The variable component shall be equal to five percent of the average wholesale price of the motor fuel: Provided, That on and after January 1, 2010, the average wholesale price shall be no less than $2.34 per invoiced gallon and is computed as hereinafter prescribed in this section: Provided, however, That on and after July 1, 2017, the average wholesale price of motor fuel may not be determined to be less than $3.04 per invoiced gallon for all gallons of motor fuel sold during the reporting period notwithstanding any provision of this code to the contrary and on and after July 1, 2017, the tax per gallon may not be less than 15.2 cents per gallon of motor fuel; and
(2) On alternative fuel, either the tax imposed by section eighteen-b, article fifteen of this chapter or the tax imposed under section thirteen-a, article fifteen-a of this chapter, as applicable. The variable component of the tax on alternative fuel shall be equal to five percent of the average wholesale price of the alternative fuel.

(b) Determination of average wholesale price. —

(1) To simplify determining the average wholesale price of all motor fuel, the Tax Commissioner shall, effective with the period beginning the first day of the month of the effective date of the tax and each January 1 thereafter, determine the average wholesale price of motor fuel for each annual period on the basis of sales data gathered for the preceding period of July 1 through October 31. Notification of the average wholesale price of motor fuel shall be given by the Tax Commissioner at least thirty days in advance of each January 1 by filing notice of the average wholesale price in the State Register and by other means as the Tax Commissioner considers reasonable.

(2) The “average wholesale price” means the single, statewide average per gallon wholesale price, rounded to the third decimal (thousandth of a cent), exclusive of state and federal excise taxes on each gallon of motor fuel or on each gallon equivalent of alternative fuel as determined by the Tax Commissioner from information furnished by suppliers, importers and distributors of motor fuel and alternative-fuel providers, alternative-fuel bulk end users and retailers of alternative fuel in this state, or other information regarding wholesale selling prices as the Tax Commissioner may gather or a combination of information. On and after January 1, 2010, in no event shall the average wholesale price be determined to be less than $2.34 per gallon of motor fuel: Provided, That on and after July 1, 2017, the average wholesale price may not be determined to be less than $3.04 per gallon of motor fuel. On and after January 1, 2011, the average wholesale price shall not vary by more than ten percent from the average wholesale price of motor fuel as determined by the Tax Commissioner for the previous calendar year: Provided, however, That in no case shall the average wholesale price of motor fuel be determined to be
less than $3.04 per invoiced gallon. Any limitation on the average wholesale price of motor fuel
contained in this subsection shall not be applicable to alternative fuel.

(3) All actions of the Tax Commissioner in acquiring data necessary to establish and
determine the average wholesale price of motor fuel, in providing notification of his or her
determination prior to the effective date of a change in rate, and in establishing and determining
the average wholesale price of motor fuel may be made by the Tax Commissioner without
compliance with the provisions of article three, chapter twenty-nine-a of this code.

(4) In an administrative or court proceeding brought to challenge the average wholesale
price of motor fuel as determined by the Tax Commissioner, his or her determination is presumed
to be correct and shall not be set aside unless it is clearly erroneous.

(c) Every licensee who, on the effective date of any rate change, has in inventory any
motor fuel upon which the tax or any portion thereof has been previously paid shall take a physical
inventory and file a report thereof with the commissioner, in the format as required by the
commissioner, within thirty days after the effective date of the rate change, and shall pay to the
commissioner at the time of filing the report any additional tax due under the increased rate.

(d) The Tax Commissioner shall determine by January 1, 2014, the gasoline gallon
 equivalent for each alternative fuel by filing a notice of the gasoline gallon equivalent in the State
 Register and by other means that the Tax Commissioner considers reasonable. The Tax
 Commissioner may redetermine the gasoline gallon equivalent for each alternative fuel by filing a
 notice of the gasoline gallon equivalent in the State Register at least thirty days in advance of
 January 1 for the next succeeding tax year. For purposes of this notice, the Tax Commissioner
 may adopt or incorporate by reference provisions of the National Institute of Standards and
 Technology, United States Department of Commerce, the Internal Revenue Code, United States
 Treasury Regulations, the Internal Revenue Service publications or guidelines or other
 publications or guidelines which may be useful in determining, setting or describing the gasoline
gallon equivalent for each alternative fuel used as motor fuel.

The authority to promulgate rules includes authority to amend or repeal those rules. If proposed legislative rules for this section are filed in the State Register before June 15, 2008, those rules may be promulgated as emergency legislative rules as provided in article three, chapter twenty-nine-a of this code.

