PART VII. TAXATION OF HORSE AND DOG RACING AND PARI-MUTUEL WAGERING; DISPOSITION OF REVENUES.

§19-23-10. Daily license tax; pari-mutuel pools tax; how taxes paid; alternate tax; credits.

(a) Any racing association conducting thoroughbred racing at any horse racetrack in this state shall pay each day upon which horse races are run a daily license tax of $250. Any racing association conducting harness racing at any horse racetrack in this state shall pay each day upon which horse races are run a daily license tax of $150. Any racing association conducting dog races shall pay each day upon which dog races are run a daily license tax of $150. In the event thoroughbred racing, harness racing, dog racing or any combination of the foregoing are conducted on the same day at the same racetrack by the same racing association, only one daily license tax in the amount of $250 shall be paid for that day. Any daily license tax shall not apply to any local, county or state fair, horse show or agricultural or livestock exposition at which horse racing is conducted for not more than six days.

(b) Any racing association licensed by the Racing Commission to conduct thoroughbred racing and permitting and conducting pari-mutuel wagering under the provisions of this article shall, in addition to the daily license tax set forth in subsection (a) of this section, pay to the Racing Commission, from the commission deducted each day by the licensee from the pari-mutuel pools on thoroughbred racing a tax calculated on the total daily contribution of all pari-mutuel pools conducted or made at any and every thoroughbred race meeting of the licensee licensed under the provisions of this article. The tax, on the pari-mutuel pools conducted or made each day during
the months of January, February, March, October, November and December, shall be calculated
at four-tenths of one percent of the pool; and, on the pari-mutuel pools conducted or made each
day during all other months, shall be calculated at one and four-tenths percent of the pool:

Provided, That out of the amount realized from the three-tenths of one percent decrease in the
tax effective for fiscal year 1991 and thereafter, which decrease correspondingly increases the
amount of commission retained by the licensee, the licensee shall annually expend or dedicate:
(i) One half of the realized amount for capital improvements in its barn area at the track, subject
to the Racing Commission’s prior approval of the plans for the improvements; and (ii) the
remaining one half of the realized amount for capital improvements as the licensee may determine
appropriate at the track. The term “capital improvement” shall be as defined by the Internal
Revenue Code: Provided, however, That any racing association operating a horse racetrack in
this state having an average daily pari-mutuel pool on horse racing of $280,000 or less per day
for the race meetings of the preceding calendar year shall, in lieu of payment of the pari-mutuel
pool tax, calculated as in this subsection, be permitted to conduct pari-mutuel wagering at the
horse racetrack on the basis of a daily pari-mutuel pool tax fixed as follows: On the daily pari-
mutuel pool not exceeding $300,000 the daily pari-mutuel pool tax shall be $1,000 plus the
otherwise applicable percentage rate imposed by this subsection of the daily pari-mutuel pool, if
any, in excess of $300,000: Provided further, That upon the effective date of the reduction of the
daily pari-mutuel pool tax to $1,000 from the former $2,000, the association or licensee shall daily
deposit $500 into the special fund for regular purses established by subdivision (1), subsection
(b), section nine of this article: And provided further, That if an association or licensee qualifying
for the foregoing alternate tax conducts more than one racing performance, each consisting of up
to thirteen races in a calendar day, the association or licensee shall pay both the daily license tax
imposed in subsection (a) of this section and the alternate tax in this subsection for each
performance: And provided further, That a licensee qualifying for the foregoing alternate tax is
excluded from participation in the fund established by section thirteen-b of this article: And
provided further, That this exclusion shall not apply to any thoroughbred racetrack at which the licensee has participated in the West Virginia Thoroughbred Development Fund for more than four consecutive years prior to December 31, 1992.

(c) Any racing association licensed by the Racing Commission to conduct harness racing and permitting and conducting pari-mutuel wagering under the provisions of this article shall, in addition to the daily license tax required under subsection (a) of this section, pay to the Racing Commission, from the commission deducted each day by the licensee from the pari-mutuel pools on harness racing, as a tax, three percent of the first $100,000 wagered, or any part thereof; four percent of the next $150,000; and five and three-fourths percent of all over that amount wagered each day in all pari-mutuel pools conducted or made at any and every harness race meeting of the licensee licensed under the provisions of this article.

(d) Any racing association licensed by the Racing Commission to conduct dog racing and permitting and conducting pari-mutuel wagering under the provisions of this article shall, in addition to the daily license tax required under subsection (a) of this section, pay to the Racing Commission, from the commission deducted each day by the licensee from the pari-mutuel pools on dog racing, as a tax, four percent of the first $50,000 or any part thereof of the pari-mutuel pools, five percent of the next $50,000 of the pari-mutuel pools, six percent of the next $100,000 of the pari-mutuel pools, seven percent of the next $150,000 of the pari-mutuel pools, and eight percent of all over $350,000 wagered each day: Provided, That the licensee shall deduct daily from the pari-mutuel tax an amount equal to one-tenth of one percent of the daily pari-mutuel pools in dog racing in fiscal year 1990; fifteen-hundredths of one percent in fiscal year 1991; two-tenths of one percent in fiscal year 1992; one quarter of one percent in fiscal year 1993; and three-tenths of one percent in fiscal year 1994 and every fiscal year thereafter. The amounts deducted shall be paid to the Racing Commission to be deposited by the Racing Commission in a banking institution of its choice in a special account to be known as West Virginia Racing Commission-Special Account-West Virginia Greyhound Breeding Development Fund: Provided, That effective
July 1, 2017, and thereafter, the amounts deducted and any other moneys required by this section to be deposited in the West Virginia Greyhound Breeding Development Fund shall instead be deposited into the State Excess Lottery Revenue Fund pursuant to section ten-a of this article: 

