AN ACT to amend and reenact §15-1B-21 of the Code of West Virginia, 1931, as amended, relating to payments for trade certifications and allowing use of tuition assistance for West Virginia National Guard members enrolled in a doctor of medicine or osteopathic medicine program.

Be it enacted by the Legislature of West Virginia:

That §15-1B-21 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

ARTICLE 1B. NATIONAL GUARD.
§15-1B-21. Tuition and fees for guard members at institutions of higher education.

(a) Any member of the Army National Guard or Air National Guard who is enrolled in an educational program which leads to a certificate, undergraduate degree, master's degree, doctor of medicine, or doctor of osteopathic medicine, and is attending any accredited community and technical college, college, university, or business, career-technical, vocational, trade or aviation school, located in West Virginia, may be entitled to payment of tuition and fees for that program during the period of his or her service in the National Guard.

1. The Adjutant General may prescribe criteria of eligibility for payment of tuition and fees. The payment is contingent upon appropriations being made by the Legislature for the express purpose of this section.

2. A member may receive payment for only one certificate, undergraduate degree and master's degree pursuant to this section.

3. Not more than two members a year may be selected by the Adjutant General to receive payment for either a doctor of medicine or doctor of osteopathic medicine degree program. Any candidate selected for this program must remain a member of the Army National Guard or the Air National Guard and practice medicine in the State of West Virginia for a minimum of ten years after receiving a doctor of medicine or doctor of osteopathic medicine degree, or be subject to recoupment for all monies paid pursuant to this subdivision.

(b) The amount of the payment for a member attending a state-supported school is determined by the Adjutant
General and may not exceed the actual cost of tuition and fees at the school. The amount of the payment for a member attending a private school is determined by the Adjutant General and may not exceed the highest amount payable at any state-supported school.

(c) Any member of the Army National Guard or Air National Guard who is receiving payments under a federally funded continuing education system and is eligible to receive tuition and fee payments pursuant to this section may be entitled to payment of tuition and fees under this section. The sum of payments received under this section and a federally funded continuing education system may not exceed the actual amount of tuition and fees at the school and in any event may not exceed the highest amount payable at any state-supported school.

(d) For any member of the West Virginia Army National Guard or West Virginia Air National Guard who is participating in the PROMISE Scholarship program provided in article seven, chapter eighteen-c of this code, the Adjutant General may pay directly to the member an amount equal to the amount of tuition and fees which otherwise would have been paid to the school.

(e) A member of the West Virginia Army National Guard or West Virginia Air National Guard who is receiving payments for tuition and fees under this section and is discharged from the military service due to wounds or injuries received in the line of duty may continue to receive payments for tuition and fees under this section as if he or she were still a member.

(f) The Adjutant General shall administer the tuition and fee payments authorized under this section and shall establish policies to implement the provisions of this section.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
