(a) The Racing Commission shall promptly consider any application for a license or permit, as the case may be. Based upon such application and all other information before it, the Racing Commission shall make and enter an order either approving or denying the application. The application may be denied for any reason specified in subsection (b) of this section. If an application for a license is approved, the Racing Commission shall issue a license to conduct a horse or dog race meeting and shall designate on the face of the license the kind or type of horse or dog racing for which the same is issued, the racing association to which the same is issued, the dates upon which the horse or dog race meeting is to be held or conducted (which may be any weekdays, or week-nights, including Sundays), the location of the horse or dog racetrack, place or enclosure where the horse or dog race meeting is to be held or conducted, and other information as the Racing Commission shall consider proper. racetracks and dog racetracks in this state, the Racing Commission shall consider the horse
racing circuits and dog racing circuits with which the horse racetracks and dog racetracks in this
state are associated or contiguous to and shall also consider dates which are calculated to

enclosure available for that purpose, provided that the owner of the racetrack, place, or enclosure

of this article. A permit issued under the provisions of this article is neither transferable nor
assignable to any other person.

(g) The Racing Commission may not disqualify an applicant from an initial license or permit
because of a prior criminal conviction that remains unreversed unless that conviction is for a crime
that bears a rational nexus to the activity requiring a license or permit. In determining whether a
criminal conviction bears a rational nexus to a profession or occupation, the Racing Commission
shall consider at a minimum:

(1) The nature and seriousness of the crime for which the individual was convicted;

(2) The passage of time since the commission of the crime;

(3) The relationship of the crime to the ability, capacity, and fitness required to perform the
duties and discharge the responsibilities of the profession or occupation; and

(4) Any evidence of rehabilitation or treatment undertaken by the individual.

(h) Notwithstanding any other provision of this code to the contrary, if an applicant is
disqualified from a license or permit because of a prior criminal conviction, the commissioner shall

following the disqualifying offense; and

permit may petition the Racing Commission at any time for a determination of whether the
individual’s criminal record will disqualify the individual from obtaining a license or permit. This
petition shall include sufficient details about the individual’s criminal record to enable the Racing
Commission to identify the jurisdiction where the conviction occurred, the date of the conviction,
and the specific nature of the conviction. The Racing Commission shall provide the determination
within 60 days of receiving the petition from the applicant. The Racing Commission may charge
a fee to recoup its costs for each petition.

(2) The passage of time since the commission of the crime;
(3) The relationship of the crime to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the profession or occupation; and
(4) Any evidence of rehabilitation or treatment undertaken by the individual.

(6) Does not owe delinquent taxes, fines, or fees to any local or state taxing authority or governmental agency, department, or other political subdivision of this state.

(e) A person is not eligible for a license, and a person who holds a license shall surrender the license to the commissioner, if the person or a principal of the person has at any time been convicted of:

petition the commissioner at any time for a determination of whether the individual's criminal
record will disqualify the individual from obtaining a license. This petition shall include sufficient
details about the individual’s criminal record to enable the commissioner to identify the jurisdiction
where the conviction occurred, the date of the conviction, and the specific nature of the conviction.
The commissioner shall provide the determination within 60 days of receiving the petition from
the applicant. The commissioner may charge a fee to recoup its costs for each petition.

(i) Before approving an application for a license of an applicant who has less than one
year’s experience in the proposed business governed by this article as a regulated entity in
another state, or whose license has been suspended or revoked by another state, the
commissioner may, in his or her discretion, conduct an on-site investigation of an applicant at the

§33-13C-3. License and bond requirements.

(a)(1) A person may not operate as a viatical settlement provider or viatical settlement
broker without first obtaining a license from the commissioner.

(2)(A) An insurance producer who is authorized to sell life insurance in this state pursuant
to a resident or nonresident license issued in accordance with the provisions of §33-12-1 et seq.
of this code may operate as a viatical settlement broker without obtaining a license pursuant to
this section if the viatical settlement activities of the producer are incidental to the producer’s
insurance business activities.