Provided, however, That effective July 1, 2017, and thereafter, any expenditures from the West Virginia Greyhound Breeding Development Fund required by this section shall be discontinued: 

Provided further, That effective July 1, 2017 and thereafter, all amounts required by this section to be deposited into any fund or paid for the purpose of funding purses, awards or provide any other funding for dog races shall be discontinued pursuant to section ten-a of this article. The purpose of the West Virginia Greyhound Breeding Development Fund is to promote better breeding, training track facilities and racing of greyhounds in the state through awards and purses to bona fide resident registered greyhound owners of accredited West Virginia whelped greyhounds. In order to participate and be eligible to receive an award or purse through the fund, the registered greyhound owner must have an appropriate license from the Racing Commission to race in West Virginia. The registered greyhound dam at the time of breeding must be wholly or solely owned or leased by a bona fide resident or residents of West Virginia. The accredited West Virginia whelped greyhound must be wholly or solely owned by a bona fide resident or residents of this state. To qualify as a bona fide resident of West Virginia, a registered greyhound owner may not claim residency in any other state. A registered greyhound owner must prove bona fide residency by providing to the commission personal income tax returns filed in the State of West Virginia for the most recent tax year and the three previous tax years, has real or personal property in this state on which the owner has paid real or personal property taxes during the most recent tax year and the previous three tax years and an affidavit stating that the owner claims no other state of residency. The Racing Commission shall maintain a registry for West Virginia bred greyhounds. The moneys shall be expended by the Racing Commission for purses for stake races, training track facilities, supplemental purse awards, administration, promotion, education and greyhound adoption programs involving West Virginia whelped dogs, owned by residents of
this state under rules promulgated by the Racing Commission. The Racing Commission shall pay
out of the greyhound breeding development fund to each of the licensed dog racing tracks the
sum of $75,000 for the fiscal year ending June 30, 1994. The licensee shall deposit the sum into
the special fund for regular purses established under the provisions of section nine of this article.
The funds shall be expended solely for the purpose of supplementing regular purses under rules
promulgated by the Racing Commission.

Supplemental purse awards will be distributed as follows: Supplemental purses shall be
paid directly to the registered greyhound owner of an accredited greyhound.

The registered greyhound owner of accredited West Virginia whelped greyhounds that
earn points at any West Virginia meet will receive a bonus award calculated at the end of each
month as a percentage of the fund dedicated to the owners as purse supplements, which shall be
a minimum of fifty percent of the total moneys deposited into the West Virginia Greyhound
Breeding Development Fund monthly.

The total amount of the fund available for the owners’ awards shall be distributed
according to the ratio of points earned by an accredited greyhound to the total amount earned in
races by all accredited West Virginia whelped greyhounds for that month as a percentage of the
funds dedicated to the owners’ purse supplements. The point value at all greyhound tracks shall
be the same as approved by the Racing Commission to be effective April 1, 2007. The West
Virginia Greyhound Owners and Breeders Association shall submit a list of any additions or
deletions to the registry of accredited West Virginia whelped greyhounds on the first of each
month. The Racing Commission shall not require anyone to be a member of a particular
association in order to participate in the West Virginia Greyhound Breeding Development Fund.

The registered greyhound owner of an accredited West Virginia whelped greyhound shall
file a purse distribution form with the Racing Commission for a percentage of his or her dog’s
earnings to be paid directly to the registered greyhound owner or owners of the greyhound.
Distribution shall be made on the fifteenth day of each month for the preceding month's achievements.

In no event shall points earned at a meet held at a track which did not make contributions to the West Virginia Greyhound Breeding Development Fund out of the daily pool on the day the meet was held qualify or count toward eligibility for supplemental purse awards.

Any balance in the purse supplement funds after all distributions have been made for the year revert to the general account of the fund for distribution in the following year: Provided, That not more than $2 million from the balance in the purse supplemental fund shall be used for the construction and maintenance of two dog training track facilities if such be approved by the Racing Commission: Provided, however, That not more than $1 million may be allocated for the construction and maintenance of each training track: Provided further, That both training track facilities must be located in West Virginia. The West Virginia Racing Commission shall be authorized to promulgate rules governing dog training tracks: And provided further, That the Racing Commission shall: (1) Provide a process in its rules for competitive bidding of the construction or maintenance, or both, of the training tracks; and (2) set standards to assure that only the actual costs of construction and maintenance shall be paid out of the foregoing fund.

In an effort to further promote the breeding of quality West Virginia whelped greyhounds, a bonus purse supplement shall be established in the amount of $50,000 per annum, to be paid in equal quarterly installments of $12,500 per quarter using the same method to calculate and distribute these funds as the regular supplemental purse awards. This bonus purse supplement is for three years only, commencing on July 1, 1993, and ending June 30, 1996. This money would come from the current existing balance in the greyhound development fund.

