WEST VIRGINIA LEGISLATURE

2017 SECOND EXTRAORDINARY SESSION

ENROLLED

Senate Bill 2005

BY SENATORS CARMICHAEL (MR. PRESIDENT) AND PREZIOSO

(BY REQUEST OF THE EXECUTIVE)

[Passed October 17, 2017; in effect from passage]
AN ACT finding and declaring a claim against the state and its agency to be a moral obligation of
the state; and directing the Auditor to issue warrants for the payment thereof.

Be it enacted by the Legislature of West Virginia:

§1. Finding and declaring a certain claim against New River Community and Technical
College to be a moral obligation of the state and directing payment thereof.

The Legislature has heretofore made findings of fact that the state has received the benefit
of the commodities received and/or services rendered by a certain claimant and has considered
this claim against the state and New River Community and Technical College, an agency thereof,
which has arisen due to over-expenditures of the departmental appropriations by officers of the
state spending unit, the claim having been previously considered by the Legislative Claims
Commission, which also found that the state has received the benefit of the commodities received
and/or services rendered by the claimant, but was denied by the Legislative Claims Commission
on the purely statutory grounds that to allow the claim would be condoning an act contrary to the
laws of the state. The Legislature, pursuant to its findings of fact and also by the adoption of the
findings of fact by the Legislative Claims Commission as its own, while not condoning such illegal
act, hereby declares it to be the moral obligation of the state to pay this claim in the amount
specified below and directs the Auditor to issue a warrant upon receipt of properly executed
requisitions supported by itemized invoices, statements, or other satisfactory documents as
required by section ten, article three, chapter twelve of the Code of West Virginia, 1931, as
amended, for the payment thereof out of any fund appropriated and available for the purpose.
