[Passed February 22, 2011; in effect from passage.]

AN ACT to amend and reenact §18A-2-3 of the Code of West Virginia, 1931, as amended, relating to resetting the expiration date of provisions that allow the employment of retired teachers as substitutes beyond the post-retirement employment limit in certain circumstances; requiring certain additional information be included in the affidavit submitted to the Consolidated Public Retirement Board; requiring the affidavit be submitted to the State Board of Education; and requiring certain additional information be included in the report to the Joint Committee on Government and Finance and the Legislative Oversight Commission on Education Accountability.

Be it enacted by the Legislature of West Virginia:

That §18A-2-3 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

ARTICLE 2. SCHOOL PERSONNEL.

§18A-2-3. Employment of substitute teachers and retired teachers as substitutes in areas of critical need and shortage; employment of prospective employable professional personnel.

1 (a) The county superintendent, subject to approval of the
2 county board, may employ and assign substitute teachers to
3 any of the following duties: (1) To fill the temporary absence
4 of any teacher or an unexpired school term made vacant by
5 resignation, death, suspension or dismissal; (2) to fill a
6 teaching position of a regular teacher on leave of absence;
7 and (3) to perform the instructional services of any teacher
8 who is authorized by law to be absent from class without loss
9 of pay, providing the absence is approved by the board of
10 education in accordance with the law. The substitute shall be
11 a duly certified teacher.

12 (b) Notwithstanding any other provision of this code to
13 the contrary, a substitute teacher who has been assigned as a
14 classroom teacher in the same classroom continuously for
15 more than one half of a grading period and whose assignment
16 remains in effect two weeks prior to the end of the grading
17 period, shall remain in the assignment until the grading
18 period has ended, unless the principal of the school certifies
19 that the regularly employed teacher has communicated with
20 and assisted the substitute with the preparation of lesson
21 plans and monitoring student progress or has been approved
22 to return to work by his or her physician. For the purposes of
23 this section, teacher and substitute teacher, in the singular or
24 plural, mean professional educator as defined in section one,
25 article one of this chapter.

26 (c) (1) The Legislature hereby finds and declares that due
27 to a shortage of qualified substitute teachers, a compelling

28 state interest exists in expanding the use of retired teachers to
29 provide service as substitute teachers in areas of critical need
30 and shortage. The Legislature further finds that diverse
31 circumstances exist among the counties for the expanded use
32 of retired teachers as substitutes. For the purposes of this
33 subsection, “area of critical need and shortage” means an area
34 of certification and training in which the number of available
35 substitute teachers in the county who hold certification and
36 training in that area and who are not retired is insufficient to
37 meet the projected need for substitute teachers.

38 (2) A person receiving retirement benefits under the
39 provisions of article seven-a, chapter eighteen of this code
40 or who is entitled to retirement benefits during the fiscal year
41 in which that person retired may accept employment as a
42 substitute teacher for an unlimited number of days each fiscal
43 year without affecting the monthly retirement benefit to
44 which the retirant is otherwise entitled if the following
45 conditions are satisfied:

46 (A) The county board adopts a policy recommended by
47 the superintendent to address areas of critical need and
48 shortage;

49 (B) The policy sets forth the areas of critical need and
50 shortage in the county in accordance with the definition of
51 area of critical need and shortage set forth in subdivision (1)
52 of this subsection;

53 (C) The policy provides for the employment of retired
54 teachers as substitute teachers during the school year on an
55 expanded basis in areas of critical need and shortage as
56 provided in this subsection;

57 (D) The policy provides that a retired teacher may be
58 employed as a substitute teacher in an area of critical need

59 and shortage on an expanded basis as provided in this
60 subsection only when no other teacher who holds
61 certification and training in the area and who is not retired is
62 available and accepts the substitute assignment;

63 (E) The policy is effective for one school year only and
64 is subject to annual renewal by the county board;

65 (F) The state board approves the policy and the use of
66 retired teachers as substitute teachers on an expanded basis
67 in areas of critical need and shortage as provided in this
68 subsection; and

