36 account and shall be requisitioned from these funds to pay for costs incurred; and

37 (5) Any amounts deposited in these funds from other sources permitted by this article shall
38 be expended based on particular needs to be determined by the commissioner.

41 incarcerated in any jail prior to the availability of the jail facility in the jail facility, except those
42 whose incarceration in a local jail facility used as a local holding facility is specified as appropriate
43 under the previously promulgated, and hereby transferred standards and procedures developed
44 by the Jail Facilities Standards Commission, and whom the sheriff or the circuit court elects to
45 incarcerate therein.

46 (2) Notwithstanding the provisions of §15A-3-16(f)(1) of this code, circuit and magistrate

61 2021, in no case shall any county or municipality be required to pay a rate that exceeds \$48.25
62 per day, per inmate. Nothing in this section shall be construed to mean that the per diem cannot
63 be decreased or be less than \$48.25 per day per inmate.

64 (h) The per diem costs for incarcerating inmates may not include the cost of construction,
65 acquisition, or renovation of the regional jail facilities: *Provided*, That each jail facility or unit
66 operating in this state shall keep a record of the date and time that an inmate is incarcerated, and
67 a county may not be charged for a second day of incarceration for an individual inmate until that
68 inmate has remained incarcerated for more than 24 hours. After that, in cases of continuous

70 intervals of 24 hours pass from the original time of incarceration.

71 (i) The county is responsible for costs incurred by the division for housing and maintaining
72 inmates in its facilities who are pretrial inmates and convicted misdemeanants. The costs of

83 (k) On or before July 1, 2020, the commissioner shall prepare a report on the feasibility of
84 phasing out the county and municipal per diem charges required by §15A-3-16(g) of this code.
85 This report shall include information regarding savings realized because of the consolidation of
86 the former Division of Corrections, Division of Juvenile Services, and the operations of the
87 Regional Jail and Correctional Facility Authority, as well as any other recommendations that might
88 ease the burden of paying the per diem inmate costs by the counties or municipalities. On or

7 to it and shall keep an accurate account of all the money and personal property so received, which
8 account is subject to examination by the commissioner. The superintendent shall deposit the
9 moneys in one or more responsible banks in accounts to be designated "Trustee Fund".

10 (b) For all felony sentenced inmates, except those serving life without mercy and those

31 (e) The superintendent of any facility, on request of an inmate or resident, may expend up
32 to one half of the money earned by the inmate or resident on behalf of the family of the inmate or

48 money as provided in §15A-4-9(f) of this code, the commissioner shall notify the former inmate or
49 resident within 30 days of receipt of the money. The former inmate or resident will be afforded the
50 opportunity to collect the money if he or she pays the cost of the transaction. If the former inmate
51 or resident does not claim the money within 30 days of receiving the notice and the sum of money
52 is less than \$10, the commissioner may place the money into the inmate benefit fund.

53 (h) The provisions of this section apply to both juveniles and adults within the custody of
54 the commissioner.

3 other court ordered obligations;

4 (2) The duty of inmates to provide for the needs of dependent children, including their
5 necessary food, clothing, shelter, education, and health care should not be avoided because of

31 inmate's moneys, assets, or property.

32 (d) If an inmate is awarded a civil judgment which awards him or her monetary damages,
33 the court in which those damages are awarded shall enter an order which deducts all outstanding

36 (e) The accumulation of the total funds, not necessary for current distribution, shall be

1 (a) The commissioner is authorized to assess inmates serving a sentence in any state jail,
2 penal, or correctional facility reasonable charges for health care and treatment services provided
3 to them by the state. The charges assessed against an inmate may be deducted directly from the
4 inmate's trustee account *without the inmate's consent*. The inmate shall be notified of the amount
5 deducted and the charges to which it has been applied.

6 (b) As used in this section, a "reasonable charge" may not exceed the sum of \$25 for any
7 billable service. Inmates shall be notified of the fee schedule, billable services, and exempt

19 billable medical service because of inability to pay the charge.

