1 AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section,
2 designated §17A-6D-17, relating to fees that may be charged by daily passenger rental
3 car companies pursuant to the master rental agreement; defining a term; authorizing daily
4 passenger rental car companies to charge administrative fees under a certain amount
5 related to certain costs incurred by the rental customer and paid by the daily passenger
6 car rental company; and requiring that the rental customer affirmatively agree to the
7 administrative fees in the master rental agreement.

Be it enacted by the Legislature of West Virginia:

ARTICLE 6D. DAILY PASSENGER RENTAL CAR BUSINESS.

§17A-6D-17. Authorized administrative fees.

1 (a) As used in this section, “administrative fees” means reasonable costs expressly
2 provided for in the master rental agreement pertaining to parking tickets, tolls, citations for other
3 non-moving violations, and other costs incurred by the rental customer and not timely paid by the
4 rental customer and paid by the daily passenger car rental company. Administrative fees may not
5 exceed \$25 per rental agreement or ten percent of the debt owed, whichever is less.

6 (b) Notwithstanding any provision of this code to the contrary, including, but not limited to
7 §46A-2-128(d) of this code, a daily passenger rental car company may collect or charge
8 administrative fees incidental to, or arising from, the rental transaction when the administrative
9 fees are expressly provided for in the master rental agreement and affirmatively acknowledged
10 by the rental customer.

The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