Each pari-mutuel greyhound track shall provide stakes races for accredited West Virginia whelped greyhounds: Provided, That each pari-mutuel track shall have one juvenile and one open stake race annually. Each pari-mutuel dog track shall provide at least three restricted races for accredited West Virginia whelped greyhounds per race card: Provided, however, That sufficient
dogs are available. To assure breeders of accredited West Virginia whelped greyhounds an opportunity to participate in the West Virginia Greyhound Breeding Development Fund the West Virginia Racing Commission by July 1, each year shall establish and announce the minimum number of accredited West Virginia whelped greyhounds that greyhound racing kennels at West Virginia dog tracks must have on their racing active list during the calendar year following such action. The minimum number may vary from dog track to dog track. The minimum number shall be established after consultation with the West Virginia Greyhound Owners and Breeders Association and kennel owners and operators. Factors to be considered in establishing this minimum number shall be the number of individually registered accredited West Virginia whelped greyhounds whelped in the previous two years. The number of all greyhounds seeking qualification at each West Virginia dog track, the ratio of active running greyhounds to housed number of greyhounds at each West Virginia dog track, and the size and number of racing kennels at each West Virginia dog track. Any greyhound racing kennel not having the minimum number of accredited West Virginia whelped greyhounds determined by the West Virginia Racing Commission on their active list shall only be permitted to race the maximum allowable number on the active list less the number of accredited West Virginia whelped greyhounds below the established minimum number. Consistent violations of this minimum requirement may be reviewed by the Racing Commission and may constitute cause for denial or revocation of a kennel's racing license. The Racing Commission shall oversee and approve racing schedules and purse amounts.

Ten percent of the deposits into the Greyhound Breeding Development Fund beginning July 1, 1993 and continuing each year thereafter, shall be withheld by the Racing Commission and placed in a special revenue account hereby created in the State Treasury called the Administration, Promotion, Education, Capital Improvement and Greyhound Adoption Programs to include Spaying and Neutering Account. The Racing Commission is authorized to expend the moneys deposited in the Administration, Promotion, Education, Capital Improvement and
Greyhound Adoption Programs to include Spaying and Neutering Account at such times and in such amounts as the commission determines to be necessary for purposes of administering and promoting the greyhound development program: Provided, That beginning with fiscal year 1995 and in each fiscal year thereafter in which the commission anticipates spending any money from the account, the commission shall submit to the executive department during the budget preparation period prior to the Legislature convening before that fiscal year for inclusion in the Executive Budget Document and Budget Bill, the recommended expenditures, as well as requests of appropriations for the purpose of administration, promotion, education, capital improvement and greyhound adoption programs to include spaying and neutering. The commission shall make an annual report to the Legislature on the status of the Administration, Promotion, Education, Capital Improvement and Greyhound Adoption Programs to include Spaying and Neutering Account, including the previous year's expenditures and projected expenditures for the next year. The Racing Commission, for the fiscal year 1994 only, may expend up to $35,000 from the West Virginia Greyhound Breeding Development Fund to accomplish the purposes of this section without strictly following the requirements in the previous paragraph.

(e) All daily license and pari-mutuel pools tax payments required under the provisions of this section shall be made to the Racing Commission or its agent after the last race of each day of each horse or dog race meeting, and the pari-mutuel pools tax payments shall be made from all contributions to all pari-mutuel pools to each and every race of the day.

(f) Every association or licensee subject to the provisions of this article, including the changed provisions of sections nine and ten of this article, shall annually submit to the Racing Commission and the Legislature financial statements, including a balance sheet, income statement, statement of change in financial position and an audit of any electronic data system used for pari-mutuel tickets and betting, prepared in accordance with generally accepted auditing standards, as certified by an experienced public accountant or a certified public accountant.
§19-23-10a. West Virginia Greyhound Breeding Development Fund; transfer of current funds and future deposits.

(a) Notwithstanding any other provision of this code, effective July 1, 2017, the West Virginia Greyhound Breeding Development Fund created in section ten of this article is discontinued. On or before July 1, 2017, all amounts remaining in the West Virginia Greyhound Breeding Development Fund shall be transferred to the State Excess Lottery Revenue Fund created in section eighteen-a, article twenty-two, chapter twenty-nine of this code for appropriation by the Legislature: Provided, That $1 million shall be withheld by the Racing Commission and placed in the special revenue account called the Administration, Promotion, Education, Capital Improvement and Greyhound Adoption Programs to include Spaying and Neutering Account created in subsection (d), section ten of this article, to be allocated specifically to facilitate care for and adoption of, or placement in, no-kill animal shelters of accredited West Virginia whelped greyhounds actively running at each West Virginia dog track.

(b) Notwithstanding any other provision of this code, effective July 1, 2017, and thereafter, all amounts required to be deposited into the West Virginia Greyhound Breeding Development Fund prior to the enactment of this section shall, in lieu thereof, be deposited into the State Excess Lottery Revenue Fund for appropriation by the Legislature: Provided, That net terminal lottery income shall be distributed as provided in subdivision (5), subsection (c), section ten, article twenty-two-a, chapter twenty-nine of this code and subdivision (5), subsection (a), section ten-b of said article.

(c) Notwithstanding any other provision of this code, effective July 1, 2017, and thereafter, all amounts required to be deposited into any fund or paid for the purpose of funding purses, awards or providing any other funding for greyhound races shall, in lieu thereof, be deposited into State Excess Lottery Fund for appropriation by the Legislature.