This section means that all gallons of motor fuel and equivalent gallons of alternative fuel sold and delivered or delivered in this state are taxed one time.
(b) Measure of tax. — The measure of tax imposed by this article is as follows:

(1) On sales of motor fuel, the average wholesale price as defined and determined in section five, article fourteen-c of this chapter. For purposes of maintaining revenue for highways, and recognizing that the tax imposed by this article is generally imposed on gross proceeds from sales to ultimate consumers, whereas the tax on motor fuel herein is imposed on the average wholesale price of the motor fuel; in no case, for the purposes of taxation under this article, may the average wholesale price be determined to be less than 97 cents per gallon of motor fuel for all gallons of motor fuel sold during the reporting period, notwithstanding any provision of this article to the contrary. On and after January 1, 2010, for the purpose of taxation under this article, in no case may the average wholesale price be determined to be less than $2.34 per gallon of motor fuel for all gallons of motor fuel sold during the reporting period notwithstanding any provision of this article to the contrary: Provided, That on and after July 1, 2017, in no case may the average wholesale price be determined to be less than $3.04 per gallon of motor fuel for all gallons of motor fuel sold during the reporting period notwithstanding any provision of this article to the contrary and on and after July 1, 2017, the tax per gallon may not be less than 15.2 cents per gallon of motor fuel. (1) The tax imposed by this article on sales of motor fuel shall be paid by each taxpayer on or before the last day of the calendar month by check, bank draft, certified check or money order payable to the Tax Commissioner for the amount of tax due for the preceding month.
notwithstanding any provision of this article to the contrary. The commissioner may require all or
certain taxpayers to file tax returns and payments electronically. The return required by the
commissioner shall accompany the payment of tax. If no tax is due, the return required by the
commissioner shall be completed and filed on or before the last day of the month.

(2) The tax due under this article comprising the variable component of the tax due under
article fourteen-c of this chapter on alternative fuel, is due and shall be collected and remitted at
the time the tax imposed by section five, article fourteen-c of this chapter is due, collected and
remitted.

(e) Compliance. — To facilitate ease of administration and compliance by taxpayers, the
Tax Commissioner shall require persons liable for the tax imposed by this article on sales of motor
fuel to file a combined return and make a combined payment of the tax due under this article on
sales of motor fuel and the tax due under article fourteen-c of this chapter on motor fuel. In order
to encourage use of a combined return each month and the making of a single payment each
month for both taxes, the due date of the return and tax due under article fourteen-c of this chapter
is the last day of each month notwithstanding any provision in said article to the contrary. The Tax
Commissioner may prescribe reporting and payment requirements for tax due under this article
on alternative fuel which accommodate the due dates and requirements prescribed in this article
and article fourteen-c of this chapter, either under a separate return and payment or a combined
return and payment, within the discretion of the Tax Commissioner.

(f) Dedication of tax. — All tax collected under the provisions of this section, after deducting
the amount of refunds lawfully paid, shall be deposited in the road fund in the State Treasurer’s
office and used only for the purpose of construction, reconstruction, maintenance and repair of
highways and payment of principal and interest on state bonds issued for highway purposes.
Notwithstanding any provision to the contrary, tax collected on the sale of aviation fuel after
deducting the amount of refunds lawfully paid shall be deposited in the State Treasurer’s office
and transferred to the state Aeronautical Commission to be used for the purpose of matching
61 federal funds available for the reconstruction, maintenance and repair of public airports and airport
62 runways.
63    (g) **Construction.** — This section does not tax a sale of motor fuel which this state is
64 prohibited from taxing under the Constitution of this state or the Constitution or laws of the United
65 States.
66    (h) **Effective date.** — The provisions of this section take effect on January 1, 2004. The
67 provisions of this section enacted during the 2007 legislative session take effect on January 1,
68 2008. The provisions of this section enacted during the 2013 regular legislative session take effect
69 on January 1, 2014. The amendments of this section enacted during the first extraordinary

§17A-3-4. Application for certificate of title; fees; abolishing privilege tax; prohibition of issuance of certificate of title without compliance with consumers sales and service tax provisions; exceptions.