(B) The insurer that issued the policy being viaticated is not responsible for any act or
 omission of a viatical settlement broker or viatical settlement provider arising out of or in
connection with the viatical settlement transaction, unless the insurer receives compensation for
the placement of a viatical settlement contract from the viatical settlement provider or viatical settlement broker in connection with the viatical settlement contract.

(3) A person licensed as an attorney, certified public accountant, or financial planner accredited by a nationally recognized accreditation agency who is retained to represent the viator, whose compensation is not paid directly or indirectly by the viatical settlement provider, may negotiate viatical settlement contracts on behalf of the viator without having to obtain a license as a viatical settlement broker.

(b) Application for a viatical settlement provider or viatical settlement broker license and for renewals of the licenses shall be made in the manner prescribed by the commissioner and shall be accompanied by fees established in legislative rules, including emergency rules, promulgated by the commissioner.

(1) The commissioner may not disqualify an applicant from initial licensure because of a prior criminal conviction that remains unreversed unless that conviction is for a crime that bears a rational nexus to the activity requiring licensure. In determining whether a criminal conviction bears a rational nexus to a profession or occupation, the commissioner shall consider at a minimum:

(A) The nature and seriousness of the crime for which the individual was convicted;

(B) The passage of time since the commission of the crime;

(C) The relationship of the crime to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the profession or occupation; and

(D) Any evidence of rehabilitation or treatment undertaken by the individual.

(2) Notwithstanding any other provision of this code to the contrary, if an applicant is disqualified from licensure because of a prior criminal conviction, unless that conviction is a felony pursuant to §33-13C-14 of this code, the commissioner shall permit the applicant to apply for initial licensure if:

(A) A period of five years has elapsed from the date of conviction or the date of release
from incarceration, whichever is later;

(B) The individual has not been convicted of any other crime during the period of time following the disqualifying offense; and

(C) The conviction was not for an offense of a violent or sexual nature: Provided, That a conviction for an offense of a violent or sexual nature may subject an individual to a longer period of disqualification from licensure, to be determined by the commissioner.

(3) An individual with a criminal record who has not previously applied for licensure may petition the commissioner at any time for a determination of whether the individual’s criminal record will disqualify the individual from obtaining a license. This petition shall include sufficient details about the individual’s criminal record to enable the commissioner to identify the jurisdiction where the conviction occurred, the date of the conviction, and the specific nature of the conviction. The commissioner shall provide the determination within 60 days of receiving the petition from the applicant. The commissioner may charge a fee to recoup its costs for each petition.

(c) The commissioner has the authority, at any time, to require the applicant to fully disclose the identity of all stockholders, partners, officers, members, and employees and the commissioner may, in the exercise of the commissioner’s discretion, refuse to issue a license in the name of a legal entity if not satisfied that any officer, employee, stockholder, partner, or member of the entity who may materially influence the applicant’s conduct meets the standards of this article.

(d) The commissioner shall make an investigation of each applicant and issue a license if the commissioner finds that the applicant:

(1) If a viatical settlement provider, has provided a detailed plan of operation;

(2) Is competent and trustworthy and acts in good faith in the capacity of a licensee;

(3) Has a good business reputation and is qualified by experience, training, or education as a viatical settlement provider or broker;

