginia, 1931, as amended; to amend and reenact §23-2-1d of said code; to amend and reenact §23-2A-1 of said code; to amend and reenact §23-2C-8, §23-2C-15, §23-2C-17 and §23-2C-21 of said code; to amend and reenact §23-4-1c, §23-4-6b, §23-4-8, §23-4-8c and §23-4-15b of said code; to amend said code by adding thereto a new section, designated §23-4-8d; to amend and reenact §23-5-1, §23-5-3 and §23-5-16 of said code; and to amend and reenact §33-2-22 of said code, all relating to workers' compensation; eliminating obsolete sunset provisions; redefining the responsibility of prime contractors to injured employees of their subcontractors; clarifying subrogation rights with respect to employees injured by third parties; authorizing negotiation of amount to accept as subrogation in Old Fund

claims; deleting mandatory recovery fee to Insurance Commissioner in certain subrogation claims; providing for a unitary decision-making process in claims involving the Uninsured Employer Fund; changing date on which governmental bodies may purchase workers' compensation insurance in the private market and on which the employers' mutual insurance company may nonrenew such bodies; awarding attorney fees and costs if workers' compensation temporary disability benefits claim is unreasonably denied; extending the scope of permissible remedies to include those in the general insurance code; permitting the recovery of administrative costs in certain actions; authorizing expedited review by the Office of Judges when a request to reopen temporary total benefits is denied; eliminating mandatory allocation in hearing loss claims; providing that claims for medical benefits in occupational pneumoconiosis claims may be made at any time; clarifying that a sixty-day period applies to various protests; extending the jurisdiction of the Office of Judges to hear certain protests; clarifying permissible method of delivering payment of benefits; establishing reimbursement for certain claimant travel expenses; authorizing award of attorney fees in certain final settlements; clarifying licensing requirements for third-party administrators; mandating conditional payments in certain instances; authorizing the Insurance Commissioner to compromise and settle claims for moneys due the Old Fund and Uninsured Employer Fund; and requiring report to Legislature regarding settlements.

Be it enacted by the Legislature of West Virginia:

That §23-5-17 and §23-5-18 of the Code of West Virginia, 1931, as amended, be repealed; that §23-2-1d of said code be amended and reenacted; that §23-2A-1 of said code be amended and reenacted; that §23-2C-8, §23-2C-15, §23-2C-17 and §23-2C-21 of said code be amended and reenacted; that §23-4-1c, §23-4-6b, §23-4-8, §23-4-8c and §23-4-15b of said code be amended and reenacted; that said code be amended by adding

thereto a new section, designated §23-4-8d; that §23-5-1, §23-5-3 and §23-5-16 of said code be amended and reenacted; and that §33-2-22 of said code be amended and reenacted, all to read as follows:

CHAPTER 23. WORKERS' COMPENSATION.

**ARTICLE 2. EMPLOYERS AND EMPLOYEES SUBJECT TO CHAPTER;
EXTRATERRITORIAL COVERAGE.**

§23-2-1d. Prime contractors and subcontractors liability.

1 (a) For the exclusive purposes of this section, the term
2 "employer" as defined in section one of this article
3 includes any primary contractor who regularly subcon-
4 tracts with other employers for the performance of any
5 work arising from or as a result of the primary contrac-
6 tor's own contract: *Provided*, That a subcontractor does
7 not include one providing goods rather than services. For
8 purposes of this subsection, extraction of natural resources
9 is a provision of services. In the event that a subcontract-
10 ing employer defaults on its obligations to make payments
11 to the commission, then the primary contractor is liable
12 for the payments. However, nothing contained in this
13 section shall extend or except to a primary contractor or
14 subcontractors the provisions of section six, six-a or eight
15 of this article. This section is applicable only with regard
16 to subcontractors with whom the primary contractor has
17 a contract for any work or services for a period longer
18 than sixty days: *Provided, however*, That this section is
19 also applicable to contracts for consecutive periods of
20 work that total more than sixty days. It is not applicable
21 to the primary contractor with regard to sub-subcontract-
22 tors. However, a subcontractor for the purposes of a
23 contract with the primary contractor can itself become a
24 primary contractor with regard to other employers with
25 whom it subcontracts. It is the intent of the Legislature
26 that no contractor, whether a primary contractor, subcon-
27 tractor or sub-subcontractor, escape or avoid liability for

28 any workers' compensation premium, assessment or tax.
29 The executive director shall propose for promulgation a
30 rule to effect this purpose on or before December 31, 2003.

31 (b) A primary contractor may avoid initial liability
32 under subsection (a) of this section if it obtains from the
33 executive director, prior to the initial performance of any
34 work by the subcontractor's employees, a certificate that
35 the subcontractor is in good standing with the Workers'
36 Compensation Fund.

37 (1) Failure to obtain the certificate of good standing
38 prior to the initial performance of any work by the
39 subcontractor results in the primary contractor being
40 equally liable with the subcontractor for all delinquent
41 and defaulted premium taxes, premium deposits, interest
42 and other penalties arising during the life of the contract
43 or due to work performed in furtherance of the contract:
44 *Provided*, That the commission is entitled to collect only
45 once for the amount of premiums, premium deposits and
46 interest due to the default, but the commission may impose
47 other penalties on the primary contractor or on the
48 subcontractor, or both.

49 (2) In order to continue avoiding liability under this
50 section, the primary contractor shall request that the
51 commission inform the primary contractor of any subse-
52 quent default by the subcontractor. In the event that the
53 subcontractor does default, the commission shall notify
54 the primary contractor of the default by placing a notice
55 in the certified United States mail, postage prepaid, and
56 addressed to the primary contractor at the address fur-
57 nished to the commission by the primary contractor. The
58 mailing is good and sufficient notice to the primary
59 contractor of the subcontractor's default. However, the
60 primary contractor is not liable under this section until the
61 first day of the calendar quarter following the calendar
62 quarter in which the notice is given and then the liability

63 is only for that following calendar quarter and thereafter
64 and only if the subcontract has not been terminated:
65 *Provided*, That the commission is entitled to collect only
66 once for the amount of premiums, premium deposits and
67 interest due to the default, but the commission may impose
68 other penalties on the primary contractor or on the
69 subcontractor, or both.

70 (c) In any situation where a subcontractor defaults with
71 regard to its payment obligations under this chapter or
72 fails to provide a certificate of good standing as provided
73 in this section, the default or failure is good and sufficient
74 cause for a primary contractor to hold the subcontractor
75 responsible and to seek reimbursement or indemnification
76 for any amounts paid on behalf of the subcontractor to
77 avoid or cure a workers' compensation default, plus
78 related costs, including reasonable attorneys' fees, and to
79 terminate its subcontract with the subcontractor notwith-
80 standing any provision to the contrary in the contract.

81 (d) The provisions of this section are applicable only to
82 those contracts entered into or extended on or after
83 January 1, 1994.

84 (e) The commission may take any action authorized by
85 section five-a of this article in furtherance of its efforts to
86 collect amounts due from the primary contractor under
87 this section.

88 (f) Effective upon termination of the commission,
89 subsections (a) through (e), inclusive, of this section shall
90 be applicable only to unpaid premiums due the commis-
91 sion or the Old Fund as provided in article two-c of this
92 chapter.

93 (g) The Legislature finds that every prime contractor
94 should be responsible to ensure that any subcontractor
95 with which it directly contracts is either self-insured or
96 maintains workers' compensation coverage throughout the

97 periods during which the services of a subcontractor are
98 used and, further, if the subcontractor is neither self-
99 insured nor covered, then the prime contractor rather than
100 the Uninsured Employer Fund should be responsible for
101 the payment of statutory benefits. It is also the intent of
102 the Legislature that this section not be used as the basis
103 for expanding the liability of a prime contractor beyond
104 the limited purpose of providing coverage in the limited
105 circumstances and in the manner expressly addressed by
106 this section: *Provided*, That receipt by the prime contrac-
107 tor of a certificate of coverage from a subcontractor shall
108 be deemed to relieve the prime contractor of responsibility
109 regarding the subcontractor's workers' compensation
110 coverage.