(a) Certificates of registration of any vehicle or registration plates for the vehicle, whether original issues or duplicates, may not be issued or furnished by the Division of Motor Vehicles or any other officer or agent charged with the duty, unless the applicant already has received, or at the same time makes application for and is granted, an official certificate of title of the vehicle in either an electronic or paper format. The application shall be signed and sworn to by the applicant. A duly certified copy of the division’s electronic record of a certificate of title is admissible in any civil, criminal or administrative proceeding in this state as evidence of ownership.
(b) A tax is imposed upon the privilege of effecting the certification of title of each vehicle
in the amount equal to five percent of the value of the motor vehicle at the time of the certification,
to be assessed as follows:

(1) If the vehicle is new, the actual purchase price or consideration to the purchaser of the
vehicle is the value of the vehicle. If the vehicle is a used or secondhand vehicle, the present
market value at time of transfer or purchase is the value of the vehicle for the purposes of this
section: Provided, That so much of the purchase price or consideration as is represented by the
exchange of other vehicles on which the tax imposed by this section has been paid by the
purchaser shall be deducted from the total actual price or consideration paid for the vehicle,
whether the vehicle be new or secondhand. If the vehicle is acquired through gift or by any manner
whatsoever, unless specifically exempted in this section, the present market value of the vehicle

division by the motor vehicle dealership or have been impounded due to the bankruptcy
proceedings: Provided, That the applicant makes an affidavit of the same and assigns all rights
to claims for money the applicant may have against the motor vehicle dealership to the Division
of Motor Vehicles.
(4) The Division of Motor Vehicles shall issue a certificate of registration and title to an applicant without payment of the tax imposed by this section if the applicant is a corporation, partnership or limited liability company transferring the vehicle to another corporation, partnership or limited liability company when the entities involved in the transfer are members of the same controlled group and the transferring entity has previously paid the tax on the vehicle transferred.

For the purposes of this section, control means ownership, directly or indirectly, of stock or equity interests possessing fifty percent or more of the total combined voting power of all classes of the stock of a corporation or equity interests of a partnership or limited liability company entitled to vote or ownership, directly or indirectly, of stock or equity interests possessing fifty percent or more of the value of the corporation, partnership or limited liability company.

(5) The tax imposed by this section does not apply to vehicles to be registered as Class H vehicles or Class M vehicles, as defined in section one, article ten of this chapter, which are used or to be used in interstate commerce. Nor does the tax imposed by this section apply to the titling of Class B vehicles registered at a gross weight of fifty-five thousand pounds or more, or to the titling of Class C semitrailers, full trailers, pole trailers and converter gear: Provided, That if an owner of a vehicle has previously titled the vehicle at a declared gross weight of fifty-five thousand pounds or more and the title was issued without the payment of the tax imposed by this section, then before the owner may obtain registration for the vehicle at a gross weight less than fifty-five thousand pounds, the owner shall surrender to the commissioner the exempted registration, the exempted certificate of title and pay the tax imposed by this section based upon the current market value of the vehicle: Provided, however, That notwithstanding the provisions of section nine, article fifteen, chapter eleven of this code, the exemption from tax under this section for Class B vehicles in excess of fifty-five thousand pounds and Class C semitrailers, full trailers, pole trailers and converter gear does not subject the sale or purchase of the vehicles to the consumers sales and service tax.
(6) The tax imposed by this section does not apply to titling of vehicles leased by residents of West Virginia. A tax is imposed upon the monthly payments for the lease of any motor vehicle leased by a resident of West Virginia, which tax is equal to five percent of the amount of the monthly payment, applied to each payment, and continuing for the entire term of the initial lease period. The tax shall be remitted to the Division of Motor Vehicles on a monthly basis by the lessor of the vehicle.

(7) The tax imposed by this section does not apply to titling of vehicles by a registered dealer of this state for resale only, nor does the tax imposed by this section apply to titling of vehicles by this state or any political subdivision thereof, or by any volunteer fire department or duly chartered rescue or ambulance squad organized and incorporated under the laws of this state as a nonprofit corporation for protection of life or property. The total amount of revenue collected by reason of this tax shall be paid into the State Road Fund and expended by the Commissioner of Highways for matching federal funds allocated for West Virginia. In addition to the tax, there is a charge of $10 for each original certificate of title or duplicate certificate of title so issued: Provided, That this state or any political subdivision of this state or any volunteer fire department or duly chartered rescue squad is exempt from payment of the charge. The Division of Motor Vehicles may adjust the fee for each original certificate or duplicate certificate of title every five years on September 1, based on the U. S. Department of Labor, Bureau of Labor Statistics most current Consumer Price Index: Provided, That an increase in the fee may not exceed ten percent of the total fee amount in a single year.

(8) The certificate is good for the life of the vehicle, so long as the vehicle is owned or held by the original holder of the certificate and need not be renewed annually, or any other time, except as provided in this section.