(a) For the purposes of this section:
(1) “Televised racing day” means a calendar day, assigned by the commission, at a licensed racetrack on which pari-mutuel betting is conducted on horse or dog races run at other racetracks in this state or at racetracks outside of this state which are broadcast by television at a licensed racetrack and which day or days have had the prior written approval of the representative of the majority of the owners and trainers who hold permits required by section two of this article; and

(2) “Host racing association” means any person who, pursuant to a license or other permission granted by the host governmental entity, conducts the horse or dog race upon which wagers are placed.

(b) (1) A licensee conducting not less than two hundred twenty live racing dates for each horse or dog race meeting may, with the prior approval of the state Racing Commission, contract with any legal wagering entity in this state or in any other governmental jurisdiction to receive telecasts and accept wagers on races conducted by the legal wagering entity: Provided, That effective July 1, 2017, and thereafter, a licensee that was licensed prior to January 1, 1994 to conduct dog racing is not required to conduct a minimum number of live racing dates to contract with a legal wagering entity in this state or in any other governmental jurisdiction to receive telecasts and accept wagers on dog and horse races: Provided, however, That at those thoroughbred racetracks the licensee, in applying for racing dates, shall apply for not less than two hundred ten live racing dates for each horse race meeting: Provided further, That at those thoroughbred racetracks that have participated in the West Virginia Thoroughbred Development Fund for a period of more than four consecutive calendar years prior to December 31, 1992, the licensee may apply for not less than one hundred fifty-nine live racing dates during the calendar year 1997. If, thereafter, for reasons beyond the licensee’s control, related to adverse weather conditions, unforeseen casualty occurrences or a shortage of thoroughbred horses eligible to compete for purses, the licensee concludes that this number of racing days cannot be attained, the licensee may file a request with the Racing Commission to reduce the authorized live racing
days. Upon receipt of the request the Racing Commission shall within seventy-two hours of the
receipt of the request notify the licensee and the representative of a majority of the owners and
trainers at the requesting track and the representative of the majority of the mutuel clerks at the
requesting track that such request has been received and that if no objection to the request is
received within ten days of the notification the request will be approved: And provided further,
That the commission shall give consideration to whether there existed available unscheduled
potential live racing dates following the adverse weather or casualty and prior to the end of the
race meeting which could be used as new live racing dates in order to maintain the full live racing
schedule previously approved by the Racing Commission. If an objection is received by the
commission within the time limits, the commission shall, within thirty days of receipt of such
objection, set a hearing on the question of reducing racing days, which hearing shall be conducted
at a convenient place in the county in which the requesting racetrack is located. The commission
shall hear from all parties concerned and, based upon testimony and documentary evidence
presented at the hearing, shall determine the required number of live racing days: And provided
further, That the commission shall not reduce the number of live racing days below one hundred
eighty-five days for a horse race meeting unless the licensee requesting such reduction has: (i)
Filed with the commission a current financial statement, which shall be subject to independent
audit; and (ii) met the burden of proving that just cause exists for such requested reduction in live
racing days. The telecasts may be received and wagers accepted at any location authorized by
the provisions of section twelve-a of this article. The contract must receive the approval of the
representative of the majority of the owners and trainers who hold permits required by section two
of this article at the receiving thoroughbred racetrack.

(2) A facility that was licensed prior to January 1, 1994, to conduct dog racing is required
to hold a racing license to receive telecasts and accept wagers on dog and horse races,
regardless of whether the facility continues to conduct live dog racing.
(3) The commission shall have authority to promulgate rules, including emergency rules, in accordance with article three, chapter twenty-nine-a of this code, as it deems necessary to implement and efficiently administer the requirement of subdivision (2) of this subsection: Provided, That the rules are to be consistent with the rules promulgated for pari-mutuel wagering on televised races at live racetracks.

(c) The commission may allow the licensee to commingle its wagering pools with the wagering pools of the host racing association. If the pools are commingled, the wagering at the licensee's racetrack must be on tabulating equipment capable of issuing pari-mutuel tickets and be electronically linked with the equipment at the sending racetrack. Subject to the approval of the commission, the types of betting, licensee commissions and distribution of winnings on pari-mutuel pools of the sending licensee racetrack are those in effect at the licensee racetrack. Breakage for pari-mutuel pools on a televised racing day must be calculated in accordance with the law or rules governing the sending racetrack and must be distributed in a manner agreed to between the licensee and the sending racetrack. For the televised racing services it provides, the host racing association shall receive a fee to be paid by the receiving licensee racetrack which shall be in an amount to be agreed upon by the receiving licensee racetrack and the host racing association.

(d) The commission may assign televised racing days at any time. When a televised racing day is assigned, the commission shall assign either a steward or an auditor to preside over the televised races at the licensee racetrack.

(e) (1) From the licensee commissions authorized by subsection (c) of this section, the licensee shall pay one tenth of one percent of each commission into the general fund of the county, in which the racetrack is located and at which the wagering occurred and there is imposed and the licensee shall pay, for each televised racing day on which the total pari-mutuel pool exceeds $100,000, the greater of either: (i) The total of the daily license tax and the pari-mutuel pools tax required by section ten of this article; or (ii) a daily license tax of $1,250. For each
televised racing day on which the total pari-mutuel pool is $100,000 or less, the licensee shall pay
a daily license tax of $500 plus an additional license tax of $100 for each $10,000, or part thereof,
that the pari-mutuel pool exceeds $50,000, but does not exceed $100,000. The calculation of the
total pari-mutuel pool for purposes of this subsection shall include only one half of all wagers
placed at a licensed racetrack in this state on televised races conducted at another licensed
racetrack within this state. Payments of the tax imposed by this section are subject to the
requirements of subsection (e), section ten of this article.

