Be it enacted by the Legislature of West Virginia:

That §20-2-5 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

ARTICLE 2. WILDLIFE RESOURCES.

(3) Use or attempt to use any artificial light or any night vision technology, including image intensification, thermal imaging or active illumination while hunting, locating, attracting, taking, trapping or killing any wild bird or wild animal: Provided, That it is lawful to hunt or take coyote, fox, raccoon, opossum or skunk by the use of artificial light or night vision technology. Any person violating this subdivision is guilty of a misdemeanor and, upon conviction thereof, shall for each offense be fined not less than $100 nor more than $500, and shall be confined in jail for not less than ten days nor more than one hundred days;

(4) Hunt, take, kill, wound or shoot at wild animals or wild birds from an airplane or other airborne conveyance, a drone or other unmanned aircraft, an automobile or other land conveyance, or from a motor-driven water conveyance;

A. A person in possession of a valid license or permit during open firearms hunting season for wild animals and nonmigratory wild birds where hunting is lawful;

B. A person hunting or taking unprotected species of wild animals, wild birds and migratory wild birds during the open season, in the open fields, open water and open marshes of the state where hunting is lawful;

The election is determined by a vote of the
resident voters of the county in which the hunting on Sunday is proposed to be authorized. The
county commission of the county in which Sunday hunting is proposed shall give notice to the
public of the election by publication of the notice as a Class II-0 legal advertisement in compliance
with the provisions of article three, chapter fifty-nine of this code and the publication area for the
publication is the county in which the election is to be held. The date of the last publication of the
notice shall fall on a date within the period of the fourteen consecutive days next preceding the
election.

Shall hunting on Sunday be authorized on private lands only with the consent of the land
owner in ________ County?

[ ] Yes

[ ] No

Any local option election to approve or disapprove of the proposed authorization of Sunday
hunting within a county shall be in accordance with procedures adopted by the commission. The
local option election may be held in conjunction with a primary or general election or at a special
election. Approval shall be by a majority of the voters casting votes on the question of approval
or disapproval of Sunday hunting at the election.

If a majority votes against allowing Sunday hunting, an election on the issue may not be
held for a period of one hundred four weeks. If a majority votes “yes”, an election reconsidering
the action may not be held for a period of five years. A local option election may thereafter be
held if a written petition of qualified voters residing within the county equal to at least five percent
of the number of persons who were registered to vote in the next preceding general election is
received by the county commission of the county in which Sunday hunting is authorized. The
petition may be in any number of counterparts. The election shall take place at the next primary
or general election scheduled more than ninety days following receipt by the county commission
of the petition required by this subsection: Provided, That the issue may not be placed on the ballot until all statutory notice requirements have been met. No local law or regulation providing any penalty, disability, restriction, regulation or prohibition of Sunday hunting may be enacted and the provisions of this article preempt all regulations, rules, ordinances and laws of any county or municipality in conflict with this subdivision.

Amendments to this subdivision promulgated during the 2015 regular session of the Legislature shall have no effect upon the results of elections held prior to their enactment; and (29) Hunt or conduct hunts for a fee when the person is not physically present in the same location as the wildlife being hunted within West Virginia.
