[Passed March 5, 2010; in effect from passage.]

AN ACT to amend and reenact §18-7D-6 of the Code of West Virginia, 1931, as amended, relating to the State Teachers Retirement System; and extending the time for certain members to purchase additional service credit for service in the Teachers’ Defined Contribution Retirement System.

Be it enacted by the Legislature of West Virginia:

That §18-7D-6 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

ARTICLE 7D. VOLUNTARY TRANSFER FROM TEACHERS’ DEFINED CONTRIBUTION RETIREMENT SYSTEM TO STATE TEACHERS RETIREMENT SYSTEM.

§18-7D-6. Service credit in State Teachers Retirement System following transfer; conversion of assets; adjustments.

1 (a) Any member who has affirmatively elected to transfer to the State Teachers Retirement System within the period provided in section seven of this article whose assets have been transferred from the Teachers’ Defined Contribution Retirement System to the State Teachers
Retirement System pursuant to the provisions of this article and who has not made any withdrawals or cash-outs from his or her assets is, depending upon the percentage of actively contributing members affirmatively electing to transfer, entitled to service credit in the State Teachers Retirement System in accordance with the provisions of subsection (c) of this section.

(b) Any member who has made withdrawals or cash-outs will receive service credit based upon the amounts transferred. The board shall make the appropriate adjustment to the service credit the member will receive.

(c) More than seventy-five percent of actively contributing members of the Teachers' Defined Contribution Retirement System affirmatively elected to transfer to the State Teachers Retirement System within the period provided in section seven of this article. Therefore, any member of the Defined Contribution Retirement System who decides to transfer to the State Teachers Retirement System, calculates his or her service credit in the State Teachers Retirement System as follows:

(1) For any member affirmatively electing to transfer, the member's State Teachers Retirement System credit shall be seventy-five percent of the member's Teachers' Defined Contribution Retirement System service credit, less any service previously withdrawn by the member or due to a qualified domestic relations order and not repaid;

(2) To receive full credit in the State Teachers Retirement System for service in the Teachers' Defined Contribution Retirement System for which assets are transferred, members who affirmatively elected to transfer and who provided to the board a signed verification of cost for service credit purchase form by the effective date of the amendments to this section enacted in the 2009 regular legislative session shall pay into the State Teachers Retirement System a one and one-half percent contribu-
tion by no later than June 30, 2009, or no later than ninety
days after the postmarked date on a final and definitive
contribution calculation from the board, whichever is
later. This contribution shall be calculated as one and
one-half percent of the member’s estimated total earnings
for which assets are transferred, plus interest of four
percent per annum accumulated from the date of the
member’s initial participation in the Defined Contribution
Retirement System through June 30, 2009:  Provided,
That any member who transferred and provided to the
board a signed verification of cost for service credit
purchase form by June 30, 2009 but was unable to com-
plete the purchase of the one and one-half percent contri-
bution, or any member who did not request a verification
of cost letter but attempted to purchase the one and one-
half percent contribution and was denied in writing by the
board on or before December 31, 2009, may request the
board on or before April 15, 2010, to recalculate the
contribution for 2010. To receive full credit, the member
shall pay into the State Teachers Retirement System the
recalculated purchase amount by June 30, 2010, or no later
than sixty days after the postmarked date on a contribu-
tion recalculation from the board, whichever is later. The
recalculated contribution shall include the interest loss at
the actuarial rate of seven and one-half percent. The
board’s executive director may correct clerical errors.

(A) For a member contributing to the Defined Contribu-
tion Retirement System at any time during the 2008 fiscal
year and commencing membership in the State Teachers
Retirement System on July 1, 2008, or August 1, 2008, as
the case may be:

(i) The estimated total earnings shall be calculated
based on the member’s salary and the member’s age
nearest birthday on June 30, 2008;

(ii) This calculation shall apply both an annual back-
ward salary scale from that date for prior years’ salaries
and a forward salary scale for the salary for the 2008 fiscal year.

(B) The calculations in paragraph (A) of this subdivision are based upon the salary scale assumption applied in the West Virginia Teachers Retirement System actuarial valuation as of July 1, 2007, prepared for the Consolidated Public Retirement Board. This salary scale shall be applied regardless of breaks in service.

d) All service previously transferred from the State Teachers Retirement System to the Teachers' Defined Contribution Retirement System is considered Teachers' Defined Contribution Retirement System service for the purposes of this article.

(e) Notwithstanding any provision of this code to the contrary, the retirement of a member who becomes eligible to retire after the member's assets are transferred to the State Teachers Retirement System pursuant to the provisions of this article may not commence before September 1, 2008: Provided, That the Consolidated Public Retirement Board may not retire any member who is eligible to retire during the calendar year 2008 unless the member has provided a written notice to his or her county board of education by July 1, 2008, of his or her intent to retire.

(f) The provisions of section twenty-eight-e, article seven-a of this chapter do not apply to the amendments to this section enacted during the 2009 regular legislative session.