(2) From the licensee commissions authorized by subsection (c) of this section, after
payments are made in accordance with the provisions of subdivision (1) of this subsection, the
licensee shall pay, for each televised racing day, one-fourth of one percent of the total pari-mutuel
pools for and on behalf of all employees of the licensed racing association by making a deposit
into a special fund to be established by the Racing Commission and to be used for payments into
the pension plan for all employees of the licensed racing association.

(3) From the licensee commissions authorized by subsection (c) of this section, after
payments are made in accordance with the provisions of subdivisions (1) and (2) of this
subsection, thoroughbred licensees shall pay, one-half percent of net simulcast income and for
each televised racing day on or after July 1, 1997, an additional five and one-half percent of net
simulcast income into the West Virginia Thoroughbred Development Fund established by the
Racing Commission according to section thirteen-b of this article: Provided, That no licensee
qualifying for the alternate tax provisions of subsection (b), section ten of this article shall be
required to make the payments unless the licensee has participated in the West Virginia
Thoroughbred Development Fund for a period of more than four consecutive calendar years prior
to December 31, 1992. For the purposes of this section, the term “net simulcast income” means
the total commission deducted each day by the licensee from the pari-mutuel pools on simulcast
horse or dog races, less direct simulcast expenses, including, but not limited to, the cost of
simulcast signals, telecommunication costs and decoder costs.
(f) After deducting the tax and other payments required by subsection (e) of this section, the amount required to be paid under the terms of the contract with the host racing association and the cost of transmission, the horse racing association shall make a deposit equal to fifty percent of the remainder into the purse fund established under the provisions of subdivision (1), subsection (b), section nine of this article. After deducting the tax and other payments required by subsection (e) of this section, dog racetracks shall pay an amount equal to two-tenths of one percent of the daily simulcast pari-mutuel pool to the West Virginia Racing Commission Special Account-West Virginia Greyhound Breeding Development Fund: Provided, That effective July 1, 2017, and thereafter, the amount required to be paid to the West Virginia Greyhound Breeding Development Fund by this subsection shall instead be paid to the State Excess Lottery Revenue Fund pursuant to section ten-a of this article.

(g) The provisions of the Federal Interstate Horseracing Act of 1978, also known as Public Law 95-515, Section 3001-3007 of Title 15, U. S. Code, as amended, controls in determining the intent of this section.

§19-23-13. Disposition of funds for payment of outstanding and unredeemed pari-mutuel tickets; publication of notice; irredeemable tickets; payment of past obligations.

(a) All moneys held by any licensee for the payment of outstanding and unredeemed pari-mutuel tickets, if not claimed within ninety days after the close of a horse or dog race meeting or the televised racing day, as the case may be, in connection with which the tickets were issued, shall be turned over by the licensee to the Racing Commission within fifteen days after the expiration of the ninety-day period, and the licensee shall give any information required by the Racing Commission concerning the outstanding and unredeemed tickets. The moneys shall be deposited by the Racing Commission in a banking institution of its choice in a special account to
be known as West Virginia Racing Commission Special Account - Unredeemed Pari-Mutuel Tickets. Notice of the amount, date and place of each deposit shall be given by the Racing Commission, in writing, to the State Treasurer. The Racing Commission shall then cause to be published a notice to the holders of the outstanding and unredeemed pari-mutuel tickets, notifying them to present their unredeemed tickets for payment at the principal office of the Racing Commission within ninety days from the date of the publication of the notice. The notice shall be published within fifteen days following the receipt of the outstanding and unredeemed pari-mutuel ticket moneys by the commission from the licensee as a Class I legal advertisement in compliance with the provisions of article three, chapter fifty-nine of this code, and the publication area for the publication shall be the county in which the horse or dog race meeting was held and the county in which the televised racing day wagering was conducted in this state.

(b) Any outstanding and unredeemed pari-mutuel tickets that are not presented for payment within ninety days from the date of the publication of the notice are thereafter irredeemable, and the moneys theretofore held for the redemption of the pari-mutuel tickets shall become the property of the Racing Commission and shall be expended as provided in subsections (c) and (d) of this section. The Racing Commission shall maintain separate accounts for each licensee and shall record in each separate account the moneys turned over by the licensee and the amount expended at the licensee’s track for the purposes set forth in this subsection.

(c) In the fiscal year beginning on July 1, 2010, the Racing Commission shall keep separate the unredeemed pari-mutuel tickets received from each of the two licensee horse racetracks.

(1) The unredeemed pari-mutuel tickets attributable to each licensee horse racetrack together with funds distributed pursuant to section eighteen-a, article twenty-two, chapter twenty-nine of this code shall be used for claims received pursuant to this subsection by the Racing Commission each calendar quarter: Provided, That the first distribution after the effective date of
amendments to this section made during the 2010 regular legislative session shall not occur until February 2011 and then each calendar quarter thereafter. Any claims made pursuant to this subsection must be submitted to the Racing Commission no later than fifteen days after the race where the funds are awarded. The funds in the two special accounts - unredeemed pari-mutuel tickets shall be distributed based on claims received from each horse racetrack as follows:

