## CHAPTER 12. PUBLIC MONEYS AND SECURITIES.

### ARTICLE 4. ACCOUNTS, REPORTS, AND GENERAL PROVISIONS.

#### §12-4-14. Accountability of grantees receiving state funds or grants; sworn statements by volunteer fire departments; criminal penalties.

1 (a) For the purposes of this section:

2 (1) "Grantor" means a state spending unit awarding a state grant.

3 (2) "Grantee" means any entity receiving a state grant, including a state spending unit,  
4 local government, corporation, partnership, association, individual, or other legal entity.

5 (3) "Report" means an engagement, such as an agreed-upon procedures engagement or  
6 other attestation engagement, performed and prepared by a certified public accountant to test  
7 whether state grants were spent as intended. The term "report" does not mean a full-scope audit  
8 or review of the person receiving state funds.

9 (4) "State grant" means funding provided by a state spending unit, regardless of the  
10 original source of the funds, to a grantee upon application for a specific purpose. The term "state  
11 grant" does not include: (A) Payments for goods and services purchased by a state spending unit;  
12 (B) compensation to state employees and public officials; (C) reimbursements to state employees  
13 and public officials for travel or incidental expenses; (D) grants of student aid; (E) government  
14 transfer payments; (F) direct benefits provided under state insurance and welfare programs; (G)  
15 funds reimbursed to a person for expenditures made for qualified purposes when receipts for the  
16 expenditures are required prior to receiving the funds; (H) retirement benefits; and (I) federal pass-  
17 through funds that are subject to the federal Single Audit Act Amendments of 1996, 31 U.S.C. §  
18 7501, *et seq.* The term "state grant" does not include formula distributions to volunteer and part-  
19 volunteer fire departments and fire companies made pursuant to §33-3-14d, §33-3-33, §33-12C-  
20 7 of this code and does not include money received from the Fire Service Equipment and Training  
21 Fund as provided in §29-3-5f of this code.

22 (b) (1) Any grantee who receives one or more state grants in the amount of \$50,000 or  
23 more in the aggregate in a state's fiscal year shall file with the grantor a report of the disbursement  
24 of the state grant funds. When the grantor causes an audit, by an independent certified public  
25 accountant, to be conducted of the grant funds, the audit is performed using generally accepted  
26 government auditing standards, and a copy of the audit is available for public inspection, no report  
27 is required to be filed under this section. An audit performed that complies with Office of  
28 Management and Budget circular A-133, and submitted within the period provided in this section  
29 may be substituted for the report.

30 (2) Any grantee who receives a state grant in an amount less than \$50,000 or who is not  
31 required to file a report because an audit has been conducted or substituted as provided by  
32 subdivision (1) of this subsection shall file with the grantor a sworn statement of expenditures  
33 made under the grant.

34 (3) Reports and sworn statements of expenditures required by this subsection shall be  
35 filed within two years of the end of the grantee's fiscal year in which the disbursement of state  
36 grant funds by the grantor was made. The report shall be made by an independent certified public  
37 accountant at the cost of the grantee. State grant funds may be used to pay for the report if the  
38 applicable grant provisions allow. The scope of the report is limited to showing that the state grant  
39 funds were spent for the purposes intended when the grant was made.

40 (c)(1) Any grantee failing to file a required report or sworn statement of expenditures within  
41 the two-year period provided in subdivision (3), subsection (b) of this section for state grant funds  
42 is barred from subsequently receiving state grants until the grantee has filed the report or sworn  
43 statement of expenditures and is otherwise in compliance with the provisions of this section.

44 (2) Any grantor of a state grant shall report any grantee failing to file a required report or  
45 sworn statement of expenditures within the required period provided in this section to the  
46 Legislative Auditor for purposes of debarment from receiving state grants.

47 (d) (1) The state agency administering the state grant shall notify the grantee of the  
48 reporting requirements set forth in this section.