111 (h) On after the effective date of the reenactment of this
112 section in 2009, if an employee of a subcontractor suffers
113 an injury or disease and, on the date of injury or last
114 exposure, his or her employer did not have workers'
115 compensation coverage or was not an approved self-
116 insured employer, and the prime contractor did not obtain
117 certification of coverage from the subcontractor, then that
118 employee may file a claim against the prime contractor for
119 which the subcontractor performed services on the date of
120 injury or last exposure, and such claim shall be adminis-
121 tered in the same manner as claims filed by injured
122 employees of the prime contractor: *Provided*, That a
123 subcontractor that subcontracts with another subcontrac-
124 tor shall, with respect to such subcontract, be the prime
125 contractor for the purposes of this section: *Provided*,
126 *however*, That the provisions of this subsection do not
127 relieve a subcontractor from any requirements of this
128 chapter, including the duty to maintain coverage on its
129 employees. The subcontractor shall provide proof of
130 continuing coverage to the prime contractor by providing
131 a certificate showing current as well as renewal or re-
132 placement coverage during the term of the contract

133 between the prime contractor and the subcontractor. The
134 subcontractor shall provide notice to the prime contractor
135 within two business days of cancellation of expiration of
136 coverage.

137 (i) Notwithstanding that an injured employee of a
138 subcontractor is eligible for workers' compensation
139 benefits pursuant to this section from the prime contrac-
140 tor's carrier or the self-insured prime contractor, which-
141 ever is applicable, a subcontractor who has failed to
142 maintain workers' compensation coverage on its employ-
143 ees:

144 (1) May not claim the exemption from liability provided
145 by sections six and six-a of this article;

146 (2) May be held liable to an injured employee pursuant
147 to the provisions of section eight of this article; and

148 (3) Is the designated employer for the purposes of any
149 "deliberate intention" action brought by the injured
150 worker pursuant to the provisions of section two, article
151 four of this chapter.

152 (j) If a claim of an injured employee of a subcontractor
153 is accepted or conditionally accepted into the Uninsured
154 Employer Fund, both the prime contractor and subcon-
155 tractor are jointly and severally liable for any payments
156 made by the fund, and the Insurance Commissioner may
157 seek recovery of the payments, plus administrative costs
158 and attorneys' fees, from the prime contractor, the subcon-
159 tractor, or both: *Provided*, That a prime contractor who is
160 held liable pursuant to this subsection for the payment of
161 benefits to an injured employee of a subcontractor may
162 recover the amount of such payments from the subcontrac-
163 tor, plus reasonable attorneys' fee and costs: *Provided*,
164 *however*, That if a prime contractor has performed due
165 diligence in all matters requiring and verifying a subcon-
166 tractor's maintenance of insurance coverage, than the

167 prime contractor is not liable for any claim made hereun-
168 der against the subcontractor.

ARTICLE 2A. SUBROGATION.

§23-2A-1. Subrogation; limitations.

1 (a) Where a compensable injury or death is caused, in
2 whole or in part, by the act or omission of a third party,
3 the injured worker or, if he or she is deceased or physically
4 or mentally incompetent, his or her dependents or personal
5 representative are entitled to compensation under the
6 provisions of this chapter, and shall not by having received
7 compensation be precluded from making claim against the
8 third party.

9 (b) Notwithstanding the provisions of subsection (a) of
10 this section, if an injured worker, his or her dependents or
11 his or her personal representative makes a claim against
12 the third party and recovers any sum for the claim:

13 (1) With respect to any claim arising from a right of
14 action that arose or accrued, in whole or in part, on or
15 after January 1, 2006, the private carrier or self-insured
16 employer, whichever is applicable, shall be allowed
17 statutory subrogation with regard to indemnity and
18 medical benefits paid as of the date of the recovery.

19 (2) With respect to any claim arising from a right of
20 action that arose or accrued, in whole or in part, prior to
21 January 1, 2006, the Insurance Commissioner and the
22 successor to the commission shall be allowed statutory
23 subrogation with regard to only medical payments paid as
24 of the date of the recovery: *Provided*, That with respect to
25 any recovery arising out of a cause of action that arose or
26 accrued prior to July 1, 2003, any money received by the
27 commissioner or self-insured employer as subrogation to
28 medical benefits expended on behalf of the injured or
29 deceased worker shall not exceed fifty percent of the

30 amount received from the third party as a result of the
31 claim made by the injured worker, his or her dependents
32 or personal representative, after payment of attorneys' fee
33 and costs, if such exist.

34 (3) Notwithstanding the provisions of subdivisions (1)
35 and (2) of this subsection, the Insurance Commissioner,
36 acting as administrator of the Uninsured Employer Fund,
37 shall be allowed statutory subrogation with regard to
38 indemnity and medical benefits paid and to be paid from
39 such fund regardless of the date on which the cause of
40 action arose.

41 (c) For claims that arose or accrued, in whole or in part,
42 prior to the effective date of the reenactment of this
43 section in 2009, and all claims thereafter, the party
44 entitled to subrogation shall permit the deduction from the
45 amount received reasonable attorneys' fees and reasonable
46 costs and may negotiate the amount to accept as
47 subrogation.

48 (d) In the event that an injured worker, his or her
49 dependents or personal representative makes a claim
50 against a third party, there shall be, and there is hereby
51 created, a statutory subrogation lien upon the moneys
52 received which shall exist in favor of the Insurance
53 Commissioner, private carrier or self-insured employer,
54 whichever is applicable.

55 (e) It is the duty of the injured worker, his or her
56 dependents, his or her personal representative or his or her
57 attorney to give reasonable notice to the Insurance Com-
58 missioner, private carrier or self-insured employer after a
59 claim is filed against the third party and prior to the
60 disbursement of any third-party recovery. The statutory
61 subrogation described in this section does not apply to
62 uninsured and underinsured motorist coverage or any
63 other insurance coverage purchased by the injured worker
64 or on behalf of the injured worker. If the injured worker

65 obtains a recovery from a third party and the injured
66 worker, personal representative or the injured worker's
67 attorney fails to protect the statutory right of subrogation
68 created herein, the injured worker, personal representative
69 and the injured worker's attorney shall lose the right to
70 retain attorney fees and costs out of the subrogation
71 amount. In addition, such failure creates a cause of action
72 for the Insurance Commissioner, private carrier or self-
73 insured employer, whichever is applicable, against the
74 injured worker, personal representative and the injured
75 worker's attorney for the amount of the full subrogation
76 amount and the reasonable fees and costs associated with
77 any such cause of action.

ARTICLE 2C. EMPLOYERS' MUTUAL INSURANCE COMPANY.

§23-2C-8. Workers' Compensation Uninsured Employer Fund.

1 (a) The Workers' Compensation Uninsured Employer
2 Fund shall be governed by the following:

3 (1) All money and securities in the fund must be held by
4 the State Treasurer as custodian thereof to be used solely
5 as provided in this article.

6 (2) The State Treasurer may disburse money from the
7 fund only upon written requisition of the Insurance
8 Commissioner.

9 (3) *Assessments.* – The Insurance Commissioner shall
10 assess each private carrier and may assess self-insured
11 employers an amount to be deposited in the fund. The
12 assessment may be collected by each private carrier from
13 its policyholders in the form of a policy surcharge. To
14 establish the amount of the assessment, the Insurance
15 Commissioner shall determine the amount of money
16 necessary to maintain an appropriate balance in the fund
17 for each fiscal year and shall allocate a portion of that
18 amount to be payable by each of the groups subject to the

19 assessment. After allocating the amounts payable by each
20 group, the Insurance Commissioner shall apply an assess-
21 ment rate to:

22 (A) Private carriers that reflects the relative hazard of
23 the employments covered by the private carriers, results in
24 an equitable distribution of costs among the private
25 carriers and is based upon expected annual premiums to
26 be received;

27 (B) Self-insured employers, if assessed, that results in
28 an equitable distribution of costs among the self-insured
29 employers and is based upon expected annual expendi-
30 tures for claims; and

31 (C) Any other groups assessed that results in an equita-
32 ble distribution of costs among them and is based upon
33 expected annual expenditures for claims or premium to be
34 received.

35 (4) The Industrial Council may adopt rules for the
36 establishment and administration of the assessment
37 methodologies, rates, payments and any penalties that it
38 determines are necessary to carry out the provisions of this
39 section.

40 (b) *Payments from the fund.* –

41 (1) Except as otherwise provided in this subsection, an
42 injured employee of any employer required to be covered
43 under this chapter who has failed to obtain coverage may
44 receive compensation from the Uninsured Employer Fund
45 if such employee meets all jurisdictional and entitlement
46 provisions of this chapter, files a claim with the Insurance
47 Commissioner and makes an irrevocable assignment to the
48 Insurance Commissioner of a right to be subrogated to the
49 rights of the injured employee.

