Be it enacted by the Legislature of West Virginia:

That the Code of West Virginia, 1931, as amended, be amended by adding thereto a new section, designated §5B-2-9a, to read as follows:

ARTICLE 2. WEST VIRGINIA DEVELOPMENT OFFICE.

(a) It is hereby declared the public policy of the State of West Virginia and the intent of the Legislature to facilitate, advance and improve the availability of interstate passenger rail service to the state, the contributions of such service to local tourism development including the Boy Scouts of America Summit Bechtel Reserve in Fayette County, the marketing of such services for
both interstate rail travel for the benefit of the state's citizens, businesses and local tourism and
to improve the quality and frequency of such service, including the provision of a daily passenger
train service at the earliest opportunity, of the Cardinal Passenger Train operated by the National
Railroad Passenger Corporation, doing business as AMTRAK, on railroad lines crossing the
south-central region of the state from Huntington eastward to White Sulphur Springs, being that
same route historically and continuously used by the passenger train and its predecessors since
the year 1871.

(b) Notwithstanding any other provision of this code to the contrary, the Commissioner of
the Division of Tourism, with the advice of the tourism commission, and under the supervision of
the Secretary of the West Virginia Department of Commerce, is authorized and directed to
coordinate and supervise the activities of the state, to coordinate and cooperate with the political
subdivisions and municipalities of the state, to cooperate with the National Railroad Passenger
Corporation and with the other states served by the Cardinal Passenger Train to achieve the
public policy set forth in subsection (a) of this section. The commissioner is authorized to conduct
such studies, and make such investigations, as may be reasonable and appropriate to advance
the public policy set forth in subsection (a) of this section.

(c) The commissioner is hereby authorized to enter into contracts and memoranda of
understanding with the National Railroad Passenger Corporation, with the other states served by
the Cardinal Passenger Train, and with the political subdivisions and municipalities of this state,
to achieve the public policy set forth in subsection (a) of this section. The commissioner is further
authorized to cooperate with the aforesaid other states and National Railroad Passenger
Corporation in the formation of an interstate committee for the purpose of achieving the public

Funds paid into this account may also be derived from the following sources: (1) All interest or return on investment accruing to this account; (2) any gifts, grants, bequests, transfers, appropriations or other donations which may be received from any governmental entity or unit or any person, firm, foundation, or corporation; and (3) any appropriations by the Legislature which may be made for the purposes of this section.
