AN ACT to amend and reenact §15-2-31 of the Code of West Virginia, 1931, as amended; and to amend and reenact §15-2A-11 of said code, all relating to State Police; providing for payment of medical costs of physical disability and/or mental disability examinations approved by the Consolidated Public Retirement Board under the State Police Death, Disability and Retirement plan and the West Virginia State Police Retirement System; providing for reinstatement to active duty under certain conditions of formerly disabled State Police officers considered no longer disabled from law enforcement work; and providing that a former disability retiree reinstated to active duty with the State Police shall rejoin the retirement system in which

originally enrolled with restoration of credited service in force at the time of disability retirement.

*Be it enacted by the Legislature of West Virginia:*

That §15-2-31 of the Code of West Virginia, 1931, as amended, be amended and reenacted; and that §15-2A-11 of said code be amended and reenacted, all to read as follows:

**ARTICLE 2. WEST VIRGINIA STATE POLICE.**

**§15-2-31. Disability physical examinations; termination.**

1 (a) The board may require any retirant who has been  
2 retired with compensation on account of disability to submit  
3 to a physical and/or mental examination by a physician or  
4 physicians selected or approved by the board and a report of  
5 the findings of the physician or physicians shall be submitted  
6 in writing to the board for its consideration. All medical  
7 costs associated with the examination shall be paid by the  
8 fund. If, from the report or from the report and hearing on  
9 the report, the board is of the opinion and finds that the  
10 disabled retirant has recovered from the disability to the  
11 extent that he or she is able to perform adequately the duties  
12 of a law-enforcement officer, the board shall within five  
13 working days provide written notice of the finding to the  
14 Superintendent of State Police, who shall reinstate the retirant  
15 to active duty as a member of the department at his or her  
16 rank or classification prior to the disability retirement within  
17 forty-five days of the finding, unless the retirant declines to  
18 be reinstated, is found by a background check to be ineligible  
19 for reinstatement, or is found by the Superintendent to be  
20 unacceptable due to the retirant's performance history and  
21 evaluations during prior work with the department. The  
22 Superintendent shall promptly notify the Board when the  
23 retirant is reinstated, is found ineligible for reinstatement due

24 to a background check or unacceptable prior performance  
25 history or evaluations, or refuses reinstatement. The board  
26 shall order disability payments from the fund to be  
27 terminated at the earlier of the date of the retirant's  
28 reinstatement, regular retirement, failure of a background  
29 check, finding of unacceptable prior performance history or  
30 evaluation with the department, failure to accept  
31 reinstatement or forty-five days from the board's finding. If,  
32 from the report or the report and hearing on the report, the  
33 board is of the opinion and finds that the disabled retirant has  
34 recovered from his or her previously determined probable  
35 permanent disability to the extent that he or she is able to  
36 engage in gainful employment but remains unable to  
37 adequately perform the duties of a law-enforcement officer,  
38 the board shall order the payment, in monthly installments of  
39 an amount equal to two thirds of the salary, in the case of a  
40 retirant retired under the provisions of section twenty-nine of  
41 this article or equal to one half of the salary, in the case of a  
42 retirant retired under the provisions of section thirty of this  
43 article, excluding any compensation paid for overtime  
44 service, for the twelve-month employment period  
45 immediately preceding the disability award: *Provided*, That  
46 if the retirant had not been employed with the fund for twelve  
47 months immediately prior to the disability award, the amount  
48 of monthly salary shall be annualized for the purpose of  
49 determining the benefit.

50 (b) A disability retirant who is returned to active duty as  
51 a member of the West Virginia State Police shall again  
52 become a member of the retirement system in which he or  
53 she was originally enrolled and the retirant's credited service  
54 in force at the time of retirement shall be restored.

**ARTICLE 2A. WEST VIRGINIA STATE POLICE  
RETIREMENT SYSTEM.**

**§15-2A-11. Same -- Physical examinations; termination.**

1 (a) The board may require any disabled retirant to submit  
2 to a physical or mental examination or both a physical and  
3 mental examination by a physician or physicians selected or  
4 approved by the board and the physician or physicians shall  
5 submit a report of the findings of the physician or physicians  
6 in writing to the board for its consideration. All medical  
7 costs associated with the examination shall be paid by the  
8 fund. If from the report, or from the report and hearing on  
9 the report, the board is of the opinion and finds that the  
10 disabled retirant has recovered from the disability to the  
11 extent that he or she is able to perform adequately the duties  
12 of a law-enforcement officer, the board shall within five  
13 working days provide written notice of the finding to the  
14 Superintendent of State Police, who shall reinstate the retirant  
15 to active duty as a member of the department at his or her  
16 rank or classification prior to the disability retirement within  
17 forty-five days of the finding, unless the retirant declines to  
18 be reinstated, is found by a background check to be ineligible  
19 for reinstatement, or is found by the Superintendent to be  
20 unacceptable due to the retirant's performance history and  
21 evaluations during prior work with the department. The  
22 Superintendent shall promptly notify the board when the  
23 retirant is reinstated, is found ineligible for reinstatement due  
24 to a background check or unacceptable prior performance  
25 history or evaluations, or refuses reinstatement. The board  
26 shall order disability payments from the fund to be  
27 terminated at the earlier of the date of the retirant's  
28 reinstatement, regular retirement, failure of a background  
29 check, finding of unacceptable prior performance history or  
30 evaluation with the department, failure to accept  
31 reinstatement or forty-five days from the board's finding. If  
32 from the report, or the report and hearing on the report, the  
33 board is of the opinion and finds that the disabled retirant has  
34 recovered from his or her previously determined probable

35 permanent disability to the extent that he or she is able to  
36 engage in any gainful employment, but unable to adequately  
37 perform the duties of a law-enforcement officer, the board  
38 shall order, in the case of a disabled retirant receiving  
39 benefits under the provisions of section nine of this article,  
40 that the disabled retirant be paid annually from the fund an  
41 amount equal to six tenths of the base salary paid to the  
42 retirant in the last full twelve-month employment period. The  
43 board shall order, in the case of a disabled retirant receiving  
44 benefits under the provisions of section ten of this article, that  
45 the disabled retirant be paid from the fund an amount equal  
46 to one fourth of the base salary paid to the retirant in the last  
47 full twelve-month employment period: *Provided*, That if the  
48 retirant had not been employed with the agency for twelve  
49 full months prior to the disability, the amount of monthly  
50 salary shall be annualized for the purpose of determining the  
51 benefit.

52 (b) A disability retirant who is returned to active duty as  
53 a member of the West Virginia State Police shall again  
54 become a member of the retirement system in which he or  
55 she was originally enrolled and the retirant's credited service  
56 in force at the time of retirement shall be restored.