50 (2) Employees who are injured while employed by a
51 self-insured employer are ineligible for benefits from the
52 Workers' Compensation Uninsured Employer Fund.

53 (c) *Initial determination upon receipt of a claim.* –

54 If a claim is filed against the Uninsured Employer
55 Fund, the Insurance Commissioner or his or her third-
56 party administrator shall: (1) Accept the claim into the
57 fund if it is determined that the employer was required to
58 maintain workers' compensation coverage with respect to
59 the injured worker but failed to do so; (2) reject the claim
60 if it is determined that the employer maintained such
61 coverage or was not required to do so; or (3) in a claim
62 involving the availability of benefits pursuant to section
63 one-d, article two of this chapter, either reject or condi-
64 tionally accept the claim. An aggrieved party may file a
65 protest with the Office of Judges to any decision by the
66 Insurance Commissioner or the third-party administrator
67 to accept or reject a claim into the fund, as well as to any
68 claims decisions made with respect to any claim accepted
69 into the fund and such protests shall be determined in the
70 same manner as disputed claims are determined pursuant
71 to the provisions of article five of this chapter: *Provided,*
72 *That in any proceeding before the Office of Judges involv-*
73 *ing the decision to accept or refuse to accept a claim into*
74 *the fund, the employer has the burden of proving that it*
75 *either provided mandatory workers' compensation insur-*
76 *ance coverage or that it was not required to do so.*

77 (d) *Employer liability.* –

78 (1) Any employer who has failed to provide mandatory
79 coverage required by the provisions of this chapter is
80 liable for all payments made and to be made on its behalf,
81 including any benefits, administrative costs and attorney's
82 fees paid from the fund or incurred by the Insurance
83 Commissioner, plus interest calculated in accordance with

84 the provisions of section thirteen, article two of this
85 chapter.

86 (2) The Insurance Commissioner:

87 (A) May bring a civil action in a court of competent
88 jurisdiction to recover from the employer the amounts set
89 forth in subdivision (1) of this subsection. In any such
90 action, the Insurance Commissioner may also recover the
91 present value of the estimated future payments to be made
92 on the employer's behalf and administrative costs and
93 attorney's fees attributable to such claim: *Provided*, That
94 the failure of the Insurance Commissioner to include a
95 claim for future payments shall not preclude one or more
96 subsequent actions for such amounts;

97 (B) May enter into a contract with any person, including
98 the third-party administrator of the Uninsured Employer
99 Fund, to assist in the collection of any liability of an
100 uninsured employer; and

101 (C) In lieu of a civil action, may enter into an agreement
102 or settlement regarding the collection of any liability of an
103 uninsured employer.

104 (3) In addition to any other liabilities provided in this
105 section, the Insurance Commissioner may impose an
106 administrative penalty of not more than \$10,000 against
107 an employer if the employer fails to provide mandatory
108 coverage required by this chapter. All penalties and other
109 moneys collected pursuant to this section shall be depos-
110 ited into the Workers' Compensation Uninsured Employer
111 Fund.

§23-2C-15. Mandatory coverage; changing of coverage.

1 (a) Effective upon termination of the commission, all
2 subscriber policies with the commission shall novate to the
3 company and all employers shall purchase workers'
4 compensation insurance from the company unless permit-

5 ted to self-insure their obligations. The company shall
6 assume responsibility for all new fund obligations of the
7 subscriber policies which novate to the company or which
8 are issued thereafter. Each subscriber whose policy
9 novates to the company shall also have its advanced
10 deposit credited to its account with the company. Each
11 employer purchasing workers' compensation insurance
12 from the company has the right to designate a representa-
13 tive or agent to act on its behalf in any and all matters
14 relevant to coverage and claims administered by the
15 company.

16 (b) Effective July 1, 2008, an employer may elect to: (1)
17 Continue to purchase workers' compensation insurance
18 from the company; (2) purchase workers' compensation
19 insurance from another private carrier licensed and
20 otherwise authorized to transact workers' compensation
21 insurance in this state; or (3) self-insure its obligations if
22 it satisfies all requirements of this code to so self-insure
23 and is permitted to do so: *Provided*, That all state and
24 local governmental bodies, including, but not limited to,
25 all counties and municipalities and their subdivisions and
26 including all boards, colleges, universities and schools,
27 shall continue to purchase workers' compensation insur-
28 ance from the company through June 30, 2010: *Provided*,
29 *however*, That the company may not cancel or refuse to
30 renew a policy of a state or local governmental body prior
31 to July 1, 2011, except for failure of consideration to be
32 paid by the policyholder or for refusal to comply with a
33 premium audit. The company and other private carriers
34 are permitted to sell workers' compensation insurance
35 through licensed agents in the state. To the extent that a
36 private carrier markets workers' compensation insurance
37 through a licensed agent, it is subject to all applicable
38 provisions of chapter thirty-three of this code.

39 (c) Every employer shall post a notice upon its premises
40 in a conspicuous place identifying its workers' compensa-

41 tion insurer. The notice must include the name, business
42 address and telephone number of the insurer and of the
43 person to contact with questions about a claim. The
44 employer shall at all times maintain the notice provided
45 for the information of his or her employees. Release of
46 employer policy information and status by the Industrial
47 Council and the Insurance Commissioner shall be gov-
48 erned by section four, article one of this chapter.

49 (d) Any rule promulgated by the Industrial Council
50 empowering agencies of this state to revoke or refuse to
51 grant, issue or renew any contract, license, permit, certifi-
52 cate or other authority to conduct a trade, profession or
53 business to or with any employer whose account is in
54 default with regard to any liability under this chapter
55 shall be fully enforceable by the Insurance Commissioner
56 against the employer.

57 (e) Effective January 1, 2009, the company may decline
58 to offer coverage to any applicant. Private carriers and,
59 effective January 1, 2009, the company, may cancel a
60 policy upon the issuance of thirty days' written advance
61 notice to the policyholder and may refuse to renew a
62 policy upon the issuance of sixty days' written advance
63 notice to the policyholder: *Provided*, That cancellation of
64 the policy by the carrier for failure of consideration to be
65 paid by the policyholder or for refusal to comply with a
66 premium audit is effective after ten days' advance written
67 notice of cancellation to the policyholder.

68 (f) Every private carrier shall notify the Insurance
69 Commissioner as follows: (1) Of the issuance or renewal of
70 insurance coverage, within thirty days of: (A) The effective
71 date of coverage; or (B) the private carrier's receipt of
72 notice of the employer's operations in this state, whichever
73 is later; (2) of a termination of coverage by the private
74 carrier due to refusal to renew or cancellation, at least ten
75 days prior to the effective date of the termination; and (3)

76 of a termination of coverage by an employer, within ten
77 days of the private carrier's receipt of the employer's
78 request for such termination; the notifications shall be on
79 forms developed or in a manner prescribed by the Insur-
80 ance Commissioner.

81 (g) For the purposes of subsections (e) and (f) of this
82 section, the transfer of a policyholder between insurance
83 companies within the same group is not considered a
84 cancellation or refusal to renew a workers' compensation
85 insurance policy.

§23-2C-17. Administration of a competitive system.

1 (a) Every policy of insurance issued by a private carrier:

2 (1) Shall be in writing;

3 (2) Shall contain the insuring agreements and exclu-
4 sions; and

5 (3) If it contains a provision inconsistent with this
6 chapter, it shall be deemed to be reformed to conform with
7 this chapter.

8 (b) The Industrial Council shall promulgate a rule
9 which prescribes the requirements of a basic policy to be
10 used by private carriers.

11 (c) A private carrier or self-insured employer may enter
12 into a contract to have its plan of insurance administered
13 by a third-party administrator if the administrator is
14 licensed with the Insurance Commissioner in accordance
15 with article forty-six, chapter thirty-three of this code.
16 Notwithstanding any other provision of this code to the
17 contrary, any third-party administrator who, directly or
18 indirectly, underwrites or collects charges or premiums
19 from, or adjusts or settles claims on residents of this state,
20 in connection with workers' compensation coverage
21 offered or provided by a private carrier or self-insured

22 employer, is subject to the provisions of article forty-six,
23 chapter thirty-three of this code to the same extent as
24 those persons included in the definition set forth in
25 subsection (a), section two of said article. The Insurance
26 Commissioner shall propose rules, as provided in section
27 five, article two-c of this chapter, to regulate the use of
28 third-party administrators by private carriers and
29 self-insured employers, including rules setting forth
30 mandatory provisions for agreements between third-party
31 administrators and self-insured employers or private
32 carriers.

