17 practice;

117 state.

118 C. A licensee providing physical therapy in a remote state under the compact privilege
119 shall function within the laws and regulations of the remote state.

120 D. A licensee providing physical therapy in a remote state is subject to that state's
121 regulatory authority. A remote state may, in accordance with due process and that state's laws,
122 remove a licensee's compact privilege in the remote state for a specific period of time, impose
123 fines, and/or take any other necessary actions to protect the health and safety of its citizens. The
124 licensee is not eligible for a compact privilege in any state until the specific time for removal has

148 issued by the home state.

149 B. A home state may take adverse action based on the investigative information of a

151 C. Nothing in this Compact shall override a member state's decision that participation in
152 an alternative program may be used in lieu of adverse action and that such participation shall
153 remain non-public if required by the member state's laws. Member states must require licensees

165 licensing board in a party state for the attendance and testimony of witnesses, and/or the
166 production of evidence from another party state, shall be enforced in the latter state by any court
167 of competent jurisdiction, according to the practice and procedure of that court applicable to
168 subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness
169 fees, travel expenses, mileage, and other fees required by the service statutes of the state where
170 the witnesses and/or evidence are located; and

171 3. If otherwise permitted by state law, recover from the licensee the costs of investigations
172 and disposition of cases resulting from any adverse action taken against that licensee.

173 F. Joint Investigations:

174 1. In addition to the authority granted to a member state by its respective physical therapy

223 10. Accept any and all appropriate donations and grants of money, equipment, supplies,

- 395 2. A state or federal governmental subdivision or agency; or
- 396 3. An association having at least 25 members.

397 H. If a hearing is held on the proposed rule or amendment, the Commission shall publish
398 the place, time, and date of the scheduled public hearing. If the hearing is held via electronic
399 means, the Commission shall publish the mechanism for access to the electronic hearing:

- 400 1. All persons wishing to be heard at the hearing shall notify the executive director of the
401 Commission or other designated member in writing of their desire to appear and testify at the
402 hearing no fewer than five business days before the scheduled date of the hearing.

403 2. Hearings shall be conducted in a manner providing each person who wishes to
404 comment a fair and reasonable opportunity to comment orally or in writing.

405 3. All hearings will be recorded. A copy of the recording will be made available on request.

406 4. Nothing in this section shall be construed as requiring a separate hearing on each rule.
407 Rules may be grouped for the convenience of the Commission at hearings required by this
408 section.

409 I. Following the scheduled hearing date, or by the close of business on the scheduled
410 hearing date if the hearing was not held, the Commission shall consider all written and oral
411 comments received.

412 J. If no written notice of intent to attend the public hearing by interested parties is received,
413 the Commission may proceed with promulgation of the proposed rule without a public hearing.

414 K. The Commission shall, by majority vote of all members, take final action on the
415 proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking
416 record and the full text of the rule.

417 L. Upon determination that an emergency exists, the Commission may consider and adopt
418 an emergency rule without prior notice, opportunity for comment or hearing, provided that the
419 usual rulemaking procedures provided in the Compact and in this section shall be retroactively
420 applied to the rule as soon as reasonably possible, in no event later than 90 days after the
421 effective date of the rule. For the purposes of this provision, an emergency rule is one that must
422 be adopted immediately in order to:

423 1. Meet an imminent threat to public health, safety, or welfare;

424 2. Prevent a loss of Commission or member state funds;

425 3. Meet a deadline for the promulgation of an administrative rule that is established by
426 federal law or rule; or

427 4. Protect public health and safety.

428 M. The Commission or an authorized committee of the Commission may direct revisions
429 to a previously adopted rule or amendment for purposes of correcting typographical errors, errors
430 in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be
431 posted on the website of the Commission. The revision shall be subject to challenge by any
432 person for a period of 30 days after posting. The revision may be challenged only on grounds that
433 the revision results in a material change to a rule. A challenge shall be made in writing and
434 delivered to the chair of the Commission prior to the end of the notice period. If no challenge is
435 made, the revision will take effect without further action. If the revision is challenged, the revision
436 may not take effect without the approval of the Commission.

437 SECTION 10. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

438 A. Oversight:

439 1. The executive, legislative, and judicial branches of state government in each member
440 state shall enforce this Compact and take all actions necessary and appropriate to effectuate the
441 Compact's purposes and intent. The provisions of this Compact and the rules promulgated
442 hereunder shall have standing as statutory law subject to the limitations set forth herein.

443 2. All courts shall take judicial notice of the Compact and the rules, if approved by the
444 Legislature, in any judicial or administrative proceeding in a member state pertaining to the subject
445 matter of this Compact which may affect the powers, responsibilities, or actions of the
446 Commission.

447 3. The Commission shall be entitled to receive service of process in any such proceeding,
448 and shall have standing to intervene in such a proceeding for all purposes. Failure to provide
449 service of process to the Commission shall render a judgment or order void as to the Commission,
450 this Compact, or promulgated rules.