20 (c) Any inmate who intentionally ingests, inhales, injects, absorbs, applies, or otherwise
21 exposes himself or herself to, in any manner whatsoever not otherwise specified herein, an illegal
22 drug, a drug not legally prescribed to him or her, a drug in quantities above that recommended by
23 a prescribing physician, a synthetic intoxicant, or any substance for the purpose of causing an
24 excited, euphoric, or stupefied state, or altered perception, including hallucinations or delusions,
25 and the inmate requires medical treatment due to the ingestion, inhalation, injection, absorption,

2 any gift or present to an inmate or resident, or receive any from an inmate or resident, or have
3 any barter or dealings with a convict, except as allowed and permitted by the commissioner.

13 sentencing court to his or her sentence pursuant to §61-11-24 of this code or for any other reason
14 relating to the commitment. An inmate may not be granted any good time for time served either
15 on parole or bond or in any other status when he or she is not physically incarcerated.

16 (d) An inmate sentenced to serve a life sentence is not eligible to earn or receive any good
17 time pursuant to this section.

18 (e) An inmate under two or more consecutive sentences shall be allowed good time as if
19 the several sentences, when the maximum terms of the consecutive sentences are added
20 together, were all one sentence.

21 (f) The commissioner shall promulgate disciplinary rules and policies. The rules and
22 policies shall describe acts that inmates are prohibited from committing, procedures for charging
23 individual inmates for violation of the rules, and for determining the guilt or innocence of inmates
24 charged with the violations, and the sanctions which may be imposed for the violations. A copy of
25 the rules shall be given to each inmate. For each violation, by a sanctioned inmate, any part or all

31 commissioner, or upon his or her return to custody as the result of violation of parole pursuant to
32 §62-12-19 of this code, shall be given a statement setting forth the term or length of his or her
33 sentence or sentences and the time of his or her minimum discharge computed according to this
34 section.

35 (h) Each inmate shall be given a revision of the statement described in §15A-4-17(g) of
36 this code when any part or all of the good time has been forfeited and revoked or restored
37 pursuant to §15A-4-17(f) of this code, by which the time of his or her earliest discharge is changed.

38 (i) The superintendent may, with the approval of the commissioner, allow extra good time
39 for inmates who perform exceptional work or service.

40 (j) There shall be no grants or accumulations of good time or credit to any current or future
41 inmate serving a sentence in the custody of the Division of Corrections and Rehabilitation except
42 in the manner provided in this section.

43 (k) Prior to the calculated discharge date of an inmate serving a sentence for a felony
44 crime of violence against the person, a felony offense where the victim was a minor child or a
45 felony offense involving the use of a firearm, one year shall be deducted from the inmate's
46 accumulated good time to provide for one year of mandatory post-release supervision following
47 *the first instance in which the inmate reaches his or her calculated discharge date.* All inmates
48 released pursuant to this subsection shall be subject to electronic or GPS monitoring for the entire
49 period of supervision. *The provisions of this subsection are applicable to offenses committed on*
50 *or after July 1, 2013.*

51 (l) Upon sentencing of an inmate for a felony offense *not referenced in §15A-4-17(k)* of
52 this code, the court may order that 180 days of the sentence, or some lesser period, be served
53 through post-release mandatory supervision if the court determines supervision is appropriate
54 and in the best interest of justice, rehabilitation, and public safety. All inmates released pursuant

55 to this subsection shall be subject to electronic or GPS monitoring for the entire period of
56 supervision. The provisions of this subsection are applicable to offenses committed on or after
57 July 1, 2013.

58 (m) The commissioner shall adopt policies and procedures to implement the mandatory
59 supervision provided for in §15A-4-17(k) and §15A-4-17(l) of this code, which may include terms,
60 conditions, and procedures for supervision, modification, and violation applicable to persons on
61 parole.

3 the Governor may, on behalf of the state and subject to the terms of the treaty and with the
4 consent of the offender, authorize the commissioner to consent to the transfer or exchange of
5 inmates in his or her custody and take any other action necessary to initiate the participation of
6 this state in the treaty. No transfer may occur pursuant to the provisions of this section until the
7 inmate is informed of his or her rights and the procedures involved in his or her native language
8 unless it is determined that the inmate's knowledge of English is sufficient.

§15A-4-19. Mentally ill inmates; treatment; transfer between correctional and mental health facilities; correctional facility procedures.