33 (d) A self-insured employer or a private carrier may:

34 (1) Enter into a contract or contracts with one or more
35 organizations for managed care to provide comprehensive
36 medical and health care services to employees for injuries
37 and diseases that are compensable pursuant to this
38 chapter. The managed care plan must be approved
39 pursuant to the provisions of section three, article four of
40 this chapter.

41 (2) Require employees to obtain medical and health care
42 services for their industrial injuries from those organiza-
43 tions and persons with whom the self-insured employer or
44 private carrier has contracted or as the self-insured
45 employer or private carrier otherwise prescribes.

46 (3) Except for emergency care, require employees to
47 obtain the approval of the self-insured employer or private
48 carrier before obtaining medical and health care services
49 for their industrial injuries from a provider of health care
50 who has not been previously approved by the self-insured
51 employer or private carrier.

52 (e) A private carrier or self-insured employer may
53 inquire about and request medical records of an injured
54 employee that concern a preexisting medical condition

55 that is reasonably related to the industrial injury of that
56 injured employee.

57 (f) An injured employee must sign all medical releases
58 necessary for his or her self-insured employer or his or her
59 employer's private carrier to obtain information and
60 records about a preexisting medical condition that is
61 reasonably related to the industrial injury of the employee
62 and that will assist the insurer to determine the nature and
63 amount of workers' compensation to which the employee
64 is entitled.

**§23-2C-21. Limitation of liability of insurer or third-party
administrator; administrative fines are exclusive
remedies.**

1 (a) No civil action may be brought or maintained by an
2 employee against a private carrier or a third-party admin-
3 istrator, or any employee or agent of a private carrier or
4 third-party administrator, who violates any provision of
5 this chapter or chapter thirty-three of this code.

6 (b) Any administrative fines or remedies provided in
7 this chapter or chapter thirty-three of this code or rules
8 promulgated by the Workers' Compensation Commission
9 or the Insurance Commissioner are the exclusive civil
10 remedies for any violation of this chapter committed by a
11 private carrier or a third-party administrator or any agent
12 or employee of a private carrier or a third-party adminis-
13 trator.

14 (c) Upon a determination by the Office of Judges that a
15 denial of compensability, a denial of an award of tempo-
16 rary total disability or a denial of an authorization for
17 medical benefits was unreasonable, reasonable attorney's
18 fees and the costs actually incurred in the process of
19 obtaining a reversal of the denial shall be awarded to the
20 claimant and paid by the private carrier or self-insured
21 employer which issued the unreasonable denial. A denial

22 is unreasonable if, after submission by or on behalf of the
23 claimant, of evidence of the compensability of the claim,
24 the entitlement to temporary total disability benefits or
25 medical benefits, the private carrier or self-insured
26 employer is unable to demonstrate that it had evidence or
27 a legal basis supported by legal authority at the time of
28 the denial which is relevant and probative and supports
29 the denial of the award or authorization. Payment of
30 attorney's fees and costs awarded under this subsection
31 will be made to the claimant at the conclusion of litiga-
32 tion, including all appeals, of the claimant's protest of the
33 denial.

ARTICLE 4. DISABILITY AND DEATH BENEFITS.

**§23-4-1c. Payment of temporary total disability benefits di-
rectly to claimant; payment of medical benefits;
payments of benefits during protest; right of
commission, successor to the commission, private
carriers and self-insured employers to collect
payments improperly made.**

1 (a) In any claim for benefits under this chapter, the
2 Insurance Commissioner, private carrier or self-insured
3 employer, whichever is applicable, shall determine
4 whether the claimant has sustained a compensable injury
5 within the meaning of section one of this article and enter
6 an order giving all parties immediate notice of the deci-
7 sion.

8 (1) The Insurance Commissioner, private carrier or self-
9 insured employer, whichever is applicable, may enter an
10 order conditionally approving the claimant's application
11 if it finds that obtaining additional medical evidence or
12 evaluations or other evidence related to the issue of
13 compensability would aid the Insurance Commissioner,
14 private carrier or self-insured employer, whichever is
15 applicable, in making a correct final decision. Benefits
16 shall be paid during the period of conditional approval;

17 however, if the final decision is one that rejects the claim,
18 the payments shall be considered an overpayment. The
19 Insurance Commissioner, private carrier or self-insured
20 employer, whichever is applicable, may only recover the
21 amount of the overpayment as provided for in subsection
22 (h) of this section.

23 (2) In making a determination regarding the compensa-
24 bility of a newly filed claim or upon a filing for the
25 reopening of a prior claim pursuant to the provisions of
26 section sixteen of this article based upon an allegation of
27 recurrence, reinjury, aggravation or progression of the
28 previous compensable injury or in the case of a filing of a
29 request for any other benefits under the provisions of this
30 chapter, the Insurance Commissioner, private carrier or
31 self-insured employer, whichever is applicable, shall
32 consider the date of the filing of the claim for benefits for
33 a determination of the following:

34 (A) Whether the claimant had a scheduled shutdown
35 beginning within one week of the date of the filing;

36 (B) Whether the claimant received notice within sixty
37 days of the filing that his or her employment position was
38 to be eliminated, including, but not limited to, the claim-
39 ant's worksite, a layoff or the elimination of the claimant's
40 employment position;

41 (C) Whether the claimant is receiving unemployment
42 compensation benefits at the time of the filing; or

43 (D) Whether the claimant has received unemployment
44 compensation benefits within sixty days of the filing. In
45 the event of an affirmative finding upon any of these four
46 factors, the finding shall be given probative weight in the
47 overall determination of the compensability of the claim
48 or of the merits of the reopening request.

49 (3) Any party may object to the order of the Insurance
50 Commissioner, private carrier or self-insured employer,
51 whichever is applicable, and obtain an evidentiary hearing
52 as provided in section one, article five of this chapter:
53 *Provided*, That if the successor to the commissioner, other
54 private carrier or self-insured, whichever is applicable,
55 fails to timely issue a ruling upon any application or
56 motion as provided by law, or if the claimant files a timely
57 protest to the ruling of a self-insured employer, private
58 carrier or other issuing entity, denying the compensability
59 of the claim, denying temporary total disability benefits or
60 denying medical authorization, the Office of Judges shall
61 provide a hearing on the protest on an expedited basis as
62 determined by rule of the Office of Judges.

63 (b) Where it appears from the employer's report, or
64 from proper medical evidence, that a compensable injury
65 will result in a disability which will last longer than three
66 days as provided in section five of this article, the Insur-
67 ance Commissioner, private carrier or self-insured em-
68 ployer, whichever is applicable, may immediately enter an
69 order commencing the payment of temporary total disabili-
70 ty benefits to the claimant in the amounts provided for in
71 sections six and fourteen of this article, and the payment
72 of the expenses provided for in subsection (a), section
73 three of this article, relating to the injury, without waiting
74 for the expiration of the thirty-day period during which
75 objections may be filed to the findings as provided in
76 section one, article five of this chapter. The Insurance
77 Commissioner, private carrier or self-insured employer,
78 whichever is applicable, shall enter an order commencing
79 the payment of temporary total disability or medical
80 benefits within fifteen working days of receipt of either
81 the employee's or employer's report of injury, whichever
82 is received sooner, and also upon receipt of either a proper
83 physician's report or any information necessary for a
84 determination. The Insurance Commissioner, private

85 carrier or self-insured employer, whichever is applicable,
86 shall give to the parties immediate notice of any order
87 granting temporary total disability or medical benefits.
88 When an order granting temporary total disability benefits
89 is made, the claimant's return-to-work potential shall be
90 assessed. The Insurance Commissioner may schedule
91 medical and vocational evaluation of the claimant and
92 assign appropriate personnel to expedite the claimant's
93 return to work as soon as reasonably possible.

94 (c) The Insurance Commissioner, private carrier or self-
95 insured employer, whichever is applicable, may enter
96 orders granting temporary total disability benefits upon
97 receipt of medical evidence justifying the payment of the
98 benefits. The Insurance Commissioner, private carrier or
99 self-insured employer, whichever is applicable, may not
100 enter an order granting prospective temporary total
101 disability benefits for a period of more than ninety days:
102 *Provided*, That when the Insurance Commissioner, private
103 carrier or self-insured employer, whichever is applicable,
104 determines that the claimant remains disabled beyond the
105 period specified in the prior order granting temporary
106 total disability benefits, the Insurance Commissioner,
107 private carrier or self-insured employer shall enter an
108 order continuing the payment of temporary total disability
109 benefits for an additional period not to exceed ninety days
110 and shall give immediate notice to all parties of the
111 decision.

