Enrolled

Senate Bill 441

BY SENATORS TAKUBO, MARONEY, STOLLINGS,

WOELFEL, AND PLYMALE

[Passed March 7, 2018; to take effect July 1, 2018]
AN ACT to amend and reenact §11-27-38 of the Code of West Virginia, 1931, as amended, relating to health care provider taxes; extending the directed payment program tax on certain eligible acute care hospitals for three years; and providing an expiration date for the tax.

Be it enacted by the Legislature of West Virginia:

ARTICLE 27. HEALTH CARE PROVIDER TAXES.

§11-27-38. Contingent increase of tax rate on certain eligible acute care hospitals.

(a) In addition to the rate of the tax imposed by §11-27-9 and §11-27-15 of this code on providers of inpatient and outpatient hospital services, there is imposed on certain eligible acute care hospitals an additional tax of seventy-five one-hundredths of one percent on the gross receipts received or receivable by eligible acute care hospitals that provide inpatient or outpatient hospital services in this state through a directed payment program, or its successor, in accordance with 42 C. F. R. 438.6.

(b) For purposes of this section, the term “eligible acute care hospital” means any inpatient or outpatient hospital conducting business in this state that is not:

(1) A state-owned or -designated facility;

(2) A critical access hospital, designated as a critical access hospital after meeting all federal eligibility criteria;

(3) A licensed free-standing psychiatric or medical rehabilitation hospital; or

(4) A licensed long-term acute care hospital.

(c) There is continued a special revenue account in the State Treasury designated the Medicaid State Share Fund. The amount of taxes collected under this section, including any interest, additions to tax and penalties collected under §11-10-1 et seq. of this code, less the amount of allowable refunds, the amount of any interest payable with respect to such refunds, and costs of administration and collection, shall be deposited into the Special Revenue Fund and do not revert to general revenue. The Tax Commissioner shall establish and maintain a separate
account and accounting for the funds collected under this section in an account to be designated
as the Eligible Acute Care Provider Enhancement Account. The amounts collected shall be
deposited, within 15 days after receipt by the Tax Commissioner, into the Eligible Acute Care
Provider Enhancement Account. Disbursements from the Eligible Acute Care Provider
Enhancement Account within the Medicaid State Share Fund may only be used to support West
Virginia Medicaid and the directed payment program, or its successor, in accordance with
42 C. F. R. 438.6 and as otherwise set forth in this section.

(d) The imposition and collection of taxes imposed by this section is suspended
immediately upon the occurrence of any of the following:

(1) The effective date of any action by Congress that would disqualify the taxes imposed
by this section from counting toward state Medicaid funds available to be used to determine the
federal financial participation;

(2) The effective date of any decision, enactment, or other determination by the Legislature
or by any court, officer, department, agency of office of state or federal government that has the
effect of disqualifying the tax from counting toward state Medicaid funds available to be used to
determine federal financial participation for Medicaid matching funds or creating for any reason a
failure of the state to use the assessment of the Medicaid program as described in this section;
and

(3) If the tax payments remitted by the eligible acute care hospitals are not used to
effectuate the provisions of this article.

(e) Any funds remaining in the Eligible Acute Care Provider Enhancement Account as of
June 30, 2018, and on June 30 of each year thereafter, shall be transferred to the West Virginia
Medical Services Fund after that June 30 but no later than the next ensuing September 30. These
funds shall be used during the state fiscal year in which they were transferred at the discretion of
the Bureau for Medical Services.
(f) The changes to the tax rate in this section enacted in the 2017 regular session are effective July 1, 2017.

(g) The tax imposed by this section expires on and after June 30, 2021, unless otherwise extended by the Legislature.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