(9) If, by will or direct inheritance, a person becomes the owner of a motor vehicle and the tax imposed by this section previously has been paid to the Division of Motor Vehicles on that vehicle, he or she is not required to pay the tax.
(10) A person who has paid the tax imposed by this section is not required to pay the tax a second time for the same motor vehicle, but is required to pay a charge of $10 for the certificate of retitle of that motor vehicle, except that the tax shall be paid by the person when the title to the vehicle has been transferred either in this or another state from the person to another person and transferred back to the person. The Division of Motor Vehicles may adjust the fee for each original certificate of title every five years on September 1, based on the U. S. Department of Labor, Bureau of Labor Statistics most current Consumer Price Index: Provided, That an increase in such fee may not exceed ten percent of the total fee amount in a single year.

(11) The tax imposed by this section does not apply to any passenger vehicle offered for rent in the normal course of business by a daily passenger rental car business as licensed under the provisions of article six-d of this chapter. For purposes of this section, a daily passenger car means a Class A motor vehicle having a gross weight of eight thousand pounds or less and is registered in this state or any other state. In lieu of the tax imposed by this section, there is hereby imposed a tax of not less than $1 nor more than $1.50 for each day or part of the rental period. The commissioner shall propose an emergency rule in accordance with the provisions of article three, chapter twenty-nine-a of this code to establish this tax.

(12) The tax imposed by this article does not apply to the titling of any vehicle purchased by a senior citizen service organization which is exempt from the payment of income taxes under the United States Internal Revenue Code, Title 26 U. S. C. §501(c)(3) and which is recognized to be a bona fide senior citizen service organization by the Bureau of Senior Services existing under the provisions of article five-p, chapter sixteen of this code.

(13) The tax imposed by this section does not apply to the titling of any vehicle operated by an urban mass transit authority as defined in article twenty-seven, chapter eight of this code or a nonprofit entity exempt from federal and state income tax under the Internal Revenue Code and whose purpose is to provide mass transportation to the public at large designed for the
transportation of persons and being operated for the transportation of persons in the public
interest.

(14) The tax imposed by this section does not apply to the transfer of a title to a vehicle
owned and titled in the name of a resident of this state if the applicant:

(A) Was not a resident of this state at the time the applicant purchased or otherwise
acquired ownership of the vehicle;

(B) Presents evidence as the commissioner may require of having titled the vehicle in the
applicant’s previous state of residence;

(C) Has relocated to this state and can present such evidence as the commissioner may
require to show bona-fide residency in this state;

(D) Presents an affidavit, completed by the assessor of the applicant’s county of
residence, establishing that the vehicle has been properly reported and is on record in the office
of the assessor as personal property; and

(E) Makes application to the division for a title and registration, and pays all other fees
required by this chapter within thirty days of establishing residency in this state as prescribed in
subsection (a), section one-a of this article: Provided, That a period of amnesty of three months
be established by the commissioner during the calendar year 2007, during which time any
resident of this state, having titled his or her vehicle in a previous state of residence, may pay
without penalty any fees required by this chapter and transfer the title of his or her vehicle in
accordance with the provisions of this section.

(c) Notwithstanding any provisions of this code to the contrary, the owners of trailers,
semitrailers, recreational vehicles and other vehicles not subject to the certificate of title tax prior
to the enactment of this chapter are subject to the privilege tax imposed by this section: Provided,
That the certification of title of any recreational vehicle owned by the applicant on June 30, 1989,
is not subject to the tax imposed by this section: Provided, however, That mobile homes,
manufactured homes, modular homes and similar nonmotive propelled vehicles, except
recreational vehicles and house trailers, susceptible of being moved upon the highways but
primarily designed for habitation and occupancy, rather than for transporting persons or property,
or any vehicle operated on a nonprofit basis and used exclusively for the transportation of
intellectually disabled or physically disabled children when the application for certificate of
registration for the vehicle is accompanied by an affidavit stating that the vehicle will be operated
on a nonprofit basis and used exclusively for the transportation of intellectually disabled and
physically disabled children, are not subject to the tax imposed by this section, but are taxable
under the provisions of articles fifteen and fifteen-a, chapter eleven of this code.

(d) Beginning on July 1, 2008, the tax imposed under this subsection (b) of this section is
abolished and after that date no certificate of title for any motor vehicle may be issued to any
applicant unless the applicant provides sufficient proof to the Division of Motor Vehicles that the
applicant has paid the fees required by this article and the tax imposed under section three-c,
article fifteen, chapter eleven of this code.