69 (G) Prior to employment of a substitute teacher beyond
70 the post-retirement employment limitations established by the
71 Consolidated Public Retirement Board, the superintendent of
72 the affected county submits to the Consolidated Public
73 Retirement Board and the state board, in a form approved by
74 the retirement board, an affidavit signed by the
75 superintendent stating the name of the county, the fact that
76 the county has adopted a policy to employ retired teachers as
77 substitutes to address areas of critical need and shortage, the
78 name or names of the person or persons to be employed
79 pursuant to the policy, the critical need and shortage area
80 position filled by each person, the date that the person gave
81 notice to the county board of the person's intent to retire, and
82 the effective date of the person's retirement.

83 (3) Any person who retires and begins work as a
84 substitute teacher within the same employment term shall
85 lose those retirement benefits attributed to the annuity
86 reserve, effective from the first day of employment as a
87 retiree substitute in that employment term and ending with
88 the month following the date the retiree ceases to perform
89 service as a substitute.

90 (4) Retired teachers employed to perform expanded
91 substitute service pursuant to this subsection are considered
92 day-to-day, temporary, part-time employees. The substitutes
93 are not eligible for additional pension or other benefits paid
94 to regularly employed employees and shall not accrue
95 seniority.

96 (5) When a retired teacher is employed as a substitute to
97 fill a vacant position, the county board shall continue to post
98 the vacant position until it is filled with a regularly employed
99 teacher.

100 (6) Until this subsection is expired pursuant to
101 subdivision (7) of this subsection, the state board, annually,
102 shall report to the Joint Committee on Government and
103 Finance prior to February 1 of each year. Additionally, a
104 copy shall be provided to the Legislative Oversight
105 Commission on Education Accountability. The report shall
106 contain information indicating the effectiveness of the
107 provisions of this subsection on expanding the use of retired
108 substitute teachers to address areas of critical need and
109 shortage including, but not limited to, the number of retired
110 teachers, by critical need and shortage area position filled
111 and by county, employed beyond the post-retirement
112 employment limit established by the Consolidated Public
113 Retirement Board, the date that each person gave notice to
114 the county board of the person's intent to retire, and the
115 effective date of the person's retirement.

116 (7) The provisions of this subsection shall expire on June
117 30, 2014.

118 (d) (1) Notwithstanding any other provision of this code
119 to the contrary, each year a county superintendent may
120 employ prospective employable professional personnel on a
121 reserve list at the county level subject to the following
122 conditions:

123 (A) The county board adopts a policy to address areas of
124 critical need and shortage as identified by the state board.
125 The policy shall include authorization to employ prospective
126 employable professional personnel;

127 (B) The county board posts a notice of the areas of
128 critical need and shortage in the county in a conspicuous
129 place in each school for at least ten working days; and

130 (C) There are not any potentially qualified applicants
131 available and willing to fill the position.

132 (2) Prospective employable professional personnel may
133 only be employed from candidates at a job fair who have or
134 will graduate from college in the current school year or
135 whose employment contract with a county board has or will
136 be terminated due to a reduction in force in the current fiscal
137 year.

138 (3) Prospective employable professional personnel
139 employed are limited to three full-time prospective
140 employable professional personnel per one hundred
141 professional personnel employed in a county or twenty-five
142 full-time prospective employable professional personnel in a
143 county, whichever is less.

144 (4) Prospective employable professional personnel shall
145 be granted benefits at a cost to the county board and as a
146 condition of the employment contract as approved by the
147 county board.

148 (5) Regular employment status for prospective
149 employable professional personnel may be obtained only in
150 accordance with the provisions of section seven-a, article
151 four of this chapter.

152 (e) The state board annually shall review the status of
153 employing personnel under the provisions of subsection (d)
154 of this section and annually shall report to the Legislative
155 Oversight Commission on Education Accountability on or
156 before November 1 of each year. The report shall include,
157 but not be limited to, the following:

158 (A) The counties that participated in the program;

159 (B) The number of personnel hired;