1 (a) No person who is, or was considered to be, mentally ill, intellectually disabled, or
2 addicted shall be denied parole or a parole hearing based upon the past or present condition. In
3 the event a convicted person is deemed to be an appropriate candidate for parole, but for a
4 condition warranting involuntary hospitalization of the person, shall be paroled, and proceedings
5 instituted pursuant to §27-5-4 of this code. Any time spent in such a facility shall be considered
6 part of the term, and any person whose sentence expires while receiving treatment for a mental
7 condition shall be discharged unless proceedings have been instituted and a determination made
8 pursuant to §27-5-4 of this code.

9 (b) When a convicted person in a jail, prison, or other facility is believed to be mentally ill,
10 intellectually disabled, or addicted, as those terms are defined in §27-1-1 *et seq.* of this code, and
11 in need of treatment, training, or other services, the facts relating to the illness, shall be presented
12 to the superintendent of the facility. The facts may be presented by a correctional officer, member
13 of a correctional institution medical staff, relative, or the convicted person. Immediately upon
14 receipt of the facts, the superintendent shall arrange for psychiatric or psychological examination
15 of the person alleged to be so afflicted. If the report of the examination is to the effect that the
16 individual is mentally ill, intellectually disabled, or addicted and that treatment, training, or other
17 services are required which cannot reasonably be provided at the correctional facility, the
18 superintendent shall file within 20 days after presentation of the facts an application for transfer
19 with the clerk of the circuit court of the county of location of the correctional facility. The application
20 for transfer shall include a statement of the nature of the treatment which the person's condition
21 warrants and the facility to which transfer is sought.

22 Within 10 days of receipt of the application from the superintendent, the mental hygiene
23 commissioner or circuit judge shall appoint counsel for the convicted person if the person is
24 indigent.

25 The clerk of the circuit court shall forthwith notify the convicted person, by certified mail,
26 return receipt requested, delivered only to addressee, that the application has been filed,
27 enclosing therewith a copy of the application with an explanation of the place and purpose of the
28 transfer and the type of treatment to be afforded, together with the name, address, and telephone
29 number of any appointed counsel. The person shall be afforded reasonable telephone access to
30 his or her counsel. The clerk shall also notify the superintendent or other chief administrative
31 officer of the facility to which transfer is sought. Within 15 days after receipt of notice, the convicted
32 person, through counsel, shall file a verified return admitting or denying the allegations and
33 informing the court or mental hygiene commissioner as to whether the respondent wishes to
34 oppose the transfer. Counsel shall file the return only after personal consultation with the
35 convicted person. The superintendent of the facility to which transfer is sought shall also file a
36 return within 15 days of the receipt of notice, informing the court or mental hygiene commissioner
37 as to whether the needed treatment or other services can be provided within that facility. If the
38 superintendent objects to receiving the convicted person for treatment or services, the reasons
39 for the objection shall be specified in detail.

40 If the transfer is opposed by either the convicted person or by the superintendent of the
41 facility to which transfer is sought, the matter shall forthwith be set for hearing, in no event to
42 exceed 30 days from the date of the return opposing the transfer, and the clerk shall provide to
43 the convicted person, the superintendent of the facility to which transfer is sought, and the
44 superintendent of the correctional facility, at least 10 days written notice, by certified mail, return
45 receipt requested, of the purpose, time, and place of the hearing.

46 The convicted person shall be present at the hearing, and be afforded an opportunity to
47 testify and to present and cross-examine witnesses. Counsel for the convicted person shall be
48 entitled to copies of all medical reports upon request. The person shall have the right to an
49 examination by an independent expert of the person's choice and testimony from the expert as a
50 medical witness on the person's behalf. The cost of providing the medical expert shall be borne

51 by the state if the person is indigent. The person shall not be required to give testimony which is
52 self-incriminating. The circuit court or mental hygiene commissioner shall hear evidence from all
53 parties, in accord with the rules of evidence. A transcript or recording shall be made of all
54 proceedings, and transcript made available to the person within 30 days, if the same is requested
55 for the purpose of further proceedings, and without cost if the person is indigent.

