ARTICLE 16. NONINTOXICATING BEER.

§11-16-3. Definitions.

For the purpose of this article, except where the context clearly requires differently:

(1) “Brand” means a nonintoxicating beer product manufactured, brewed, mixed, concocted, blended, bottled or otherwise produced, or imported or transhipped by a brewer or manufacturer, the labels of which have been registered and approved by the commissioner that is being offered for sale or sold in West Virginia by a distributor who has been appointed in a valid franchise agreement or a valid amendment thereto.
(2) "Brewer" or "manufacturer" means any person manufacturing, otherwise producing or importing or transhipping nonintoxicating beer or nonintoxicating craft beer for sale at wholesale to any licensed distributor. Brewer or manufacturer may be used interchangeably throughout this article. A brewer may obtain only one brewer's license for its nonintoxicating beer or nonintoxicating craft beer.

(3) "Brewpub" means a place of manufacture of nonintoxicating beer or nonintoxicating craft beer owned by a resident brewer, subject to federal and state regulations and guidelines, a portion of which premises are designated for retail sales of nonintoxicating beer or nonintoxicating craft beer by the resident brewer owning the brewpub.

(4) "Class A retail license" means a retail license permitting the retail sale of liquor at a freestanding liquor retail outlet licensed pursuant to chapter sixty of this code.

(5) "Class B retail license" means a retail license permitting the retail sale of liquor at a mixed retail liquor outlet licensed pursuant to chapter sixty of this code.

(6) "Commissioner" means the West Virginia Alcohol Beverage Control Commissioner.

(7) "Distributor" means and includes any person jobbing or distributing nonintoxicating beer or nonintoxicating craft beer to retailers at wholesale and whose warehouse and chief place of business shall be within this state. For purposes of a distributor only, the term "person" means and includes an individual, firm, trust, partnership, limited partnership, limited liability company, association or corporation. Any trust licensed as a distributor or any trust that is an owner of a distributor licensee, and the trustee or other persons in active control of the activities of the trust relating to the
is liable for acts of the trust or its beneficiaries relating to the distributor license that are unlawful acts or violations of article eleven of this chapter notwithstanding the liability of trustees in article ten, chapter forty-four-d of this code.

(8) "Franchise agreement" means the written agreement between a brewer and a distributor that is identical as to terms and conditions between the brewer and all its distributors, which agreement has been approved by the commissioner. The franchise agreement binds the parties so that a distributor, appointed by a brewer, may distribute all of the brewer’s nonintoxicating beer products, brands or family of brands imported and offered for sale in West Virginia, including, but not limited to, existing brands, line extensions and new brands all in the brewer’s assigned territory for the distributor. All brands and line extensions being imported or offered for sale in West Virginia must be listed by the brewer in the franchise agreement or a written amendment to the franchise agreement. A franchise agreement may be amended by mutual written agreement of the parties as approved by the commissioner with identical terms and conditions for a brewer and all of its distributors. Any approved amendment to the franchise agreement becomes a part of the franchise agreement. A brewer and a distributor may mutually agree in writing to cancel a franchise agreement. A distributor terminated by a brewer as provided in this article and the promulgated rules no longer has a valid franchise agreement. If a brewer has reached an agreement to cancel a distributor or has terminated a distributor, then a brewer may appoint a successor distributor who accedes to all the rights of the cancelled or terminated distributor.

(9) "Franchise distributor network" means the distributors who have entered into a binding written franchise agreement, identical as to terms and conditions, to distribute
nonintoxicating beer products, brands and line extensions in
an assigned territory for a brewer. A brewer may only have
one franchise distributor network: Provided, That a brewer
that has acquired the manufacturing, bottling or other
production rights for the sale of nonintoxicating beer at
wholesale from a selling brewer as specified in subdivision
(2), subsection (a), section twenty-one of this article shall
continue to maintain and be bound by the selling brewer’s
separate franchise distributor’s network for any of its existing
brands, line extensions and new brands.

(10) “Freestanding liquor retail outlet” means a retail
outlet that sells only liquor, beer, nonintoxicating beer and
other alcohol-related products, as defined pursuant to section
four, article three-a, chapter sixty of this code.