112 (d) Upon receipt of the first report of injury in a claim,
113 the Insurance Commissioner, private carrier or self-
114 insured employer, whichever is applicable, shall request
115 from the employer or employers any wage information
116 necessary for determining the rate of benefits to which the
117 employee is entitled. If an employer does not furnish this
118 information within fifteen days from the date the Insur-
119 ance Commissioner, private carrier or self-insured em-
120 ployer, whichever is applicable, received the first report of

121 injury in the case, the employee shall be paid temporary
122 total disability benefits for lost time at the rate the
123 commission obtains from reports made pursuant to
124 subsection (b), section two, article two of this chapter. If
125 no wages have been reported, the Insurance Commissioner,
126 private carrier or self-insured employer, whichever is
127 applicable, shall make the payments at the rate the
128 Insurance Commissioner, private carrier or self-insured
129 employer, whichever is applicable, finds would be justified
130 by the usual rate of pay for the occupation of the injured
131 employee. The rate of benefits shall be adjusted both
132 retroactively and prospectively upon receipt of proper
133 wage information. The Insurance Commissioner shall
134 have access to all wage information in the possession of
135 any state agency.

136 (e) Subject to the limitations set forth in section sixteen
137 of this article, upon a finding of the Insurance Commis-
138 sioner, private carrier or self-insured employer, whichever
139 is applicable, that a claimant who has sustained a previous
140 compensable injury which has been closed by order, or by
141 the claimant's return to work, suffers further temporary
142 total disability or requires further medical or hospital
143 treatment resulting from the compensable injury, payment
144 of temporary total disability benefits to the claimant in
145 the amount provided for in sections six and fourteen of
146 this article shall immediately commence, and the expenses
147 provided for in subsection (a), section three of this article,
148 relating to the disability, without waiting for the expira-
149 tion of the thirty-day period during which objections may
150 be filed. Immediate notice to the parties of the decision
151 shall be given.

152 (f) The Insurance Commissioner, private carrier or self-
153 insured employer shall deliver amounts due for temporary
154 total disability benefits directly to the claimant.

155 (g) Where the employer has elected to carry its own risk
156 under section nine, article two of this chapter, and upon
157 the findings aforesaid, the self-insured employer shall
158 immediately pay the amounts due the claimant for tempo-
159 rary total disability benefits. A copy of the notice shall be
160 sent to the claimant.

161 (h) In the event that an employer files a timely objection
162 to any order of the Insurance Commissioner, private
163 carrier or self-insured, whichever is applicable, with
164 respect to compensability, or any order denying an appli-
165 cation for modification with respect to temporary total
166 disability benefits, or with respect to those expenses
167 outlined in subsection (a), section three of this article, the
168 division shall continue to pay to the claimant such benefits
169 and expenses during the period of such disability. Where
170 it is subsequently found by the Insurance Commissioner,
171 private carrier or self-insured, whichever is applicable,
172 that the claimant was not entitled to receive such tempo-
173 rary total disability benefits or expenses, or any part
174 thereof, so paid, the Insurance Commissioner, private
175 carrier or self-insured, whichever is applicable, shall
176 credit said employer's account with the amount of the
177 overpayment. When the employer has protested the
178 compensability or applied for modification of a temporary
179 total disability benefit award or expenses and the final
180 decision in that case determines that the claimant was not
181 entitled to the benefits or expenses, the amount of benefits
182 or expenses is considered overpaid. For all awards made
183 or nonawarded partial benefits paid the Insurance Com-
184 missioner, private carriers or self-insured employer may
185 recover the amount of overpaid benefits or expenses by
186 withholding, in whole or in part, future disability benefits
187 payable to the individual in the same or other claims and
188 credit the amount against the overpayment until it is
189 repaid in full.

190 (i) In the event that the Insurance Commissioner,
191 private carrier or self-insured employer, whichever is
192 applicable, finds that, based upon the employer's report of
193 injury, the claim is not compensable, the Insurance
194 Commissioner, private carrier or self-insured employer,
195 whichever is applicable, shall provide a copy of the em-
196 ployer's report to the claimant in addition to the order
197 denying the claim.

198 (j) If a claimant is receiving benefits paid through a
199 wage replacement plan, salary continuation plan or other
200 benefit plan provided by the employer to which the
201 employee has not contributed, and that plan does not
202 provide an offset for temporary total disability benefits to
203 which the claimant is also entitled under this chapter as a
204 result of the same injury or disease, the employer shall
205 notify the Insurance Commissioner, private carrier or self-
206 insured of the duplication of the benefits paid to the
207 claimant. Upon receipt of the notice, the Insurance
208 Commissioner, private carrier or self-insured employer,
209 whichever is applicable, shall reduce the temporary total
210 disability benefits provided under this chapter by an
211 amount sufficient to ensure that the claimant does not
212 receive monthly benefits in excess of the amount provided
213 by the employer's plan or the temporary total disability
214 benefit, whichever is greater: *Provided*, That this subsec-
215 tion does not apply to benefits being paid under the terms
216 and conditions of a collective bargaining agreement.

§23-4-6b. Occupational hearing loss claims.

1 (a) In all claims for occupational hearing loss caused by
2 either a single incident of trauma or by exposure to
3 hazardous noise in the course of and resulting from
4 employment, the degree of permanent partial disability, if
5 any, shall be determined in accordance with the provisions
6 of this section and awards made in accordance with the
7 provisions of section six of this article.

8 (b) The percent of permanent partial disability for a
9 monaural hearing loss shall be computed in the following
10 manner:

11 (1) The measured decibel loss of hearing due to injury
12 at the sound frequencies of five hundred, one thousand,
13 two thousand and three thousand hertz shall be deter-
14 mined for the injured ear and the total shall be divided by
15 four to ascertain the average decibel loss;

16 (2) The percent of monaural hearing impairment for the
17 injured ear shall be calculated by multiplying by one and
18 six-tenths percent the difference by which the aforemen-
19 tioned average decibel loss exceeds twenty-seven and one-
20 half decibels, up to a maximum of one hundred percent
21 hearing impairment, which maximum is reached at ninety
22 decibels; and

23 (3) The percent of monaural hearing impairment
24 obtained shall be multiplied by twenty-two and one-
25 half to ascertain the degree of permanent partial disabili-
26 ty.

27 (c) The percent of permanent partial disability for a
28 binaural hearing loss shall be computed in the following
29 manner:

30 (1) The measured decibel loss of hearing due to injury
31 at the sound frequencies of five hundred, one thousand,
32 two thousand and three thousand hertz is determined for
33 each ear and the total for each ear shall be divided by four
34 to ascertain the average decibel loss for each ear;

35 (2) The percent of hearing impairment for each ear is
36 calculated by multiplying by one and six-tenths percent
37 the difference by which the aforementioned average
38 decibel loss exceeds twenty-seven and one-half decibels,
39 up to a maximum of one hundred percent hearing impair-
40 ment, which maximum is reached at ninety decibels;

41 (3) The percent of binaural hearing impairment shall be
 42 calculated by multiplying the smaller percentage (better
 43 ear) by five, adding this figure to the larger percentage
 44 (poorer ear) and dividing the sum by six; and

45 (4) The percent of binaural hearing impairment ob-
 46 tained shall be multiplied by fifty-five to ascertain the
 47 degree of permanent partial disability.

48 (d) No permanent partial disability benefits shall be
 49 granted for tinnitus, psychogenic hearing loss, recruitment
 50 or hearing loss above three thousand hertz.

51 (e) An additional amount of permanent partial disabili-
 52 ty shall be granted for impairment of speech discrimina-
 53 tion, if any, to determine the additional amount for
 54 binaural impairment, the percentage of speech discrimina-
 55 tion in each ear shall be added together and the result
 56 divided by two to calculate the average percentage of
 57 speech discrimination, and the permanent partial disabili-
 58 ty shall be ascertained by reference to the percentage of
 59 permanent partial disability in the table below on the line
 60 with the percentage of speech discrimination obtained. To
 61 determine the additional amount for monaural impair-
 62 ment, the permanent partial disability shall be ascertained
 63 by reference to the percentage of permanent partial
 64 disability in the table below on the line with the percent-
 65 age of speech discrimination in the injured ear.