(A) To the owner of the winning horse in any horse race at a horse race meeting held or conducted by any licensee: *Provided, That the owner of the horse is at the time of the horse race a bona fide resident of this state, a sum equal to ten percent of the purse won by the horse at that race: Provided, however, That in the event there are more than ten races in any performance, the award to the resident owner of the winning horse will be that fractional share of the purse with a numerator of one and a denominator representing the number of races on the day of the performance. The commission may require proof that the owner was, at the time of the race, a bona fide resident of this state. Upon proof by the owner that he or she filed a personal income tax return in this state for the previous two years and that he or she owned real or personal property in this state and paid taxes in this state on real or personal property for the previous two years, he or she shall be presumed to be a bona fide resident of this state; and

(B) To the breeder (that is the owner of the mare) of the winning horse in any horse race at a horse race meeting held or conducted by any licensee: *Provided, That the mare foaled in this state, a sum equal to ten percent of the purse won by the horse: Provided, however, That in the event there are more than ten races in any performance, the award to the breeder will be that fractional share of the purse with a numerator of one and a denominator representing the number of races on the day of the performance; and

(C) To the owner of the stallion which sired the winning horse in any horse race at a horse race meeting held or conducted by any licensee: *Provided, That the mare which foaled the winning horse was served by a stallion standing and registered in this state, a sum equal to ten percent of the purse won by the horse: Provided, however, That in the event there are more than ten races in any performance, the award to the breeder will be that fractional share of the purse with a numerator of one and a denominator representing the number of races on the day of the performance; and
ten races in any performance, the award to the owner of the stallion will be percentage of the purse based upon the fractional share represented by the number of races on the day of the performance.

(2) If in any calendar quarter insufficient funds are available in each licensee horse racetrack's special account - unredeemed pari-mutuel tickets administered by the Racing Commission for payments pursuant to subdivision (1), payments shall be made on a pro rata basis pursuant to paragraphs (A), (B) and (C), subdivision (1) of this subsection of the claims submitted from races won at each horse racetrack. Once payments on each claim are made, whether in full or on a pro rata basis, no further obligation for payment is created by this subdivision. Claims received after the deadline are not valid.

(3) If after paying any claims pursuant to this subsection and funds remain in the accounts, those funds shall carry over to the next calendar quarter. If in any quarter the surplus in either account reaches a balance of $1 million, then that surplus balance shall be placed in to the regular purse fund of that licensee horse racetrack whose unredeemed pari-mutuel account achieves the surplus.

(d) Any unredeemed pari-mutuel tickets received from licensee dog racetracks shall be combined into a single balance and distributed quarterly to the West Virginia Racing Commission special account - West Virginia Greyhound Breeding Development Fund: Provided, That effective July 1, 2017, and thereafter, the balance shall instead be distributed to the State Excess Lottery Revenue Fund pursuant to section ten-a of this article. The deposit made pursuant to this subsection does not create a continuing obligation of payment except to the extent that there are unredeemed pari-mutuel tickets from the licensee dog racetracks.

(e) The amendments to this section made during the 2010 regular legislative session shall become effective July 1, 2010.

(f) The Racing Commission shall satisfy obligations of the prior enactment of this section for all claims received on purses won on or before June 30, 2010. Claimants must submit all

89 last day of the fiscal year which began July 1, 2009, shall be made to the nonappropriated fund
90 with the State Treasurer known as the Unredeemed Pari-Mutuel Tickets Fund. The Racing
91 Commission shall also transfer to the account with the State Treasurer moneys from the Racing
92 Commission Special Account - Unredeemed Pari-Mutuel Tickets for deposits received in each of
93 those accounts that have been credited with unredeemed pari-mutuel tickets for races completed
94 at any licensee racetrack as of June 30, 2010, and any other moneys appropriated by the
95 Legislature. Unredeemed pari-mutuel tickets for races completed after June 30, 2010 must remain
96 in the special accounts - unredeemed pari-mutuel tickets to satisfy future payments pursuant to
97 this section.

98 (2) The Racing Commission is authorized to pay claims received for races completed on
99 or before June 30, 2010, without regard to date of deposit or date of claim. Claims shall be paid

102 30, 2010, shall extinguish any further obligation by the state with respect to those claims.

103 (g) The commission shall submit to the Legislative Auditor a quarterly report and
104 accounting of the income and expenditures in the special account created by this section known
105 as the West Virginia Racing Commission Special Account - Unredeemed Pari-Mutuel Tickets.

106 (h) Nothing contained in this article shall prohibit one person from qualifying for all or more
107 than one of the aforesaid awards or for awards under section thirteen-b of this article.

108 (i) The cost of publication of the notice provided for in this section shall be paid from the
109 funds in the hands of the State Treasurer collected from the pari-mutuel pools' tax provided for in
110 section ten of this article, when not otherwise provided in the budget; but no such costs shall be
111 paid unless an itemized account thereof, under oath, be first filed with the State Auditor.
(j) The Racing Commission is authorized to promulgate emergency rules, prior to September 1, 2010, to incorporate the revisions to this article enacted during the 2010 regular legislative session.

