ENROLLED

Senate Bill No. 636

(By Senators Fanning, Edgell, White, Sypolt and Oliverio)

[Passed April 9, 2009; in effect from passage.]
AN ACT finding and declaring certain claims against the state
and its agencies to be moral obligations of the state; and
directing the Auditor to issue warrants for the payment
thereof.

Be it enacted by the Legislature of West Virginia:

CLAIMS AGAINST THE STATE.

§1. Finding and declaring certain claims against the Division of
Corrections and the Division of Natural Resources to be
moral obligations of the state and directing payments
thereof.

1 The Legislature has heretofore made findings of fact
2 that the state has received the benefit of the commodities
3 received and/or services rendered by certain claimants
4 herein and has considered these claims against the state,
5 and agencies thereof, which have arisen due to
6 overexpenditures of the departmental appropriations by
7 officers of the state spending units, the claims having been
8 previously considered by the Court of Claims which also
9 found that the state has received the benefit of the com-
10 commodities received and/or services rendered by the claimants, but were denied by the Court of Claims on the purely statutory grounds that to allow the claims would be condoning illegal acts contrary to the laws of the state. The Legislature, pursuant to its findings of fact and also by the adoption of the findings of fact by the Court of Claims as its own, while not condoning such illegal acts, hereby declares it to be the moral obligation of the state to pay these claims in the amounts specified below and directs the Auditor to issue warrants upon receipt of properly executed requisitions supported by itemized invoices, statements or other satisfactory documents as required by section ten, article three, chapter twelve of the Code of West Virginia, 1931, as amended, for the payments thereof out of any fund appropriated and available for the purpose.