(11) “Growler” means a container or jug that is made of
glass, ceramic, metal or other material approved by the
commissioner, that may be only thirty-two or sixty-four fluid
ounces in size and must be capable of being securely sealed.
The growler is utilized by an authorized licensee for purposes
of off-premise sales only of nonintoxicating beer or
nonintoxicating craft beer for personal consumption not on a
licensed premise and not for resale. Notwithstanding any
other provision of this code to the contrary, a securely sealed
growler is not an open container under federal, state and local
law. A growler with a broken seal is an open container under
federal, state and local law unless it is located in an area of
the motor vehicle physically separated from the passenger
compartment. The secure sealing of a growler requires the
use of a tamper-resistant seal, security tape or other material,
as approved by the commissioner, placed on or over the
growler’s opening, which seal, security tape or other material
is clearly marked with the date of the secure sealing by the
authorized licensee who is selling the growler.
(12) "Line extension" means any nonintoxicating beer product that is an extension of brand or family of brands that is labeled, branded, advertised, marketed, promoted or offered for sale with the intent or purpose of being manufactured, imported, associated, contracted, affiliated or otherwise related to a brewer's existing brand through the use of a brewer, its subsidiaries, parent entities, contracted entities, affiliated entities or other related entities. In determining whether a nonintoxicating beer product is a line extension, the commissioner may consider, but is not limited to, the following factors: name or partial name; trade name or partial trade name; logos; copyrights; trademarks or trade design; product codes; advertising promotion or pricing.

(13) "Nonintoxicating beer" means all natural cereal malt beverages or products of the brewing industry commonly referred to as beer, lager beer, ale and all other mixtures and preparations produced by the brewing industry, including malt coolers and nonintoxicating craft beers with no caffeine infusion or any additives masking or altering the alcohol effect containing at least one half of one percent alcohol by volume, but not more than nine and six-tenths of alcohol by weight, or twelve percent by volume, whichever is greater. The word "liquor" as used in chapter sixty of this code does not include or embrace nonintoxicating beer nor any of the beverages, products, mixtures or preparations included within this definition.

(14) "Nonintoxicating beer sampling event" means an event approved by the commissioner for a Class A retail licensee to hold a nonintoxicating beer sampling authorized pursuant to section eleven-a of this article.

(15) "Nonintoxicating beer sampling day" means any days and hours of the week where Class A retail licensees
may sell nonintoxicating beer pursuant to section eleven-a and subdivision (1), subsection (a), section eighteen of this article, and is approved, in writing, by the commissioner to conduct a nonintoxicating beer sampling event.

(16) "Nonintoxicating craft beer" means any beverage obtained by the natural fermentation of barley, malt, hops or any other similar product or substitute and containing not less than one half of one percent by volume and not more than twelve percent alcohol by volume or nine and six-tenths percent alcohol by weight with no caffeine infusion or any additives masking or altering the alcohol effect.

(17) "Original container" means the container used by a resident brewer or brewer at the place of manufacturing, bottling or otherwise producing nonintoxicating beer or nonintoxicating craft beer for sale at wholesale.

(18) "Person" means and includes an individual, firm, partnership, limited partnership, limited liability company, association or corporation.

(19) "Private club" means a license issued pursuant to article seven, chapter sixty of this code.

(20) "Resident brewer" means any brewer or manufacturer of nonintoxicating beer or nonintoxicating craft beer whose principal place of business and manufacture is located in the state of West Virginia and which does not brew or manufacture more than twenty-five thousand barrels of nonintoxicating beer or nonintoxicating craft beer annually, and does not self-distribute more than ten thousand barrels thereof in the state of West Virginia annually.

(21) "Retailer" means any person selling, serving, or otherwise dispensing nonintoxicating beer and all products
regulated by this article, including, but not limited to, malt
coolers at his or her established and licensed place of
business.

(22) "Tax Commissioner" means the Tax Commissioner
of the state of West Virginia or the commissioner's designee.

§11-16-6. License in one capacity only; no connection between different
licensees; when brewer may act as distributor; credit and
rebates proscribed; brewer, resident brewer and brewpub
requirements.

(a) No person shall be licensed in more than one capacity
under the terms of this article, and there shall be no
connection whatsoever between any retailer, distributor,
resident brewer or brewer, and no person shall be interested,
directly or indirectly, through the ownership of corporate
stock, membership in a partnership, or in any other way in the
business of a retailer, if such person is at the same time
interested in the business of a brewer, resident brewer or
distributor. A resident brewer may act as distributor in a
limited capacity for his or her own product from such resident
brewery, place of manufacture or bottling, but a resident
brewer is not permitted to act as a distributor as defined in
section three of this article: Provided, That nothing in this
article may prevent a resident brewer from using the services
of licensed distributors as specified in this article. A resident
brewer or distributor may sell to a patron for personal use and
not for resale quantities of draught beer in original containers
that are no larger in size than one-half barrel for off-premises
consumption. A resident brewer who also has a brewpub
license may sell nonintoxicating beer or nonintoxicating craft
beer produced by the resident brewer in cans, bottles or
sealed growlers, pursuant to section six-b of this article, for
personal consumption off of the brewpub's licensed premises
and not for resale.
(b) It is unlawful for any brewer, resident brewer, manufacturer or distributor to assist any retailer or for any retailer to accept assistance from any brewer, manufacturer or distributor, accept any gifts, loans, forebearance of money or property of any kind, nature or description, or other thing of value, or give any rebates or discounts of any kind whatsoever, except as may be permitted by rule, regulation or order promulgated by the commissioner in accordance with this article.

