AN ACT to amend and reenact §29-5A-3, §29-5A-3a, §29-5A-8, §29-5A-14, §29-5A-20, and §29-5A-24 of the Code of West Virginia, 1931, as amended, all relating to the State Athletic Commission's direction, management, and control over all boxing and mixed martial arts events, contests, and matches in West Virginia; authorizing the commission to promulgate legislative rules regulating said boxing and mixed martial arts events; authorizing the commission to issue, suspend, or revoke the licenses required to promote, contend in, judge, referee, or otherwise participate in said boxing and mixed martial arts events; establishing the requirements for licensure as a promoter, contestant, manager, trainer, judge, matchmaker, or official; establishing restrictions and prohibitions against conflicts of interest; and establishing appropriate rules for regulating and sanctioning amateur boxing events.

Be it enacted by the Legislature of West Virginia:

ARTICLE 5A. STATE ATHLETIC COMMISSION.

§29-5A-3. Commission to have sole control of boxing, etc., matches; licenses; municipality not to tax boxing, etc., club.

(a) The commission has sole direction, management, and control of the jurisdiction over all amateur, professional, and semiprofessional boxing, sparring matches, and exhibitions, or any form thereof, to be conducted, held or given within the state by any club, individual, corporation, or association. As used in this article, the term “boxing” includes any fighting event that includes or permits the striking of an opponent with a closed fist, even if wrestling moves, elements of martial arts, or striking an opponent with the feet are also permitted. No boxing, sparring, or exhibition may be conducted, held, or given within the state except pursuant to the commission’s authority and held in accordance with this article. The commission may issue and revoke the license to conduct, hold, or give boxing or sparring matches or exhibitions to any club, corporation, association, or individual. Every license is subject to rules the commission may prescribe. Every application for a license shall be on a blank form provided by the commission.
of the promoter's license, the promoter shall pay a state license fee of $125 for one year. The fee
is nonrefundable and shall be paid in the form of a certified check or money order issued to the
Treasurer of the State of West Virginia to be deposited in the fund set forth in §29-5A-3b of this
code. Nonprofit chartered and charitable organizations are exempt from this license fee for all
amateur events. No municipal corporation may impose any license tax on boxing, sparring, or
exhibition clubs, notwithstanding the provisions of any section of the code respecting municipal
taxes and licenses. The granting of a license to a club by the commission, or the holding of a
license by a club, individual, corporation, or association, does not prevent the commission from
canceling or revoking the license to conduct an event as provided in this section.

(b) In exercising its jurisdiction over professional and semiprofessional boxing, sparring
matches, and exhibitions, the commission shall follow the current unified rules of boxing adopted
by the Association of Boxing Commissions and requirements to enable the proper sanctioning of
all participants, referees, judges, and matches or exhibitions and shall cooperate fully with the
Association of Boxing Commissions in order that the sanctioning be extended to state boxers.
The commission shall supervise all amateur boxing conducted in this state and any such contest
shall follow the amateur rules for boxing as recommended and adopted by the Association of
Boxing Commissions, U.S.A. Boxing, the International Boxing Association, or any other
appropriate governing or sanctioning body recognized and accepted by the commission. For full
contact boxing events and other boxing events that follow nontraditional rules, the commission
may impose any limitations or restrictions reasonably necessary to guarantee the safety of the
participants and the fair and honest conducting of the matches or exhibitions and may refuse to
license any event that poses an unreasonable degree of risk to the participants.

(c) In exercising jurisdiction over professional, semiprofessional, and amateur boxing as
well as any other boxing event over which the commission has jurisdiction under §29-5A-3(b) of
this code, the commission may propose rules for legislative approval, in accordance with the
provisions of §29A-3-1 et seq. of this code, to implement the provision of this section including:
§29-5A-3a. Power to regulate mixed martial arts.

(a) The commission has sole power, direction, management, and control over all professional and amateur mixed martial arts contests, matches, and exhibitions, or any form thereof, to be promoted, conducted, held, or given within the state.

(b) As used in this article, the term "mixed martial arts" means a combative sporting contest, the rules of which allow two competitors to attempt to achieve dominance over one another by utilizing a variety of techniques including, but not limited to, striking, grappling, and the application of submission holds.

(c) A mixed martial arts contest, match, or exhibition promoted, conducted, held, or given within the state shall be under the commission’s authority and be in accordance with the provision of this section. The provisions of this article that apply to boxing shall also apply to mixed martial arts as appropriate.

(d) In exercising its jurisdiction over professional and amateur mixed martial arts contests, matches, and exhibitions, the commission shall follow the current unified rules of mixed martial arts as adopted by the Association of Boxing Commissions to enable the proper equipment, fighting area and weight classes to ensure the safety of contestants and ensure the licensing of all participants, referees, and judges, and the approval of contests, matches, or exhibitions conducted under the provisions of this section.
(e) The commission may issue and revoke a license to promote, conduct, hold, or give mixed martial arts contests, matches, or exhibitions and may issue and revoke a license to be a contestant. Each license is subject to the provisions of this section and this article and the rules of the commission.

(f) The commission shall propose rules for legislative approval, in accordance with the provisions of §29A-3-1 et seq. of this code to implement the provisions of this section, including:

The granting of a license to a club by the commission, or the holding of a license by a club, individual, corporation, or association, does not prevent the commission from revoking the license to conduct an event as provided in this section: Provided, That nothing in this subsection limits the authority of a municipality to impose any other taxes or fees on mixed martial arts contests, matches, or exhibitions pursuant to §8-13-1 et seq. of this code.
