(2) Project evaluation and approval; prohibition on project promotion. —

(A) The board shall select and approve projects, which may then be certified by the Director of the West Virginia Development Office pursuant to section four of this article.

(B) Only projects sponsored by qualified charitable organizations, as defined in section three of this article, may be approved by the board or certified by the Director of the West Virginia Development Office. An applicant that does not hold current status as a charitable organization under Section 501(c)(3) of the Internal Revenue Code may not receive project approval from the board, or project certification from the Director of the West Virginia Development Office, for any proposed project. Failure of any applicant to provide convincing documentation proving such status as a charitable organization under Section 501(c)(3) of the Internal Revenue Code shall result in automatic denial of project approval and denial of project certification under this article.
(3) **Criteria for evaluation.** — In evaluating projects for approval, the board shall give priority to projects based upon the following criteria. A proposed project shall be favored if:

(A) The project is community based. (B) The proposed project will primarily serve low income persons.

(F) The applicant or sponsor of the project historically maintains reasonable administrative costs.

(G) The applicant produces a strong showing of need for the services which the proposed project would provide, and produces convincing documentation of that need.

(H) The proposed project is innovative, novel, creative or unique in program approach.

(I) The proposed project is a direct need program or will provide emergency assistance.

(4) If an applicant is directly or indirectly affiliated with one or more board members, those members shall not discuss the proposals with one or more board members, and shall not have a vote when that project is considered for final approval or disapproval.

(5) **Project approval by the board.** — Proposed projects shall be approved or denied approval by a majority vote of the board after competitive comparison with proposed projects of other applicants.

(h) **Project certification by the Director of the West Virginia Development Office.** —

(1) Upon issuance of approval for a project by the board, the approved project shall be certified by the Director of the West Virginia Development Office: Provided, That no certification may issue for any project, even though the project may have been approved by the board, if the issuance of certification for such project will cause the aggregate amount of tax credits certified
to exceed the limitation set forth in this article. No certification may be issued by the Director of
the West Virginia Development Office for any project which has not been approved by the board.

(2) The West Virginia Development Office shall promptly notify applicants of the issuance
of certification for their projects and shall issue tax credit vouchers to certified project applicants
in the amount of the tax credit represented by the project.

(3) The West Virginia Development Office may provide incidental technical support and
guidance to projects certified under this article and may monitor the progress of the projects. The
West Virginia Development Office shall make a biannual report to the board on the progress of
certified projects and the program generally.

§11-13J-10. Public information relating to tax credit.
The Tax Commissioner shall annually publish in the State Register the name of every
taxpayer asserting this credit on a tax return, and the amount of any credit asserted on a tax return
under this article by each such taxpayer, and the confidentiality provisions of section four-a, article
one of this chapter or section five-d, article ten of this chapter, or of any other provision of this
code, do not apply to such information.

§11-13J-12. Program evaluation; expiration of credit; preservation of entitlement.
Beginning on December 15, 2005, and every third year thereafter, the director shall secure
an independent review of the Neighborhood Investment Program created by this article and
present the findings to the Joint Committee on Government and Finance. Unless sooner
terminated by law, the Neighborhood Investment Program Act terminates on July 1, 2021. There
is no entitlement to the tax credit under this article for a contribution made to a certified project
after July 1, 2021, and no credit is available to any taxpayer for any contribution made after that
date. Taxpayers which have gained entitlement to the credit pursuant to eligible contributions
made to certified projects prior to July 1, 2021, shall retain that entitlement and apply the credit in
due course pursuant to the requirements and limitations of this article.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
