Be it enacted by the Legislature of West Virginia:

For all taxes collected by the Tax Division of the Department of Revenue that are to be deposited into any other special revenue funds, the Tax Commissioner may retain, as an administrative fee, one percent of the taxes and fees, including one percent of any interest, additions to tax and penalties related thereto: Provided, That the Legislature has not expressly and specifically authorized a fee in a provision of this code other than this section, to be collected by,
retained by or dedicated to, the Tax Commissioner for the
collection, distribution or administration of a specified tax or
fee. The amount retained by the Tax Commissioner is a fee
for the services provided by the Tax Division in the
administration, distribution or collection, or any combination
thereof, of those taxes and fees.

(b) Administrative fee for the collection, administration and
distribution of money for local or municipal government, any
other governmental subdivision or other public entity or public
corporation, where a fee is not otherwise provided for
elsewhere in this code.

For all taxes or fees collected by the Tax Division of the
Department of Revenue on behalf of any local, county or
municipal government, or any other governmental subdivision
or public entity or public corporation, including, but not limited
to, sanitary districts, water districts and solid waste authorities,
the Tax Commissioner may retain, as an administrative fee, one
percent of the taxes and fees, including one percent of any
interest, additions to tax and penalties related thereto: Provided,
That the Legislature has not expressly and specifically
authorized a fee in a provision of this code other than this
section, to be collected by, retained by or dedicated to, the Tax
Commissioner for the collection, distribution or administration
of a specified tax or fee. For purposes of this section the term
"taxes and fees" includes any interest, additions to tax and
penalties relating to any taxes or fees.

(c) Transaction fees imposed by the Enterprise Resource
Planning System may be recovered by the Tax Division of the
Department of Revenue.

fee imposed by the enterprise resource planning system, which
is developed, implemented and managed by the West Virginia
Enterprise Resource Planning Board under article six-d, chapter twelve of this code, relating to a transaction of any entity or person with the Tax Division of the Department of Revenue, then the Tax Commissioner may charge that entity or person a fee in the amount that Tax Division of the Department of Revenue incurred or will incur relating to that transaction.

(d) Fees collected under this section shall be retained in a revolving fund for the use of the Tax Division of the Department of Revenue.

Any fees collected or retained under subsections (a), (b) and (c) of this section shall be held in a revolving fund for the use of the Tax Division of the Department of Revenue for general tax administration, which fund is hereby created in the State Treasury and designated the "Tax Administration Services Fund." Expenditures from the fund are authorized from collections. Moneys remaining in such fund on the last day of the fiscal year in excess of $3 million shall be transferred to the General Revenue Fund. The amount remaining in the fund after such transfer, if any, is retained for use by the Tax Division of the Department of Revenue.

(e) Fee Increases. — Any state agency may increase any administrative fee that the agency is authorized to impose by West Virginia statute or West Virginia rule by proposing a legislative rule, for legislative approval, in accordance with the provisions of article three, chapter twenty-nine-a of this code, imposing the increase: Provided, That no such increase shall be made within three years of the initial imposition of the fee or within three years of the most recent revision of a statute or rule that increases or decreases the fee.
