[Passed March 10, 2018; in effect 90 days from passage]
AN ACT to amend and reenact §5A-3-3 of the Code of West Virginia, 1931, as amended, relating
to exempting the State Conservation Committee and the Conservation Agency from the
Purchasing Division requirements for contracts related to natural disaster recovery
activities and joint funding agreements with the United States Geological Survey.

Be it enacted by the Legislature of West Virginia:

ARTICLE 3. PURCHASING DIVISION.

§5A-3-3. Powers and duties of Director of Purchasing.

The director, under the direction and supervision of the secretary, is the executive officer
of the Purchasing Division and has the power and duty to:

1. Direct the activities and employees of the Purchasing Division;
2. Ensure that the purchase of or contract for commodities and services are based,
   whenever possible, on competitive bid;
3. Purchase or contract for, in the name of the state, the commodities, services, and
   printing required by the spending units of the state government;
4. Apply and enforce standard specifications established in accordance with §5A-3-5 of
   this code as hereinafter provided;
5. Transfer to or between spending units or sell commodities that are surplus, obsolete,
   or unused as hereinafter provided;
6. Have charge of central storerooms for the supply of spending units as the director
   considers advisable;
7. Establish and maintain a laboratory for the testing of commodities and make use of
   existing facilities in state institutions for that purpose as hereinafter provided as the director
   considers advisable;
8. Suspend the right and privilege of a vendor to bid on state purchases when the director
   has evidence that the vendor has violated any of the provisions of the purchasing law or the rules
   and regulations of the director;
(9) Examine the provisions and terms of every contract entered into for and on behalf of the State of West Virginia that impose any obligation upon the state to pay any sums of money for commodities or services and approve the contract as to such provisions and terms; and the duty of examination and approval herein set forth does not supersede the responsibility and duty of the Attorney General to approve the contracts as to form: Provided, That the provisions of this subdivision do not apply in any respect whatever to construction or repair contracts entered into by the Division of Highways of the Department of Transportation or to construction or reclamation contracts entered into by the Department of Environmental Protection: Provided, however, That the provisions of this subdivision do not apply in any respect whatsoever to contracts entered into by the University of West Virginia Board of Trustees or by the board of directors of the state college system, except to the extent that such boards request the facilities and services of the director under the provisions of this subdivision: Provided further, That the provisions of this subdivision do not apply to the West Virginia State Police and the West Virginia Office of Laboratory Services: And provided further, That the provisions of this subdivision shall not apply to contracts for any natural disaster recovery activities entered into by the West Virginia State Conservation Committee or the West Virginia Conservation Agency;

(10) Assure that the specifications and descriptions in all solicitations are prepared so as to provide all potential suppliers-vendors who can meet the requirements of the state an opportunity to bid and to assure that the specifications and descriptions do not favor a particular brand or vendor. If the director determines that any such specifications or descriptions as written favor a particular brand or vendor or if it is decided, either before or after the bids are opened, that a commodity or service having different specifications or quality or in different quantity can be bought, the director may rewrite the solicitation and the matter shall be rebid; and

(11) Issue a notice to cease and desist to a spending unit when the director has credible evidence that a spending unit has violated competitive bidding or other requirements established by this article and the rules promulgated hereunder. Failure to abide by the notice may result in penalties set forth in §5A-3-17 of this code.