66 **TABLE**

67	% of Permanent	
68 % of Speech Discrimination	Partial Disability	
69 90% and up to and including 100%	0%	
70 80% and up to but not including 90%	1%	
71 70% and up to but not including 80%	3%	
72 60% and up to but not including 70%	4%	
73 0% and up to but not including 60%	5%	

74 (f) No temporary total disability benefits shall be
75 granted for noise-induced hearing loss.

76 (g) An application for benefits alleging a noise-induced
77 hearing loss shall set forth the name of the employer or
78 employers and the time worked for each. The Insurance
79 Commissioner may allocate to and divide any charges
80 resulting from the claim among the employers with whom
81 the claimant sustained exposure to hazardous noise for as
82 much as sixty days during the period of three years
83 immediately preceding the date of last exposure. The
84 allocation is based upon the time of exposure with each
85 employer. In determining the allocation, the Insurance
86 Commissioner shall consider all the time of employment
87 by each employer during which the claimant was exposed
88 and not just the time within the three-year period under
89 the same allocation as is applied in occupational pneumo-
90 coniosis cases.

91 (h) The employer against whom the claim is filed shall
92 provide for prompt referral the claims for evaluation, for
93 all medical reimbursement and for prompt authorization
94 of hearing enhancement devices.

§23-4-8. Physical examination of claimant.

1 (a) The Insurance Commissioner, private carrier or self-
2 insured employer, whichever is applicable, may, after due
3 notice to the claimant, whenever in its opinion it is
4 necessary, order a claimant of compensation for a personal
5 injury other than occupational pneumoconiosis to appear
6 for examination before a medical examiner or examiners
7 selected by the Insurance Commissioner, other private
8 carrier or self-insured employer, whichever is applicable;
9 and the claimant and employer each may select a physi-
10 cian of the claimant's or the employer's own choosing and
11 at the claimant's or the employer's own expense to partici-
12 pate in the examination. All examinations shall be
13 performed in accordance with the protocols and proce-

14 dures established by rules of the Insurance Commissioner:
15 *Provided*, That the physician may exceed these protocols
16 when additional evaluation is medically necessary. The
17 claimant and employer shall be furnished with a copy of
18 the report of examination made by the medical examiner
19 or examiners. The physicians selected by the claimant and
20 employer have the right to submit a separate report to, or
21 concur in any report made by the medical examiner or
22 examiners selected by the Insurance Commissioner,
23 private carrier or self insured employer, and any separate
24 report shall be considered in passing upon the claim.

25 (b) If the compensation claimed is for occupational
26 pneumoconiosis, the Insurance Commissioner, private
27 carrier or self-insured employer, whichever is applicable,
28 may, after due notice to the employer, order a claimant to
29 appear for examination before the Occupational Pneumo-
30 coniosis Board provided for in section eight-a of this
31 article.

32 (c) Where the claimant is ordered to appear for an
33 examination by the Occupational Pneumoconiosis Board
34 pursuant to subsection (b) of this section or is required to
35 undergo a medical examination or examinations, pursuant
36 to subsection (a) of this section, the party that referred the
37 claimant to the Occupational Pneumoconiosis Board or
38 required the medical examination shall reimburse the
39 claimant for loss of wages and reasonable traveling
40 expenses as set forth in subsection (e) of this section and
41 other expenses in connection with the examination or
42 examinations.

43 (d) The claimant shall be reimbursed for reasonable
44 traveling expenses as set forth in subsection (e) of this
45 section incurred in connection with medical examinations,
46 appointments and treatments, including appointments
47 with the claimant's authorized treating physician.

48 (e) The claimant's traveling expenses include, at a
49 minimum, reimbursement for meals, lodging and milage.
50 Reimbursement for travel in a personal motor vehicle shall
51 be at the milage reimbursement rates contained in the
52 Department of Administration's Purchasing Division
53 Travel Rules as authorized by section eleven, article three,
54 chapter twelve of this code in effect at the time the
55 treatment is authorized.

**§23-4-8c. Occupational Pneumoconiosis Board; reports and
distribution thereof; presumption; findings
required of board; objection to findings; proce-
dure thereon; limitations on refilings; consolida-
tion of claims.**

1 (a) The Occupational Pneumoconiosis Board, as soon as
2 practicable, after it has completed its investigation, shall
3 make its written report, to the Insurance Commissioner,
4 private carrier or self-insured employer, whichever is
5 applicable, of its findings and conclusions on every
6 medical question in controversy and the board shall send
7 one copy of the report to the employee or claimant and one
8 copy to the employer. The board shall also return to and
9 file with the Insurance Commissioner, private carrier or
10 self-insured employer, whichever is applicable, all the
11 evidence as well as all statements under oath, if any, of the
12 persons who appeared before it on behalf of the employee
13 or claimant, or employer, and also all medical reports and
14 X-ray examinations produced by or on behalf of the
15 employee or claimant, or employer.

16 (b) If it can be shown that the claimant or deceased
17 employee has been exposed to the hazard of inhaling
18 minute particles of dust in the course of and resulting from
19 his or her employment for a period of ten years during the
20 fifteen years immediately preceding the date of his or her
21 last exposure to such hazard and that the claimant or
22 deceased employee has sustained a chronic respiratory

23 disability, it shall be presumed that the claimant is
24 suffering or the deceased employee was suffering at the
25 time of his or her death from occupational pneumoconiosis
26 which arose out of and in the course of his or her employ-
27 ment. This presumption is not conclusive.

28 (c) The findings and conclusions of the board shall set
29 forth, among other things, the following:

30 (1) Whether or not the claimant or the deceased em-
31 ployee has contracted occupational pneumoconiosis and,
32 if so, the percentage of permanent disability resulting
33 therefrom;

34 (2) Whether or not the exposure in the employment was
35 sufficient to have caused the claimant's or deceased
36 employee's occupational pneumoconiosis or to have
37 perceptibly aggravated an existing occupational pneumo-
38 coniosis or other occupational disease; and

39 (3) What, if any, physician appeared before the board
40 on behalf of the claimant or employer and what, if any,
41 medical evidence was produced by or on behalf of the
42 claimant or employer.

43 (d) If either party objects to the whole or any part of the
44 findings and conclusions of the board, the party shall file
45 with the Office of Judges, within sixty days from receipt
46 of the copy to that party, unless for good cause shown the
47 chief administrative law judge extends the time, the
48 party's objections to the findings and conclusions of the
49 board in writing, specifying the particular statements of
50 the board's findings and conclusions to which such party
51 objects. The filing of an objection within the time speci-
52 fied is a condition of the right to litigate the findings and
53 therefore jurisdictional. After the time has expired for the
54 filing of objections to the findings and conclusions of the
55 board, the commission or administrative law judge shall
56 proceed to act as provided in this chapter. If after the time

57 has expired for the filing of objections to the findings and
58 conclusions of the board no objections have been filed, the
59 report of a majority of the board of its findings and
60 conclusions on any medical question shall be taken to be
61 plenary and conclusive evidence of the findings and
62 conclusions stated in the report. If objection has been
63 filed to the findings and conclusions of the board, notice
64 of the objection shall be given to the board and the
65 members of the board joining in the findings and conclu-
66 sions shall appear at the time fixed by the Office of Judges
67 for the hearing to submit to examination and cross-
68 examination in respect to the findings and conclusions. At
69 the hearing, evidence to support or controvert the findings
70 and conclusions of the board shall be limited to examina-
71 tion and cross-examination of the members of the board
72 and to the taking of testimony of other qualified physi-
73 cians and roentgenologists.

74 (e) In the event that a claimant receives a final decision
75 that he or she has no evidence of occupational pneumoco-
76 niosis, the claimant is barred for a period of three years
77 from the date of the Occupational Pneumoconiosis Board's
78 decision or until his or her employment with the employer
79 who employed the claimant at the time designated as the
80 claimant's last date of exposure in the denied claim has
81 terminated, whichever is sooner, from filing a new claim
82 or pursuing a previously filed, but unruled upon, claim for
83 occupational pneumoconiosis or requesting a modification
84 of any prior ruling finding him or her not to be suffering
85 from occupational pneumoconiosis. For the purposes of
86 this subsection, a claimant's employment shall be consid-
87 ered to be terminated if, for any reason, he or she has not
88 worked for that employer for a period in excess of ninety
89 days. Any previously filed, but unruled upon, claim shall
90 be consolidated with the claim in which the board's
91 decision is made and shall be denied together with the
92 decided claim. The provisions of this subsection shall not

93 be applied in any claim where doing so would, in and of
94 itself, later cause a claimant's claim to be forever barred
95 by the provisions of section fifteen of this article.