56 Upon completion of the hearing, and consideration of the evidence presented therein, the
57 circuit court or mental hygiene commissioner shall make findings of facts as to whether or not: (1)
58 The individual is mentally ill, intellectually disabled, or addicted; (2) the individual because of
59 mental illness, mental retardation, or addiction is likely to cause serious harm to self or others; (3)
60 the individual could not obtain the requisite treatment or training at the correctional facility or
61 another appropriate correctional facility; and (4) the designated facility to which transfer is sought
62 could provide the treatment or training with the security as the court finds appropriate; and, if all
63 the findings are in the affirmative, the circuit court may order the transfer of the person to the
64 appropriate facility. The findings of fact shall be incorporated into the order entered by the circuit
65 court. In all proceedings hereunder, proof of mental condition and of likelihood of serious harm
66 must be established by clear, cogent, and convincing evidence, and the likelihood of serious harm
67 must be based upon evidence of recent overt acts.

17 would best serve the purposes of this article;

18 (D) To issue its bonds, security interests, and notes payable solely from the revenues or
19 other funds available to the authority therefor; and the authority may issue its bonds, security
20 interests, or notes in those principal amounts as it considers necessary to provide funds for any
21 purposes under this article, including:

22 (i) The payment, funding, or refunding of the principal of, interest on, or redemption

44 renegotiate the terms of the current bonds, or refinance these bonds. There is hereby created in
45 the State Treasury a Regional Jail and Correctional Facility Board Fund. The fund shall be
46 controlled by the board, and shall be utilized for the sole purpose of payment of the outstanding
47 bond series as provided above. The Commissioner of the Division of Corrections and
48 Rehabilitation shall, on or before the fifth day of every month, transfer to this fund the amount

60 (4) The Regional Jail Authority shall review the per diem cost set by the state Budget
61 Office, pursuant to §15A-3-16 of this code. If the authority believes that the amount set by the
62 state Budget Office is incorrect, or that the amounts submitted by the Division of Corrections and
63 Rehabilitation include more than what should be attributed to the efficient operation of jail facilities
64 and units, the authority may institute an action in regard to this pursuant to §29A-5-1 *et seq.* of
65 this code.

66 (5) The Regional Jail Authority retains the ability to sue, as defined in this article, and to
67 be sued.

20 unexpired term. Any appointed member is eligible for reappointment. Members of the board are
21 not entitled to compensation for services performed as members, but are entitled to
22 reimbursement for all reasonable and necessary expenses actually incurred in the performance
23 of their duties.

24 All members of the board shall execute an official bond in a penalty of \$10,000,

6 otherwise meet two times a year, unless a special meeting is called by its chairman.

7 (b) A majority of the members of the board constitute a quorum, and a quorum must be

9 be taken by majority vote of the members present.

10 (c) The board shall prescribe, amend, and repeal bylaws and rules governing the manner
11 in which the business of the authority is conducted and shall review and approve the budget
12 prepared by the executive director annually.

13 (d) All costs incidental to the administration of the board shall be paid from the jail
14 operation fund by the Commissioner of Corrections and Rehabilitation.

6 as may be necessary to develop such management plan. The commission shall complete and
7 provide to the Governor a management plan, which plan shall set forth the objectives of the
8 commission with respect to institutional farms, the criteria by which the commission shall

14 management plan shall be presented to the Legislature, by providing a copy to the President of
15 the Senate and the Speaker of the House of Delegates. The commission may confer with any
16 other agency or individual in implementing and adjusting its management plan. The management
17 plan established pursuant to this subsection may be amended, from time to time, as may be

23 prices, and each of the institutions under the control of the Bureau of Public Health shall purchase,
24 a proportionate amount of these products based on the dietary needs of each institution.

25 (c) If requested by the Commissioner of Corrections and Rehabilitation, the commission

28 responsible for the selection, direction, and supervision of the inmates and shall assign the work
29 to be performed by inmates.

30 (d) The commission is hereby authorized and empowered to:

31 (1) Lease to public or private parties, for purposes including agricultural production or
32 experimentation, public necessity, or other purposes permitted by the management plan, any

57 property. Any such contract or lease shall be by sealed bid auction as provided for in subdivision
58 (1) above;

59 (4) Exercise all other powers and duties necessary to effectuate the purposes of this
60 article.

61 (e) Notwithstanding the provisions of subsection (d) of this section, no timberland may be
62 leased, sold, exchanged, or otherwise disposed of unless the Division of Forestry of the
63 Department of Commerce, Labor and Environmental Resources certifies that there is no
