WEST VIRGINIA LEGISLATURE

2019 REGULAR SESSION

ENROLLED

House Bill 2850

BY DELEGATES PORTERFIELD, LINVILLE, J. JEFFRIES, KESSINGER, CADLE, PAYNTER, COOPER AND FOSTER

[Passed March 8, 2019; in effect ninety days from passage.]
AN ACT to amend and reenact §17E-1-9 of the Code of West Virginia, 1931, as amended, relating to qualifications for commercial driver’s license; and providing that a commercial license instruction permit may be issued to persons 18 years of age who have held a graduated Class E, Class E or Class D license for at least one year.

Be it enacted by the Legislature of West Virginia:

ARTICLE 1. COMMERCIAL DRIVER’S LICENSE.

§17E-1-9. Commercial driver’s license qualification standards.

(a) No person may be issued a commercial driver’s license unless that person is a resident of this state and has passed a knowledge and skills test for driving a commercial motor vehicle which complies with minimum federal standards established by federal regulations enumerated in 49 C.F.R. Part §383, Subparts G and H (2004) and has satisfied all other requirements of the Federal Motor Carrier Safety Improvement Act of 1999 in addition to other requirements imposed by state law or federal regulations.

(b) Third-party testing. — The commissioner may authorize a person, including an agency of this or another state, an employer, private individual or institution, department, agency or instrumentality of local government, to administer the skills test specified by this section so long as:

(1) The test is the same which would otherwise be administered by the state; and

(2) The party has entered into an agreement with the state that complies with the requirements of 49 C.F.R., Part §383.75.

(c) Indemnification of driver examiners. — No person who has been officially trained and certified by the state as a driver examiner, who administers a driving test, and no other person, firm or corporation by whom or with which that person is employed or is in any way associated, may be criminally liable for the administration of the tests or civilly liable in damages to the person tested or other persons or property unless for gross negligence or willful or wanton injury.
(d) The commissioner may waive the skills test specified in this section for a commercial
driver license applicant who meets the requirements of 49 C.F.R. Part §383.77 and the
requirements specified by the commissioner.

(e) A commercial driver’s license or commercial driver’s instruction permit may not be
issued to a person while the person is subject to a disqualification from driving a commercial motor
vehicle, when the person does not possess a valid or current medical certification status or while
the person’s driver’s license is suspended, revoked or canceled in any state. A commercial
driver’s license may not be issued by any other state unless the person first surrenders all such
licenses to the division: Provided, That a person who became subject to a disqualification from
driving a commercial motor vehicle prior to possessing a commercial driver’s license is not
disqualified from possessing a commercial driver’s license or commercial driver’s license
instruction permit so long as the mandatory revocation period specified in subdivision (3),
subsection (a), section thirteen of this article has elapsed, and the individual has completed the
Safety and Treatment Program or other appropriate program prescribed by the division as
required by subdivision (2) of said subsection.

(f) Commercial driver’s instruction permit may be issued as follows:

(1) To an individual who holds a valid Class E or Class D driver’s license and has passed
the vision and written tests required for issuance of a commercial driver’s license.

(2) The commercial instruction permit may not be issued for a period to exceed six months.
Only one renewal or reissuance may be granted within a two-year period. The holder of a
commercial driver’s instruction permit may drive a commercial motor vehicle on a highway only
when accompanied by the holder of a commercial driver’s license valid for the type of vehicle
driven, who is 21 years of age or older, who is alert and unimpaired and who occupies a seat
beside the individual for the purpose of giving instruction or testing.

(3) Only to a person who is at least 18 years of age and has held a graduated Class E,
Class E or Class D license for at least one year.
(4) The applicant for a commercial driver's instruction permit shall also be otherwise qualified to hold a commercial driver's license.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