(e) Any person making any affidavit required under any provision of this section who
knowingly swears falsely, or any person who counsels, advises, aids or abets another in the
commission of false swearing, or any person, while acting as an agent of the Division of Motor
Vehicles, issues a vehicle registration without first collecting the fees and taxes or fails to perform
any other duty required by this chapter or chapter eleven of this code to be performed before a
vehicle registration is issued is, on the first offense, guilty of a misdemeanor and, upon conviction
thereof, shall be fined not more than $500 or be confined in jail for a period not to exceed six
months or, in the discretion of the court, both fined and confined. For a second or any subsequent
conviction within five years, that person is guilty of a felony and, upon conviction thereof, shall be
fined not more than $5,000 or be imprisoned in a state correctional facility for not less than one
year nor more than five years or, in the discretion of the court, both fined and imprisoned.

(f) Notwithstanding any other provisions of this section, any person in the military stationed
outside West Virginia or his or her dependents who possess a motor vehicle with valid registration
are exempt from the provisions of this article for a period of nine months from the date the person
returns to this state or the date his or her dependent returns to this state, whichever is later.

g) No person may transfer, purchase or sell a factory-built home without a certificate of
title issued by the commissioner in accordance with the provisions of this article:

(1) Any person who fails to provide a certificate of title upon the transfer, purchase or sale
of a factory-built home is guilty of a misdemeanor and, upon conviction thereof, shall for the first
offense be fined not less than $100 nor more than $1,000, or be confined in jail for not more than
one year, or both fined and confined. For each subsequent offense, the fine may be increased to
not more than $2,000, with confinement in jail not more than one year, or both fined and confined.

(2) Failure of the seller to transfer a certificate of title upon sale or transfer of the factory-
built home gives rise to a cause of action, upon prosecution thereof, and allows for the recovery
of damages, costs and reasonable attorney fees.

(3) This subsection does not apply to a mobile or manufactured home for which a
certificate of title has been canceled pursuant to section twelve-b of this article.

(h) Notwithstanding any other provision to the contrary, whenever reference is made to
the application for or issuance of any title or the recordation or release of any lien, it includes the
application, transmission, recordation, transfer of ownership and storage of information in an
electronic format.

(i) Notwithstanding any other provision contained in this section, nothing herein shall be
considered to include modular homes as defined in subsection (i), section two, article fifteen,
chapter thirty-seven of this code and built to the state building code as established by legislative
rules promulgated by the State Fire Commission pursuant to section five-b, article three, chapter
twenty-nine of this code.

(j) The provisions of this section enacted in 2017 take effect on July 1, 2017.
ARTICLE 4. TRANSFERS OF TITLE OR INTEREST.

§17A-4-1. Registration expires on transfer by owner; transfer, surrender or retention of plates.

Whenever the owner of a registered vehicle transfers or assigns his or her title, or interest thereto, the registration of such vehicle shall expire: Provided, That such owner, if he or she has made application to the department within sixty days from the date of purchase to have said registration plates transferred to be used on another vehicle owned by said owner, may then operate the other vehicle for a period of sixty days, but in no event longer than sixty days from the date of original transfer. Upon such transfer, it shall be the duty of the original owner to retain the registration plates issued therefor and to immediately notify the commissioner of such transfer upon such form as may be provided therefor and to deliver to him or her the certificate of registration, whereupon the commissioner shall, upon the payment of a fee of $10, issue a new certificate showing the use to be made of such plates. The Division of Motor Vehicles may adjust the fee for each new certificate every five years on September 1, based on the U. S. Department of Labor, Bureau of Labor Statistics most current Consumer Price Index: Provided, That an increase in such fee may not exceed ten percent of the total fee amount in a single year. Such plates may then be used by such owner on another vehicle of the same class as the vehicle for which they were originally issued if such other vehicle does not require a greater license fee than was required for such original vehicle. If such other vehicle requires a greater license fee than such original vehicle, then such plates may be used by paying such difference to the commissioner. When such transfer of ownership is made to a licensed dealer in motor vehicles it shall be the duty of such dealer to immediately execute notification of transfer, in triplicate, and to have this notification properly signed by the owner making the transfer. The dealer shall immediately forward to the department the original copy of the notification of transfer. One copy of the notification of transfer shall be given to the owner and one shall be retained by the dealer. The owner shall immediately send to the department the transfer fee of $10 with any additional
fee that may be required under the terms of this chapter. The owner's copy, properly signed by
the dealer, will be the owner's identification until he or she receives a new registration card from
the department.

The owner of a set of registration plates may surrender them to the commissioner together
with the registration card and, upon the payment of $10 as an exchange fee and upon the payment
of such additional fees as are necessary to equalize the value of the plates surrendered with the
value of registration plates desired, receive in exchange a set of plates and registration card for
a vehicle of a different class.

§17A-4-10. Salvage certificates for certain wrecked or damaged vehicles; fee; penalty.