Each racetrack’s share of each year’s deposit shall be calculated in the same ratio as each racetrack’s apportioned contribution to the four percent administrative costs and expenses allowance provided for in subdivision (1),
subsection (b) of this section for that year. For each two dollars expended by a licensed racetrack for facility modernization improvements at the racetrack, having a useful life of three or more years and placed in service after July 1, 2011, the licensed racetrack shall receive $1 in recoupment from its facility modernization account. If the licensed racetrack’s facility modernization account contains a balance in any fiscal year, the unexpended balance from that fiscal year will be available for matching for one additional fiscal year, after which time, the remaining unused balance carried forward shall revert to the lottery fund. For purposes of this section, the term “facility modernization improvements” includes acquisitions of new and unused video lottery terminals and related equipment. The licensed racetrack’s share is in lieu of all lottery agent commissions and is considered to cover all costs and expenses required to be expended by the licensed racetrack in connection with video lottery operations. The division shall be made as follows:

(1) The commission shall receive thirty percent of net terminal income, which shall be paid into the State Lottery Fund as provided in section ten-a of this article;

(2) Until July 1, 2005, fourteen percent of net terminal income at a licensed racetrack shall be deposited in the special fund established by the licensee, and used for payment of regular purses in addition to other amounts provided in article twenty-three, chapter nineteen of this code, on and after July 1, 2005, the rate shall be seven percent of net terminal income;

(9)(A) On and after July 1, 2005, seven percent of net terminal income shall be deposited
into the Workers’ Compensation Debt Reduction Fund created in section five, article two-d,
chapter twenty-three of this code: Provided, That in any fiscal year when the amount of money
generated by this subdivision totals $11 million, all subsequent distributions under this subdivision
shall be deposited in the special fund established by the licensee and used for the payment of
regular purses in addition to the other amounts provided in article twenty-three, chapter nineteen
of this code;

(B) The deposit of the seven percent of net terminal income into the Worker’s
Compensation Debt Reduction Fund pursuant to this subdivision shall expire and not be imposed
with respect to these funds and shall be deposited in the special fund established by the licensee and used for payment of regular purses in addition to the other amounts provided in article twenty-three, chapter nineteen of this code, on and after the first day of the month following the month in which the Governor certifies to the Legislature that: (i) The revenue bonds issued pursuant to article two-d, chapter twenty-three of this code, have been retired or payment of the debt service provided for; and (ii) that an independent certified actuary has determined that the unfunded liability of the old fund, as defined in chapter twenty-three of this code, has been paid or provided for in its entirety; and

(10) The remaining one percent of net terminal income shall be deposited as follows:

(A) For the fiscal year beginning July 1, 2003, the veterans memorial program shall receive one percent of the net terminal income until sufficient moneys have been received to complete the veterans memorial on the grounds of the State Capitol Complex in Charleston, West Virginia. The moneys shall be deposited in the State Treasury in the Division of Culture and History special fund created under section three, article one-i, chapter twenty-nine of this code: Provided, That only after sufficient moneys have been deposited in the fund to complete the veterans memorial and to pay in full the annual bonded indebtedness on the veterans memorial, not more than $20,000 of the one percent of net terminal income provided in this subdivision shall be deposited into a special revenue fund in the State Treasury, to be known as the John F. “Jack” Bennett Fund. The moneys in this fund shall be expended by the Division of Veterans Affairs to provide for the placement of markers for the graves of veterans in perpetual cemeteries in this state. The Division of Veterans Affairs shall promulgate legislative rules pursuant to the provisions of article three, chapter twenty-nine-a of this code specifying the manner in which the funds are spent, determine the ability of the surviving spouse to pay for the placement of the marker and setting forth the standards to be used to determine the priority in which the veterans grave markers will be placed in the event that there are not sufficient funds to complete the placement of veterans grave markers in any one year, or at all. Upon payment in full of the bonded indebtedness on the
veterans memorial, $100,000 of the one percent of net terminal income provided in this subdivision shall be deposited in the special fund in the Division of Culture and History created under section three, article one-i, chapter twenty-nine of this code and be expended by the Division of Culture and History to establish a West Virginia Veterans Memorial Archives within the Cultural Center to serve as a repository for the documents and records pertaining to the veterans memorial, to restore and maintain the monuments and memorial on the capitol grounds: Provided, however, That $500,000 of the one percent of net terminal income shall be deposited in the State Treasury in a special fund of the Department of Administration, created under section five, article four, chapter five-a of this code, to be used for construction and maintenance of a parking garage on the State Capitol Complex; and the remainder of the one percent of net terminal income shall be deposited in equal amounts in the Capitol Dome and Improvements Fund created under section two, article four, chapter five-a of this code and Cultural Facilities and Capitol Resources Matching Grant Program Fund created under section three, article one of this chapter.

(B) For each fiscal year beginning after June 30, 2004:

(i) Five hundred thousand dollars of the one percent of net terminal income shall be deposited in the State Treasury in a special fund of the Department of Administration, created under section five, article four, chapter five-a of this code, to be used for construction and maintenance of a parking garage on the State Capitol Complex; and

(ii) The remainder of the one percent of net terminal income and all of the one percent of net terminal income described in paragraph (B), subdivision (9), subsection (a), section ten-b of this article shall be distributed as follows: The net terminal income shall be deposited in equal amounts into the Capitol Dome and Capitol Improvements Fund created under section two, article four, chapter five-a of this code and the Cultural Facilities and Capitol Resources Matching Grant Program Fund created under section three, article one, chapter twenty-nine of this code until a total of $1,500,000 is deposited into the Cultural Facilities and Capitol Resources Matching Grant
Program Fund; thereafter, the remainder shall be deposited into the Capitol Dome and Capitol Improvements Fund.