96 (f) Effective upon termination of the commission, the
97 Insurance Commissioner shall assume all administrative
98 powers and responsibilities necessary to administer
99 sections eight-a, eight-b and eight-c of this article.

**§23-4-8d. Occupational pneumoconiosis claims never closed for
medical benefits.**

Notwithstanding the provisions of subdivision (4), subsection
(a), section sixteen of this article, a request for medical services,
durable medical goods or other medical supplies in an occupa-
tional pneumoconiosis claim may be made at any time.

**§23-4-15b. Determination of nonmedical questions; claims for
occupational pneumoconiosis; hearing.**

1 If a claim for occupational pneumoconiosis benefits is
2 filed by an employee within three years from and after the
3 last day of the last continuous period of sixty days'
4 exposure to the hazards of occupational pneumoconiosis,
5 the Insurance Commissioner, private carrier or self-
6 insured employer, whichever is applicable, shall determine
7 whether the claimant was exposed to the hazards of
8 occupational pneumoconiosis for a continuous period of
9 not less than sixty days while in the employ of the em-
10 ployer within three years prior to the filing of his or her
11 claim, whether in the State of West Virginia the claimant
12 was exposed to such hazard over a continuous period of
13 not less than two years during the ten years immediately
14 preceding the date of his or her last exposure to the hazard
15 and whether the claimant was exposed to the hazard over
16 a period of not less than ten years during the fifteen years
17 immediately preceding the date of his or her last exposure
18 to the hazard. If a claim for occupational pneumoconiosis

19 benefits is filed by an employee within three years from
20 and after the employee's occupational pneumoconiosis was
21 made known to the employee by a physician, the Insurance
22 Commissioner, private carrier or self-insured employer,
23 whichever is applicable, shall determine whether the
24 claimant filed his or her application within that period
25 and whether in the State of West Virginia the claimant
26 was exposed to the hazard over a continuous period of not
27 less than two years during the ten years immediately
28 preceding the date of last exposure to the hazard and
29 whether the claimant was exposed to the hazard over a
30 period of not less than ten years during the fifteen years
31 immediately preceding the date of last exposure to the
32 hazard. If a claim for occupational pneumoconiosis
33 benefits is filed by a dependent of a deceased employee,
34 the Insurance Commissioner, private carrier or self-
35 insured employer, whichever is applicable, shall determine
36 whether the deceased employee was exposed to the
37 hazards of occupational pneumoconiosis for a continuous
38 period of not less than sixty days while in the employ of
39 the employer within ten years prior to the filing of the
40 claim, whether in the State of West Virginia the deceased
41 employee was exposed to the hazard over a continuous
42 period of not less than two years during the ten years
43 immediately preceding the date of his or her last exposure
44 to the hazard and whether the claimant was exposed to the
45 hazard over a period of not less than ten years during the
46 fifteen years immediately preceding the date of his or her
47 last exposure to the hazard. The Insurance Commissioner,
48 private carrier or self-insured employer, whichever is
49 applicable, shall also determine other nonmedical facts
50 that, in the opinion of the Insurance Commissioner,
51 private carrier or self-insured employer, whichever is
52 applicable, are pertinent to a decision on the validity of
53 the claim.

54 The Insurance Commissioner, private carrier or self-
55 insured employer, whichever is applicable, shall enter an
56 order with respect to nonmedical findings within ninety
57 days following receipt by the Insurance Commissioner,
58 private carrier or self-insured employer, whichever is
59 applicable, of both the claimant's application for occupa-
60 tional pneumoconiosis benefits and the physician's report
61 filed in connection with the claimant's application and
62 shall give each interested party notice in writing of these
63 findings with respect to all the nonmedical facts. The
64 findings and actions of the Insurance Commissioner,
65 private carrier or self-insured employer, whichever is
66 applicable, are final unless the employer, employee,
67 claimant or dependent, within sixty days after receipt of
68 the notice, objects to the findings and, unless an objection
69 is filed within the sixty-day period, the findings are
70 forever final, the time limitation is a condition of the right
71 to litigate the findings and therefore jurisdictional. Upon
72 receipt of an objection, the chief administrative law judge
73 shall set a hearing as provided in section nine, article five
74 of this chapter. In the event of an objection to the findings
75 by the employer, the claim shall, notwithstanding the fact
76 that one or more hearings may be held with respect to the
77 objection, mature for reference to the Occupational
78 Pneumoconiosis Board with like effect as if the objection
79 had not been filed. If the administrative law judge
80 concludes after the protest hearings that the claim should
81 be dismissed, a final order of dismissal shall be entered.
82 The final order is subject to appeal in accordance with the
83 provisions of sections ten and twelve, article five of this
84 chapter. If the administrative law judge concludes after
85 the protest hearings that the claim should be referred to
86 the Occupational Pneumoconiosis Board for its review, the
87 order entered shall be interlocutory only and may be
88 appealed only in conjunction with an appeal from a final

89 order with respect to the findings of the Occupational
90 Pneumoconiosis Board.

ARTICLE 5. REVIEW.

**§23-5-1. Notice by commission or self-insured employer of
decision; procedures on claims; objections and
hearing.**

1 (a) The Insurance Commissioner, private carriers and
2 self-insured employers may determine all questions within
3 their jurisdiction. In matters arising under subsection (c),
4 section eight, article two-c of this chapter, and under
5 articles three and four of this chapter, the Insurance
6 Commissioner, private carriers and self-insured employers
7 shall promptly review and investigate all claims. The
8 parties to a claim are the claimant and, if applicable, the
9 claimant's dependants, and the employer, and with respect
10 to claims involving funds created in article two-c of this
11 chapter for which he or she has been designated the
12 administrator, the Insurance Commissioner. In claims in
13 which the employer had coverage on the date of the injury
14 or last exposure, the employer's carrier has sole authority
15 to act on the employer's behalf in all aspects related to
16 litigation of the claim. With regard to any issue which is
17 ready for a decision, the Insurance Commissioner, private
18 carrier or self-insured employer, whichever is applicable,
19 shall promptly send the decision to all parties, including
20 the basis of its decision. As soon as practicable after
21 receipt of any occupational pneumoconiosis or occupa-
22 tional disease claim or any injury claim in which tempo-
23 rary total benefits are being claimed, the Insurance
24 Commissioner, private carrier or self-insured employer,
25 whichever is applicable, shall send the claimant a bro-
26 chure approved by the Insurance Commissioner setting
27 forth the claims process.

28 (b) (1) Except with regard to interlocutory matters,
29 upon making any decision, upon making or refusing to

30 make any award or upon making any modification or
31 change with respect to former findings or orders, as
32 provided by section sixteen, article four of this chapter,
33 the Insurance Commissioner, private carrier or self-
34 insured employer, whichever is applicable, shall give
35 notice, in writing, to the parties to the claim of its action.
36 The notice shall state the time allowed for filing a protest
37 to the finding. The action of the Insurance Commissioner,
38 private carrier or self-insured employer, whichever is
39 applicable, is final unless the decision is protested within
40 sixty days after the receipt of such decision unless a
41 protest is filed within the sixty-day period, the finding or
42 action is final. This time limitation is a condition of the
43 right to litigate the finding or action and hence jurisdic-
44 tional. Any protest shall be filed with the Office of Judges
45 with a copy served upon the parties to the claim, and other
46 parties in accordance with the procedures set forth in
47 sections eight and nine of this article. An employer may
48 protest decisions incorporating findings made by the
49 Occupational Pneumoconiosis Board, decisions made by
50 the Insurance Commissioner acting as administrator of
51 claims involving funds created in article two-c of this
52 chapter or decisions entered pursuant to subdivision (1),
53 subsection (c), section seven-a, article four of this chapter.

54 (2) (A) With respect to every application for benefits
55 filed on or after July 1, 2008, in which a decision to deny
56 benefits is protested and the matter involves an issue as to
57 whether the application was properly filed as a new claim
58 or a reopening of a previous claim, the party that denied
59 the application shall begin to make conditional payment
60 of benefits and must promptly give notice to the Office of
61 Judges that another identifiable person may be liable. The
62 Office of Judges shall promptly order the appropriate
63 persons be joined as parties to the proceeding: *Provided,*
64 That at any time during a proceeding in which conditional
65 payments are being made in accordance with the provi-

66 sions of this subsection, the Office of Judges may, pending
67 final determination of the person properly liable for
68 payment of the claim, order that such conditional pay-
69 ments of benefits be paid by another party.

