The superintendent shall certify at least twice per month to the West Virginia State Police’s payroll officer the names of those members who have worked in excess of the standard pay period and the amount of their entitlement to supplemental payment. The supplemental payment may not exceed $200 per pay period. The superintendent and civilian employees of the West Virginia State Police are not eligible for any supplemental payments.

(h) Each member of the West Virginia State Police, except the superintendent and civilian employees, shall execute, before entering upon the discharge of his or her duties, a bond with security in the sum of $5,000 payable to the State of West Virginia, conditioned upon the faithful performance of his or her duties, and the bond shall be approved as to form by the Attorney General and as to sufficiency by the Governor.

(i) In consideration for compensation paid by the West Virginia State Police to its members during those members’ participation in the West Virginia State Police Cadet Training Program pursuant to section eight, article twenty-nine, chapter thirty of this code, the West Virginia State Police may require of its members by written agreement entered into with each of them in advance of such participation in the program that, if a member should voluntarily discontinue employment any time within one year immediately following completion of the training program, he or she shall be obligated to pay to the West Virginia State Police a pro rata portion of such compensation equal to that part of such year which the member has chosen not to remain in the employ of the West Virginia State Police.

(j) Any member of the West Virginia State Police who is called to perform active duty training or inactive duty training in the National Guard or any reserve component of the armed
forces of the United States annually shall be granted, upon request, leave time not to exceed thirty calendar days for the purpose of performing the active duty training or inactive duty training and the time granted may not be deducted from any leave accumulated as a member of the West Virginia State Police.

(a) The Water Development Authority is continued. The authority is a governmental instrumentality of the state and a body corporate. The exercise by the authority of the powers conferred by this article and the carrying out of its purposes and duties are essential governmental functions and for a public purpose.

(b) The authority is controlled, managed and operated by a seven-member board known as the Water Development Board. The Governor or designee, the secretary of the Department of Environmental Protection or designee and the Commissioner of the Bureau for Public Health or designee are members ex officio of the board. Four members are appointed by the Governor, by and with the advice and consent of the Senate, for six-year terms, which are staggered in accordance with the initial appointments under prior enactment of this section. In the event of a vacancy, appointments are filled in the same manner as the original appointment for the remainder of the unexpired term. (e) The Governor or designee, the Secretary of the Department of Environmental Protection and the Commissioner of the Bureau for Public Health do not receive compensation for serving as board members. Each appointed member receives an annual salary of $12,000, payable at least twice per month. Each of the seven board members is reimbursed for all reasonable and necessary expenses actually incurred in the performance of duties as a member of the board in a manner consistent with guidelines of the Travel Management Office of the Department of Administration. All expenses incurred by the board are payable solely from funds of the authority or from funds appropriated for that purpose by the Legislature. Liability or obligation is not incurred by the authority beyond the extent to which moneys are available from funds of the authority or from such appropriations.

(f) There is a director of the authority appointed by the Governor, with the advice and consent of the Senate, who serves at the Governor’s will and pleasure. The director is responsible for managing and administering the daily functions of the authority and for performing other
functions necessary to the effective operation of the authority. The compensation of the director is fixed annually by the board.

CHAPTER 31. CORPORATIONS.

ARTICLE 19. WEST VIRGINIA COMMUNITY INFRASTRUCTURE AUTHORITY.

§31-19-4. West Virginia Community Infrastructure Authority created; West Virginia Community Infrastructure Board created; organization of Authority and Board; appointment of board members; their term of office, compensation and expenses; duties and responsibilities of director and staff of authority.

(a) There is hereby created the West Virginia Community Infrastructure Authority. The authority is a governmental instrumentality of the state and a body corporate. The exercise by the authority of the powers conferred by this article and the carrying out of its purposes and duties are essential governmental functions and for a public purpose.

