*Be it enacted by the Legislature of West Virginia:*

That §20-2-4, §20-2-5, §20-2-5a, §20-2-5g, §20-2-22a and §20-2-42w of the Code of West Virginia, 1931, as amended, be amended and reenacted; and that said code be amended by adding thereto a new section, designated §20-2-5h, all to read as follows:

**ARTICLE 2. WILDLIFE RESOURCES.**

**§20-2-4. Possession of wildlife.**

1           (a) Except for wildlife, lawfully taken, killed or obtained, no  
2 person may have in his or her possession any wildlife, or parts  
3 thereof, during closed seasons. It is unlawful to possess any  
4 wildlife, or parts thereof, which have been illegally taken, killed  
5 or obtained. Any wildlife illegally taken, killed or possessed  
6 shall be forfeited to the state and shall be counted toward the  
7 daily, seasonal, bag, creel and possession limit of the person in  
8 possession of, or responsible for, the illegal taking or killing of  
9 any wildlife.

10           (b) Wildlife lawfully taken outside of this state is subject to  
11 the same laws and rules as wildlife taken within this state.

12           (c) Migratory wild birds may be possessed only in  
13 accordance with the Migratory Bird Treaty Act, 16 U. S. C.  
14 §703, *et seq.*, and its regulations.

15 (d) The restrictions in this section do not apply to the  
16 director or duly authorized agents, who may take or maintain in  
17 captivity any wildlife for the purpose of carrying out the  
18 provisions of this chapter.

22 lawfully possessed if the possessor of the wildlife provides  
23 notice of the claim within twelve hours to a relevant  
24 law-enforcement agency, and obtains a nonhunting game tag  
25 within twenty-four hours of possession. The director shall  
26 propose administrative policy which addresses the means,  
27 methods and administrative procedures for implementing the  
28 provisions of this section.

29 (f) Persons required to deliver wildlife to an official  
30 checking station shall, in accordance with rules promulgated by  
31 the director, electronically register the wildlife in lieu of the  
32 delivery to an official checking station. "Electronically register"  
33 means submission of all necessary and relevant information to  
34 the division, in the manner designated by rule, in lieu of delivery  
35 of the wildlife to an official checking station. The director may  
36 promulgate rules, pursuant to article three, chapter twenty-nine-a  
37 of this code, governing the electronic registration of wildlife.

189 of approval or disapproval of Sunday hunting at the election.

190 If a majority votes against allowing Sunday hunting, an  
191 election on the issue may not be held for a period of one hundred

29 beams of the antlers measured at the widest point equals 14  
30 inches or greater but less than 16 inches, \$1,000;

**§20-2-5h. Elk management area; elk damage fund; criminal  
penalties; rule-making.**

1 (a) *Findings.* — The Legislature finds that Eastern Elk were  
2 once a common, native species in the state prior to and following  
3 its formation, but historical records indicate native elk were  
4 extirpated from the state around 1875. Until recently, free  
5 roaming elk have not been present in the state. However, elk are  
6 now migrating to the state from Kentucky, which has an active  
7 elk restoration program. Therefore, the Division of Natural  
8 Resources has established an active elk restoration program in  
9 Southern West Virginia.

10 (b) *Elk management area.* — The division has established an  
11 elk restoration management plan to reintroduce elk to all of  
12 Logan County, Mingo County, McDowell County and Wyoming  
13 County, and part of Boone County, Lincoln County and Wayne

14 County. The director and the division may not expand the elk  
15 management area without statutory authorization.

16 (c) *Elk damage fund.* — There is hereby created a special  
17 revenue account in the State Treasury to be known as the Elk  
18 Damage Fund to be administered by the division. Ten percent  
19 from all application fees for the hunting of elk are to be  
20 deposited into the Elk Damage Fund.” Expenditures from the  
21 fund shall be for the payment of damages caused to agricultural  
22 crops, agricultural fences and personal gardens by elk.

23 (d) *Criminal penalties.* — It shall be unlawful for any person  
24 to hunt, capture or kill any elk, or have in his or her possession  
25 elk or elk parts, except for elk lawfully taken, killed or obtained  
26 during an established open hunting season for elk or by permit.

27 (1) Any person who commits a violation of the provisions of  
28 this section is guilty of a misdemeanor and, upon conviction  
29 thereof, shall be fined not less than \$1,000 nor more than \$5,000,  
30 or confined in jail not less than thirty nor more than one hundred  
31 days, or both fined and confined.

32 (2) Any person who commits a second violation of the  
33 provisions of this section is guilty of a misdemeanor and, upon  
34 conviction thereof, shall be fined not less than \$2,000 nor more  
35 than \$7,500, or confined in jail not less than thirty days nor more  
36 than one year, or both fined and confined.

37 (3) Any person who commits a third or subsequent violation  
38 of the provisions of this section is guilty of a felony and, upon  
39 conviction thereof, shall be fined not less than \$5,000 nor more  
40 than \$10,000, or imprisoned in a state correctional facility not  
41 less than one year nor more than five years, or both fined and  
42 imprisoned.

43 (e) *Rulemaking.* — The director shall propose rules for  
44 promulgation in accordance with the provisions of article three,  
45 chapter twenty-nine-a of this code to:

- 46 (1) Set forth the parameters of the elk management plan;
- 47 (2) Establish the procedures for the issuance of depredation  
48 permits to persons suffering damage from elk;
- 49 (3) Establish protocols for the control of elk outside the elk  
50 management area;
- 51 (4) Establish hunting application fees and procedures;
- 52 (5) Establish procedures for reimbursement from the elk  
53 damage fund to those with damage to agricultural crops,  
54 agricultural fences and personal gardens caused by elk; and
- 55 (6) Establish protocols for ensuring elk imported to the state  
56 are healthy, tested for tuberculosis, brucellosis and other diseases  
57 of critical concern, and from an area where chronic wasting  
58 disease has not been detected.

**§20-2-22a. Hunting, tagging and reporting bear; procedures  
applicable to property destruction by bear;  
penalties.**

- 1 (a) A person may not hunt, capture, or kill any bear, or have  
2 in his or her possession any bear or bear parts, except during the  
3 hunting season for bear in the manner designated by rule or law,  
4 and as provided in this section. For the purposes of this section,  
5 bear parts include, but are not limited to, the pelt, gallbladder,  
6 skull and claws of bear.