49 (2) All grantors awarding state grants shall, prior to awarding a state grant, take reasonable  
50 actions to verify that the grantee is not barred from receiving state grants pursuant to this section.  
51 The verification process shall, at a minimum, include:

52 (A) A requirement that the grantee seeking the state grant provide a sworn statement from  
53 an authorized representative that the grantee has filed all reports and sworn statements of  
54 expenditures for state grants received as required under this section; and

55 (B) Confirmation from the Legislative Auditor by the grantor that the grantee has not been  
56 identified as one who has failed to file a report or sworn statement of expenditures under this  
57 section. Confirmation may be accomplished by accessing the computerized database provided in  
58 subsection (e) of this section.

59 (3) If any report or sworn statement of expenditures submitted pursuant to the  
60 requirements of this section provides evidence of a reportable condition or violation, the grantor  
61 shall provide a copy of the report or sworn statement of expenditures to the Legislative Auditor  
62 within 30 days of receipt by the grantor.

63 (4) The grantor shall maintain copies of reports and sworn statements of expenditures  
64 required by this section and make the reports or sworn statements of expenditures available for  
65 public inspection, as well as for use in audits and performance reviews of the grantor.

66 (5) The Secretary of the Department of Administration has authority to promulgate  
67 procedural and interpretive rules and propose legislative rules for promulgation in accordance  
68 with the provisions of §29A-3-1 *et seq.* of this code to assist in implementing the provisions of this  
69 section.

70 (e)(1) Any state agency administering a state grant shall, in the manner designated by the  
71 Legislative Auditor, notify the Legislative Auditor of the maximum amount of funds to be disbursed,  
72 the identity of the grantee authorized to receive the funds, the grantee's fiscal year and federal

73 employer identification number, and the purpose and nature of the state grant within 30 days of  
74 making the state grant or authorizing the disbursement of the funds, whichever is later.

75 (2) The State Treasurer shall provide the Legislative Auditor the information concerning  
76 formula distributions to volunteer and part-volunteer fire departments, made pursuant to §33-3-  
77 14d, §33-3-33, and §33-12C-7 of this code, the Legislative Auditor requests, and in the manner  
78 designated by the Legislative Auditor.

79 (3) The Legislative Auditor shall maintain a list identifying grantees who have failed to file  
80 reports and sworn statements required by this section. The list may be in the form of a  
81 computerized database that may be accessed by state agencies over the Internet.

82 (f) An audit of state grant funds may be authorized at any time by the Joint Committee on  
83 Government and Finance to be conducted by the Legislative Auditor at no cost to the grantee.

84 (g) Any report submitted pursuant to the provisions of this section may be filed  
85 electronically in accordance with the provisions of §39A-1-1 *et seq.* of this code.

86 (h) Any grantee who files a fraudulent sworn statement of expenditures under subsection  
87 (b) of the section, a fraudulent sworn statement under subsection (d) of this section, or a  
88 fraudulent report under this section is guilty of a felony and, upon conviction thereof, shall be fined  
89 not less than \$1,000 nor more than \$5,000 or imprisoned in a state correctional facility for not less  
90 than one year nor more than five years, or both fined and imprisoned.

**§12-4-14b. Accountability of volunteer and part-volunteer fire companies or departments  
receiving state funds for equipment and training; review or audit of expenditures;  
withholding of state funds for delinquency or misuse; notifications.**

1 (a) *Definitions.* — For the purposes of this section:

2 “Equipment and training grant” means a grant of money to a volunteer fire company or a  
3 part-volunteer fire department from the Fire Service Equipment and Training Fund created in  
4 §29-3-5f of this code;

5           “Formula distribution” means a distribution of money to volunteer and part-volunteer fire  
6 companies or departments made pursuant to §33-3-14d, §33-3-33, and §33-12C-7 of this code;  
7 and

8           “State funds account” means a bank account established by a volunteer or part-volunteer  
9 fire company or department and maintained for the exclusive use and accounting of money from  
10 formula distributions and equipment and training grants.

11           (b) *Filing required documentation.* — Every volunteer and part-volunteer fire company or  
12 department seeking to receive formula distributions or an equipment and training grant shall file  
13 copies of bank statements and check images from the company’s or department’s state funds  
14 account for the previous calendar year with the Legislative Auditor on or before February 1 of  
15 each year.

