Governor
State of West Virginia

Dear Governor Justice:

There was an error in the enrolling process for Committee Substitute for House Bill 4003 and the §33-53-3 in the title should have been §33-53-1. Copies of both the title amendment from the hard copy of the bill and title in the enrolled bill are attached.

We plan to note the correct number with an * when we publish the Acts of the Legislature. In addition, since this is a new section (actually a new article), based on the practice of renumbering new articles of the code which conflict with the numbers of other new articles according to the order the bills passed, the designation will become §33-57-1 in the Acts. There is also a new section, §30-1-25, which will become §30-1-26.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Steve Harrison
Clerk of the House
