Be it enacted by the Legislature of West Virginia:

ARTICLE 3. FIRE PREVENTION AND CONTROL ACT.

§29-3-12. Powers and duties of State Fire Marshal.

(a) Enforcement of laws. — The State Fire Marshal and any other person authorized to enforce the provisions of this article under the supervision and direction of the State Fire Marshal may enforce all laws of the state having to do with:

(1) Prevention of fire;

(2) The storage, sale, and use of any explosive, combustible, or other dangerous article or articles in solid, flammable liquid, or gas form;

(3) The installation and maintenance of equipment of all sorts intended to extinguish, detect, and control fires;

(4) The means and adequacy of exit, in case of fire, from buildings and all other places in which persons work, live, or congregate, from time to time, for any purpose, except buildings used wholly as dwelling houses for no more than two families;

(5) The suppression of arson; and
(6) Any other thing necessary to carry into effect the provisions of this article including, but not limited to, confiscating any materials, chemicals, items, or personal property owned, possessed, or used in direct violation of the State Fire Code.

(b) Assistance upon request. — Upon request, the State Fire Marshal shall assist any chief of any recognized fire company or department. Upon the request of any federal law-enforcement officer, state police officer, Natural Resources police officer, or any county or municipal law-enforcement officer, the State Fire Marshal, any deputy state fire marshal, or assistant state fire marshal employed pursuant to §29-3-11 of this code and any person deputized pursuant to subsection (j) of this section may assist in the lawful execution of the requesting officer’s official duties: Provided, That the State Fire Marshal, or other person authorized to act under this subsection, shall at all times work under the direct supervision of the requesting officer.

(c) Enforcement of rules. — The State Fire Marshal shall enforce the rules promulgated by the State Fire Commission as authorized by this article.

(d) Inspections generally. — The State Fire Marshal shall inspect all structures and facilities, other than one- and two-family dwelling houses, subject to the State Fire Code and this article, including, but not limited to, state, county, and municipally owned institutions, all public and private schools, health care facilities, theaters, churches, and other places of public assembly to determine whether the structures or facilities are in compliance with the State Fire Code.

(e) Right of entry. — The State Fire Marshal may, at all reasonable hours, enter any building or premises, other than dwelling houses, for the purpose of making an inspection which he or she may consider necessary under the provisions of this article. The State Fire Marshal and any deputy state fire marshal or assistant state fire marshal approved by the State Fire Marshal may enter upon any property, or enter any building, structure or premises, including dwelling houses during construction and prior to occupancy, for the purpose of ascertaining compliance with the conditions set forth in any permit or license issued by the office of the State Fire Marshal pursuant to §29-3-12b(A)(1) or §29-3B-1 et seq. of this code.
(f) **Investigations.** — The State Fire Marshal may, at any time, investigate as to the origin or circumstances of any fire or explosion or attempt to cause fire or explosion occurring in the state. The State Fire Marshal may administer oaths and affirmations to persons appearing as witnesses before him or her. False swearing in any matter or proceeding is considered perjury and is punishable as perjury.

The State Fire Marshal may require any person who applies for a permit to use explosives, other than an applicant for a license to be a pyrotechnic operator under §29-3E-6 of this code, to be fingerprinted and to authorize the State Fire Marshal
to conduct a criminal records check through the criminal identification bureau of the West Virginia
State Police and a national criminal history check through the Federal Bureau of Investigation.
The results of any criminal records or criminal history check shall be sent to the State Fire Marshal.

In addition, no person deputized pursuant to subsection (j) of this section may be authorized to issue a citation until evidence of liability coverage of the person has been provided, in the case of a paid municipal fire department, by the municipality wherein the fire department is located, or in the case of a volunteer fire department, by the county commission of the county wherein the fire department is located or by the municipality served by the volunteer fire department and that evidence of liability coverage has been filed with the State Fire Marshal.
