Enr. HB 2518

(13) Regulation of mail order pharmacies: Provided, That until the board establishes requirements that provide further conditions for pharmacists whom consult with or who provide pharmacist care to patients regarding prescriptions dispensed in this state by a mail order pharmacy, the pharmacist in charge of the out-of-state mail order pharmacy shall be licensed in West Virginia and any other pharmacist providing pharmacist care from the mail order pharmacy shall be licensed in the state where the pharmacy is located;

(14) Agreements with organizations to form pharmacist recovery networks;

(15) Create an alcohol or chemical dependency treatment program;

(16) Establish a ratio of pharmacy technicians to on-duty pharmacist operating in any outpatient, mail order or institutional pharmacy;

(17) Regulation of telepharmacy;

(18) The minimum standards for a charitable clinic pharmacy and rules regarding the applicable definition of a pharmacist-in-charge, who may be a volunteer, at charitable clinic pharmacies: Provided, That a charitable clinic pharmacy may not be charged any applicable licensing fees and such clinics may receive donated drugs;

(19) Establish standards for substituted drug products;

(20) Establish the regulations for E-prescribing;

(21) Establish the proper use of the automated data processing system;

(22) Registration and control of the manufacture and distribution of controlled substances within this state;

(23) Regulation of pharmacies;

(24) Sanitation and equipment requirements for wholesalers, distributors and pharmacies;

(25) Procedures for denying, suspending, revoking, reinstating or limiting the practice of a licensee, permittee or registrant;

(26) Regulations on prescription paper as provided in section five, article five-w, chapter sixteen;

(27) Regulations on controlled substances as provided in article two, chapter sixty-a;
(28) Regulations on manufacturing, distributing, or dispensing any controlled substance as provided in article three, chapter sixty-a;
(29) Regulations on wholesale drug distribution as provided in article eight, chapter sixty-a;
(30) Regulations on controlled substances monitoring as provided in article nine, chapter sixty-a;
(31) Regulations on Methamphetamine Laboratory Eradication Act as provided in article ten, chapter sixty-a;
(32) Establish and maintain an official prescription paper program; and
(33) Any other rules necessary to effectuate the provisions of this article.

(b) The board may provide an exemption to the pharmacist-in-charge requirement for the opening of a new retail pharmacy or during a declared emergency;

(c) The board, the Board of Medicine and the Board of Osteopathic Medicine shall jointly agree and propose rules concerning collaborative pharmacy practice for legislative approval in accordance with the provisions of article three, chapter twenty-nine-a of the code;

(d) The board with the advice of the Board of Medicine and the Board of Osteopathic Medicine shall propose rules for legislative approval in accordance with the provisions of article three, chapter twenty-nine-a of this code to perform influenza and pneumonia immunizations, on a person of eighteen years of age or older. These rules shall provide, at a minimum, for the following:

(1) Establishment of a course, or provide a list of approved courses, in immunization administration. The courses shall be based on the standards established for such courses by the Centers for Disease Control and Prevention in the public health service of the United States Department of Health and Human Services;

(2) Definitive treatment guidelines which shall include, but not be limited to, appropriate observation for an adverse reaction of an individual following an immunization;
(3) Prior to administration of immunizations, a pharmacist shall have completed a board approved immunization administration course and completed an American Red Cross or American Heart Association basic life-support training, and maintain certification in the same;
(4) Continuing education requirements for this area of practice;
(5) Reporting requirements for pharmacists administering immunizations to report to the primary care physician or other licensed health care provider as identified by the person receiving the immunization;
(6) Reporting requirements for pharmacists administering immunizations to report to the West Virginia Statewide Immunization Information (WVSII);
(7) That a pharmacist may not delegate the authority to administer immunizations to any other person; unless administered by a licensed pharmacy intern under the direct supervision of a pharmacist of whom both pharmacist and intern have successfully completed all board required training; and
(8) Any other provisions necessary to implement the provisions of this section.
(e) The board, the Board of Medicine and the Board of Osteopathic Medicine shall propose joint rules for legislative approval in accordance with the provisions of article three, chapter twenty-nine-a of this code to permit a licensed pharmacist or pharmacy intern to administer other immunizations such as Hepatitis A, Hepatitis B, Herpes Zoster, Human Papilloma Virus, and Tetanus. In addition, the joint rules shall permit a licensed pharmacist or pharmacy intern to administer influenza and Human Papilloma Virus immunizations to a person age eleven through eighteen, with written informed parental consent when presented with a prescription from a physician and there are no contraindications to that patient receiving that vaccine. These rules shall provide, at a minimum, the same provisions contained in subsection (d)(1) through (d)(8) of this section.
(f) All of the board's rules in effect and not in conflict with these provisions, shall remain in effect until they are amended or rescinded.