(a) In the event a motor vehicle is determined to be a total loss or otherwise designated
as totaled by an insurance company or insurer, and upon payment of a total loss claim to an
insured or claimant owner for the purchase of the vehicle, the insurance company or the insurer,
as a condition of the payment, shall require the owner to surrender the certificate of title: Provided,
That an insured or claimant owner may choose to retain physical possession and ownership of a
total loss vehicle. If the vehicle owner chooses to retain the vehicle and the vehicle has not been
determined to be a cosmetic total loss in accordance with subsection (d) of this section, the
insurance company or insurer shall also require the owner to surrender the vehicle registration
certificate. The term "total loss" means a motor vehicle which has sustained damages equivalent
to seventy-five percent or more of the market value as determined by a nationally accepted used
car value guide or meets the definition of a flood-damaged vehicle as defined in this section.

(b) The insurance company or insurer shall, prior to the payment of the total loss claim,
determine if the vehicle is repairable, cosmetically damaged or nonrepairable. Except as provided
in subsection (p) of this section, within ten days of payment of the total loss claim, the insurance
company or insurer shall surrender the certificate of title, a copy of the claim settlement, a
completed application on a form prescribed by the commissioner and the registration certificate if
the owner has chosen to keep the vehicle to the Division of Motor Vehicles.
(c) If the insurance company or insurer determines that the vehicle is repairable, the
division shall issue a salvage certificate, on a form prescribed by the commissioner, in the name
of the insurance company, the insurer or the vehicle owner if the owner has chosen to retain the
vehicle. The certificate shall contain, on the reverse, spaces for one successive assignment
before a new certificate at an additional fee is required. Upon the sale of the vehicle, the insurance
company, insurer or vehicle owner if the owner has chosen to retain the vehicle, shall complete
the assignment of ownership on the salvage certificate and deliver it to the purchaser. The vehicle
may not be titled or registered for operation on the streets or highways of this state unless there
is compliance with subsection (h) of this section. The division shall charge a fee of $22.50 for
each salvage title issued. The Division of Motor Vehicles may adjust the fee for each salvage title
every five years on September 1, based on the U. S. Department of Labor, Bureau of Labor
Statistics most current Consumer Price Index: Provided, That an increase in such fee may not
exceed ten percent of the total fee amount in a single year.

(d) If the insurance company or insurer determines the damage to a totaled vehicle is
exclusively cosmetic and no repair is necessary in order to legally and safely operate the motor
vehicle on the roads and highways of this state, the insurance company or insurer shall, upon
payment of the claim, submit the certificate of title to the division. Neither the insurance company
nor the division may require the vehicle owner to surrender the registration certificate in the event
of a cosmetic total loss settlement.

(1) The division shall, without further inspection, issue a title branded “cosmetic total loss”
to the insured or claimant owner if the insured or claimant owner wishes to retain possession of
the vehicle, in lieu of a salvage certificate. The division shall charge a fee of $22.50 for each
cosmetic total loss title issued. The terms “cosmetically damaged” and “cosmetic total loss” do
not include any vehicle which has been damaged by flood or fire. The designation “cosmetic total
loss” on a title may not be removed. The Division of Motor Vehicles may adjust the fee for each
cosmetic total loss title every five years on September 1, based on the U. S. Department of Labor,
Bureau of Labor Statistics most current Consumer Price Index: *Provided*, That an increase in such fee may not exceed ten percent of the total fee amount in a single year.

(2) If the insured or claimant owner elects not to take possession of the vehicle and the insurance company or insurer retains possession, the division shall issue a cosmetic total loss salvage certificate to the insurance company or insurer. The division shall charge a fee of $22.50 for each cosmetic total loss salvage certificate issued. The Division of Motor Vehicles may adjust the fee for each cosmetic total loss salvage certificate every five years on September 1, based on the U. S. Department of Labor, Bureau of Labor Statistics most current Consumer Price Index: *Provided*, That an increase in such fee may not exceed ten percent of the total fee amount in a single year. The division shall, upon surrender of the cosmetic total loss salvage certificate issued under the provisions of this paragraph and payment of the five percent motor vehicle sales tax on the fair market value of the vehicle as determined by the commissioner, issue a title branded "cosmetic total loss" without further inspection.

(e) If the insurance company or insurer determines that the damage to a totaled vehicle renders it nonrepairable, incapable of safe operation for use on roads and highways and as having no resale value except as a source of parts or scrap, the insurance company or vehicle owner shall, in the manner prescribed by the commissioner, request that the division issue a nonrepairable motor vehicle certificate in lieu of a salvage certificate. The division shall issue a nonrepairable motor vehicle certificate without charge.