16           (c) *Reviews and audits.* — The Legislative Auditor is authorized to conduct regular reviews  
17 or audits of deposits and expenditures from formula distribution and equipment and training grant  
18 funds by volunteer and part-volunteer fire companies or departments. The Legislative Auditor may  
19 assign an employee or employees to perform audits or reviews at his or her direction. The State  
20 Treasurer shall provide the Legislative Auditor information, in the manner designated by the  
21 Legislative Auditor, concerning formula distributions and equipment and training grants paid to  
22 volunteer or part-volunteer fire companies and departments. The volunteer or part-volunteer fire  
23 company or department shall cooperate with the Legislative Auditor, the Legislative Auditor’s  
24 employees, and the State Auditor in performing their duties under the laws of this state.

25           (d) *State Auditor.* — Whenever the State Auditor performs an audit of a volunteer or part-  
26 volunteer fire company or department for any purpose, the Auditor shall also conduct an audit of  
27 other state funds received by the company or department pursuant to §33-3-14d, §33-3-33, and  
28 §33-12C-7 of this code. The Auditor shall send a copy of the audit to the Legislative Auditor. The  
29 Legislative Auditor may accept an audit performed by the Auditor in lieu of performing an audit  
30 under this section.

31           (e) *Withholding of funds.* —The Treasurer is authorized to withhold payment of a formula  
32 distribution or an equipment and training grant from a volunteer or part-volunteer fire company or  
33 department, when properly notified by the Legislative Auditor pursuant to this section, of any of  
34 the following conditions:

35           (1) Failure to file, in a timely manner, copies of bank statements and check images with  
36 the Legislative Auditor;

37           (2) Failure to cooperate with a review or audit conducted by the Legislative Auditor;

38           (3) Misapplication of state funds; or

39           (4) Failure to file a report or a sworn statement of expenditures as required by §12-4-14  
40 of this code for a state grant other than an equipment and training grant.

41           (f) *Delinquency in filing.* — If, after February 1, a volunteer or part-volunteer fire company  
42 or department has failed to file the required bank statements and check images with the  
43 Legislative Auditor, the Legislative Auditor shall notify the delinquent company or department at  
44 two separate times in writing of the delinquency and of possible forfeiture of its Fire Service  
45 Equipment and Training Fund distribution for the year. If the required bank statements and check  
46 images are not filed with the Legislative Auditor by March 31, unless the time period is extended  
47 by the Legislative Auditor, the Legislative Auditor shall then notify the Treasurer who shall withhold  
48 payment of any amount that would otherwise be distributed to the company or department. Prior  
49 to each subsequent quarterly disbursement of funds by the Treasurer, the Legislative Auditor shall  
50 notify each delinquent company or department twice per each quarter in which the company or  
51 department is delinquent. The Legislative Auditor may choose the method or methods of  
52 notification most likely to be received by the delinquent company or department.

53           (g) *Noncooperation.* — If, in the course of an audit or review by the Legislative Auditor, a  
54 volunteer or part-volunteer fire company or department fails to provide documentation of its  
55 accounts and expenditures in response to a request of the Legislative Auditor, the Legislative  
56 Auditor shall notify the State Treasurer who shall withhold payment of any amount that would

57 otherwise be distributed to the company or department under the provisions of §33-3-14d, §33-  
58 3-33, and §33-12C-7 of this code until the Legislative Auditor informs the State Treasurer that the  
59 company or department has cooperated with the review or audit.

60 (h) *Reporting of other grants.* — Nothing in this section alters the duties and  
61 responsibilities of a volunteer or part-volunteer fire company or department imposed under §12-  
62 4-14 of this code if that company or department has received funds from any state grant program  
63 other than from the Fire Service Equipment and Training Fund. If the Legislative Auditor is notified  
64 by a grantor that a volunteer or part-volunteer fire company or department has failed to file a  
65 report or a sworn statement of expenditures for a state grant it received, the Legislative Auditor  
66 shall notify the State Treasurer who shall withhold further distributions to the company or  
67 department in the manner provided in this section.