The authority shall be controlled, managed and operated by the five-member board known as the West Virginia Community Infrastructure Board, which is hereby created. The Director of the West Virginia Development Office, or her or his designee, the Director of the Division of Environmental Protection, or her or his designee, and the Commissioner of the Division of Highways, or her or his designee, are members ex officio of the board. The Executive Director of the West Virginia Development Office, or her or his designee, is the ex officio chair. Two members of the board shall be representative of the general public, one of which shall have had experience or a demonstrated interest in local government. The two members who are not ex officio members of the board shall be appointed by the Governor, by and with the advice and consent of the Senate, for initial terms of three and six years, respectively. The successor of each such appointed member shall be appointed for a term of six years in the same manner as the original appointments were made, except that any person appointed to fill a vacancy occurring prior to...
the expiration of the term for which her or his predecessor was appointed shall be appointed only
for the remainder of such term. Each board member shall serve until the appointment and
qualification of her or his successor. The two appointed board members shall not at any one time
belong to the same political party. Appointed board members may be reappointed to serve
additional terms, not to exceed two consecutive full terms. All members of the board shall be
citizens of the state. Each appointed member of the board, before entering upon her or his duties,
shall comply with the requirements of article one, chapter six of this code and give bond in the
sum of $20,000 in the manner provided in article two, chapter six of this code. The Governor may
remove any board member for cause as provided in article six, chapter six of this code.

Annually the board shall elect one of its appointed members as chair, and shall appoint a
secretary-treasurer, who need not be a member of the board. Three members of the board is a
quorum and the affirmative vote of three members is necessary for any action taken by vote of
the board. No vacancy in the membership of the board impairs the rights of a quorum by such
vote to exercise all the rights and perform all the duties of the board and the authority. The person
appointed as secretary-treasurer, including a board member if she or he is so appointed, shall
give bond in the sum of $50,000 in the manner provided in article two, chapter six of this code.

The Executive Director of the West Virginia Development Office or her or his designee,
the Director of the Division of Environmental Protection or her or his designee, and the
Commissioner of the Division of Highways or her or his designee, shall not receive any
compensation for serving as board members. Each of the two appointed board members of the
board shall receive an annual salary of $5,000, payable at least twice per month. Each of the five
board members shall be reimbursed for all reasonable and necessary expenses actually incurred
in the performance of her or his duties as a member of such board. All such expenses incurred
by the board are payable solely from funds of the authority or from funds appropriated for such
purpose by the Legislature and no liability or obligation shall be incurred by the authority beyond
the extent for which moneys are available from funds of the authority or from such appropriations.
(b) There shall be a director of the authority appointed by the board who shall supervise and manage the Community Infrastructure Authority, and the West Virginia Development Office shall serve as the staff for the authority. Except as otherwise provided in this section, the duties and responsibilities of the director and of the staff shall be established by the authority. At the board's discretion, it may provide for the position of general counsel, who shall be an employee of the authority, or for the appointment of special counsel. As the board deems necessary and desirable, it may at any time elect to change its decision on the employment or appointment of a counsel.

(c) The director, or her or his designee, may employ or appoint any staff members in addition to those provided by the West Virginia Development Office, including general or special counsel if the position is established by the board. The number of employees needed, the positions to be filled and their salaries or wages shall be determined by the director with the approval of the board, unless the board elects to not require its approval. At any time the board may elect to change its decision concerning approval of additional staff hiring and salaries.

(d) The board shall meet at least quarterly, and more often as it deems necessary. The director and any other staff member or members as the director deems expedient shall attend board meetings.

CHAPTER 33. INSURANCE.

ARTICLE 2. INSURANCE COMMISSIONER.

§33-2-2. Compensation and expenses of commissioner and employees; location of office.

The commissioner shall receive an annual salary as provided in section two-a, article seven, chapter six of this code and actual expenses incurred in the performance of official business, which compensation shall be in full for all services. The office of the commissioner shall be maintained in the Capitol or other suitable place in Charleston. The commissioner may employ such persons and incur such expenses as may be necessary in the discharge of his or her duties
and shall fix the compensation of such employees, but such compensation shall not exceed the
appropriation therefor. The commissioner may reimburse employees for reasonable expenses
incurred for job-related training and educational seminars and courses. All compensation for