(f) Any owner who scraps, compresses, dismantles or destroys a vehicle without further transfer or sale for which a certificate of title, nonrepairable motor vehicle certificate or salvage certificate has been issued shall, within forty-five days, surrender the certificate of title, nonrepairable motor vehicle certificate or salvage certificate to the division for cancellation.

(g) Any person who purchases or acquires a vehicle as salvage or scrap, to be dismantled, compressed or destroyed, shall, within forty-five days, surrender to the division the certificate of title, nonrepairable motor vehicle certificate, salvage certificate or a statement of cancellation.
signed by the seller, on a form prescribed by the commissioner. Subsequent purchasers of salvage or scrap are not required to comply with the notification requirement.

(h) If the motor vehicle is a "reconstructed vehicle" as defined in this section or section one, article one of this chapter, it may not be titled or registered for operation until it has been inspected by an official state inspection station and by the Division of Motor Vehicles. Following an approved inspection, an application for a new certificate of title may be submitted to the division. The applicant is required to retain all receipts for component parts, equipment and materials used in the reconstruction. The salvage certificate shall also be surrendered to the division before a certificate of title may be issued with the appropriate brand.

(i) The owner or title holder of a motor vehicle titled in this state which has previously been branded in this state or another state as salvage, reconstructed, cosmetic total loss, cosmetic total loss salvage, flood, fire, an equivalent term under another state's laws or a term consistent with the intent of the National Motor Vehicle Title Information System established pursuant to 49 U. S. C. §30502 shall, upon becoming aware of the brand, apply for and receive a title from the Division of Motor Vehicles on which the brand "reconstructed", "salvage", "cosmetic total loss", "cosmetic total loss salvage", "flood", "fire" or other brand is shown. The division shall charge a fee of $10 for each title so issued. The Division of Motor Vehicles may adjust the fee for each reconstructed, salvage, cosmetic total loss, cosmetic total loss salvage, flood, fire or other brand title issued every five years on September 1, based on the U. S. Department of Labor, Bureau of Labor Statistics most current Consumer Price Index: Provided, That an increase in such fee may not exceed ten percent of the total fee amount in a single year.

(j) If application is made for title to a motor vehicle, the title to which has previously been branded reconstructed, salvage, cosmetic total loss, cosmetic total loss salvage, flood, fire or other brand by the Division of Motor Vehicles under this section and said application is accompanied by a title from another state which does not carry the brand, the division shall, before issuing the title, affix the brand "reconstructed", "cosmetic total loss", "cosmetic total loss salvage", "flood", "fire" or other brand.
“flood”, “fire” or other brand to the title. The motor vehicle sales tax paid on a motor vehicle titled
as reconstructed, cosmetic total loss, flood, fire or other brand under the provisions of this section
shall be based on fifty percent of the fair market value of the vehicle as determined by a nationally
accepted used car value guide to be used by the commissioner.

(k) The division shall charge a fee of $22.50 for the issuance of each salvage certificate
or cosmetic total loss salvage certificate but shall not require the payment of the five percent motor
vehicle sales tax. The Division of Motor Vehicles may adjust the fee for each salvage certificate
or cosmetic total loss salvage certificate every five years on September 1, based on the U. S.
Department of Labor, Bureau of Labor Statistics most current Consumer Price Index: Provided,
That an increase in such fee may not exceed ten percent of the total fee amount in a single year.
However, upon application for a certificate of title for a reconstructed, cosmetic total loss, flood or
fire damaged vehicle or other brand, the division shall collect the five percent privilege tax on the
fair market value of the vehicle as determined by the commissioner unless the applicant is
otherwise exempt from the payment of such privilege tax. A wrecker/dismantler/rebuilder, licensed
by the division, is exempt from the payment of the five percent privilege tax upon titling a
reconstructed vehicle. The division shall collect a fee of $35 per vehicle for inspections of
reconstructed vehicles. These fees shall be deposited in a special fund created in the State
Treasurer’s office and may be expended by the division to carry out the provisions of this article:
Provided, That on and after July 1, 2007, any balance in the special fund and all fees collected
pursuant to this section shall be deposited in the State Road Fund. Licensed
wreckers/dismantlers/rebuilders may charge a fee not to exceed $25 for all vehicles owned by
private rebuilders which are inspected at the place of business of a wrecker/dismantler/rebuilder.

(l) As used in this section:

(1) “Reconstructed vehicle” means the vehicle was totaled under the provisions of this
section or by the provisions of another state or jurisdiction and has been rebuilt in accordance
with the provisions of this section or in accordance with the provisions of another state or
jurisdiction or meets the provisions of subsection (n), section one, article one of this chapter.

