[Passed March 4, 2019; to take effect July 1, 2019]

1 AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section,  
2 designated §33-6-39, relating to dental insurance plans; defining terms; prohibiting  
3 insurers from requiring dentists to provide a discount on noncovered services; prohibiting  
4 dentists from charging covered persons more for noncovered services than his or her  
5 customary or usual rate for the services; providing that insurers may not provide for a  
6 nominal reimbursement for a service in order to claim that the service or material is  
7 covered; and providing an effective date.

*Be it enacted by the Legislature of West Virginia:*

## **ARTICLE 6. THE INSURANCE POLICY.**

### **§33-6-39. Prohibitions related to dental insurance plans, agreements, charges, and reimbursements; definitions.**

1 (a) For purposes of this section:

2 “Covered services” means dental care services for which reimbursement is available  
3 under an enrollee’s plan contract, or for which reimbursement would be available but for the  
4 application of contractual limitations such as deductibles, copayments, coinsurance, waiting  
5 periods, annual or lifetime maximum, frequency limitations, alternative benefit payments, or any  
6 other limitation.

7 “Contractual discount” means a percentage reduction from the provider’s usual and  
8 customary rate for covered dental services and materials required under a participating provider  
9 agreement.

10 “Dental plan” includes any policy of insurance which is issued by a health care service  
11 contractor which provides for coverage of dental services not in connection with a medical plan.

12 “Materials” includes, but is not limited to, any material or device utilized within the scope  
13 of practice by a licensed dentist.

14 (b) No contract of any health care service contractor that covers any dental services, and  
15 no contract or participating provider agreement with a dentist may require, directly or indirectly,

16 that a dentist who is a participating provider, provide services to an enrolled participant at a fee  
17 set by, or a fee subject to the approval of, the health care services contractor unless the dental  
18 services are covered services.

19 (c) A health care service contractor or other person providing third-party administrator  
20 services shall not make available any providers in its dental network to a plan that sets dental  
21 fees for any services except covered services.

22 (d) A dentist may not charge more for services and materials that are noncovered services  
23 under a dental benefits policy than his or her usual and customary fee for those services and  
24 materials.

25 (e) Reimbursement paid by a dental plan for covered services and materials shall be  
26 reasonable and may not provide nominal reimbursement in order to claim that services and  
27 materials are covered services.

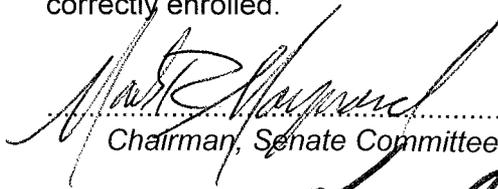

28 (f) This section applies to dental plans, contracts, and participating provider agreements  
29 which take effect or are renewed on or after July 1, 2019.

The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