(4) Has demonstrated evidence of financial responsibility, in a format prescribed by the
commissioner, by possessing a minimum equity of not less than $250,000 in cash or cash equivalents reflected in the applicant’s audited financial statements or through a surety bond executed and issued by an insurer authorized to issue surety bonds in this state in the amount of $250,000: Provided, That the commissioner may permit an applicant for a broker’s license to demonstrate evidence of financial responsibility through a policy of insurance covering legal liability resulting from erroneous acts or failure to act in their capacity as a viatical settlement broker and inuring to the benefit of any aggrieved party as the result of any single occurrence in the sum of not less than $100,000 and $300,000 in the aggregate for all occurrences within one year. Any surety bond issued pursuant to this subdivision shall be in the favor of this state and shall specifically authorize recovery by the commissioner on behalf of any person in this state who sustained damages as the result of erroneous acts, failure to act, conviction of fraud, or conviction of unfair practices by the viatical settlement provider or viatical settlement broker. The commissioner shall accept, as evidence of financial responsibility, proof that financial instruments in accordance with the requirements in this paragraph have been filed with a state in which the applicant is licensed as a viatical settlement provider or viatical settlement broker. The commissioner may ask for evidence of financial responsibility at any time he or she considers it necessary.

(5) If a legal entity has provided a certificate of good standing from the state of its domicile; and

(6) Has provided an antifraud plan that meets the requirements of §33-13C-14(g) of this code.

(e) The commissioner may not issue a license to a nonresident applicant unless the applicant files with the commissioner either a written designation of an agent for service of process or the applicant’s written irrevocable consent that any action against the applicant may be commenced against the applicant by service of process on the commissioner.

(f) A viatical settlement provider or viatical settlement broker shall provide to the
commissioner new or revised information about officers, 10 percent or more stockholders, partners, directors, members, or designated employees within 30 days of the change.

(g) An individual licensed as a viatical settlement broker shall complete on a biennial basis 15 hours of training related to viatical settlements and viatical settlement transactions as required by the commissioner. A life insurance producer operating as a viatical settlement broker pursuant to subdivision (2), subsection (a) of this section is not subject to the requirements of this subsection. Any person failing to meet the requirements of this subsection is subject to the penalties imposed by the commissioner.

§33-13C-4. License revocation and denial.

(a) The commissioner may refuse to issue, suspend, revoke, place on probation, or refuse to renew the license of a viatical settlement provider or viatical settlement broker if the commissioner finds that:

(1) There was any material misrepresentation in the application for the license;

(2) The licensee or any officer, partner, member, or key management personnel has been convicted of fraudulent or dishonest practices, is subject to a final administrative action, or is otherwise shown to be untrustworthy or incompetent;

(3) The viatical settlement provider demonstrates a pattern of unreasonable payments to viators;

(4) The licensee or any officer, partner, member, or key management personnel has been found guilty of, or has pleaded guilty or nolo contendere to, any felony, or to a misdemeanor involving fraud, regardless of whether a judgment of conviction has been entered by the court: Provided, That the commissioner shall apply §33-13C-3(b) of this code and any relevant legislative rules in determining whether an applicant's prior criminal convictions bear a rational nexus to the license being sought;

(5) The viatical settlement provider has entered into any viatical settlement contract that has not been approved pursuant to this article;
(6) The viatical settlement provider has failed to honor contractual obligations set out in a viatical settlement contract;

(7) The licensee no longer meets the requirements for initial licensure;

(8) The viatical settlement provider has assigned, transferred or pledged a viaticated policy to a person other than a viatical settlement provider licensed in this state, viatical settlement purchaser, an accredited investor, or qualified institutional buyer as defined respectively in Rule 501(a) or Rule 144A promulgated under the Federal Securities Act of 1933, as amended, financing entity, special purpose entity, or related provider trust; or

(9) The licensee or any officer, partner, member, or key management personnel has violated any provision of this article.

(b) The commissioner may suspend, revoke, or refuse to renew the license of a viatical settlement broker or a life insurance producer operating as a viatical settlement broker pursuant to this article if the commissioner finds that the viatical settlement broker or life insurance producer has violated the provisions of this article or has otherwise engaged in bad faith conduct with one or more viators.

(c) If the commissioner denies a license application or suspends, revokes, or refuses to renew the license of a viatical settlement provider, viatical settlement broker, or life insurance producer operating as a viatical settlement broker, the commissioner shall conduct a hearing in accordance with §33-2-13 of this code.