(c) Notwithstanding subsections (a) and (b) of this section, a brewpub may offer for retail sale nonintoxicating beer or nonintoxicating craft beer so long as the sale of the nonintoxicating beer or nonintoxicating craft beer is limited to the brewpub’s licensed premises, except as provided in section six-b of this article.

(i) **Growler sanitation.** – A licensed brewer or resident brewer authorized under this section shall clean and sanitize all growlers he or she fills or refills in accordance with all state and county health requirements prior to its sealing. 124 (l) Rules. — The commissioner, in consultation with the Bureau for Public Health concerning sanitation, is authorized to propose rules for legislative approval, pursuant to article three, chapter twenty-nine-a of this code, to implement this section.

§11-16-9. Amount of license tax; Class A and Class B retail dealers; purchase and sale of nonintoxicating beer permitted; distributors; brewers; brewpubs.

(a) All retail dealers, distributors, brewpubs, brewers and resident brewers of nonintoxicating beer and of nonintoxicating craft beer shall pay an annual fee to maintain
an active license as required by this article. The license period begins on July 1 of each year and ends on June 30 of the following year. If the license is granted for a shorter period, then the license fee shall be computed semiannually in proportion to the remainder of the fiscal year.

(b) The annual license fees are as follows:

(1) Retail dealers shall be divided into two classes: Class A and Class B.

(A) For a Class A retail dealer, the license fee is $150 for each place of business; the license fee for social, fraternal or private clubs not operating for profit, and having been in continuous operation for two years or more immediately preceding the date of application, is $150: Provided, That railroads operating in this state may dispense nonintoxicating beer upon payment of an annual license tax of $10 for each dining, club or buffet car in which the beer is dispensed.

Class A licenses issued for railroad dining, club or buffet cars authorize the licensee to sell nonintoxicating beer at retail for consumption only on the licensed premises where sold. All other Class A licenses authorize the licensee to sell nonintoxicating beer at retail for consumption on or off the licensed premises.

(B) For a Class B retail dealer, the license fee, authorizing the sale of both chilled and unchilled beer, is $150 for each place of business. A Class B license authorizes the licensee to sell nonintoxicating beer at retail in bottles, cans or other sealed containers only, and only for consumption off the licensed premises. A Class B retailer may sell to a patron, for personal use and not for resale, quantities of draught beer in original containers that are no
larger in size than one-half barrel for off-premises consumption.

A Class B license may be issued only to the proprietor or owner of a grocery store. For the purpose of this article, the term “grocery store” means any retail establishment commonly known as a grocery store or delicatessen, and caterer or party supply store, where food or food products are sold for consumption off the premises, and includes a separate and segregated portion of any other retail store which is dedicated solely to the sale of food, food products and supplies for the table for consumption off the premises. Caterers or party supply stores are required to purchase the appropriate licenses from the Alcohol Beverage Control Administration.

(2) For a distributor, the license fee is $1,000 for each place of business.

(3) For a brewer or a resident brewer with its principal place of business or manufacture located in this state and who produces:

(A) Twelve thousand five hundred barrels or less of nonintoxicating beer or nonintoxicating craft beer, the license fee is $500 for each place of manufacture;

(B) Twelve thousand five hundred one barrels and up to twenty-five thousand barrels of nonintoxicating beer or nonintoxicating craft beer, the license fee is $1,000 for each place of manufacture;

(C) More than twenty-five thousand one barrels of nonintoxicating beer or nonintoxicating craft beer, the license fee is $1,500 for each place of manufacture.
(4) For a brewer whose principal place of business or manufacture is not located in this state, the license fee is $1,500. The brewer is exempt from the requirements set out in subsections (c), (d) and (e) of this section: Provided, That a brewer whose principal place of business or manufacture is not located in this state that produces less than twenty-five thousand barrels of nonintoxicating beer or nonintoxicating craft beer may choose to apply in writing to the commissioner to be subject to the variable license fees of subdivision (3), subsection (b) of this section and the requirements set out in subsections (c), (d) and (e) of this section subject to investigation and approval by the commissioner as to brewer requirements.