(2) "Flood-damaged vehicle" means that the vehicle was submerged in water to the extent
that water entered the passenger or trunk compartment.

(3) “Other brand” means a brand consistent with the intent of the National Motor Vehicle
Title Information System established pursuant to 49 U. S. C. §30502 and rules promulgated by
the United States Department of Justice to alert consumers, motor vehicle dealers or the
insurance industry of the history of a vehicle.

(m) Every vehicle owner shall comply with the branding requirements for a totaled vehicle
whether or not the owner receives an insurance claim settlement for a totaled vehicle.

(n) A certificate of title issued by the division for a reconstructed vehicle shall contain
markings in bold print on the face of the title that it is for a reconstructed, flood- or fire- damaged
vehicle.

(o) Any person who knowingly provides false or fraudulent information to the division that
is required by this section in an application for a title, a cosmetic total loss title, a reconstructed
vehicle title or a salvage certificate or who knowingly fails to disclose to the division information
required by this section to be included in the application or who otherwise violates the provisions
of this section is guilty of a misdemeanor and, upon conviction thereof, shall for each incident be
fined not less than $1,000 nor more than $2,500, or imprisoned in jail for not more than one year,
or both fined and imprisoned.

(p) Notwithstanding any other provision of law and with respect to a vehicle which the
vehicle owner has not chosen to retain, if an insurance company or insurer is unable to obtain the
properly endorsed certificate of title for a motor vehicle within thirty days of the payment of a total
loss claim, the insurance company or insurer, at any time thereafter, may apply to the Division of
Motor Vehicles for a salvage certificate, a cosmetic total loss salvage certificate or a nonrepairable
motor vehicle certificate as applicable. The application shall be accompanied by evidence that
the insurance company or insurer has paid a total loss claim on the vehicle, a copy of a written request for the certificate of title sent to the vehicle owner and any known lienholder by the insurance company or insurer or a designee of the insurance company or insurer, proof that the request was sent by certified mail, return receipt requested, to the last known address of the vehicle owner and any known lienholder, service to be complete upon the mailing thereof, and the required fee, if applicable. Upon receipt of a properly completed application, the division shall issue a salvage certificate, a cosmetic total loss salvage certificate or a nonrepairable motor vehicle certificate, as applicable, in the name of the insurance company or insurer. Such salvage certificate, cosmetic total loss salvage certificate or nonrepairable motor vehicle certificate shall be issued free and clear of all liens and claims of ownership.

(q) If an insurance company or insurer requests that an automobile auction take possession of a motor vehicle that is the subject of an insurance claim, and subsequently the insurance company denies coverage with respect to the motor vehicle or otherwise does not take ownership of the motor vehicle, the automobile auction may proceed as follows. At any time after the automobile auction has had possession of the motor vehicle for forty-five days, it may apply to the division for a salvage certificate or a nonrepairable motor vehicle certificate without surrendering the certificate of title for the motor vehicle. The application shall be accompanied by a copy of a written request, on the automobile auction’s letterhead, requesting that, upon payment of applicable charges, the vehicle be removed from the automobile auction’s facility, proof that the request was delivered by a nationally-recognized courier service or by certified mail to the vehicle owner and any known lienholder at least fifteen days before the date of the application, and the required fee, if applicable. Upon receipt of a properly completed application, the division shall issue a salvage certificate or a nonrepairable motor vehicle certificate, as applicable, in the name of the automobile auction. Such salvage certificate or nonrepairable motor vehicle certificate shall be issued free and clear of all liens and claims of ownership.
(r) An applicant pursuant to subsection (p) or (q) of this section shall indemnify and hold harmless the Division of Motor Vehicles from any liability arising from an error or misrepresentation made by such applicant in a submission to the division pursuant to subsection (p) or (q) of this section.

(s) The provisions of this article enacted in 2017 take effect on July 1, 2017.

(b) The division, upon issuing a driver's license, shall indicate on the license the type or general class or classes of vehicles the licensee may operate in accordance with this code, federal law or rule. Licenses shall be issued in different colors for those drivers under age eighteen, those drivers age eighteen to twenty-one and adult drivers. The commissioner is authorized to select and assign colors to the licenses of the various age groups.

(c) The following drivers’ licenses classifications are hereby established:

this code or federal law or rule: Provided, That anyone not required to be licensed under the
provisions of chapter seventeen-e of this code and federal law or rule and who operates a motor
vehicle registered or required to be registered as a Class A motor vehicle, as that term is defined