70 (B) Any conditional payment made pursuant to para-
71 graph (A) of this subdivision shall not be deemed an
72 admission or conclusive finding of liability of the person
73 making such payments. When the administrative law
74 judge has made a determination as to the party properly
75 liable for payment of the claim, he or she shall direct any
76 monetary adjustment or reimbursement between or among
77 the Insurance Commissioner, private carriers and self-
78 insured employers as is necessary.

79 (c) The Office of Judges may direct that:

80 (1) An application for benefits be designated as a
81 petition to reopen, effective as of the original date of
82 filing;

83 (2) A petition to reopen be designated as an application
84 for benefits, effective as of the original date of filing; or

85 (3) An application for benefits or petition to reopen
86 filed with the Insurance Commissioner, private carrier or
87 self-insured employer be designated as an application or
88 petition to reopen filed with another private carrier, self-
89 insured employer or Insurance Commissioner, effective as
90 of the original date of filing.

91 (d) Where an employer protests a written decision
92 entered pursuant to a finding of the Occupational Pneu-
93 moconiosis Board, a decision on a claim made by the
94 Insurance Commissioner acting as the administrator of a
95 fund created in article two-c of this chapter, or decisions
96 entered pursuant to subdivision (1), subsection (c), section
97 seven-a, article four of this chapter, and the employer does
98 not prevail in its protest, and in the event the claimant is

99 required to attend a hearing by subpoena or agreement of
100 counsel or at the express direction of the Office of Judges,
101 then the claimant, in addition to reasonable traveling and
102 other expenses, shall be reimbursed for loss of wages
103 incurred by the claimant in attending the hearing.

104 (e) The Insurance Commissioner, private carrier or self-
105 insured employer, whichever is applicable, may amend,
106 correct or set aside any order or decision on any issue
107 entered by it which, at the time of issuance or any time
108 after that, is discovered to be defective or clearly errone-
109 ous or the result of mistake, clerical error or fraud, or with
110 respect to any order or decision denying benefits, other-
111 wise not supported by the evidence, but any protest filed
112 prior to entry of the amended decision is a protest from the
113 amended decision unless and until the administrative law
114 judge before whom the matter is pending enters an order
115 dismissing the protest as moot in light of the amendment.
116 Jurisdiction to issue an amended decision pursuant to this
117 subsection continues until the expiration of two years
118 from the date of a decision to which the amendment is
119 made unless the decision is sooner affected by an action of
120 an administrative law judge or other judicial officer or
121 body: *Provided*, That corrective actions in the case of
122 fraud may be taken at any time.

§23-5-3. Refusal to reopen claim; notice; objection.

1 If it appears to the Insurance Commissioner, private
2 insurance carriers and self-insured employers, whichever
3 is applicable, that an application filed under section two
4 of this article fails to disclose a progression or aggravation
5 in the claimant's condition, or some other fact or facts
6 which were not previously considered in its former
7 findings and which would entitle the claimant to greater
8 benefits than the claimant has already received, the
9 Insurance Commissioner, private insurance carriers and

10 self-insured employers, whichever is applicable, shall,
11 within a reasonable time, notify the claimant and the
12 employer that the application fails to establish a prima
13 facie cause for reopening the claim. The notice shall be in
14 writing stating the reasons for denial and the time allowed
15 for objection to the decision of the commission. The
16 claimant may, within sixty days after receipt of the notice,
17 object in writing to the finding. Unless the objection is
18 filed within the sixty-day period, no objection shall be
19 allowed. This time limitation is a condition of the right to
20 objection and hence jurisdictional. Upon receipt of an
21 objection, the Office of Judges shall afford the claimant an
22 evidentiary hearing as provided in section nine of this
23 article.

**§23-5-16. Fees of attorney for claimant; unlawful charging or
receiving of attorney fees.**

1 (a) No attorney's fee in excess of twenty percent of any
2 award granted shall be charged or received by an attorney
3 for a claimant or dependent. In no case shall the fee
4 received by the attorney of such claimant or dependent be
5 in excess of twenty percent of the benefits to be paid
6 during a period of two hundred eight weeks. The interest
7 on disability or dependent benefits as provided for in this
8 chapter shall not be considered as part of the award in
9 determining any such attorney's fee. However, any
10 contract entered into in excess of twenty percent of the
11 benefits to be paid during a period of two hundred eight
12 weeks, as herein provided, shall be unlawful and unen-
13 forceable as contrary to the public policy of this state and
14 any fee charged or received by an attorney in violation
15 thereof shall be deemed an unlawful practice and render
16 the attorney subject to disciplinary action.

17 (b) On a final settlement an attorney may charge a fee
18 not to exceed twenty percent of the total value of the

19 medical and indemnity benefits: *Provided*, That this
20 attorney's fee, when combined with any fees previously
21 charged or received by the attorney for permanent partial
22 disability or permanent total disability benefits may not
23 exceed twenty percent of an award of benefits to be paid
24 during a period of two hundred eight weeks.

CHAPTER 33. INSURANCE.

ARTICLE 2. INSURANCE COMMISSIONER.

§33-2-22. Authority of Insurance Commissioner regarding employers in default to workers' compensation funds; injunctions against defaulting employers.

1 (a) Upon termination of the Workers' Compensation
2 Commission, all of the powers and authority previously
3 conferred upon the Workers' Compensation Commission
4 pursuant to article two, chapter twenty-three of this code,
5 relating to employers in default to the Workers' Compens-
6 sation Fund, are hereby transferred to the Insurance
7 Commissioner and shall be applied by the commissioner to
8 those employers in default to the Old Fund or having
9 liability to the Uninsured Employer Fund or who are in
10 policy default or fail to maintain mandatory workers'
11 compensation coverage, all as defined in article two-c,
12 chapter twenty-three of this code.

13 (b) In any case in which an employer is in default to the
14 Old Fund or has liability to the Uninsured Employer Fund
15 or who is in default on a policy or otherwise fails to
16 maintain mandatory workers' compensation coverage, all
17 as defined in article two-c, chapter twenty-three of this
18 code, the commission may bring an action in the circuit
19 court of Kanawha County to enjoin the employer from
20 continuing to operate the employer's business: *Provided*,
21 That the commissioner may, in his or her sole discretion,
22 and as an alternative to this action pursuant to this
23 subsection, require the employer to file a bond, in the form

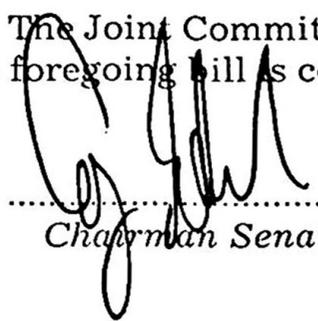

24 prescribed by the commissioner, with satisfactory surety
25 in an amount not less than one hundred fifty percent of the
26 total payments, interest and penalties due.

27 (c) In any action instituted pursuant to subsection (b) of
28 this section, the circuit court shall issue an injunction
29 prohibiting the employer from operating the employer's
30 business if the Insurance Commissioner proves by a
31 preponderance of the evidence, that the employer is in
32 default to the Old Fund or has liability to the uninsured
33 fund or is in policy default or has otherwise failed to
34 maintain mandatory workers' compensation coverage.

35 (d) Notwithstanding any provision of this code to the
36 contrary, the commissioner shall have the authority to
37 waive penalty and interest accrued on moneys due the Old
38 Fund. The enactment of the provisions of this subsection
39 shall be applied retrospectively to January 1, 2006, and
40 may not be construed to require the commissioner to
41 adjust or otherwise modify any agreements reached with
42 regard to the payment of penalty or interest since that
43 date.

44 (e) Notwithstanding any provision of this code to the
45 contrary, the Insurance Commissioner may compromise
46 and settle any claims for moneys due to the Old Fund or
47 the Uninsured Employer Fund. Information regarding
48 settlements is subject to chapter twenty-nine-b of this
49 code. The commissioner shall submit to the President of
50 the Senate, the Speaker of the House of Delegates and the
51 Legislative Auditor an annual report summarizing the
52 settlements into which he or she has entered pursuant to
53 this subsection. The summary shall describe the parties
54 involved, the total amount owed and portions paid, and
55 the terms of the settlement.

The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