(d) Each licensed racetrack shall maintain in its account an amount equal to or greater than the gross terminal income from its operation of video lottery machines, to be electronically transferred by the commission on dates established by the commission. Upon a licensed racetrack’s failure to maintain this balance, the commission may disable all of a licensed racetrack’s video lottery terminals until full payment of all amounts due is made. Interest shall accrue on any unpaid balance at a rate consistent with the amount charged for state income tax delinquency under chapter eleven of this code. The interest shall begin to accrue on the date payment is due to the commission.

(e) The commission’s central control computer shall keep accurate records of all income generated by each video lottery terminal. The commission shall prepare and mail to the licensed racetrack a statement reflecting the gross terminal income generated by the licensee’s video lottery terminals. Each licensed racetrack shall report to the commission any discrepancies between the commission’s statement and each terminal’s mechanical and electronic meter readings. The licensed racetrack is solely responsible for resolving income discrepancies between actual money collected and the amount shown on the accounting meters or on the commission’s billing statement.

(f) Until an accounting discrepancy is resolved in favor of the licensed racetrack, the commission may make no credit adjustments. For any video lottery terminal reflecting a discrepancy, the licensed racetrack shall submit to the commission the maintenance log which includes current mechanical meter readings and the audit ticket which contains electronic meter readings generated by the terminal’s software. If the meter readings and the commission’s records cannot be reconciled, final disposition of the matter shall be determined by the commission. Any accounting discrepancies which cannot be otherwise resolved shall be resolved in favor of the commission.
(g) Licensed racetracks shall remit payment by mail if the electronic transfer of funds is not operational or the commission notifies licensed racetracks that remittance by this method is required. The licensed racetracks shall report an amount equal to the total amount of cash inserted into each video lottery terminal operated by a licensee, minus the total value of game credits which are cleared from the video lottery terminal in exchange for winning redemption tickets, and remit the amount as generated from its terminals during the reporting period. The remittance shall be sealed in a properly addressed and stamped envelope and deposited in the United States mail no later than noon on the day when the payment would otherwise be completed through electronic funds transfer.

(h) Licensed racetracks may, upon request, receive additional reports of play transactions for their respective video lottery terminals and other marketing information not considered confidential by the commission. The commission may charge a reasonable fee for the cost of producing and mailing any report other than the billing statements.

(i) The commission has the right to examine all accounts, bank accounts, financial statements and records in a licensed racetrack’s possession, under its control or in which it has an interest and the licensed racetrack shall authorize all third parties in possession or in control of the accounts or records to allow examination of any of those accounts or records by the commission.

(e) Notwithstanding any other provision of this code to the contrary, after payment of debt service from the State Excess Lottery Revenue Fund, all other distributions required by section eighteen-a, article twenty-two of this chapter and the distributions appropriated pursuant to this section shall be paid on a pro rata basis.

(f)(1) Except as provided in subdivision (2) of this subsection, notwithstanding the provisions of paragraph (B), subdivision (9), subsection (a), section ten-b of this article, upon certification of the Governor to the Legislature that an independent actuary has determined that the unfunded liability of the Old Fund, as defined in chapter twenty-three of this code, has been paid or provided for in its entirety, the transfers made to the Workers’ Compensation Debt Reduction Fund pursuant to paragraph (A), subdivision (9), subsection (a), section ten-b of this article shall expire and those funds shall remain in the State Excess Lottery Revenue Fund subject to appropriation.

(2)(A) Notwithstanding any provision of subdivision (1) of this subsection or any provision of paragraph (B), subdivision (9), subsection (a), section ten-b of this article or any other provision of this code to the contrary, if the budget shortfall, as determined by the state Budget Office as of December 1, 2015, is greater than $100 million, then the Governor may, by Executive Order,
redirect deposits of revenues derived from net terminal income imposed under this article, for any
period commencing after February 29, 2016 and ending before July 1, 2016, to the General
Revenue Fund, instead of to the funds otherwise mandated in this article, in article two-d, chapter
twenty-three of this code or in any other provision of this code.

(B) Notwithstanding any provision of subdivision (1) of this subsection or any provision of
paragraph (B), subdivision (9), subsection (a), section ten-b of this article or any other provision
of this code to the contrary, the Governor may, by Executive Order, redirect one-half of the
deposits of revenues derived from net terminal income imposed under this article, for any period
commencing after June 30, 2016, and ending before July 1, 2017, to the General Revenue Fund,
instead of to the funds otherwise mandated in this article, in article two-d, chapter twenty-three of
this code or in any other provision of this code, until certification of the Governor to the Legislature
that an independent actuary has determined that the unfunded liability of the Old Fund, as defined
in chapter twenty three of this code, has been paid or provided for in its entirety.

§29-22A-12. Number and location of video lottery terminals security.

install and operate up to four hundred video lottery terminals at a licensed racetrack. A licensed
racetrack may apply to the commission for authorization to install and operate more than four
hundred video lottery terminals. If the commission determines that the installation of additional
machines is in the best interest of the licensed racetrack, the Lottery Commission and the citizens
of this state, the commission may grant permission to install and operate additional machines.

(b) All video lottery terminals in licensed racetracks shall be physically located as follows:

(1) The video lottery location shall be continuously monitored through the use of a closed-

(c) A licensee shall allow video lottery games to be played only on days when live racing is being conducted at the racetrack and/or on televised racing days: Provided, That this restriction shall not apply to any racetrack authorized by the commissioner prior to November 1, 1993, to operate video lottery terminals and conduct video lottery games.
(d) Security personnel shall be present during all hours of operation at each video lottery terminal location.
