AN ACT authorizing the county commission of Boone County to transfer its title and interests in the Boone Memorial Hospital, also known as the Boone County Memorial Hospital, to the Boone Memorial Hospital, Incorporated, a West Virginia private, nonprofit corporation for the continued public use of providing needed health care in a cost-effective manner.

*Be it enacted by the Legislature of West Virginia:*

**BOONE COUNTY COMMISSION.**

**§1. Boone County Commission authorized to transfer its title and interests in the Boone Memorial Hospital.**

- 1 (a) The Boone County Commission holds title to the
- 2 assets of the Boone County public hospital doing business as

3 the Boone Memorial Hospital, also known as the Boone  
4 County Memorial Hospital, pursuant to section fourteen,  
5 article three, chapter seven of the code of West Virginia.

6 (b) The Boone Memorial Hospital, Incorporated, is a  
7 private, nonprofit corporation formed by the board of trustees  
8 of Boone Memorial Hospital.

9 (c) The Boone County Commission may transfer its title  
10 to Boone County Memorial Hospital to the private, nonprofit  
11 corporation, the Boone Memorial Hospital, Incorporated, so  
12 that the hospital may continue to provide medical care and  
13 emergency medical services to the hospital's service area in  
14 a cost-effective and efficient manner and to more fully serve  
15 the health care needs of the county.

16 (d) Notwithstanding the provisions of section three,  
17 article three, chapter seven of said code, the disposition of the  
18 assets of Boone Memorial Hospital by public auction would  
19 be impractical, potentially adverse to the interests of the  
20 hospital's service area and the objectives of the county might  
21 not be accomplished by the sale at public auction.

22 (e) The Boone County Commission is hereby authorized  
23 to transfer to the private, nonprofit corporation, the Boone  
24 Memorial Hospital, Incorporated, all of its right, title and  
25 interest to all of the assets of Boone Memorial Hospital, both  
26 tangible and intangible, real, personal and mixed,  
27 wheresoever located, that are necessary to operate the  
28 hospital, for a fair and adequate consideration, either  
29 monetary or non-monetary, that may include public benefits  
30 that may accrue, without considering, by itself alone, the fair  
31 market value of the property, those certain parcels or tracts of  
32 land and buildings, situate in the city of Madison, Boone  
33 County, West Virginia, conveyed unto the County  
34 Commission of Boone County, also known as the County  
35 Court of Boone County, by deed dated January 26, 1963,