68 (i) *Escrow and forfeiture of moneys withheld.* — The Volunteer Fire Department Audit  
69 Account previously created in the Treasury is hereby continued. When the State Treasurer  
70 receives notice to withhold the distribution of money to a volunteer or part-volunteer fire company  
71 or department pursuant to this section, the Treasurer shall instead deposit the amounts withheld  
72 into the Volunteer Fire Department Audit Account. If the Treasurer receives notice that the  
73 volunteer or part-volunteer fire company or department has come into compliance in less than  
74 one year from the date of deposit into this special revenue account, then the Treasurer shall  
75 release and distribute the withheld amounts to the company or department, except that any  
76 interest that has accrued thereon shall be credited to the general revenue of the state. If, after  
77 one year from payment of the amount withheld into the special revenue account, the Legislative  
78 Auditor informs the State Treasurer of continued noncooperation by the company or department,  
79 the delinquent company or department forfeits the amounts withheld and the State Treasurer shall  
80 pay the amounts withheld into Fire Service Equipment and Training Fund created in §29-3-5f of  
81 this code.

82 (j) *Misuse of state money.* — If the Legislative Auditor determines that a volunteer or part-  
83 volunteer fire company or department has used formula distribution money for purposes not  
84 authorized by §8-15-8b of this code or has used equipment and training grant money for purposes  
85 not authorized by the grant program, the Legislative Auditor shall give a written notice of  
86 noncompliance to the company or department. If a volunteer or part-volunteer fire company or  
87 department disagrees or disputes the finding, the company or department may contest the finding  
88 by submitting a written objection to the Legislative Auditor within five working days of receipt of  
89 the Legislative Auditor’s finding. The department or company shall then have 60 days from the  
90 date of the Legislative Auditor’s finding to provide documentation to substantiate that the  
91 expenditures were made for authorized purposes. If the volunteer or part-volunteer fire company  
92 or department does not dispute the findings of the Legislative Auditor or if the company or  
93 department is not able to substantiate an authorized purpose for the expenditure, the Legislative  
94 Auditor shall notify the Treasurer of the amount of misapplied money and the Treasurer shall  
95 deduct that amount from future distributions to that company or department until the full amount  
96 of unauthorized expenditure is offset.

## **CHAPTER 29. MISCELLANEOUS BOARDS AND OFFICERS.**

1 (a) There is hereby created in the Treasury a special revenue fund to be known as the  
2 Fire Service Equipment and Training Fund. Expenditures from the fund by the State Fire Marshal  
3 are authorized from collections. The fund may only be used for the purpose of providing grants to  
4 equip volunteer and part-volunteer fire companies and departments and their members, and to  
5 train volunteer and part-volunteer firefighters. Any balance remaining in the fund at the end of any

6 fiscal year does not revert to the General Revenue Fund, but remains in the Special Revenue  
7 Fund.

8 (b) The State Fire Marshal shall establish a grant program for equipment and training for  
9 volunteer and part-volunteer fire companies and departments. Such grant program shall be open  
10 to all volunteer and part-volunteer fire companies and departments. In making grants pursuant to  
11 this section, the State Fire Marshal shall consider:

18 whether the fire company or department has availed itself of available statewide contracts.

19 (c) The State Fire Marshal shall propose legislative rules for promulgation in accordance  
20 with §29A-3-1 *et seq.* of this code to implement the grant program established pursuant to this  
21 section.

22 (d) The Legislative Auditor shall notify the State Fire Marshal of any volunteer or part-  
23 volunteer fire company or department that is ineligible to receive grant funds due to the company's  
24 or department's failure to file required bank statements or financial reports or failure to comply  
25 with an audit or review by the Legislative Auditor. A volunteer or part-volunteer fire company or  
26 department reported by the Legislative Auditor shall be ineligible to receive funds under this  
27 section until the Legislative Auditor notifies the State Fire Marshal that the company or department  
28 has come into compliance.

**§29-3-8. Comprehensive report by State Fire Marshal.**
