WEST VIRGINIA LEGISLATURE
EIGHTY-FIRST LEGISLATURE
REGULAR SESSION, 2014

ENROLLED
Senate Bill No. 572
(BY SENATORS TUCKER, FITZSIMMONS AND EDGELL)

[Passed March 8, 2014; in effect ninety days from passage.]
AN ACT to amend and reenact §46-9-515 of the Code of West Virginia, 1931, as amended, relating to financing statements covering as-extracted collateral or timber to be cut.

Be it enacted by the Legislature of West Virginia:

That §46-9-515 of the Code of West Virginia, 1931, be amended and reenacted to read as follows:

ARTICLE 9. SECURED TRANSACTIONS; SALES OF ACCOUNTS AND CHATTEL PAPER.

§46-9-515. Duration and effectiveness of financing statement; effect of lapsed financing statement.

1. (a) Five-year effectiveness. — Except as otherwise provided in subsections (b), (e), (f) and (g) of this section, a filed financing statement is effective for a period of five years after the date of filing.

(b) Public-finance or manufactured-home transaction. — Except as otherwise provided in subsections (e), (f) and (g) of this section, an initial financing statement filed in...
connection with a public-finance transaction or manufactured-home transaction is effective for a period of forty years after the date of filing if it indicates that it is filed in connection with a public-finance transaction or manufactured-home transaction.

(c) **Lapse and continuation of financing statement.** – The effectiveness of a filed financing statement lapses on the expiration of the period of its effectiveness unless before the lapse a continuation statement is filed pursuant to subsection (d) of this section. Upon lapse, a financing statement ceases to be effective and any security interest or agricultural lien that was perfected by the financing statement becomes unperfected, unless the security interest is perfected otherwise. If the security interest or agricultural lien becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of the collateral for value.

(d) **When continuation statement may be filed.** – A continuation statement may be filed only within six months before the expiration of the five-year period specified in subsection (a) of this section or the thirty-year period specified in subsection (b) of this section, whichever is applicable.

(e) **Effect of filing continuation statement.** – Except as otherwise provided in section five hundred ten of this article, upon timely filing of a continuation statement, the effectiveness of the initial financing statement continues for a period of five years commencing on the day on which the financing statement would have become ineffective in the absence of the filing. Upon the expiration of the five-year period, the financing statement lapses in the same manner as provided in subsection (c) of this section, unless, before the lapse, another continuation statement is filed pursuant to subsection (d) of this section. Succeeding continuation
statements may be filed in the same manner to continue the
effectiveness of the initial financing statement.

(f) **Transmitting utility financing statement.** – If a debtor
is a transmitting utility and a filed initial financing statement
so indicates, the financing statement is effective until a
termination statement is filed.

(g) **Record of mortgage as financing statement.** – A
record of a mortgage that is effective as a financing statement
filed as a fixture filing or as a financing statement covering
as-extracted collateral or timber to be cut under subsection
(c), section five hundred two of this article remains effective
as a financing statement filed as a fixture filing or as a
financing statement covering as-extracted collateral or timber
to be cut until the mortgage is released or satisfied of record
or its effectiveness otherwise terminates as to the real
property.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
