ENROLLED OFFICE WEST VIRGINIA
SECRETARY OF STATE

H. B. 2576

(BY DELEGATE(S) HOWELL, HARTMAN, FERRO,
KESSINGER, CADLE, ARVON, MOFFATT, MCGEEHAN,
ZATEZALO, FAIRCLOTH AND R. SMITH)

[Passed March 11, 2015;
in effect ninety days from passage.]

An ACT to amend and reenact §5F-2-1 of the Code of West Virginia, 1931, as amended; and to amend said code by adding thereto twelve new sections, designated §5F-2-1a, §5F-2-1b, §5F-2-1c, §5F-2-1d, §5F-2-1e, §5F-2-1f, §5F-2-1g, §5F-2-1h, §5F-2-1i, §5F-2-1j, §5F-2-1k and §5F-2-1l, all relating to the reorganization of certain code provisions that organize the executive branch of state government.

Be it enacted by the Legislature of West Virginia:

That §5F-2-1 of the Code of West Virginia, 1931, as amended, be amended and reenacted; and that said code be amended by adding thereto twelve new sections, designated §5F-2-1a, §5F-2-1b, §5F-2-1c, §5F-2-1d, §5F-2-1e, §5F-2-1f, §5F-2-1g, §5F-2-1h, §5F-2-1i, §5F-2-1j, §5F-2-1k and §5F-2-1l, all to read as follows:

ARTICLE 2. ORGANIZATION OF STATE AGENCIES, BOARDS AND COMMISSIONS WITHIN DEPARTMENTS OF STATE GOVERNMENT.

§5F-2-1. General provisions.

1 (a) The Legislature finds that in 1989, this chapter was
2 enacted to provide for the reorganization of the executive branch
3 of state government pursuant to the findings set forth under
4 section one, article one of this chapter. This section was enacted
5 as part of that legislation to effect the transfer of agencies and
6 board and related entities into the various departments created
7 within the executive branch of government. Since its initial
8 enactment, the Legislature has amended and reenacted this
9 section on a number of occasions, in most instances to modify
10 the initial reorganization within the executive branch of
11 government. The Legislature further finds that the structure of
12 this section by which it provides an extensive list of executive
13 agencies in a single section of the Code of West Virginia renders
14 this section unnecessarily lengthy and complicated. The
15 designation of a separate statute for each of the agencies and
16 entities as they are organized in subsections (a) through (l) of
17 this section as provided pursuant to the amendment and
18 reenactment of this section in 2015 would reduce the
19 unnecessary length and complexity of the statute without altering
20 the Legislature's intent in providing for the organization of the
21 executive branch of state government pursuant to the original
22 findings set forth under section one, article one of this chapter
23 and the Legislature's subsequent amendments and reenactments
24 of various sections of this chapter. The Legislature therefore
25 finds and declares that the amendment and reenactment of this
26 section and the further amendment of the Code of West Virginia
27 by adding thereto twelve new sections, designated sections one-
28 a, one-b, one-c, one-d, one-e, one-f, one-g, one-h, one-i, one-j,
29 one-k, and one-l of this article, are solely for the purpose of
30 designating a separate statute for each of the agencies and

31 entities as they are organized in subsections (a) through (l) of
32 this section as provided pursuant to the amendment and
33 reenactment of this section in 2015 and for the purpose of
34 providing corrective descriptions of an agency and corrective
35 code references and deleting references to agencies, boards or
36 commissions that have been repealed. The Legislature further
37 finds and declares that except as otherwise provided in this
38 section, the amendment and reenactment of this section and the
39 enactment of the new sections may not be construed to have
40 altered or modified the application of any other provision of this
41 code to the agencies and entities described in those sections, and
42 that all other provisions of this code, to the extent applicable to
43 those sections, as well as the remaining subsections of this
44 section, shall apply in like manner to the agencies and entities
45 described in those new sections.

46 (b) Except for powers, authority and duties that have been
47 delegated to the secretaries of the departments by the provisions
48 of section two of this article, the position of administrator and
49 the powers, authority and duties of each administrator and
50 agency are not affected by the enactment of this chapter.

51 (c) Except for powers, authority and duties that have been
52 delegated to the secretaries of the departments by the provisions
53 of section two of this article, the existence, powers, authority and
54 duties of boards and the membership, terms and qualifications of
55 members of the boards are not affected by the enactment of this
56 chapter. All boards that are appellate bodies or are independent
57 decision makers shall not have their appellate or independent
58 decision-making status affected by the enactment of this chapter.

59 (d) Any department previously transferred to and
60 incorporated in a department by prior enactment of this section
61 means a division of the appropriate department. Wherever
62 reference is made to any department transferred to and
63 incorporated in a department created in section two, article one

64 of this chapter, the reference means a division of the appropriate
65 department and any reference to a division of a department so
66 transferred and incorporated means a section of the appropriate
67 division of the department.

68 (e) When an agency, board or commission is transferred
69 under a bureau or agency other than a department headed by a
70 secretary pursuant to this section, that transfer is solely for
71 purposes of administrative support and liaison with the Office of
72 the Governor, a department secretary or a bureau. Nothing in this
73 section extends the powers of department secretaries under
74 section two of this article to any person other than a department
75 secretary and nothing limits or abridges the statutory powers and
76 duties of statutory commissioners or officers pursuant to this
77 code.