(5) For a brewpub, the license fee is $500 for each place of manufacture.

(c) As part of the application or renewal application and in order to determine a brewer or resident brewer’s license fee pursuant to this section, a brewer or resident brewer shall provide the commissioner, on a form provided by the commissioner, with an estimate of the number of nonintoxicating beer or nonintoxicating craft beer barrels and gallons it will produce during the year based upon the production capacity of the brewer’s or resident brewer’s manufacturing facilities, and the prior year’s production and sales volume of nonintoxicating beer or nonintoxicating craft beer.

(d) On or before July 15 of each year, every brewer or resident brewer who is granted a license shall file a final report, on a form provided by the commissioner, that is dated as of June 30 of each year, stating the actual volume of nonintoxicating beer or nonintoxicating craft beer in barrels and gallons produced at its principal place of business and manufacture during the prior year.
(e) If the actual total production of nonintoxicating beer or nonintoxicating craft beer by the brewer or resident brewer exceeded the brewer's or resident brewer's estimate that was filed with the application or renewal for a brewer's or resident brewer's license for that period, then the brewer or resident brewer shall include a remittance for the balance of the license fee pursuant to this section that would be required for the final, higher level of production.

(f) Any brewer or resident brewer failing to file the reports required in subsections (c) and (d) of this section, and who is not exempt from the reporting requirements, shall, at the discretion of the commissioner, be subject to the penalties set forth in section twenty-three of this article.

§11-16-12. Bond of brewer, distributor, and Class A retail dealer; action on bond of retail dealer upon revocation of license; duty of prosecuting attorney.

(a) In addition to furnishing the information required by this article, each brewer or distributor applying for a license under this article shall furnish, as prerequisite to a license, a bond with some solvent surety company as surety, to be approved by the commissioner, payable to the state of West Virginia, conditioned for the payment of any and all additional taxes accruing during the period of such license, and conditioned further for the faithful observance of the provisions of this article, the rules, regulations and orders promulgated pursuant thereto and of any other laws of the state of West Virginia generally relating to the sale, transportation, storage and distribution of nonintoxicating beer, which said bonds shall be forfeited to the state upon the revocation of the license of any such brewer or distributor. The amount of such bond in the case of a resident brewer shall be not less than $5,000 nor more than $10,000 and in the case of a distributor, not less than $2,000 nor more than
21 $5,000 for each place of business licensed and conducted
within the state, the amount of such bond, between the
minimum and maximum amounts, to be determined in the
discretion of the commissioner. There shall be no bond for
a brewpub license, as the license privilege itself secures the
payment of taxes and is subject to suspension and revocation
for failure to pay said taxes. In the case of brewers shipping
nonintoxicating beer into the state, any brewer must also
furnish a bond in a penalty of not less than $5,000 nor more
than $25,000 conditioned as hereinabove in this subsection
provided and any bond furnished pursuant hereto shall be
forfeited to the state in the full amount of said bond upon
revocation of license of any such brewer or distributor. Such
money received by the state shall be credited to the State
Fund, General Revenue.

(b) Each Class A retail dealer, in addition to furnishing
the information required by this article, shall furnish, as
prerequisite to obtaining a license, a bond with some solvent
surety company as surety, to be approved by the
commissioner, payable to the state of West Virginia, in the
amount not less than $500 nor more than $1000 within the
discretion of the commissioner. All such bonds shall be
conditioned for the faithful observance of the provisions of
this article, the rules, regulations and orders promulgated
pursuant thereto and of any other laws of the state of West
Virginia generally relating to the distribution, sale and
dispensing of nonintoxicating beer and shall be forfeited to
the state in the full amount of said bond upon the revocation
of the license of any such retail dealer. Such money received
by the state shall be credited to the State Fund, General
Revenue.

(c) Upon the revocation of the license of any Class A
retail dealer by the commissioner or by any court of
competent jurisdiction, the commissioner or the clerk of said
court shall notify the prosecuting attorney of the county wherein such retail dealer's place of business is located, or the prosecuting attorney of the county wherein the licensee resides, of such revocation, and, upon receipt of said notice, it shall be the duty of such prosecuting attorney forthwith to institute appropriate proceedings for the collection of the full amount of said bond. Upon request of such prosecuting attorney, the commissioner shall deliver the bond to him. Willful refusal without just cause therefor by the prosecuting attorney to perform said duty hereby imposed shall subject him to removal from office by the circuit court of the county for which said prosecuting attorney was elected upon proper proceedings and proof in the manner provided by law.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