451 B. Default, Technical Assistance, and Termination:

452 1. If the Commission determines that a member state has defaulted in the performance of
453 its obligations or responsibilities under this Compact or the promulgated rules, the Commission
454 shall:

455 a. Provide written notice to the defaulting state and other member states of the nature of
456 the default, the proposed means of curing the default and/or any other action to be taken by the
457 Commission; and

458 b. Provide remedial training and specific technical assistance regarding the default.

459 2. If a state in default fails to cure the default, the defaulting state may be terminated from,
460 the Compact upon an affirmative vote of a majority of the member states, and all rights, privileges
461 and benefits conferred by this Compact may be terminated on the effective date of termination. A
462 cure of the default does not relieve the offending state of obligations or liabilities incurred during
463 the period of default.

464 3. Termination of membership in the Compact shall be imposed only after all other means
465 of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be
466 given by the Commission to the governor, the majority and minority leaders of the defaulting
467 state's legislature, and each of the member states.

468 4. A state that has been terminated is responsible for all assessments, obligations, and
469 liabilities incurred through the effective date of termination, including obligations that extend
470 beyond the effective date of termination.

471 5. The Commission shall not bear any costs related to a state that is found to be in default
472 or that has been terminated from the Compact, unless agreed upon in writing between the
473 Commission and the defaulting state.

474 6. The defaulting state may appeal the action of the Commission by petitioning the U.S.
475 District Court for the District of Columbia or the federal district where the Commission has its
476 principal offices. The prevailing member shall be awarded all costs of such litigation, including
477 reasonable attorneys' fees.

478 C. Dispute Resolution:

479 1. Upon request by a member state, the Commission shall attempt to resolve disputes
480 related to the Compact that arise among member states and between member and non-member
481 states.

482 2. The Commission shall promulgate a rule providing for both mediation and binding
483 dispute resolution for disputes as appropriate.

484 D. Enforcement:

485 1. The Commission, in the reasonable exercise of its discretion, shall enforce the
486 provisions and rules of this Compact.

487 2. By majority vote, the Commission may initiate legal action in the United States District
488 Court for the District of Columbia or the federal district where the Commission has its principal
489 offices against a member state in default, in order to enforce compliance with the provisions of
490 the Compact, its promulgated rules, and bylaws. The relief sought may include both injunctive
491 relief and damages. In the event judicial enforcement is necessary, the prevailing member shall
492 be awarded all costs of such litigation, including reasonable attorneys' fees.

493 3. The remedies herein shall not be the exclusive remedies of the Commission. The
494 Commission may pursue any other remedies available under federal or state law.

495 SECTION 11. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR
496 PHYSICAL THERAPY PRACTICE; ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

497 A. The Compact shall come into effect on the date on which the Compact statute is
498 enacted into law in the tenth member state. The provisions, which become effective at that time,
499 shall be limited to the powers granted to the Commission relating to assembly and the
500 promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers
501 necessary to the implementation and administration of the Compact.

502 B. Any state that joins the Compact subsequent to the Commission's initial adoption of the
503 rules shall be subject to the rules as they exist on the date on which the Compact becomes law

504 in that state. Any rule that has been previously adopted by the Commission shall have the full
505 force and effect of law on the day the Compact becomes law in that state.

506 C. Any member state may withdraw from this Compact by enacting a statute repealing the
507 same:

508 1. A member state's withdrawal shall not take effect until six months after enactment of
509 the repealing statute.

510 2. Withdrawal shall not affect the continuing requirement of the withdrawing state's
511 physical therapy licensing board to comply with the investigative and adverse action reporting
512 requirements of this act prior to the effective date of withdrawal.

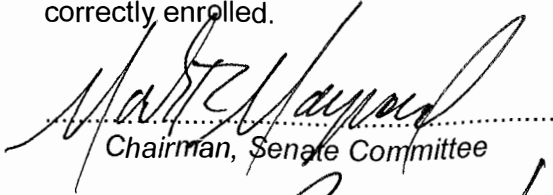

513 D. Nothing contained in this Compact shall be construed to invalidate or prevent any
514 physical therapy licensure agreement or other cooperative arrangement between a member state
515 and a non-member state that does not conflict with the provisions of this Compact.

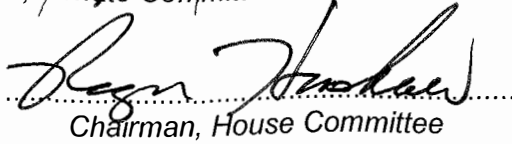

516 E. This Compact may be amended by the member states. No amendment to this Compact
517 shall become effective and binding upon any member state until it is enacted into the laws of all
518 member states.

519 SECTION 12. CONSTRUCTION AND SEVERABILITY

520 This Compact shall be liberally construed so as to effectuate the purposes thereof. The
521 provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of
522 this Compact is declared to be contrary to the constitution of any party state or of the United
523 States or the applicability thereof to any government, agency, person, or circumstance is held
524 invalid, the validity of the remainder of this Compact and the applicability thereof to any
525 government, agency, person, or circumstance shall not be affected thereby. If this Compact shall
526 be held contrary to the constitution of any party state, the Compact shall remain in full force and
527 effect as to the remaining party states and in full force and effect as to the party state affected as
528 to all severable matters."
